## *In Dedication*

We, the staff of the 1956 Surveyor, feel that nothing would be more appropriate than to dedicate the 1956 issue of the Yearbook to Miss Myra Green, Dean of Girls, who is retiring this term.

A native of California, Miss Green has devoted timeless energy and many years to the education and development of young minds. For the past 46 years she has been teaching in California schools. Various positions she has held include Head Counselor at Portola Junior High, Head Counselor at Continuation Senior High, Assistant Principal at Continuation Senior High, and Assistant Principal and Dean of Girls at George Washington Senior High. Among other things Miss Green has the added honor of being President of the Young Women's Christian Association.

On behalf of the student body and faculty of George Washington High School the Yearbook staff wishes Miss Green much happiness. Good luck, Miss Green, and God bless you.

GEORGE WASHINGTON SENIOR HIGH SCHOOL, SAN FRANCISCO, CALIFORNIA

The editors of the 1956 Surveyor have attempted to give the student body a yearbook that is an accurate calendar of the school year. The pages of the book capture and mirror the many outstanding happenings that have occurred in the past year. To carry out the theme, the front and back fly-pages are a real calendar of the past school year.

ADMINISTRATION

# *Principal's Message*

To keep pace in our fast-moving world is a difficult task today. You graduates who are on the threshold of adulthood, will soon be cast upon the sea of life. You will be expected to accept the responsibilities that adult life will place upon you. As you meet these responsibilities, the knowledge that you acquired here will be valuable in your striving toward maturity.

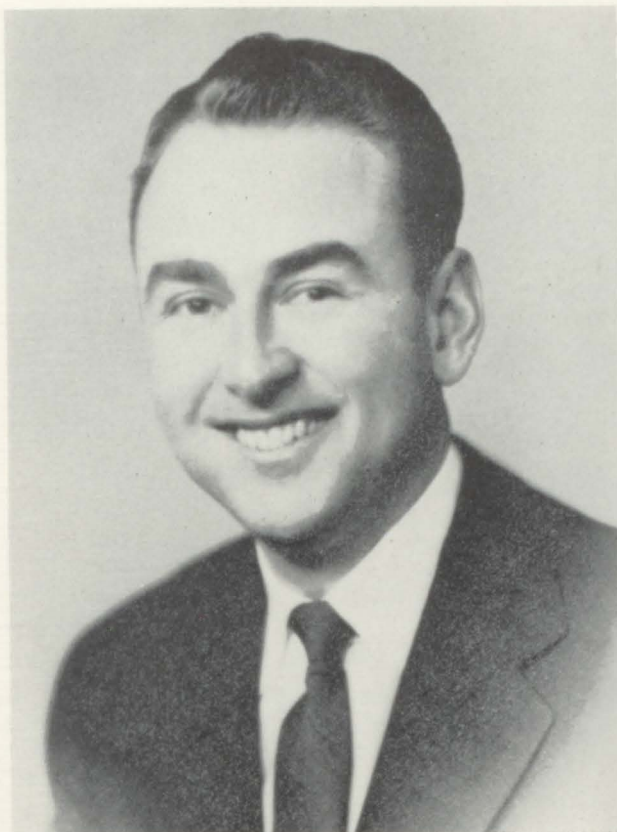

Here at George Washington the faculty and the administrators realize this need for preparing youth for its maturity, and through the educational and extra-curricular programs attempt to do this. The well-rounded student not only strives for scholastic excellence but seeks to better himself and his school through participation in school activities. Good sportsmanship and fair competition are not limited to the athletic field, they are constant qualities by which one can make himself a better person.

**O. I. SCHMAELZLE, Principal**

Mr. O. I. Schmaelzle and Angie Muscat, 1956 Editor, discuss the yearbook

The Surveyor is a record of the school year. The students of George Washington High School create a chapter of that record every day of the year. They create it in the classrooms, in the corridors, on athletic fields, and in their homes. A new chapter is written at each assembly, at each club meeting. Each action of every student, whether it be eating lunch at a neighborhood creamery or talking with friends under the Dead Indian, becomes a part of the George Washington record. By their actions the students add brilliance to the record, or they tarnish it.

The writing of the record does not cease with graduation. Fifteen students at Stanford University and 56 students at the University of California this year wrote George Washington history.

May all of us do as well as those who have gone before—not only in academic achievement but in the daily practice of honesty, integrity, and compassion.

I have not been a Washingtonian for very long, and perhaps I am not yet a qualified judge; but the year seemed to me to be one of fine accomplishment. You made the record. I feel privileged to have been here while you made it.

K. V. CASTELLINO

## *Administrators' Message*

Your high school days are the link between your childhood and adult life—they should be your happiest days. Those of you who have been busy with school work, activities, and sports have found them the happiest because you made new friends, went to games and dances, helped your fellow students and served your school.

This is an important lesson for life—people who have many interests and who help others are always the happiest!

## *Executive Council*

The voice of the United Students of George Washington High School is the Executive Council. It is the legislative body of the school and thus has the power to make all the laws.

Its members are all the elected class and student body officers and the president of the Scarlet and Grey, Eagles, and G.S.S. The presiding officer of the Executive Council is the Student Body President. The council is advised by Miss Archer, the student body sponsor.

The Executive Council meets at designated times during the term to consider and vote on school problems and to hear the report from the Co-Ordinating Board.

The Co-ordinating Board is an advisory committee to the Executive Council. It consists of two representatives from each class plus the presiding officer who is the Student Body Second Vice-President. The board meets each week to discuss problems that have arisen in the class committees and to channel such information to the Executive Council.

# Student Body Officers, Fall '55

**KEN MOTT**  
President

To gain the respect and admiration of the student body is a difficult accomplishment for any President. Ken Mott had both plus the backing of all the students. Many still remember the Pageant with all its excitement, but for Ken the pride that he felt for his student body that day will remain an outstanding memory.

**LORETTA DITO**  
Vice-President

Pert and charming Loretta Dito planned wonderful dances during her term as Vice-President. She always had bright, new ideas that made her dances really enjoyable. Loretta's ready smile and warm, sparkling personality won many friends for her, and made her one vice-president that will long be remembered by all Washingtonians.

**FREDDIE HICKS**  
Second Vice-President

The job of making the school government function smoothly is the responsibility of the Second Vice-President. Freddie Hicks was a capable and hard-working student body officer who carried out his duties sincerely and well. He was always ready to help his fellow officers and to offer encouragement whenever it was needed.

**TANAKO HAGIWARA**  
Secretary

Tanako Hagiwara was not only an efficient Secretary but a morale "booster" as well. Besides writing hundreds of minutes and answering all the mail, she was constantly being asked to take on more jobs. Tanako's willingness to work and her gay, bubbling personality made her a favorite here at Washington.

**GUS PETROPOULOS**  
Custodian

Gus Petropoulos kept the student body "in stitches" at his constant antics. When he wasn't besmeared with mimeograph ink or polish, this busy officer added his irresistible bit to rallies. Although Gus is a happy-go-lucky person, he took his job seriously and performed all his duties well.

**KEITH FOWLER**  
Treasurer

Treasurer Keith Fowler came near to breaking the record of 100% student body card sales in two days. This example shows the spirit and determination that Keith has. He was always ready to offer his help to everyone and he took on many jobs besides his own as Treasurer.

**DAVE SMITH**  
Head Yell Leader

Keeping school spirit high was a job well done by Head Yell Leader Dave Smith. Starting with the Pageant in which we won a spirit trophy, energetic Dave kept everyone "on his toes" all through the term. His own high spirit and good sportsmanship were an encouragement to the whole student body.

