## ***Dedication***

MRS. HAGOPIAN  
Tenth Grade Counselor

A dedicated person is a rare individual in this day and age. And rare indeed is one who has dedicated her entire life to the youth of the Berkeley Unified School District. Mrs. Blanche Hagopian has been teacher and counselor at Berkeley High School since the Fall of 1929. During all this time she has given unstintingly of her time and knowledge to innumerable young people who have profited greatly through the years from her interest and efforts. Now that she is entering the retirement phase of her life she can do so with the knowledge that her efforts have been not only fruitful but greatly appreciated.

During her years of counseling, the procedures and methods of guidance have changed radically, especially in the field of college requirements and choice of careers. Because she has kept pace with all of these changes, she has been able to provide valuable assistance to countless Berkeley High students.

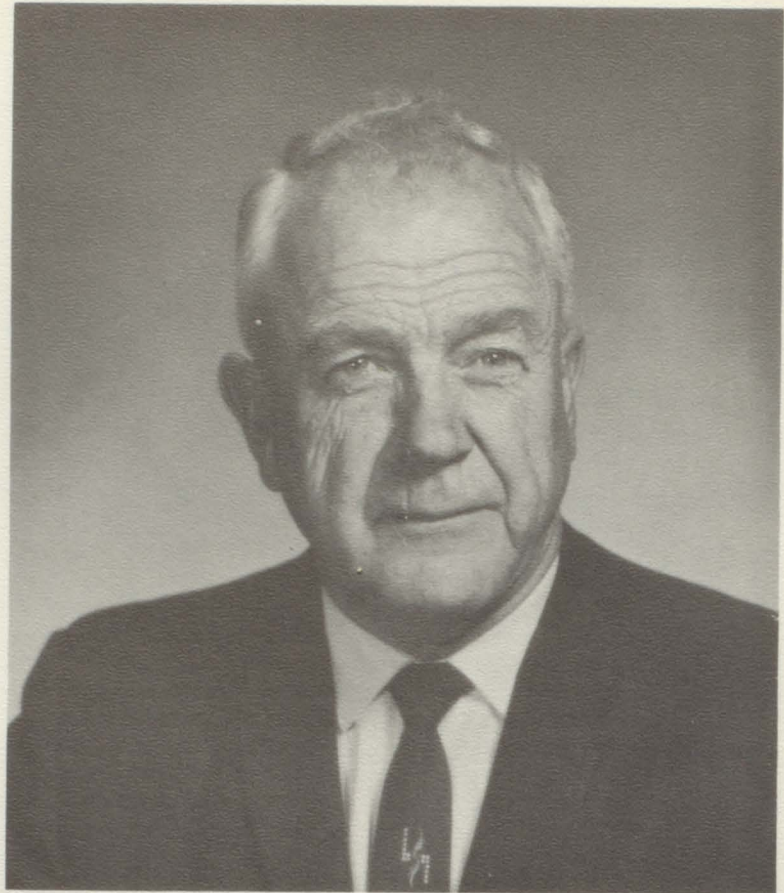

It is not easy to leave an active career in the midst of the exciting educational changes that we are now experiencing, but Mrs. Hagopian can look back on a job well done. We rejoice with her in the culmination of a most successful career, and we wish her continued health and happiness and an active life.

It is with a feeling of the highest esteem that we dedicate the 1965 yearbook to Mrs. Blanche Hagopian.

# ***Principal's Message***

MR. EMERY J. CURTICE  
Principal

We look forward with great anticipation and excitement to September, 1965, when the Berkeley High School family will move into two new facilities, the Cafeteria and the new building immediately south of the present Academic Building. The Cafeteria building will not only house the cafeteria activities but will also serve as a study hall and the new setting for BHS social events. The other new building, yet to be named, will house the library and twelve English classrooms on the second floor, and Counseling, Administration, Attendance, Accounting, three Special Class classrooms and the Home Economics department on the ground floor.

The campus will remain crowded and short of classrooms for one more year while the present Academic Building is being remodeled. The Fall of 1966 should see the building program completed and the bungalows removed, at which time the campus will take on new beauty and improved efficiency of operation.

It is regrettable that you of the June graduating class will not be able to enjoy our new campus, but as, if and when you return, please call on me and I shall take you on a personally guided tour of the new facilities. The entire staff joins me in extending congratulations and best wishes upon your graduation.

