No two things could be more lovely than the breathtakingly beautiful view from our school in the light of day or the darkness of night, whether you are alone with your thoughts or amidst a crowd of happy, noisy people. And so, it is to this school and its view of life and the world, that we dedicate this—the 1958 Surveyor.

Co-editors Sandy Baldocchi and Mollie Womer with Mr. Schmaelzle, principal.

Principal's Message

Your three years at Washington have not only been spent as a preparation for life, but they were life itself, a life that measured not only the outer pleasures of success and happiness but an inner feeling of association and communion with higher inspiration and the Deity.

Your class has contributed a great deal to this school and it has been greatly appreciated. I know you will always cherish the memories you made here.

On behalf of the administration and faculty of George Washington High School, I would personally like to extend my heartiest congratulations to you outgoing seniors. Only by conscientious foresight of purpose and action can you attain your future goal whether it be in an institution of higher learning or out in the business or vocational world.

Once again my best wishes go with you always.

O. I. SCHMAELZLE

Deans Say Farewell to Seniors

The Deans, Miss Parsons and Mr. Castellino

If one considers a lifetime to be the traditional 70 years, simple arithmetic will demonstrate that the United States of America is a nation not yet three lifetimes old. This country has had only two complete changes in population. If this information impresses you with the youth of the nation, be further impressed that George Washington High School, a relatively young school, has endured seven complete changes in population since its founding almost 22 years ago.

Because each student remains in high school only three years, a school is a constantly changing institution. Therefore, a tradition put aside for two years dies a sudden death. For example, at the time of this writing as plans are being made for the May Festival, only the senior classes have had the experience of planning and participating in a previous festival. The situation has occurred as the result of the cancellation of only one festival.

Think then of what can happen to our high academic standards if we allow ourselves to become lax about them for even a short time. No student who enters this school because he knows it is a great school can afford to count on the force of the past or the force of tradition or the force of habit to keep this school great.

Each must do more than inherit a tradition. He must, each day, re-create it.

MISS PARSONS, MR. CASTELLINO
Assistant Principals

Head Counselor Bids Seniors Farewell

Washingtonians and, most especially, the graduating class of June, 1958, you are in the midst of a world as exciting, as restless and as full of opportunities as our most colorful period in history. In your own orbit, the world of George Washington High School, you have been blazing trails as well as establishing traditions. Now, with Commencement close at hand, my hope for you is that, as you continue to travel far and wide, you will always exemplify the highest and best traditions of your Alma Mater.

Executive Council and Co-Board

The Executive Council is the backbone of George Washington's Student Government. Being the legislative body, it has the power to make all laws.

The Council, presided over by the Student Body president, is composed of all the student body and class officers, presidents of the G.S.S., Eagles and Scarlet and Gray Societies, and advised by the student body sponsor, Miss Archer.

Meetings are held several times throughout the term

to discuss school problems and proposed laws or amendments to the school constitution. Reports from the Co-Ordinating Board are presented at each session by its chairman, who is the Student Body Second Vice-President.

Co-Board is the important link between Class Committee and Executive Council. It is where the two representatives from each class bring forth the ideas from their respective classes.

Washington Cabinet

Each meeting of the Washington Cabinet is devoted to the questions and problems of the school. Discussion is held between the elected registry representatives and the principal.

The Cabinet is an advisory board, acting without legislative powers. Many of its suggestions are sent to the Executive Council, where they may be voted upon.

Every Tuesday morning at 8:00 a.m. in Room M-23 the delegates meet with Mr. Schmaelzle to discuss prob-

lems that their respective registries have brought up. At this meeting the calendar for the week is announced and special activities are publicized. The delegates report to their registries that same morning, and the results from those discussions are presented at the next Cabinet meeting.

This year, as in the past, the Washington Cabinet has proven itself a success as a sounding board for school problems.

Scarlet and Grey Society

The Scarlet and Grey Society was organized in the Fall of 1951. The purpose of the society is to assist in keeping the halls quiet and free from unauthorized or loitering students. This is done by hall patrols during every period of the day.

The society is composed of outstanding members of the Low and High Senior classes. They are chosen on

the basis of scholarship and citizenship at the end of their High Junior term.

Today the society is composed of approximately 135 members. Under the leadership of Fall President Ted Wiech and Spring President John Gibbs, the society served the school as stationary hall patrols.