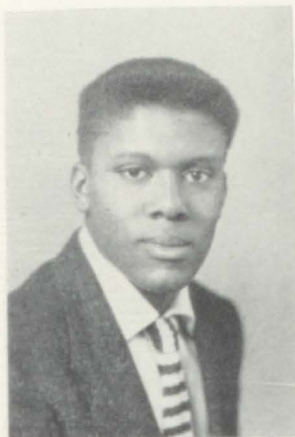

**FRANK NORMAN**  
Athletic Manager

"Good morning, Washingtonians! This is your Eagle sportscaster, Frank Norman, bringing you the latest in school sports." This cheery greeting came over the broadcast every Monday and Friday morning as dependable Frank Norman kept everyone well informed on the sports situation. He also kept his ticket sellers alert and right on the job.

# Student Body Officers, Spring '56

**FREDDIE HICKS**  
President

Always humorous and pleasant, Freddie Hicks did an outstanding job as President. Though easy going, Freddie never allowed fun to interfere with the important responsibilities of his office. He always set an excellent example for the whole student body and was a President of whom all Washingtonians were proud.

**TANAKO HAGIWARA**  
Vice-President

Gay and sprightly Tanako Hagiwara seemed to breeze through the term. She planned her dances well and had no last minute confusion. Tanako always worked hard but was never too busy to help someone else. This wonderful girl carried out her duties with a dignity befitting the office of Vice-President.

**GUS PETROPOULOS**  
2nd Vice-President

This term the working of the school government was in the capable hands of 2nd Vice-President, Gus Petropoulos. He encountered many problems through the co-ordinating board and the class committees but always solved them all. Never without his famous whistle, Gus amused everyone around him with his delightful sense of humor.

*Best wishes to a hard working man to be seen more of you with team always Gus*

**SUZIE KOBUCHI**  
Secretary

A briskly bustling officer who never stopped working was Secretary Suzie Kobuchi. She always performed her duties well and had everything done neatly and on time. Suzie is a very determined person who never gave up trying new ways of making the term more enjoyable for the whole student body.

**JOHN KELLER**  
Treasurer

Always happiest when he's working, John Keller spent many extra hours in school each day helping to plan student body affairs. John's good sense of humor and "easy to get along with" personality made him popular with all the students. He not only sold student body cards but jokes as well.

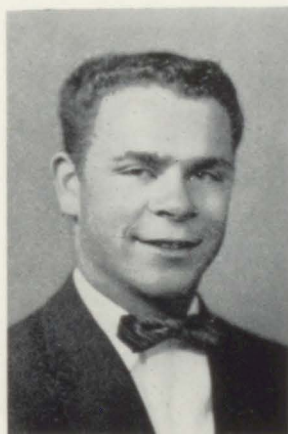

**MORRIS BOBROW**  
Custodian

Morris Bobrow was an officer who was anxious to do his job and do it well. He was always willing to take his own time to help the other officers. Though quiet, Morris was never lacking in spirit and was always seen exerting lots of "elbow grease" in cleaning the trophies.

**AL FISHBEIN**  
Athletic Manager

Forever busy doing one of his many jobs was Al Fishbein. Cheerful, amusing, Al worked hard to sell tickets as well as to give interesting, "newsy" broadcasts. He always had an encouraging word for everyone and always had some bright, new ideas on ways to improve the term.

**DAVE SMITH**  
Yell Leader

Re-elected to serve a second term as head yell leader, Dave Smith kept up his good record from the previous term. His determination to keep Washington spirit on top showed in the way he led our rooters. Dave firmly believed that with support from its student body, Washington could always be victorious.

(Row 3): Shapiro, Church, Cragg, Harrison, Wenzler, Bratt, Cunningham, Chow, Winnick, Goldstein, Mandelman.

## Washington Cabinet

The Washington Cabinet is an advisory board to the principal; it has no legislative powers. Any matters that the members bring up which are of concern to the entire student body are referred to the Executive Council.

The Cabinet is composed of one representative from each registry and is presided over by Mr. Schmaelzle. The Washington Cabinet meets each Thursday morning at 8 a.m.

Every registry asks their representative to bring back to the cabinet any problems they would like to have solved. The next week the representative reports the results of the discussion and the steps that will be taken to solve the problems.

The Washington Cabinet accomplishes a great deal each term and is a necessary and important part of the school.

The Eagles and the G.S.S. are two of Washington's oldest service societies for they were both started when the school first opened. The G.S.S. members are elected on a basis of scholarship, service, citizenship, teachers' recommendations and attitude toward the school. Members of the Eagles are elected into the society in a similar manner. The Eagles patrol at rallies and at lunch time while the G.S.S. perform the same services in addition to ushering at various school functions. The members of these societies earn this honor and as such are the outstanding students of the school. The G.S.S. is sponsored by Miss Green while Mr. Castellino sponsors the Eagles.

## *Fall Class History*

Led by their sponsor, Mr. Edwin Knapton, the graduating class of Fall 1955 made many contributions to Washington.

As low sophomores they collected money to buy shrubs and flowers for the school grounds. The next term they brightened the school by painting the trash cans.

As low juniors their May Festival cable car booth won first prize as the most original booth. The whole class worked hard to make their Junior Day, "Come to the Mardi Gras," and their dance, "Mardi Gras Magic," a success.

Finally came the important senior year. Their May Festival booth again won first prize. They hosted the "Senior-Soph Sporty Sock Swing." The class turned Irish for their Senior Day, "Erin Go Brath."

Commencement exercises were held on January 25, 1956.

For three years this class worked on a secret project. Making gavels for the class presidents was their project.

## Spring Class History

Through the capable direction of two wonderful sponsors, Miss Ruth Oakes and Mrs. Margaret Denny, the class of Spring 1956 completed its three years at George Washington.

Miss Oakes guided the class through a very successful sophomore year. Mrs. Denny kindly accepted the sponsorship of the class in its busy junior and senior years.

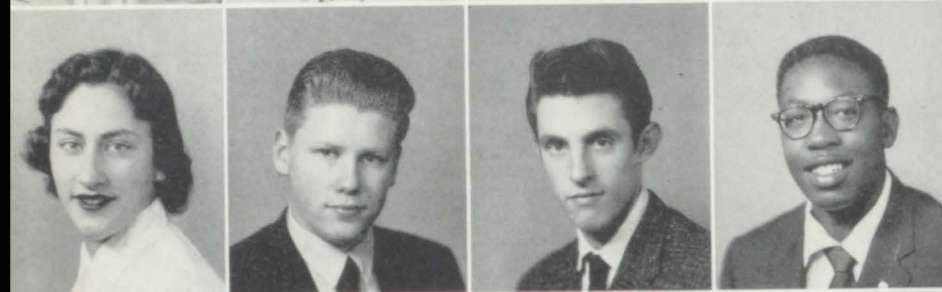

Junior Day brought the "Spring Sports" show and the Junior Day Dance, "Spring Fever," to the student body. The beautiful Terrace Room of the Fairmont Hotel was the scene of the Junior Prom, "Stardust Melody."

Senior Day brought together the best entertainment the class had to offer in a magnificent stage show, "It's a Most Unusual Day." The following evening the very successful Senior Day Dance, "It's a Most Unusual Night," was presented. The romantic Senior Prom, "Unforgettable," was held in the Colonial Room at the St. Francis Hotel.

Many memorable experiences were brought to a close with commencement exercises on June 14, 1956, at the Opera House.

## FALL

The Fall Low Senior Class started the new term off with a bang, when after a long summer vacation they got right back into the swing of things with the P.T.A. Membership Drive. Although not enough tickets were sold in the time allotted to break a **time** record, the class continued the drive until they broke a record of **membership**. The P.T.A. Dinner was a sell-out! Turkey was the success and those that helped clean-up, saw that not one piece of meat could be found anywhere.

The Low Senior girls served at the Fall High Senior Breakfast and were seen shouldering red carnations all day.

With a class of over 500 there could not possibly be a lack of talent or energy. This class has always felt that their many successes were due partly to Mrs. Denny, their sponsor, who was always willing to help them in anything and everything they undertook.