Your Principal,

*Emery J. Curtice*

## ***Editor's Message***

This semester's Pod is the product of a new experiment. For the first time, Miss Smith selected three editors instead of the usual one. The results of the experiment are shown partially in this book. We think most of the success is felt by the staff, however. By working as a team, we were able to maintain a high standard of efficiency, and to help relieve the burdens which Miss Smith and other individual staff members had previously carried alone. We have enjoyed this opportunity to work together closely, and we hope we have set a precedent for following staffs. The editor's job is too big for one person to handle. When the Pod is published annually instead of every semester, as it soon will be, two or more editors may be essential to a successful book.

The high points of our semester's work were the two surveys taken concerning student feelings about the Pod. The response to these surveys was overwhelming. Many thoughts were contributed and results uncovered both student interest in and support of the Pod and the staff. If it hadn't been for this response, you would not have this book in your hands now.

We have tried to bring our theme this semester back to Berkeley High, by emphasizing students and their activities. Let the variations within this book be symbolic of the variations within Berkeley High School.

We feel we cannot claim the credit for this Olla Podrida, however. Long hours put in by many people have made this Spring 1965 book possible. We want to express our gratitude for the leadership and direction which comes from our principal, Mr. Curtice. Our deepest appreciation also goes to our sponsor, Miss Smith, for all her guidance and patience. The staff was excellent in accomplishing all tasks quickly and efficiently, and each staff member deserves a gold medal for his individual efforts. Our photographer, Mr. Edwards, besides working strenuously to complete our usual pictures, went beyond the call of duty, by taking the aerial picture of Berkeley High, and surprising us with it. We don't know what we would have done if Mr. Morrison, of the Brazelton Printing Company, had not come time after time to straighten out our problems. In fact, the whole printing firm has been consistent in its support of our book. A big vote of thanks to you Berkeley High students who supported us through the surveys and sales. You gave your aid when we needed it most. May the Pod continue to be a strong Berkeley High School tradition.

## ***New Buildings***

Throughout this year we have been jumping ditches and dodging machinery, but it has been in a good spirit. We know the end result, a new academic building and cafeteria, will be worth all of our small inconveniences.

On September 13, 1965, these new buildings will be put into full operation, unless some unforeseen obstacle presents itself. At this time the present academic building will be vacated. The reason for this is so that it can be modernized. With the completion of this project, in September, 1966, all the buildings on the campus will again be in use. At this time the bungalows on the slope and near the steam plant will be removed, but the bungalows on Bancroft will probably remain, to be used if the need arises. By December 1966 the landscaping should also be finished, thus completing the entire project.

With the addition of the new academic building, a new program will be initiated at Berkeley High, the opportunity to group departments in special areas of the buildings. The plans show that the entire lower floor

## ***At Berkeley High***

of the present academic building will house the mathematics department. The second floor of both academic buildings will be devoted to the English department and the new library; finally the third floor will be social studies.

The second new building, the cafeteria, offers many opportunities for Berkeley High. Underneath the building will be a snack bar which will give many students a place to eat during any kind of weather. The inside of the building will be the cafeteria. It is anticipated that the cafeteria will be used for the social events, replacing the social hall.

The architecture of the cafeteria is coordinated with the Community Theater; this will be a beautiful addition to the campus.

If, at the end of the construction period, there are any surplus funds, the district will use them to improve the outdoor athletic facilities.