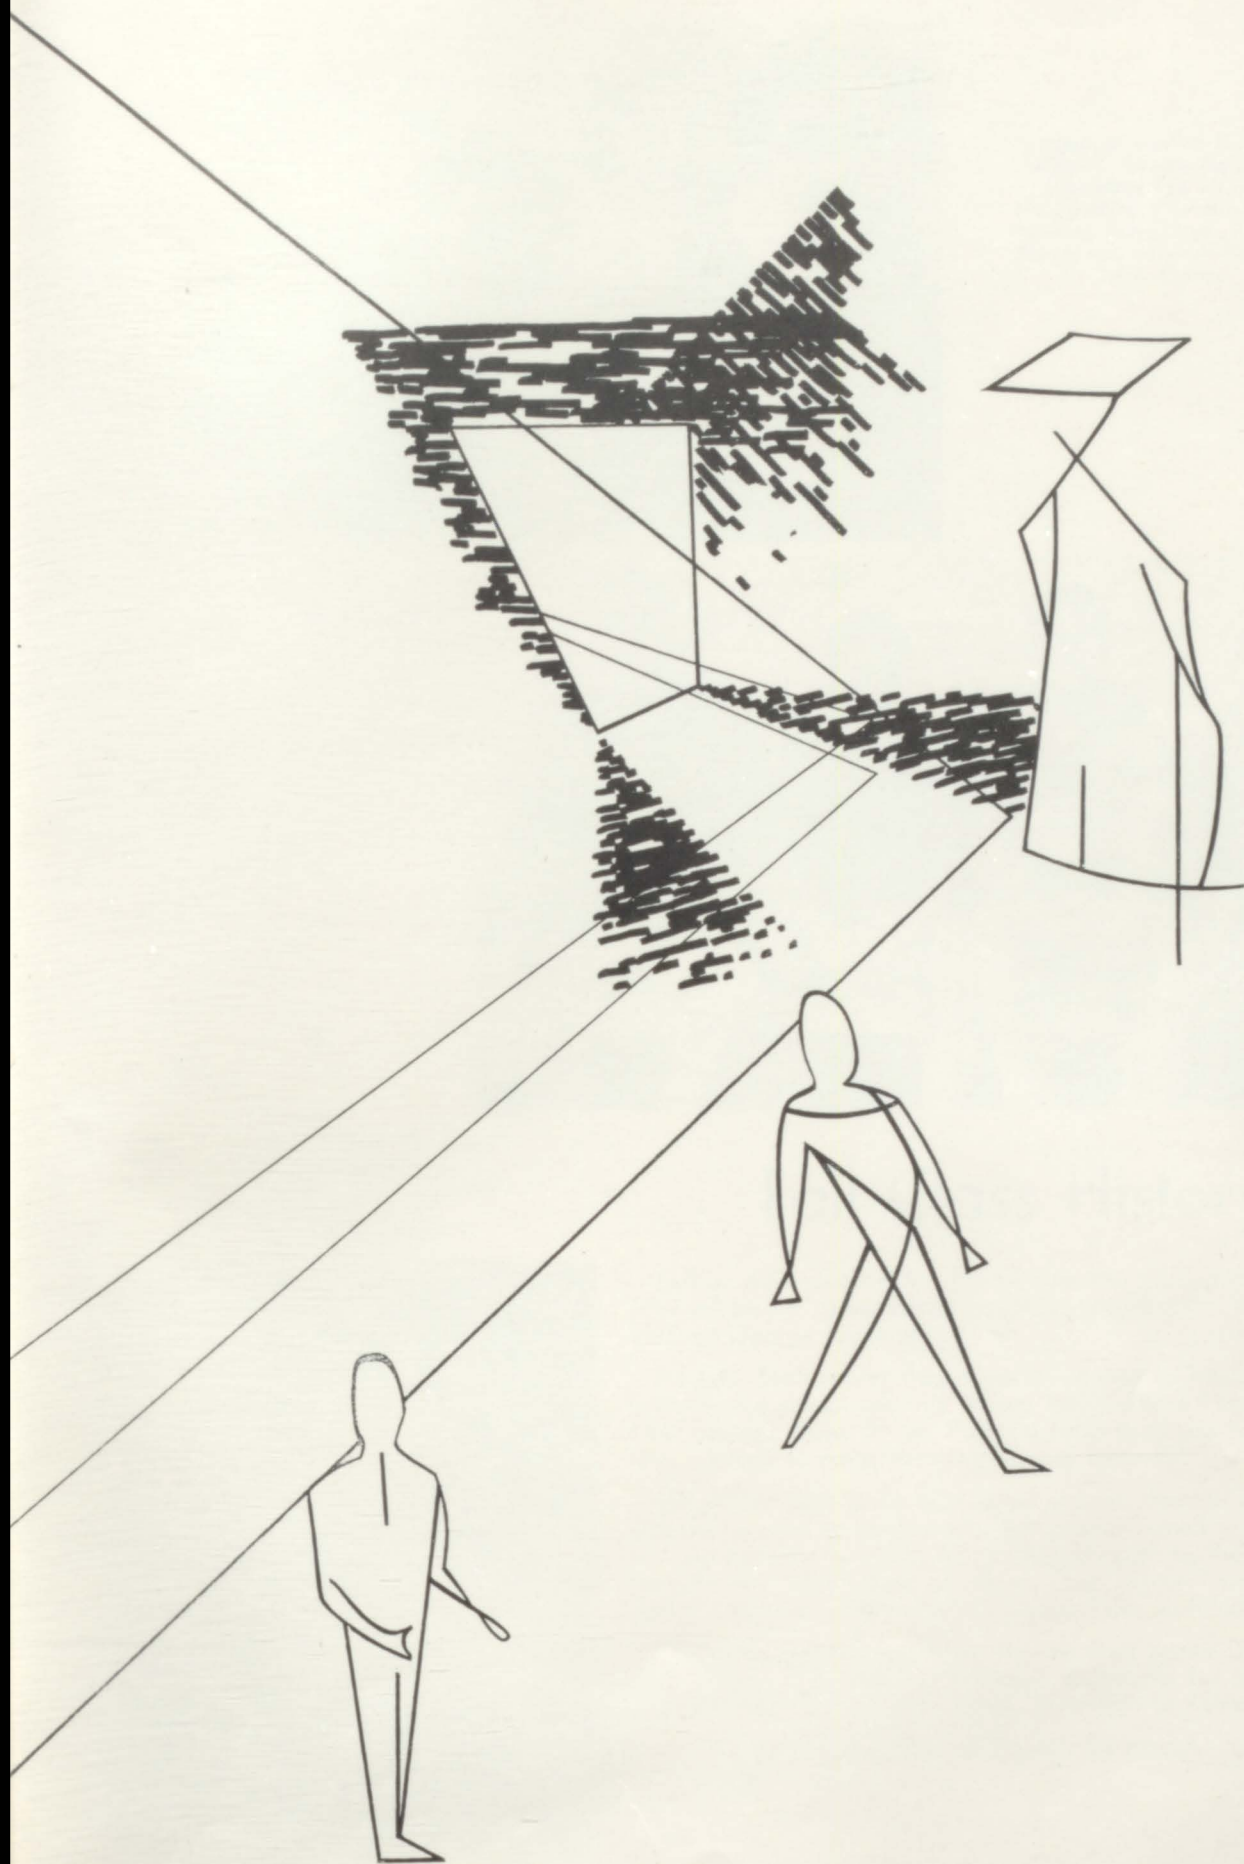

The society is under the sponsorship of Mr. Rocky.

Fall Class History

Led by their sponsor, Mr. Elgin Heinz, the graduating class of Fall 1957 will be well remembered for all the contributions that they made while at George Washington.