## SPRING

After completing a very successful High Junior Term, the Low Senior Class of Spring 1956 was more than anxious to reach higher plateaus. New ideas seemed to "pop out of thin air." Who says a Low Senior Class doesn't work? This class had a conglomeration of busy beavers, all working together harder than ever before to help their class.

Many of the girls of this class contributed to the success of the High Senior Breakfast by offering meticulous service and high spirit as assets to the occasion.

Keeping up the school history kept this class busy during their Low Senior term. The small class was indeed proud of their three celebrities, John Keller, Student Body Treasurer; Suzie Kobuchi, Student Body Secretary, and Gus Petropoulos, Student Body Second Vice-President.

Many thanks go to Mr. Edmond, class sponsor, who hasn't always found it to be easy to manage a **small** class.

## FALL

Another term with another High Junior Class meant another Junior Day Show, Junior Day Dance and Junior Prom. The High Junior Class of Fall 1955 enjoyed and exhausted themselves completely. With only a few weeks to prepare their show after a long summer vacation, the class led by President Dave Fromm met with success!

Energetic lads and lassies arose bright and early each morn to practice, practice and practice. Director John Keller kept his whip going continuously with cracks that came out hysterical!

The final production was entitled "What It Was Was Football," a dedication to the sport. The dance was disguised under the following—"The Kickoff," and the memorable prom was "Whispering Leaves" held at the Empire Room in the Sir Francis Drake Hotel.

With accomplishments scoring successes this class of a limited number should be indeed proud of themselves.

# *The High Junior Class*

## SPRING

The High Junior Class of Spring 1956 started early in the term to pack their bags for a journey to Greece. Their Junior Day Show, skillfully directed by Phil Fisher, was entitled "Olympic Holiday." Decorations at the Junior Day Dance were fabulous. The Junior Prom, "I'll Remember April," held at the Colonial Room in the St. Francis Hotel, kept class members remembering April for weeks after.

Prexy Dan Solomon was seen anywhere and everywhere during the busy term, supervising everything! Appreciation is extended by this class to Mrs. Hedtke, class sponsor, who was always willing to lend a helping hand.

The success of this term was due to each and every member of the class who proudly took part in the **many** activities. Besides having the usual turmoil of a High Junior term, this class successfully fulfilled their obligations during the May Festival with their booth.

## FALL

As is customary for the low junior classes, the project for the term was sending Eagles to servicemen who are ex-Washingtonians. The project proved worthwhile as shown by the many "thank you" letters received from the servicemen.

President Morry Bobrow was really on his toes during this term, for committee heads and various chairmen were already being chosen for their coming High Junior term when endless hours would have to be spent to produce a good show.

Carol Klingaman and Jean Thompson made their class proud of them by keeping up school spirit at games as "peppy" song leaders. Len Slater, being assistant yell leader, made everyone root for the home team!

The class found that everything they did was done successfully due to the fact that everyone participated eagerly in class functions.

## SPRING

No one could ever say the Low Junior Class of Spring 1956 isn't flowery. The May Festival Booth of this blooming class was "Flowers!"

The term project of this fragrant class was sending "Eagles to Servicemen." The class members made this project a rip-roaring success!

Keith Miyamoto kept sprinkling his fellow "buds" with a spirit of zest and zeal. With his constant care and guidance the class enjoyed their Low Junior term immensely.

Plans were started for Junior Day. This class was really on their toes, for they even chose their director, Ron Weinschenk, in advance.

## FALL

Doing good deeds for others is self-rewarding. That is what the High Sophomore Class of Fall 1955 found out. The class project consisted of collecting pocketbooks for the servicemen at Lettermen Hospital. This was the Christmas gift of the class to the wounded men. The goal was set at 600 but as could be expected, it was more than doubled! The class enjoys working together.

There was never a dull moment during this term for the members of this class. The painting of the garbage cans in the cafeteria of George Washington High is another result of the spirit of hard work which seems to overflow in this class.

The inexhaustible get up and go power which seems to be ever-present in Archie Ossin, class president, leaked through to the rest of the members of his class. The class feels that without the guidance of Mr. Ewing, class sponsor, they could not be as proud of themselves as they are.

# *The High Sophomore Class*

## SPRING

Carrying over their project from their preceding term, the High Sophomore Class of Spring 1956 vigorously tackled the landscape project. With good weather as an aid and under Mr. Wilson's "green thumb" the class was able to plant many things.

The class did not stop at landscaping. They continued to work on many different activities. Among these, the class formed a poster committee which made posters containing constructive information, such as those teaching students to use the correct stairways.

Prexy Jim Butt had the support of his entire class, and the class was indeed fortunate to have such a diligent worker.

To be part of the "crowd" was Mr. Jones' aim and this he fulfilled. As class sponsor, Mr. Jones had his share of headaches and victories. The students feel close to Mr. Jones and he to them. That is the recipe for harmony and success!

## FALL

"Rain, Rain, go away, come again another day." That was the sad refrain heard coming from the Low Sophomore Class of Fall 1955. Collections for the landscaping project came thorough with "flying colors," but the constant interference of "ole man weather" prevented the class from planting the various plants they had purchased. Every time Mr. Jones and his crew of gardeners, among them Mr. Wilson and co-chairman Elliot Steinberg and Art Moriguchi, went out to plant, the clouds burst open and down came the rain, rain, rain!

Prexy Jim Stokes did not let this hinder the spirit of his class. Wherever one looked, a low sophomore with a cheery smile could be found.

## SPRING

Getting acquainted with a new school is not always such an easy thing to do. However, nothing could stand in the way of the Low Sophomore Class of Spring 1956. Mr. Hannah, class sponsor, got the "young blood" of the school off to a terrific start!

The first two days were hectic for this class. Within a week there was not a member of this class who did not know what he was doing. This proves that these students will be ready to meet all emergencies.

Landscaping collections began right away and the results were magnificent. A colorful time was in store for this class as the annual May Festival was held during their first term at George Washington.

President Norman Gong instilled within his class an air of excitement for he was always seen doing something.

This class has what it takes and should be congratulated for making such a fine start in their school life at George Washington High.

## Unlimited Football

The Eagles began the 1955 football season on the right foot by upsetting Mission in the season's starter. Mission, the 1954 A.A.A. champions, were favored by two touchdowns, and the Bears, as expected, scored in the first few minutes of play.

Washington, with the help of Jefferson's rugged defensive playing, Saunder's effective blocking and Sochor's thrilling 90-yard run, was able to bottle up Mission's defense, outplay them offensively to leave the field victorious.

Washington's second game with S. I. ended up in a draw game, and at that time in the season the Saint Ignatius "Kittens" were among the top three teams.

As usual S. I. made their small but consistent gains by smashing drives through the center and around end. Washington, as expected, took to the air, but unfortunately failed in completing any decisive passes.

It seems that no matter how strong a team Washington may have they just can't beat Lincoln, and their 1955 loss was the eighth in a row. Lincoln's defeat over the Eagles was largely because of their successful passing attack and the more weight packed on the line.

Washington's defeat over the Irish kept them in the A.A.A. grid race. It was Jimmy Sochor who saved the game for Washington by pulling the sweetest play you'll find anywhere. He pulled the most beautiful little stunt out of his bag of tricks, and evaded the two blockers to bring down Bowman with just a few yards to spare. It was this spectacular move that enabled the Eagles to edge out the Irish.

Washington's game with Galileo caused a temporary morale lapse. The Eagles lost to a team that hadn't won a game in two years. They lost by a fantastic score.

The Lowell game is the most "looked forward to" athletic event that Washington has. However, Lowell was able to keep their three-year-old promise to edge the Eagles by two points.

The Balboa Buccaneers sailed to a victory over the Washington Eagles at their stadium. This loss put the Eagles completely and hopelessly out of the playoffs.