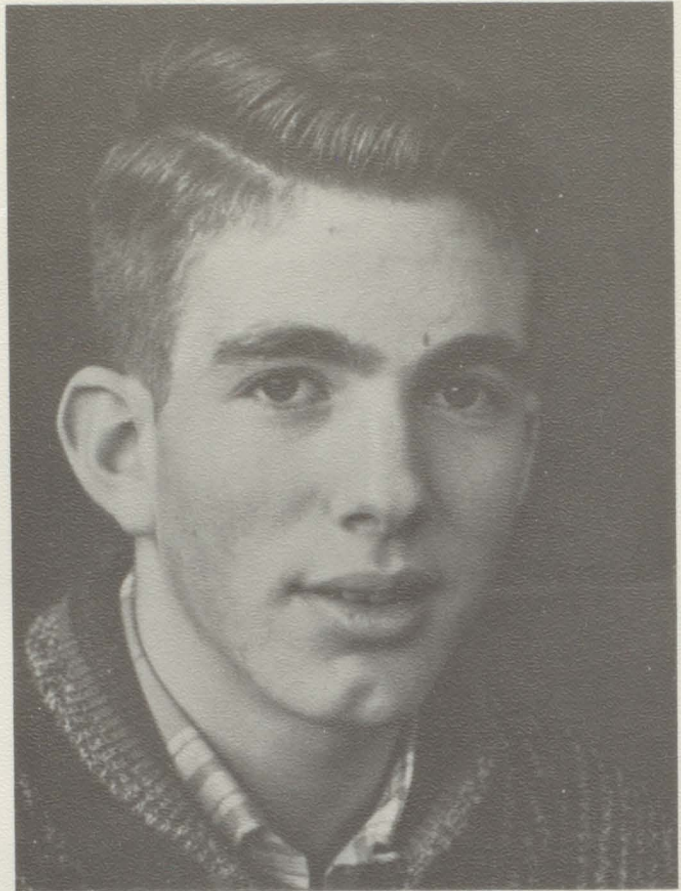

The building project reflects the interest and contributions of the citizens of Berkeley. They can be justly proud of this extension to the advancement of the educational opportunities in our city.

## ***In Memoriam***

ROBERT FATT

Bob Fatt, son of Mr. and Mrs. Irving Fatt, would have graduated with this class at Berkeley High. He was an exceptional person, and those who knew him liked him and valued him as a friend.