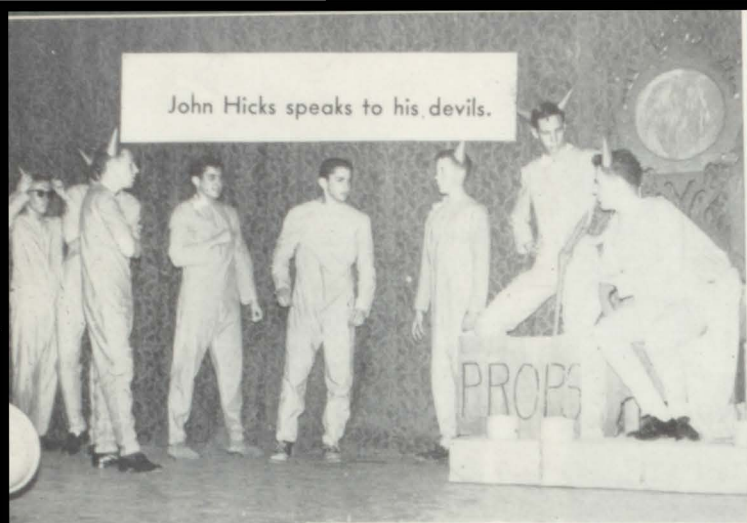

As Low Sophomores they collected money to buy shrubs to help beautify the school grounds. When they became High Sophomores they planted these shrubs. Painting trash cans was another one of their projects to make Washington look beautiful.