Washington wound up the season by losing to the old prep prince. The Eagles gave them an unexpected tussel, and led for the first three quarters. Washington reached their zenith in the last game, but they still lost to the Poly veterans in the last quarter.

## Junior Football

The J. V. season this year ended with 2 wins, 2 ties and 4 losses. The team played their first game against Saint Ignatius and tied 26-26.

At the end of the third quarter, the score was 26-0, Lincoln's favor. With two minutes remaining, Washington was on Lincoln's 20-yard line. Mike Stinger threw a pass to left end Eddie Bradley, who went into the end zone, making the score 26-6.

Only seconds remaining, fullback Ernie Forks went for three yards and a TD. Mike Stinger passed to Bob Haynes for the extra point, making the score 7-0 at the end of the half. The game ended: Washington J. V.'s 14, Poly J. V.'s 6.

Our J. V.'s bowed to a strong Balboa team, 13-20. Defensively outstanding players were Ernie Forks and Ted Sekino.

The Eagles went down to defeat at the hands of the Indians of Lowell, 6-13. It was "fullback day" as fullbacks Ernie Forks and Calvin Murray ran wild. Forks ran a kick-off back 80 yards for a TD. He also ran for a 60-yard touchdown on a reverse. Murray also scored on a reverse good for 60 yards.

The Eagles won the other game by beating Galileo,

32-14. They tied to Mission 6-6 and lost to Sacred Heart 7-0.

Outstanding players were Stinger, Forks, Haynes and Murray.

## *Sophomore Football*

COACH AL LUBAMERSKY

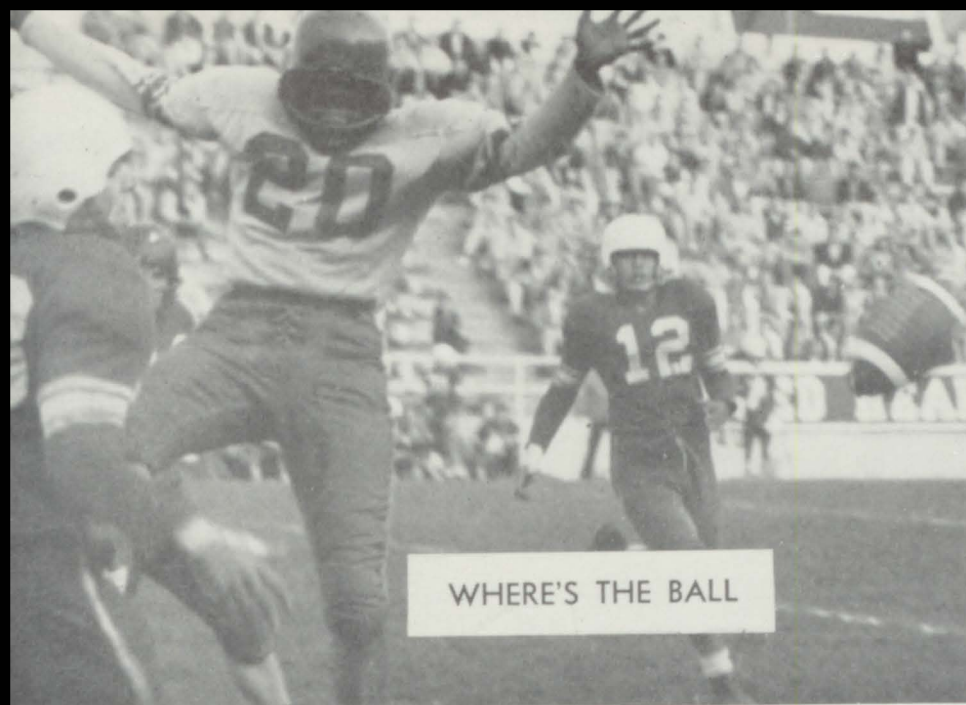

The sophomore football team started at George Washington in 1954. A few of the other high schools in the city started in '52 and '53.

The purpose of the team is to provide an opportunity for boys who like football to be able to compete with opponents their own size and weight. It also helps to provide experience, and helps develop strong bodies. In the two years that the sophomore team has been playing, the first year the team was undefeated and in the second year the team won two and lost three. During the season, which is much shorter than the regular season, five games are played. The captain for the last year was Durst.

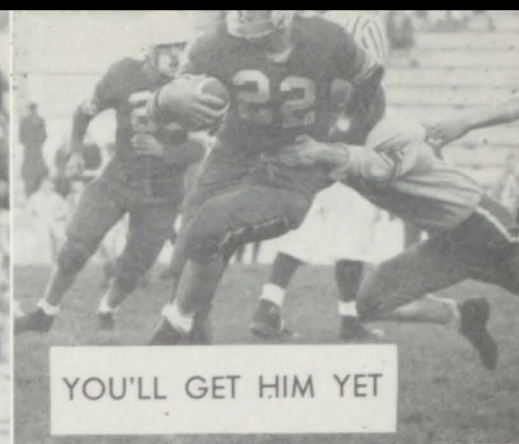

Plans for the future include hopes for the formation of a league so that the team may compete against other high schools. Right now there are six or seven teams in the city which are active.

The team in the past two years has given valuable experience to players who will go on to the Junior and Unlimited teams. Many players have already done so.

## Soccer Season

The team finished the season in third place behind Mission and Galileo with 4 wins, 2 losses, and 3 ties. The Eagle booters placed three boys on the All-City roster. They were Paul Patrenko, right fullback; Bob Papara, inside left, and Bryan Saasta, left wing.

### ST. IGNATIUS

The Eagles dominated the entire game and went on to win 9-1. The Eagles scored goals at every opportunity and played a superb defensive game.

### POLY

The Eagles were tied in this game, in the last minute, 1-1. This game was another of the defensive battles that highlighted the season.

### LINCOLN

The soccer team won this one 5-0. The Eagles scored three goals in the first quarter and were never headed. The Eagles again showed superior defense.

### GALILEO

The Eagles tied this game 0-0. The game was hard fought and inspired defense was the keynote. There was a strong wind that bothered both teams. Both Washington and Galileo had many chances to score, but because of the outstanding play of both goalies there wasn't any scoring.

### BALBOA

Another close defensive game, but the Eagles gunning for the playoffs won 3-1.

### LOWELL

The Eagles lost a close hard-fought game to the Indians 2-1.

### MISSION

In another tremendous defensive struggle the Eagles tied Mission 2-2.

### PLAYOFFS

In the first game of the playoffs the Eagle booters played Mission. In this game they got off to a quick start by scoring four goals in the first quarter. After that they scored one more and went on to win 4-0.

In a rainswept final game the Eagles lost to Galileo 4-3. Galileo then went on to play Mission in the extra playoff and tied for the championship. The Eagle booters had a very successful season this year and hope to go all the way next year.

## Unlimited Basketball

Washington's varsity basketball team wound up a very successful round-robin season in a tie for first place, but a loss to Poly in the playoffs dropped them to a final third position. The team, under new coach John McGrath, entered the A.A.A. season with a 7-3 record in practice games.

The Eagles opened their season against the Galileo Lions and defeated them by six points in a close, exciting game.

Every game with Lowell is exciting, and this year's was no exception. The Eagles were the stronger team in the first half, but in the second half the tide turned.

A large crowd of Washington rooters made the long journey to the City College gym, and saw the Eagles down the Irish easily, 65-41.

The Lincoln game was the last for veteran Stan Rosenberg, a mid-season graduate, and the team clicked off a 44-33 win over the unlucky Mustangs. Never behind from the start, the Eagles turned on the power in the second half and pulled away.

The Eagles dropped their second game of the season to a spirited Poly team. Although five points behind at the half, the Parrots closed strongly.