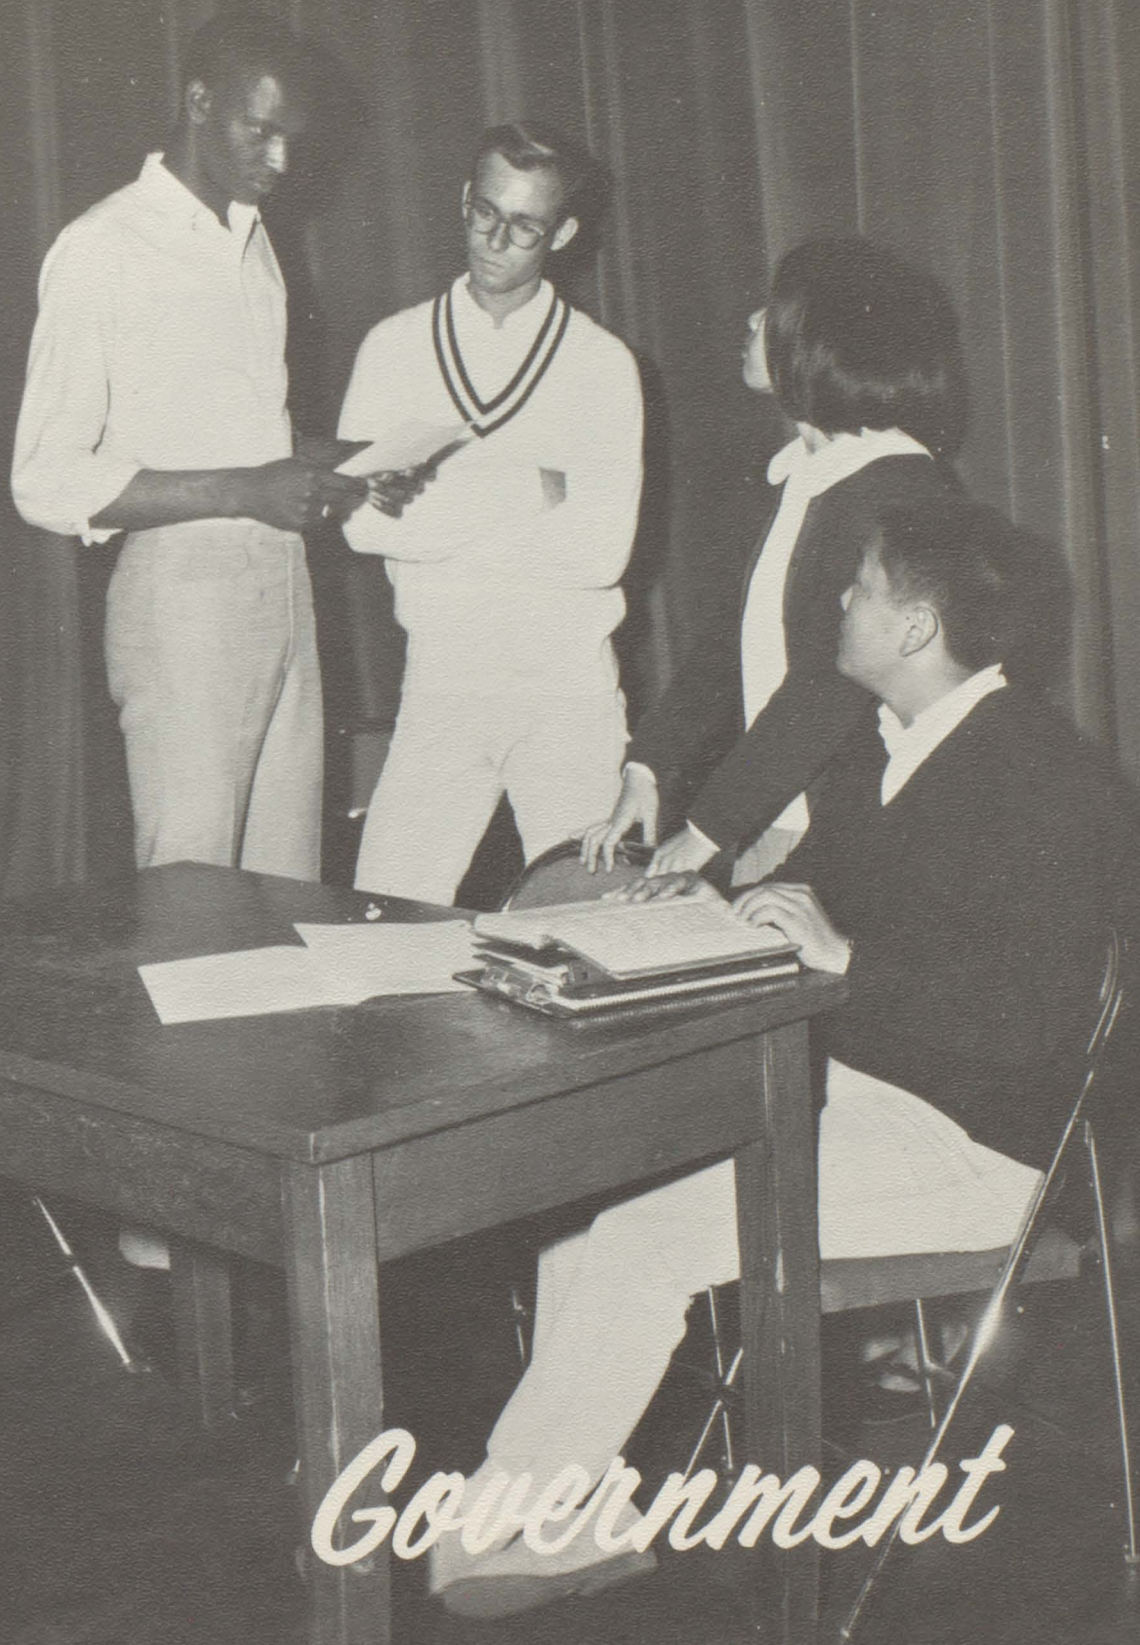

It's been a long three years, and ninth grade survives as an indistinct memory. But at odd moments during the last three years we have had a sudden thought quite frequently, of Bob, and wished he were around. The wistful musing has been supplanted by a deeper feeling, a conviction that this or that would have been more fun if Bob had been there, or that he would have fitted well into this group, or that he would have been a valuable ally in that cause. In short, life would be livelier and more interesting with Bob in it. We finally realize that something irreplaceable was lost, more important than anything else we have yet known.

Bob was an unusual person, and he had virtues which we miss in others. His active, intelligent mind was one of his important qualities. He knew about electronics — he was a ham radio operator, and he built an electric organ. He was interested in psychoanalysis, and classical music. He could be counted on for a sound, logical opinion on anything, and he never missed a joke or an allusion.