When their Low Junior term rolled around, the class collected pocketbooks to send to servicemen. This project turned out to be a rip-roaring success. As High Juniors they brought to the student body their terrific Junior Day, all about "The Pigskin," and Junior Day Dance, "Mirage." Then came the Junior Prom, entitled "Moonglow."

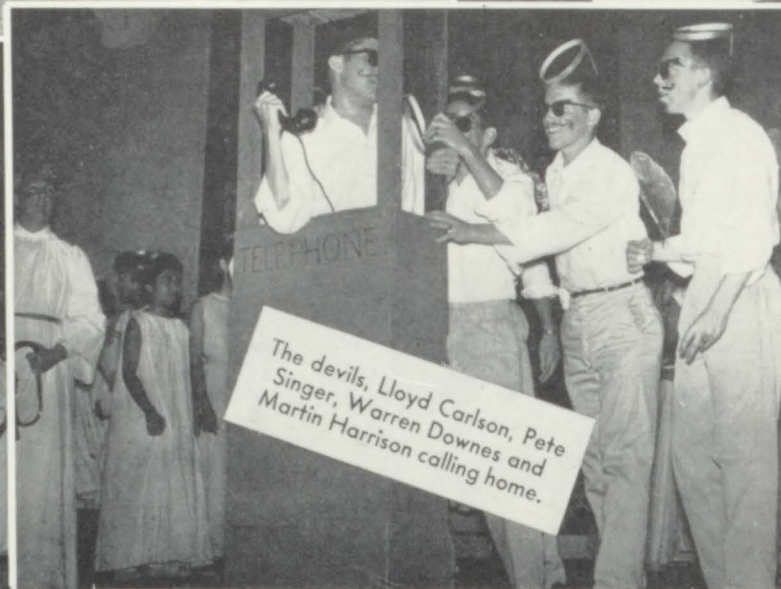

The whole class worked hard to make their Senior Day and Senior Day Dance, "Two Different Worlds," enjoyable for all. January 25 was the date of their Senior Prom, "An Affair to Remember."

Commencement exercises on January 28 brought to a close these three wonderful years.

Senior girls who served at the Senior Breakfast are (from left to right) Shirley Cheu, Linda Gould, Arlene Chusid, Maureen McClellan, Bonnie Brodd, Martha McFarland and Bobbie Solter.

The preliminaries leading up to the main event. Judy Robinson gets measured for her cap and gown.

Spring Class History

Senior King, Rich De Leon, and Sophomore Queen, Dolores Lopez, pose with High Senior President, Bob Raye, and Veep, Nancy Newman.

The Senior Class of Spring 1958, under the direction of their sponsor, Mr. Merton Jones, has completed three wonderful and successful years at George Washington.

Their Low Sophomore project, collecting money to buy shrubs, was done with much enthusiasm. As High Sophomores, they beautified the school by planting the shrubs bought with this money.

The Low Junior term found them busily gathering names of servicemen to send Eagles to. At last they became High Juniors, and after much hard work and planning, the class presented their Junior Day, "Marine Madness," and Dance, "Marine Melodies." The beautiful Gold Room of the Palace Hotel was the scene of the Junior Prom, "Wonderful, Wonderful."

Finally came the most important year, the Senior year. As Low Seniors their project was the P.T.A. Membership Drive, which was a great success. At last, as High and Mighty Seniors, the class presented their terrific Senior Day, "Celluloid Fever," and Dance, "58 Skiddo." The Senior Prom was held in the Rose and Concert Rooms of the Palace Hotel.

Commencement exercises on June 11 brought to a close all of these memorable experiences.

May Festival Drive Successful

May 23, 1958, is a day that will be long remembered by the students here at Washington. This was the day of our fabulous May Festival, entitled "Looney Luau."

The day started off with a bang as, in the morning rally, the student body was brought to the "Island of Boyarewelazy." This rally brought to us such stars as Roger Severin playing the part of McIntosh, Lionel Galant as the Captain, and John Rosenberg as Chief of "Boyarewelazy Island."

Then we had our first open-campus double lunch of the year. During the lunch stunts in the stadium and the Lettermen Dunk-O booth were featured.

In the afternoon the faculty took over and presented to the student body their hilarious rally.