Bouncing back from the Poly defeat, the Eagles dropped Mission. The Bears got off to an early eight-point lead, but the Washington defense stiffened to hold the Bears to one point in the second quarter, and the outcome was never in doubt after that.

By the time the Saint Ignatius game rolled around, everyone was saying that the Wildcats couldn't be beaten—that is, everyone except the Eagle varsity,

and they proved they were right by slipping by the Wildcats in a thriller.

The Eagles wound up a very successful season and warmed up for the playoffs by sinking Balboa's pirate fleet.

Shortly before the end of the season, it was announced that Lowell would have to forfeit three of its games for using an ineligible player. One of the games was with Washington, and this game was now counted as a win for the Eagles. This enabled them to finish the season in a tie for first place with the Saint Ignatius Wildcats.

In the play-off game the Eagles met Poly, and once again the Parrot power proved too much. Poly stole the ball several times from the hands of Washington players, and connected on 45 per cent of their shots. This loss eliminated the Eagles from the playoffs. It was the last game for seniors Mann, Merriouns, Georgeades, Prusoff, Eggert, Cofield, and Waterfield.

## 130's Basketball

Washington's talented 130-pound basketball team went all the way this year and took the city championship. The Eaglets lost only one game during the entire season, their first, under new Coach Athanasopoulos.

The 30's opened their season by notching up their 18th win in a row at the expense of the Galileo Lions.

Lowell's Papooses never had a chance against the red-hot Eaglets, and they were defeated by 37 points. At one point in the game the score read 18-1 in favor of the Eagles.

Against Sacred Heart, it was the same story. The previously unbeaten Irish were no match for the sharp shooting and great defensive play of the Washington team. It was number 20 in the Eaglets' win streak.

Lincoln proved to be one of the most difficult teams that the Eagles had to face all season. In a close exciting game whose outcome was in doubt until the last minute, the Eaglets eeked out a three-point win.

If the Lincoln game could be called exciting, the Poly game was nerve-racking. The lead changed hands many times, with never more than six points separating the two teams. With the score tied and about one sec-

ond to play, forward Errol Hall drove downcourt with the ball, and took a last second shot. As every spectator at Kezar held his breath, the ball dropped through the net to the sound of the game-ending buzzer.

Continuing their winning ways, the 30's racked up number 23 by defeating the Mission Bearcubs. Free substituting by Coach Athanasopoulos gave the first string a rest, and they came out fresh for the second half and downed the Bearcubs easily.

The Saint Ignatius 30's game was overshadowed by the approaching clash with the Wildcat varsity, but it was an exciting game nevertheless. The first half was close and hard fought, but an inspired Eaglet squad showed their championship potential in the final quarters and racked up a 13 point win.

Balboa's hapless Buccaneers were just no competition for the Eaglets. Almost every player on the bench got into the game, which was the last of the regular season.

The Eaglets drew Sacred Heart for their first semi-final game. The game was close for three quarters, and the lead changed hands several times. However, quick buckets at the start of the fourth quarter by Mike Paull and Errol Hall put the Eagles out in front and they won by 10 points.

When you stretch something too far it breaks, and this is true of basketball win streaks, too. Lincoln's Mustangs upset a cold Washington team by nine points in what should have been the championship game. The loss broke the Eaglets' 26-game win streak, but because they had won the round-robin championship, they had one more chance against Lincoln. The second Lincoln game was played four days later. It was now or never for the Eaglets, and they played like a different team. The Eaglets downed Lincoln by 26 points and took the A.A.A. championship.

## *Lightweight Basketball*

### 120's

This year George Washington's 120-pound basketball team won their fifth championship in nine years. The majority of the boys were new and had very little experience, but Harry Chew led the squad to victory with 64 points for the season. While Mel Wilson was not very far behind with 62.

They were ably coached by Mr. Alex Athanasopoulos. The starters on the championship team were: Mel Wilson, Ted Wyatt, Victor Comagun, Cliff Chinn, and Harry Chew. These boys were proclaimed the round-robin champions with a record of 8-0.

### 110's

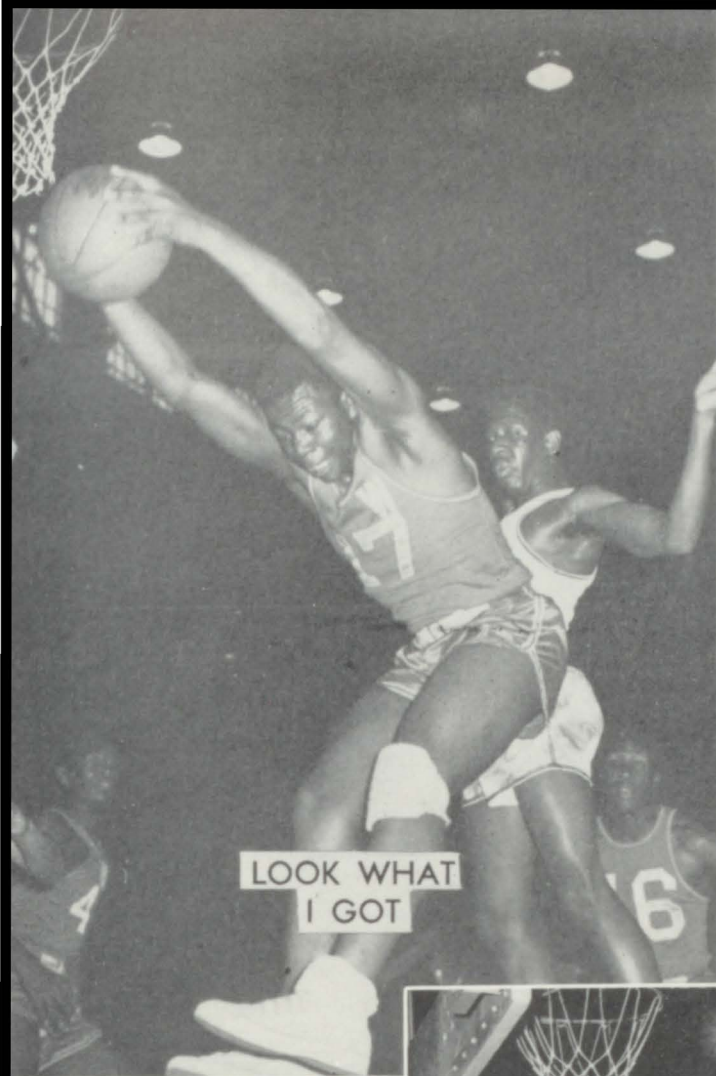

The end of 1955 lightweight basketball season found Washington's 110's in fourth place, but were still rated one of the top teams in the league. Coach Athanasopoulos stated that he was impressed with the way these boys worked so well together as a team. With many leading scorers carrying the burden and the stalwart rebounding of Norris, the Eaglets proved to be too much for four of their opponents. The team had a 4-4 record for the season.

Starters for the 110's included Chris Norris, Bob Law, Earl Smith, Jerry Honda, Ralph Mathis, and Paul Shiota.

## Track Season

Washington's track team started off its first league meet with easy wins in all three divisions against Lowell. Pacing the way was Ray Thomas winning both of the hurdle races. The scores were, in the unlimiteds, 80 to 33; the 30's, 60 to 35; the 20's, 52 to 16.

At the next meet the Eagles ran all over S. I., again winning by a big margin in all three divisions. The unlimiteds won by the score of 59 to 54; the 30's won 75 to 20, and the 20's won 59 to 9.

In the following meet, the tracksters got some revenge as the unlimiteds dumped Lincoln, 64-49, and the 30's and 20's prevailed 55 5/6 to 39 1/6, and 49 1/2 to 18 1/2 respectively.

