

*How to make  
good telephone service  
even better....*

## *You won't miss important calls*

when you answer promptly. When you have only two cards left to play in an exciting grand slam hand—or in any situation where you'd like to say "Wait a minute!"—it's always a temptation not to answer the telephone immediately. The person calling, though, doesn't know what you're doing and may hang up, thinking you are not at home. That way you may miss important calls. So, next time your telephone rings, won't you try to answer as quickly as you can?
