

GENERAL INFORMATION

STATION-TO-STATION CALLS

Place a station-to-station call if you'll talk with anyone who answers. You can dial most of these calls direct. Rates are lower than person-to-person calls and charging begins when the called telephone is answered. (For dialing instruction see pages 3-7).

PERSON-TO-PERSON CALLS

Place a person-to-person call if you wish to talk to a particular party or if you're calling an extension telephone. Person-to-person calls can be dialed direct. Rates are higher than a station-to-station call. Charging starts when conversation begins with the person you've called. (For dialing instructions see pages 3-7.)

COLLECT CALLS

Most calls can be made "collect" if the person you are calling agrees to pay the charge. Collect calls can be dialed direct. The minimum charge for a collect call within California is 30 cents. (For dialing instructions see pages 3-7.)

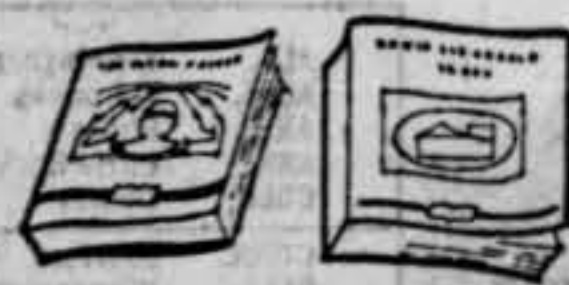

CREDIT CARD CALLS

You can dial Long Distance calls with a Bell System Credit Card. Just tell the Operator, "this is a Credit Card Call". Please give her your Credit Card number. (For dialing instructions see pages 3-7.)

CONFERENCE CALLS

You can talk with several people in different places at the same time. Tell the Operator you wish to make a conference call.

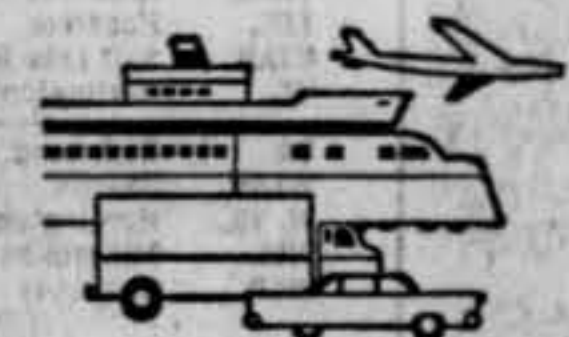

OUT-OF-TOWN DIRECTORIES

If your telephone service needs require that you frequently use a directory for a city, or calling area, other than your own, out-of-town directories are available through our Business Office. Some may be had without additional cost. Others may be obtained for a reasonable charge. For information, just call our Business Office.

"BEEP" TONE

Occasionally people need to record or monitor a telephone conversation for business or other reasons. When this is being done, you will hear a beep tone every 15 seconds to let you know that your conversation is being recorded or monitored. This signal is legally required to protect you.

MOBILE AND MARINE SERVICE

You can make Local and Long Distance calls to automobiles, trucks, aircraft and boats equipped for telephone service. Ask the Operator for the Mobile Service Operator, or the Marine Operator.

Upon request the Operator will notify you at the end of a stated period of time on Long Distance calls.