But the thing we miss most about him is his combination of strength, integrity, and warmth. His relations with others contained a wonderful straightforward honesty, and they were colored by warm friendliness which made him easy to like. Those who knew him better noticed an unusual strength about him. Bob was afraid of neither life nor people, and his self dependance made others trust him. Bob was an outstanding person, and we can only wonder what kind of an adult he would have been.

## **Board of Control**

A.S.B.H.S. President  
ALONZO STRANGE

My goals for this past semester were very easy. I said I would rearrange and that is what I did. However my job was just as tough as the jobs of other presidents, in that I had to rearrange things in a fashion that would suit most of the student body.

This semester we saw the "walk outs" for actions taken in the South, demonstrations for fair employment and housing in the Bay Area, controversial stands on F.S.M. all pushed aside for better assemblies and dances, more school spirit and involved student government, clean-up campaign, etc. I can't say that this semester has been successful but I have certainly paved a way for future B.O.C.'s.

The various organizations and class officers have all worked diligently and have been most cooperative in the big move to bring the students to the B.O.C. and the B.O.C. to the students. Much thanks to them. There is also a lot of credit due to the faculty and sponsors, for all the assistance they have given.

One problem which is most outstanding, EAST-WEST relations. If the fences can be torn down between the administrations it will make the way easier for student government to bring them together.

Taking an active role in student leadership is one experience that can only be equaled, never can it be topped. Thanks to those who elected me, who bestowed the honor of service upon me and who worked to make this semester at BERKELEY HIGH the Strangest ever.

Sincerely yours,

This Spring the Girls' Association has, I believe, become stronger and more lively through the efforts of the 123 girls on the council, the officers, and our faculty advisor.

I cannot begin to thank my officers for their patience, guidance, and co-operation. Without their support, our goals could never have been realized. Mrs. Ulry's assistance has also been invaluable, and I am deeply grateful to her.

I owe special thanks to the representatives. Their energy and enthusiasm have made this term really SUPER-CALI-FRAGIL-ISTIC-EXPI-ALI-DOCIOUS!

Although some plans, unfortunately, did not materialize, I have tried to do my best. I hope I have been worthy of this honor, and that next semester's president can look forward to an equally memorable team.

Sixty-two girls have worked as Senior Friends this semester contributing time and energy to our faculty, community, and fellow students. Our projects have been virtually the same as the past semester — selling lollipops for the scholarship fund, proctering in the school offices, acquainting new students with the school, and ushering at the school productions. The difference in this semester was the way we worked together and made new friends. In order to work as a group we had several get-togethers throughout the semester — a pot luck dessert, Easter outing and traditional farewell dinner.

My thanks go to Mrs. Ulry for her aid and guidance, the co-chairmen Sue Ehrlic and Ann Nathan, and all the Sr. Friends for their work, cooperation and spirit in order to make this semester one of friendship and service.

This Spring, 1965, Rally Committee has truly been a credit to Berkeley High School. Through enthusiasm and dedication that even surpassed the high standards set last semester, the Rally Committee has done an enviable job in its services to the school.

With the very able aid of co-chairman Paul Henshaw and our sponsor, Mr. Wilson, we have worked together on such projects as rallies, games, flag-raising ceremonies, coke sales, door-stop duties, and, of course, the unforgettable task of serving those 1,100 girls at the T.O.C. Cheer Leaders Clinic in March!

I can only say that I hope each member has gotten as much enjoyment out of this past semester as I have out of serving them. Good luck to a great group.

## C. S. F.

Some of the students of Berkeley High, a considerable number this year, distinguish themselves scholastically. California Scholarship Federation is the highest school organization for recognition of these students. It is our policy to work together with the Honor Society so that we may provide a better program for our members and more services for the school.

To the Spring Class of 1965 —

Graduation means different things to different people. For some it means the end of their formal educational life, for others it is just the beginning. In any event it is an important time for all of us. This semester has been one of the most important periods in all our lives, also one of the most eventful.

As we proceed into adulthood we proceed into a world of growing complexity and individual responsibility. A world in which adults control the destiny of man forever. More than ever before we must be fully cognizant and truly aware of the world around us.

Andre Paul Guillaume Gide said, "What another would have done as well as you, do not do it. What another would have said as well as you, don't say it. Written as well, do not write it. Be faithful to that which exists nowhere but in yourself — and thus make yourself indispensable." These words should be our guide as we go forth.