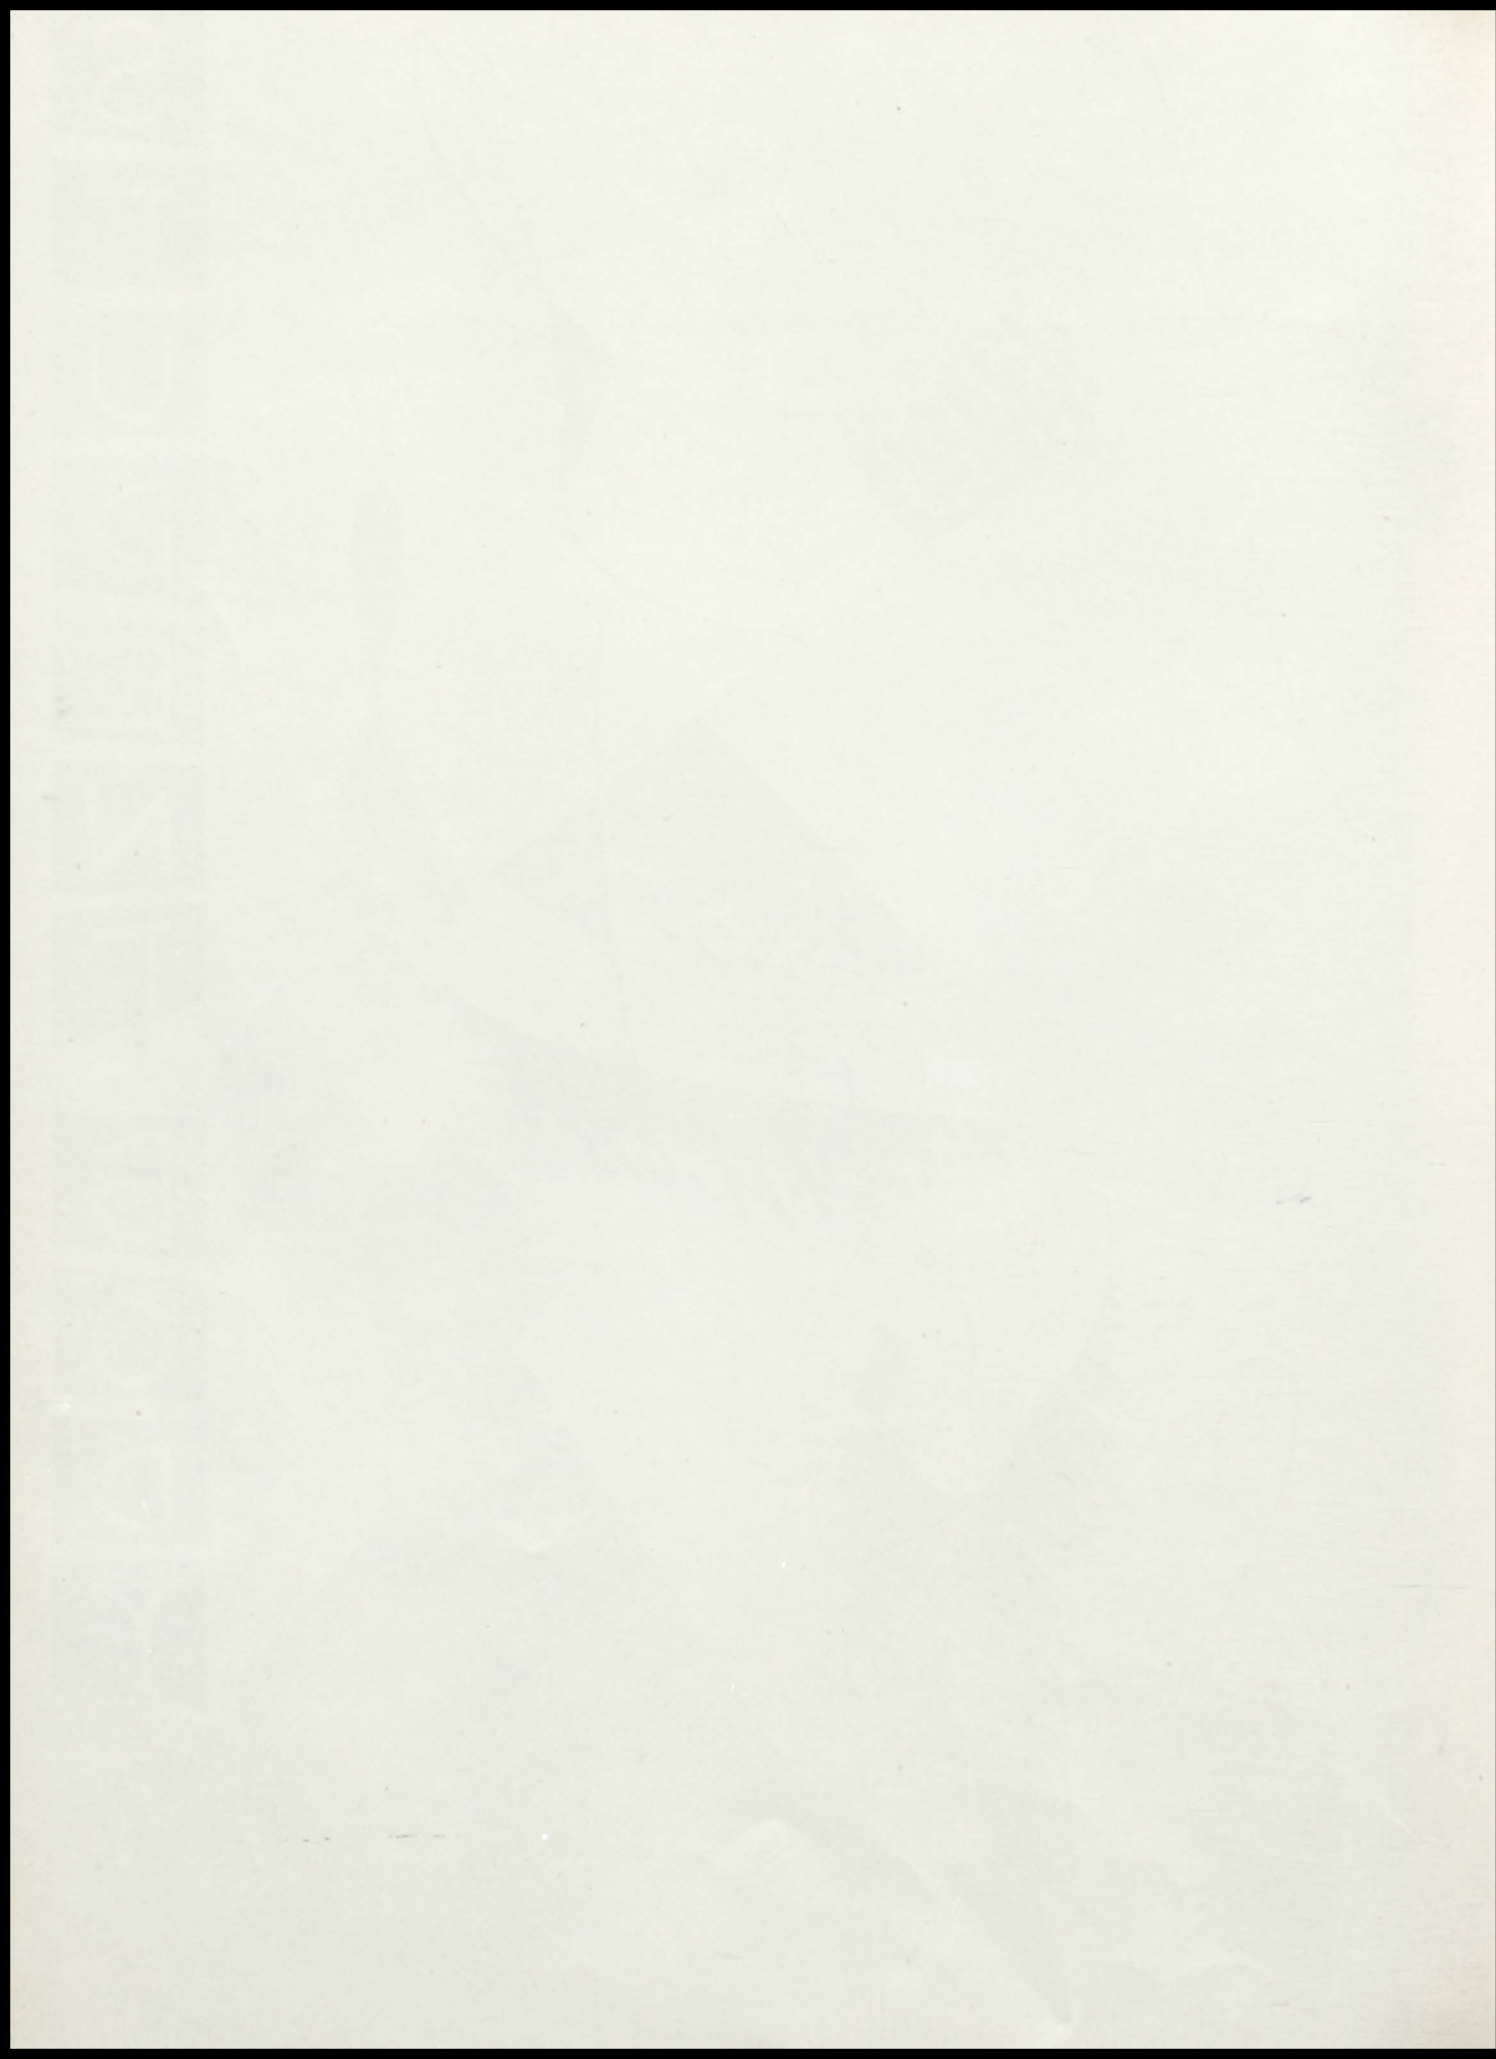

The night of May 23 will also be well remembered. Both gyms were decorated, one for the May Festival dance and the other for all the booths. This was a day well worth all the preparations made for it.

These boys are guarding the many boxes of paper utensils collected by the student body. The paper goods were collected for Enchanted Hills to be used by blind children during summer encampment. Boxes of material collected stretched over 50 feet down the hall.

Eagle Footballers Place Fifth

Combining immense desire with rare talent, the undermanned Washington Varsity football team won far more games than expected.

Playing typical of the whole season, the Eagles got things rolling with a 13 to 12 victory over the highly touted Wildcats of St. Ignatius. Two All-City Eagles, Mac Burton and Tad Sekino, played outstanding games. Jim Perkins tallied both TD's for the Scarlet and Grey team. For his fine play, Burton received the game ball.

The Washington football machine stalled and stuttered, but was still able to beat a weak Galileo team by a score of 19 to 7. Runs by John Murio highlighted the game. Tad Sekino, playing another neat defensive game, was awarded the game ball.

