Good party-line neighbors are
considerate party-line users. Re-
member these golden rules:

- Space your calls instead of mak-
ing several without a break.
- Talk only as long as necessary on
each call.
- When you finish talking replace
the receiver properly.
- Make certain, if you are using a
dial telephone, that the line is
clear before you dial.
- Ask your youngsters to be con-
siderate, too.