As we bid farewell to Berkeley High, our teachers, friends, and memories. Let us rededicate ourselves to the principles in which we believe, to growing responsibility in a shrinking world, to lifelong learning, and most of all to each other.

May you all be granted the serenity to accept the things you cannot change, the courage to change the things you can, and the wisdom to know the difference.

Confident that we will meet again,  
Your Friend,

*Elihu M. Harris*

JAMES PAUL SHOBRING  
 1947-1965

James Paul Shobring, son of Mr. and Mrs. Paul Shobring, was a valuable asset to Berkeley High School. He was an active Honor Society member and was in the top five percent of his class. Jim belonged to many after school clubs such as AFS and the Philosophy Club; he was also the President of Iulidians. Jim will always be remembered for his friendly personality and his willingness to help others.

MR. HENSLEY

The 1964-65 B.H.S. basketball team had a most unusual season. They started the season with six straight losses. This set the pattern for the year for our non-league play. Of the 12 non-league opponents, we won 2 games. Our league record was a good 12 won 4 lost.

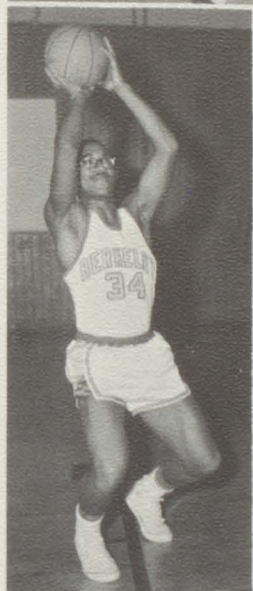

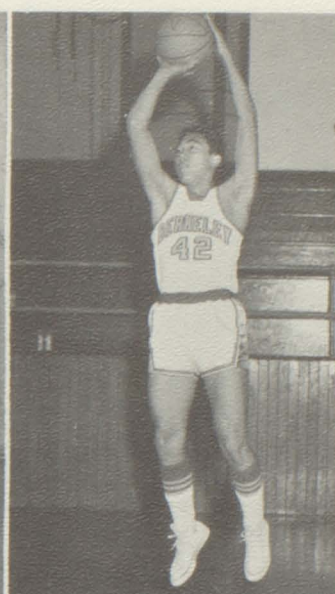

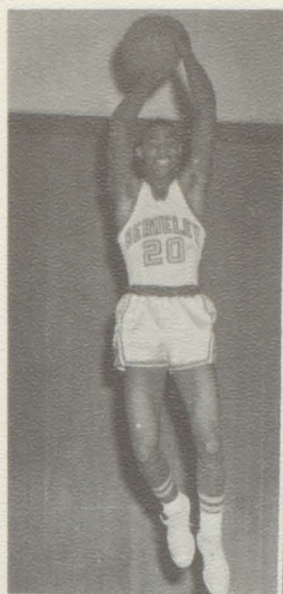

This team was captained by Johnnie Williams, a very consistent man and team player. The scoring was very evenly distributed among Bob Rhone, Maurice Cole, Johnnie Williams, and Alonzo Strange, closing the year very well.

This club was a bit unusual, but a fine one. We scored 1721 points to the opponent's 1636, for an average spread of 62-56.

It has been a real pleasure to work with this group of men.

ACAL Junior Varsity Basketball teams do not compete in championship play. The Jacket J.V. season is a preparation for the varsity team in 1965-66. This year's juniors — F. Newman, J. Read, C. Nelson, B. Lloyd, D. Hazzard, L. Davis, M. Blue and G. Carlis, led the squad to a 22-2 won loss record for the year, and will be called upon to carry the bulk of the varsity load next year. They will be fine varsity representatives.

Coach Trainor

The 1965 edition of Berkeley High School's Varsity Baseball Team will be relying upon several veterans of last years squad. Infielders Jeff Read and Dwain Anderson and outfielders Roy Couch and Jamie Anderson are the only returning starters. Pitchers Jack Hanan and Phil Gums, as well as reserve infielder Ron Jackson, have also seen some varsity action.

Promising, but inexperienced, Junior Varsity graduates will have to develop if the Jackets hope to be contenders for the A.C.A.L. flag.