The next meet saw the Eagles whip a strong Balboa team, 69 to 44. The 30's trounced the Pirates, 69 to

44, and the 20's came through with a 48 to 20 victory. The outstanding marks of the day were Ray Thomas' 20.1 in the 180-yd. low hurdles—a season's best in that race; Larry Silverstein's 2:09.2 in the 880; Leon Mack's 10.4 in the 100; Rich Atkin's 21 ft. 10 3/4 in. in the broad jump; George Fields' 5 ft. 8 in. high jump; and Vic Cumagan's 46 ft. 7 1/2 in. shot put.

The Eagles' next scheduled league meet was against Poly. This meet was rained out and postponed only to be rained out again. The Eagles will meet the Parrots for the first time in the All-City, where they hope to dethrone them.

The Galileo meet turned out to be a lop-sided contest, the unlimiteds winning easily, 83 to 30, while the

## Cross Country

This year's Cross-Country Team, under Coach Vasquez, has kept up the fighting spirit of George Washington. Their sincere desire to win when the chips were down certainly was a big factor in getting their championship.

During the regular season the team beat Poly 27-28, S. I. 19-42 (the lowest score winning). They lost to Balboa 38-19, and Lowell 51-21. We had to forfeit the meet to Lincoln because of a difference in the time schedule. Placing well during the season were Hammond, Rogers, Thomas, Feldman, Shepard, Kountz and James.

(Continued from preceding page)

30's and 20's had just as easy a time winning, 86 to 9 and 46 to 22, respectively.

During this meet Washington and Poly started their first rescheduled dual meet with only the unlimited 880 and mile races, and hoping to finish the meet at the postponed date, which already mentioned, was rained out. The score in those two events was Poly 10, Washington 8.

Mission was another easy victim as the Eagles trounced the Bears 97 to 16. The 30's easily won 81 to 14, while the 20's ran all over them  $49\frac{2}{3}$  to  $18\frac{1}{3}$ .

The Eagles went undefeated in all divisions in their league dual meets. Since we could not wait for the All-City, we will predict a possible championship in the unlimiteds and championships for the 30's and 20's.

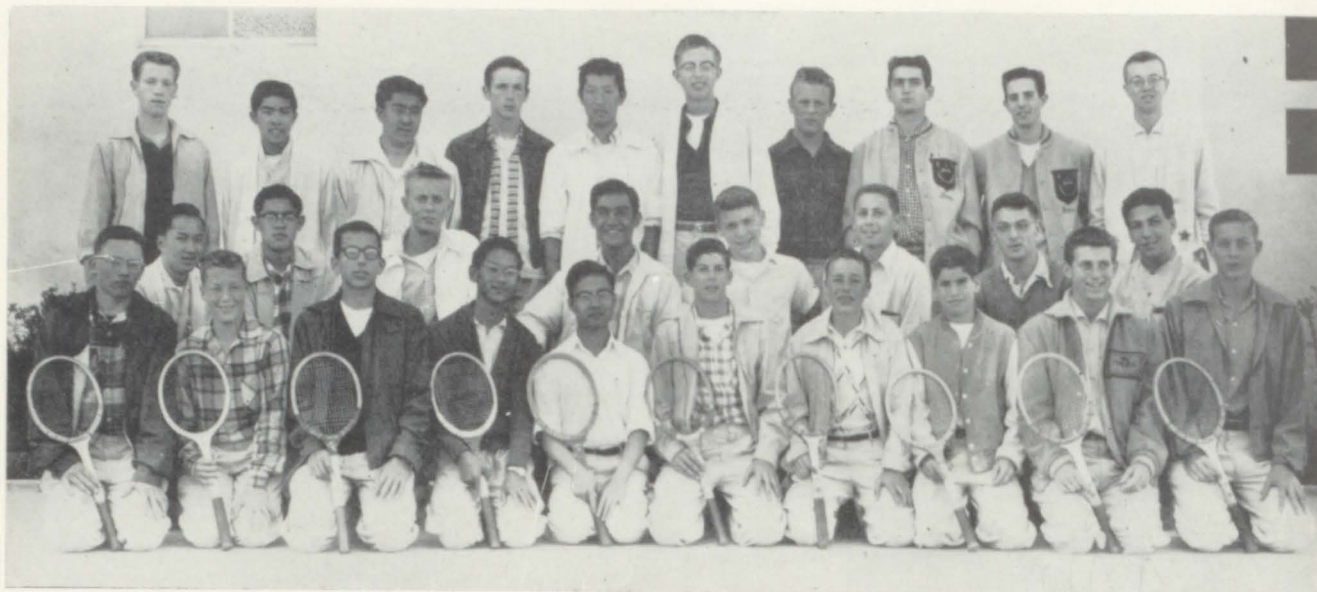

With Lowell favored to win the All-City meet our Eagles went in as underdogs, and came out as champs, capturing first place with 45 points. They were followed by Lowell (50), Poly (67), Balboa (80), Lincoln 115), and S. I. (164). Placing first and setting a new All-City record was Bob Hammond. His time was 10:22.

Participating in the first Northern California Championship at Stanford were the best teams in Northern California. Our team placed second. First five men placing for G. W. were: Hammond, Thomas, Rogers, Feldman, and Kountz. Of these five road-runners, four will be back next year.

## Tennis Season

For the second year in a row Washington has taken the City Tennis Championship. The team won all its matches this year. The scores were S. I. 6-1, Galileo 7-0, Balboa 7-0, Lincoln 7-0, Mission 7-0, Poly 7-0, and Lowell 4-3.

The team ended its season in fine style by beating Lowell for the second time in two years. The boys who played this year are Nick Scharff, Tom Fousekis, Dick Bowen, Jack Jacob, John Harrison, Al Gee, Roger Fung, Ron Wenzler, Mike Yee, Mike Rosenbaum and Fred Gottschalk.

## Golf

The year's Golf Team had gone undefeated up to yearbook press time. The team had won over S. I., 6 1/2-2 1/2, Mission 9-0, Balboa 8-1, and Poly 9-0. The team also had a successful practice season. In one of the closest matches of the year the Golf Team lost to California Frosh 14 1/2-12 1/2.

The boys who played some fine golf this year are Dave Krutchkoff, Larry Barr, Charles Dresow, Alex Tourouburoff, Elden Davis, Charles Wood, Gordon Grubes, and Everett Hintze.

## Baseball

The first two games of the season, against Lowell and Saint Ignatius, were rained out.

The third game was against Balboa. Washington lost, 14 to 0. Steve Erickson got the only two hits of the game.

Galileo won the next game, 9 to 2. Errors played a big part in losing.

They finally got into the winning circle by beating Mission, 6 to 4. The team was led by Al Bousquet's homer and Frank Oakley's three hits.

The fourth game was lost to Lincoln, 10 to 5. Lincoln scored 7 runs in the sixth inning to win.

The Eagles beat Poly 7 to 4. They lost to Sacred Heart, 15 to 3. Bousquet hit a homer in this game.

## Swimming

The Spring 1956 Eagle Swimming Team was one of the finest Coach Odone has coached in his years at Washington. The varsity came out of the season with a 14-8 record. Most of the meets that were lost were due to the teams not at full strength. The 130's also had a successful season with 18 wins and only 4 losses. The 120's had less meets out-of-town and thus had a smaller record. They ended up finally with a 13-2 record.

The mermen opened the first league meet with Poly at Fleishhacker's Pool. The Parrots couldn't seem to swim and the Eagles won 68-8 in the varsity, 52-4 in the 130's, and 48-8 in the 120's.

The Eagles prevailed in the next meet by beating Lowell 57-19 in the varsity, 35-22 in the 130's, and the 120's took their division 30-27.

Balboa's Pirate ship was sunk by the Eagle second team, while the first club had an out-of-town meet. The Pirates drowned 62-15, 44-11, and 52-3, in the varsity, 130's, and the 120's, respectively.

The Lions of Galileo were no sweat and our frogmen won, 55-22 in the varsity, 52-0 in the 130's, and 44-12 in the 120's.

