NEWSPAPER FIREWOOD
To make a small grate or stove
fire, or to kindle a big one, use
old newspapers which have been
rolled up tightly, soaked overnight
in water, squeezed out and allowed
to dry for several days. The tighter
they are squeezed, the better fire-
wood they make.

BROOMS
Here's how you may be sure of
getting your party more often
when you dial:
1. Look up the number in the latest
directory. Write it down.
2. Listen for dial tone.
3. Dial carefully.
4. Wait a minute before you de-
cide your party isn't home.