"The B.H.S. Varsity Track Team looks like the greatest ever. A repeat of the 1959 State Championship is a distinct possibility, with Vernon McCalla, Darryl Bartlow, Jon Heinsteine, Jim Maslach and Ralph Gomez supplying the majority of winning points. A very fine group of sprinters including Ernie Boston, Gailand Ingrahm, Jim Ellis, Frank Morasco and Charlie Thompson should deliver many points in their individual events. Dan Mosely was also outstanding in the shot put. A review of the records indicates the Bee Team is equally outstanding.

For the first time in four years Berkeley High is not favored for the team title at the Northern California Invitational Gymnastics Tournament. Four lettermen, led by Seniors Carl Daughters and Jim Gerner, and Juniors Charles Williams and Maurice Williams, provided hopes for a successful season. With the eligibility of West Campus Ninth Graders and the loss of only two Seniors from the squad, I am looking forward to next year's team to return as the leading contender for the mythical Northern California Championship.

The spirited B.H.S. Swim Team has worked very hard to bring the A.C.A.L. Team Championship to Berkeley High. These 54 boys have practiced early three mornings a week including Saturdays to place high in the North Coast meet. This fine team will surely miss their graduating teammates as well as their faithful manager, Charles Morilli.

Berkeley's varsity wrestling team won four of seven matches; including victories over three of four A.C.A.L. opponents.

Glen Fields won his weight division in the A.C.A.L. tournament, while Jason Magid, Jerry Williams, Gene Thrower, and Bill Harris placed second. In the Del Valle Invitational co-captain Fields and Johnson, along with Vonblum, took second, fourth, and third respectively. Greg Walker has shown great potential. He took first place and won the outstanding-wrestler trophy award at the C.S.D. Novice Tournament.

"This past semester has been full of many heart warming and unforgettable experiences. In recalling the year, I am sure we all will remember the rallies, the victory dances, the signs in the halls, the great Pep Band, "Burkie Bee", our Homecoming Queen and the runners up, our terrific PomPon girls and the great teams which represented our school. My thanks go to Mr. Curtice, Mr. Wilson, Mr. Lutt, Roy, Maurice, Linda, Barb, Denise, Judy, Raquel, Cathy, Mandy and Bonnie for "jobs well done". And most of all I want to thank you."

The primary concern of this semester has been the desire to make the G.A.A. a worthwhile organization. Through numerous G.A.A. activities, we have strived toward that goal. The G.A.A. is not an organization in name only, it has many worthy functions and purposes.

I want to thank those G.A.A. members, and especially Mrs. Yukic, for their energetic support of the G.A.A. activities.

Through the years the Harmonizers have been one of Berkeley High's most consistent and outstanding groups. This group of outstanding male voices have been acclaimed not only in Berkeley but in Northern California as one of the best groups ever to come out of this area. With the tremendous leadership of Robert Pearson we have been able to produce the fresh and provocative sounds that became the trademark of our group.

We thank you for your support.

# Aeolian

The Aeolian Choir under the excellent leadership of Mrs. Hardester, has performed at many civic and school affairs this semester, the highlight of which was the Spring Music Festival. The 79 girls this semester have worked diligently to make Aeolian one of the best choirs. I would like to thank Mrs. Hardester and my fellow officers for the help they have given me to make this semester a success.

Lynette Freeman,  
Aeolian President

I have been with Concert Chorale since the fall of 1963, and I believe this past semester's chorus was the best that I've ever heard. It certainly was the largest.

I would like to thank all of the members of Concert Chorale for helping me with my job. It has been a great honor representing you as your president and working with Mr. Pearson and the officers of this group. I wish Concert Chorale the best of everything for the future.

Today there is an increasing need for international friendship and understanding. The A.F.S. is working to achieve this.

This year B.H.S. has been privileged to have three A.F.S. foreign students who have contributed greatly to our knowledge of their countries.

Our club picture is an indication of student participation and interest in the program. We have had large attendances at weekly meetings where B.H.S. foreign students have spoken. Also enthusiasm has been shown for our fund raising activities and social functions.

I would like to thank Mrs. Keppel and also the Jacket Staff for all their help.