The Bears couldn't swim so Mission forfeited.

The Cats didn't like the water either and lost 53-25 in the varsity, 39-18 in the 130's, and 36-21 in the 120's.

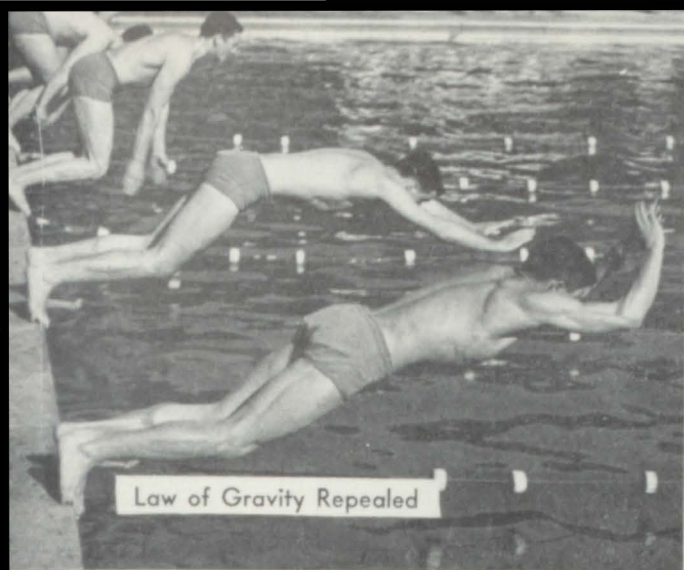

Lincoln did it again. The last meet of the season Lincoln downed the varsity (the Eagles' only league loss), 37-40. The 130's came back 45-13 and the 120's won 46-12.

The Eagles went on to win the championship in the All-City varsity and 130's over a strong Lincoln squad.

## *The Girls' Athletic Association — Fall*

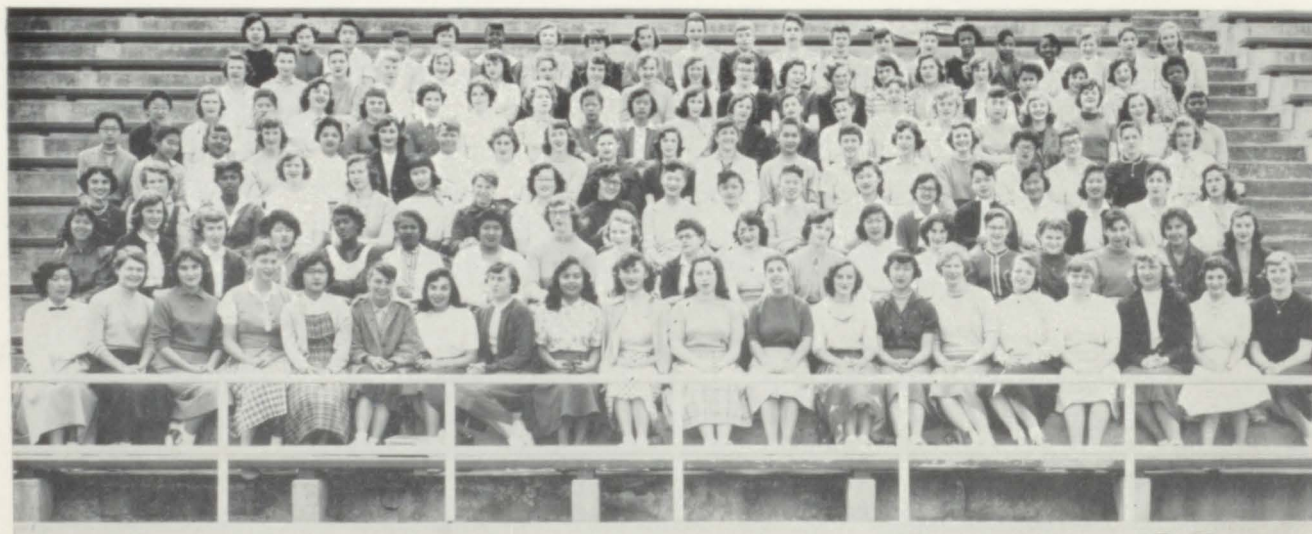

The Girls' Athletic Association again had a very successful year, headed in the Fall by Carolyn Keller and in the Spring by Makiko Fukuda. Mrs. Brillhart is the GAA sponsor. Under these capable hands, more than 500 girls have earned awards each term, and have developed a high proficiency in one or more sports.

The first award that may be won is a numeral; the second is a chevron; then a circle "W" is awarded; the

fourth award is the Block "W" which entitles the holder membership in the Block "W" society; a star is the fifth award; and after six terms of GAA membership the girl is awarded a lovely gold "W."

Awards are given on a basis of attendance and participation. They are given to girls with no more than three absences at the completion of the term of GAA. The sports offered this term were volleyball, tennis, riding, badminton, ice skating, swimming, bas-

ketball, and bowling. Competition is always high and in any one sport, there will always be Sophomores, Juniors, and Seniors playing together.

Successful playdays, awards rallies and many other activities which give the girls the feeling of "taking part" were among the other activities in which the girls participated. This year the board members have started a semi-annual GAA Board dinner which will

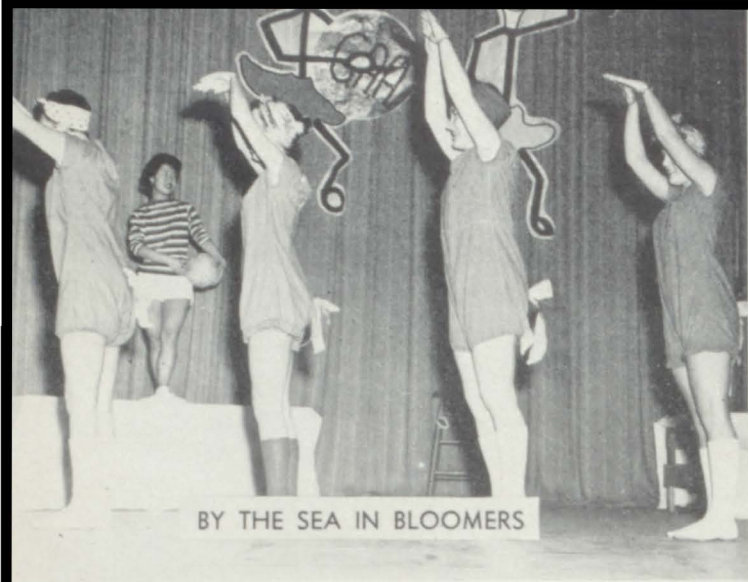

be carried out in the future. Only the GAA board members, P. E. teachers, and special guests attend the dinner. This year the dinners were held at Mrs. Brillhart's and Barbara Siedman's.

The GAA is an extremely successful organization which truly provided fun and enjoyment for all girls who are interested in sports and an all around good time.

The only people who know what hard work has been put into this yearbook are the members of the Surveyor staff, who started early in the fall semester to prepare the book for June. This year's editors have been Angie Muscat, Editor - in - Chief; Helen Benthien, Administration; Myrna Honig, Student Body; Judy Kogan, Activities and Organizations; Dayanne Shinn and Natalie Hoogasian, Seniors; Jackie Tarantino, Sports.

The process of making the book is a long one. The "dummy," in which all the ideas go, is arranged, and the "layouts" are pasted on each page. When a cover for the yearbook is designed and chosen, another important step is completed. Then all the pictures are taken: high seniors, class and student body officers, clubs, and organizations.

This is your book. The editors hope that every member of the student body enjoys it and that it brings back many fond memories in the years to come.

This is what we call a  
"paste up." These  
busy girls are Irene Woo  
and Karen Voss.

Handling the business management of the yearbook are Helene Gordon, Genny Warner, Marian Rauschkolb, Nancy Cosker, Cris Karmine, and Irene Chulkoff.