Washington's winning ways were stopped abruptly by a fired-up Mission squad. After many disheartening breaks, the score at the end of the game stood at 25 for Mission and 13 for the Eagles.

The Eagles were dealt their second setback by a powerful Balboa football team. The Eagles were blanked for the first time in the season. Score: Balboa 26, Washington 0.

As if they had been holding back in the past two games, the Eagles exploded with the highest single game point total in the school's history. Their victims were the Indians of Lowell, as the Eagles ran up a score of 40 to 7. Mac Burton accounted for 24 of these points. Star quarterback Tom Jones was awarded game ball for his fine play.

The Eagles seemed to be on the winning road for good as they dumped the highly rated Irish of Sacred Heart by a score of 34 to 20. Frank Vucci, Arnold Covarrubias and Walt Torrens turned in rugged performances in this thrilling win. The injured Roger Sevrin received the game ball for his tough defensive play, and for his outstanding play Tom Jones was named Prep of the Week.

The Eagles stretched their winning streak to three games by taming their traditional rivals, the Mustangs of Lincoln. The fourth quarter told the story as the Eagles were able to punch over two TD's in the last five minutes of the game. Rich DeLeon received the game ball in the 20 to 12 victory.

The Eagles saw their winning streak and their play-off hopes blasted by a real sharp Poly team. Even though Burton ran a kickoff back for a TD, the Parrots won the game by a score of 39 to 13.

JV's Gain Experience

The JV team this season had an eager but weak team. They ended the season with one win and five losses. The first game was with the Buccaneers of Balboa. The Eagles took an early six-point lead over the strong Bucs, but they held the Eagles scoreless for the rest of the game. The resulting score was 24-6 in favor of Balboa.

Next the Eagles had a pow-wow with the Indians of Lowell. The Indians overpowered the Eagles' offense as the game came to an end. The Indians won 19-6.

The JV's next game was with Galileo at Washington. This was our best game of the season. Keith Someya scored three times to help trounce the weak Lions, 38-6.

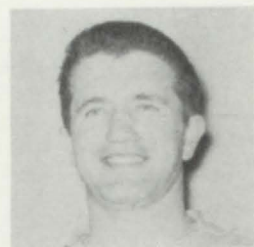

The wheels turned in the next game as the JV's played their worst game of the season. We lost to the Wildcats of St. Ignatius by the identical score of 38-6. This game was played without our first string Q.B., Dale Bishop.