Joan Intorf  
A.F.S. Club President

The stay here has been just great; it gives me a sad feeling to have to leave so soon. I will take home with me many good impressions of B.H.S.; The outstanding drama and music productions, the great number of worthwhile and interesting clubs, and of course, all the students and teachers. You have shown me that we European teenagers can look up to the new generation of the United States.

I really hope that sometime I can meet some of you again in Switzerland.

Sincerely,  
Franziska Rupp

A year full of new experience, hard work and fun is at an end. For me it is immensely sad to leave because I have felt a part of Berkeley High School, and I loved being in it. Teachers and students, in the classes or in the halls, with a smile or a "Hi" made this possible.

I will never forget you, and I hope that you remember you have a sincere friend in Ecuador.

Ada Crespo-Russo

The American high school is based on a unique educational philosophy with the creation of responsible and democratic humans as its major goal. Berkeley High School is an almost ideal representative due to its variety of individuals and sub-cultures with independent, yet interacting activities. I have learned to appreciate and enjoy these and other aspects of the school, and although conspicuous disadvantages do exist, I believe that the American educational genius is great enough to take care of this too.

As we complete our low senior year, we are approaching more fully, a realization of how much our high school experience has meant to us.

Our class has demonstrated great unity and pride this semester. It has shown a genuine interest in its affairs, and has participated actively in class functions. We now look forward to an active and successful semester as high seniors.

I would like to take this opportunity to thank the class for giving me the chance to serve it, and for the co-operation which it has exhibited. I would also like to extend thanks to our class sponsor, Miss Hahne, for her undying help.

Although small in size, our class plays an important role in school. Next semester our role will be even greater.

Thank you,

The opportunity to serve a class of our size is an honor to those chosen. I am deeply grateful that this chance in a life-time has been bestowed upon me, and I will work hard to give our class the best semester possible.

I have helped plan our activities for this semester with the hope that our senior dues will not be as much as it has been in the past. Yet, all of our plans would not have been possible had it not been for the time and energy of a small group of dedicated individuals.

The experience gained by participation in school and class government is invaluable. Nothing can ever take the place of such an experience, and I would like to thank all of you who helped to make this possible for me.

Thank you,

# High Ten Class

KARL ERLICH  
Vice President

SID ROSEN  
President

NANCY NIKCEVICH  
Secretary

JULIE TITMAN  
Treasurer

JIM BEATTY  
Social Secretary

As the semester draws to a close, we might look back on our first year at B.H.S. in order to see our shortcomings. In this way we might make our next two years the best that any class has ever had.

I would like to thank the students who made our class concession a success, the class officers who were as active as was possible, and Mrs. Hawk, our sponsor, for her great ideas and help in organization.

Once upon  
a (midday)  
dreary while  
I pondered  
weak and weary

While I nodded  
nearly napping

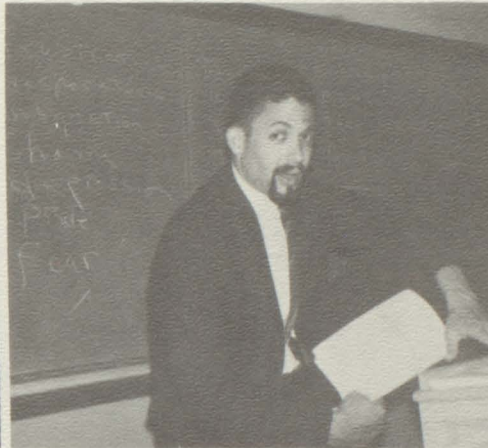

Suddenly there came  
a tapping

'Tis some visitor,  
Only this and  
nothing more

Deep into the darkness  
peering, long I stood  
there wondering,  
fearing

—Eagerly I wished the morrow;  
—vainly I had sought to borrow

But the silence  
was unbroken,  
and the darkness gave  
no token

For the rare and  
radiant (Ameba) whom  
the angels name  
Lenore

Nameless here  
for ever more

Thrilled me—  
filled me—  
with fantastic  
terrors never  
felt before

Quoth the Raven "Nevermore"

☆ — The Raven  
Edgar Allen Poe

LET US GO FORTH TO LEAD  
THE LAND WE LOVE, ASKING  
HIS BLESSING AND HIS HELP,  
BUT KNOWING THAT HERE  
ON EARTH GOD'S WORK  
MUST TRULY BE OUR OWN.

—JOHN F. KENNEDY