Em Devincenzi and Jackie Tarantino are the lucky girls surrounded by sport staff writers George Fanucchi, Paul Cervelli, Dave Smith, Lauren Parrott, Marv Mizis, Dick Dehn and Chuck Dresow.

## Choral Groups

The Advanced Mixed Choir, sometimes called the A Capella Choir, is composed of 24 boys and 43 girls. The choir does sacred music, spirituals, and "songs for fun." This choral group performs for various outside organizations during the year. This past year the group sang in the lovely Christmas presentation here at Washington, at a patriotic program at the City Hall, and for a program at the Y.M.C.A. Every year the choir participates in the State Music Festival, and with the entire

Music Department of Washington, gives a Spring Concert.

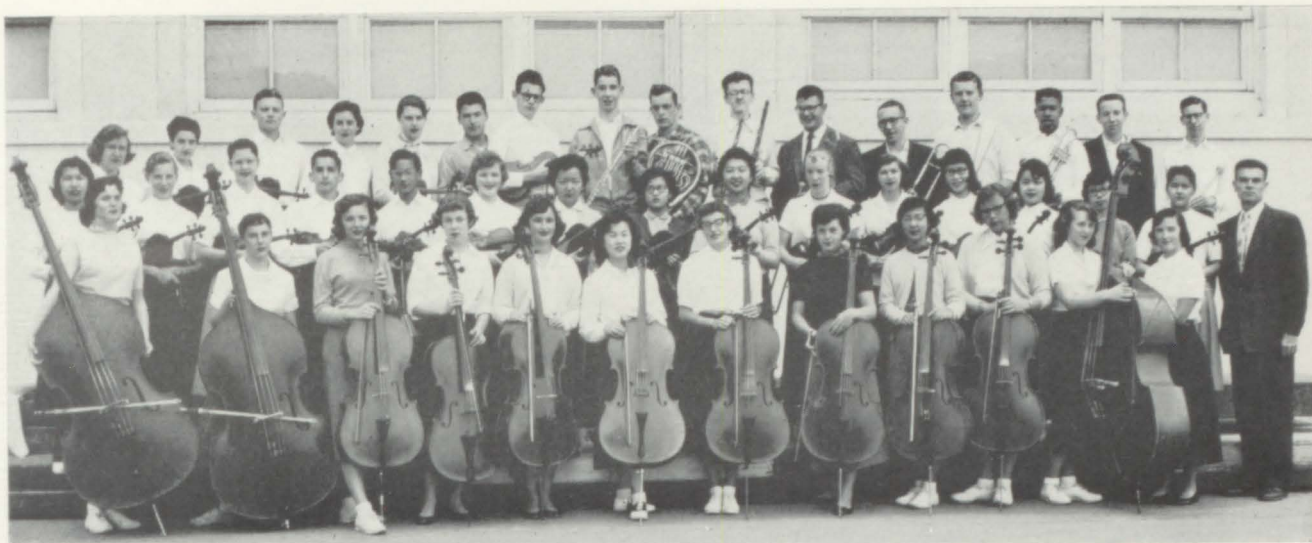

Fifty-seven girls make up the Advanced Girls' Choir. They sing popular ballads, spirituals and light music. The group has performed in rallies and for the Parent-Teacher Association.

Both of these choirs are under the capable direction of Mrs. Myrtle Swanson.

## *Band and Orchestra*

Under the able direction of Mr. Welch, the Band and Orchestra were, as always, a very active part of our school. In the fall the band, directed by George Elefant, took part in the Football Pageant, played at all the games and rallies, and even put on a Marching Band Show at the Lincoln and Lowell football games. In the Spring, directed by Harry Cohn, it played for Open House and participated in the Northern Cali-

fornia Music Festival at Hayward, receiving a rating of Excellent and Superior.

In the Winter months the orchestra played at the Term Play, the Christmas Program, and Graduation. Then in February, 30 students from both the band and orchestra journeyed to the College of Pacific at Stockton to take part in the Music Clinic. And again in the Spring, as always, the orchestra played for the Spring Concert and at Graduation.

## Reserve Officers Training Corps

One week after school started in September, the Football Pageant was held in which the 14-man and 14-girl drill teams won first place honors. The girls' drill team also took part in the Columbus Day Parade, the Awards and Decorations Ceremony, and the Memorial Day Parade.

In October the entire Battalion took part in the annual Columbus Day Parade. Washington won the first prize trophy for the best R.O.T.C. unit in San Francisco.

Towards the end of the Fall term, the Awards and Decorations Ceremony was held for the cadets who earned awards throughout the term. Medals were given for rifle marksmanship, best cadet, best squad, best platoon, and best company. Richard Gillespi was given command of the Battalion for the Spring term.

The St. Patrick's Day Parade was the next big performance for the R.O.T.C. Battalion. On that day, the 14-man Drill Team under the command of Cadet Capt.

Bill Petersen marched on Market Street wearing chrome helmets while the rest of the Battalion was wearing other green decorations to add color to the parade.

General Burbach, Chief of the California Military District, visited George Washington in March. General Burbach said that the Battalion looked very good and that the demonstration put on by members of the Drill Team was excellent.

Federal inspection of the George Washington High School R.O.T.C. Battalion was held on April 17. Major MacArther, Captain Jones and two inspecting officers from 6th Army Headquarters inspected the Battalion after a formal review and parade was held in the morning. In the afternoon, tests were given and the Drill Team, commanded by Capt. Bill Petersen, performed for the officers and the Battalion. The George Washington R.O.T.C. Rifle Team also won the City Championship in the 6th Army competition, and competed in the National Finals.

# Activities and Organizations

Washingtonians are very busy people, participating actively in the many organizations and clubs that have become an important part of school life. Such groups as the Scarlet and Gray Senior Service Society, with Fall President Edna Siltan and Spring President Judy Kogan, the California Scholarship Federation, with Presidents Peter White and Gordon Mo, the American Field Service, and the Science Club, contribute to the high standards of service and scholarship achieved by the students.

Members of the General Dance Committee, one of the largest groups here at Washington, will never for-

get the excitement and thrill in a crowded gym with busy friends hurrying to get all the decorations up before five o'clock on an afternoon before a dance. Dance bid and ticket sellers will long remember the fun of trying to sell more bids or tickets than anyone else. The fabulous posters made by the S.S.P.C. will live for a long time in many memories.

These groups and many more keep Washington going in a gay round of activities. May we never forget the fun we've had and the friends we've met in these organizations.

# Going our way?

## You'll Have to Make a Choice Pretty Soon . . .

*Will you settle for any old job, or are you setting your sights on a career in business? If you're looking for something more than just a weekly pay check, here are a few tips to help you find it:*

- 1. Pick a good company . . .** Metropolitan Life enjoys an outstanding national reputation. Here you can broaden yourself both culturally and socially.
- 2. Choose a job with a future . . .** Metropolitan Life follows a policy of advancement from within. You may start in a general clerical capacity depending on your ability and training for such positions as: General Clerk, Key Punch Operator, Typist, or Beginning Stenographer. Starting salary is \$215 per month.
- 3. Look for pleasant working conditions . . .** Metropolitan Life's building is modern and well kept. Attractive lunchroom and lounge—a comfortable place to relax after an appetizing meal as guest of the Company. 5-day, 40-hour week all year round with liberal vacation schedule. Athletic and other recreational groups.
- 4. Insist on security . . .** Metropolitan Life provides Life, Sickness, Accident, Hospital and Surgical, Medical Expense Insurance and Pensions. A well-equipped medical service helps you stay physically fit. Employment is steady in good times and bad.

## You ARE Somebody When You Work at METROPOLITAN!

*For full information come to the Personnel Division, Monday through Friday, any time between 8:30 a.m. and 5:00 p.m.*
