getting your party more often
when you dial:
1. Look up the number in the latest
directory. Write it down.
2. Listen for dial tone.
3. Dial carefully.
4. Wait a minute before you de-
cide your party isn't home.

1. Space your calls instead of mak-
ing a whole series.
2. If yours is an emergency call and

the line.
3. If you are calling from a dial
telephone always make certain
the line is clear before you dial.
4. When the children use the tele-
phone, ask them to be consider-
ate, too.
5. Replace the receiver properly
when you finish your call.

In these busy days when saving
time is so important, more and
more telephone users are following
the thoughtful way of answering
the telephone: "Harry Smith speak-

lishes identity, saves time and
makes a good impression.