The JV's next meeting was with the close rivals from across the park. As games go, we had all the hard luck and Lincoln was getting all the breaks throughout the game. The Mustangs intercepted two of our passes which they ran back for touchdowns. The Eagles had the ball on the 3-yard line when the game ended. The score ended 27-14 in Lincoln's favor.

The Eagles' last game of the season was against Mission, and it was a real heartbreaker. It was a see-saw game, ending in a victory for the Bears. In the game Jim King, doing a great job, filled in at quarterback, and Tony DeFelippo scored three TD's, only to lose the game by one point after a Mission touchdown. The final score was 26-25 with Mission on top.

Other outstanding players on the team were Mike Jones, center; Jim Masuda, guard; Mike Humrickhouse, guard; Ed Binetti, end; Barry Friedman, fullback; Horace Jackson, tackle. It is hard to pick out the one outstanding player, for they all played together as a team. Although it was not a very successful season, many of the boys received valuable experience which will help them in Varsity play next term. The coach, for this hard-working team, was Coach Domecus.

Sophomore Team Well Organized

SERRA HIGH

It was a sad day when the Sophomores lost their debut to Serra. This 45-6 tragedy was steeped by the injuries inflicted upon our young heroes. A compensation, however, is that this was only a practice contest. Roger Tanaka, Markey Nishimoto, and Alex Pandell kept up a valiant fight to the end.

POLY

The Eaglets had Poly licked from the start. No wonder, though, we had four times the number of players they did. And with Don Kinney, the go-go-go guy, grandly grazing on guard grounds with his great guarding, we couldn't miss. This 14-12 win really lifted our spirits. This was probably the easiest game the Sophs ever had.

BALBOA

Man, oh, man: the Bal game sure was a soft touch! It was so easy that everyone was able to play. David Madfes was the standout in this 20-6 whitewash.

LOWELL

Exciting, encouraging, memorable. If any epithets were fit to describe the Lowell clash, these three would be perfect. Only through the quarterback bootleg play of Andy Salis in the final two minutes were the Eaglets able to win. The score was 13-7.

SACRED HEART

In a torrid game with Sacred Heart, the Washington High Sophomores squeaked by with a 13-6 margin. We managed to win only in the second half.

LINCOLN

The Sophs concluded their season with a dull thud, as they dropped a 47-0 decision to Lincoln. The opposition was ahead from the start.

NOTES: Phil Aissa, guard, was the outstanding player of the whole season; he was chosen season captain and awarded a ticket to the Shrine Game on the basis of his work. . . The squad defied the pessimism of certain sports writers by coming through with a fine season.

Coach Adolph Lubamersky

Soccer Team City Champs!

OCT. 20 — MISSION 2, WASHINGTON 2

The soccer team started the season off with a 2 to 2 tie against Mission. An excellent performance was turned in by Alex Kabaniciw, who scored Washington's two goals.

OCT. 14 — LOWELL 0, WASHINGTON 6

The second game of the season saw the Eagles scalp the Indians. It was an easy victory, thanks to Lowell's many mistakes. Outstanding players were Heinz Mertens, Al Sutter, and Alex Kabaniciw.

OCT. 16 — S. I. 1, WASHINGTON 6

"If we can beat S. I. in football we can beat them in soccer." This was the soccer team's slogan before their third game of the season, and proving this were stars like Noe, Romm, and Goldsmith.

OCT. 22 — LINCOLN 0, WASHINGTON 4

Once again showing off their determination to win, the soccer team racked up another Eagle win to their credit by defeating the Mustangs, 4-0. The team was getting ready for a championship season.

OCT. 29 — BALBOA 3, WASHINGTON 3

This time the soccer team was a bit too confident on winning the game as they battled to a 3 to 3 tie in the latter part of the game. Some of the stars were Mertens, Kabaniciw, and Noe.

NOV. 6 — POLY 1, WASHINGTON 4

Defeating Poly 4 to 1, the Eagle team had clinched a play-off berth with one game remaining. The up-to-date record for the season was: 4 wins, no losses, and 2 ties.

NOV. 13 — GALILEO 0, WASHINGTON 3

The Eagles won the round robin championship by defeating the Galileo Lions, 3-0. Center forward Alex Kabaniciw scored all goals, but the victory was achieved by great teamwork.

SEMI-FINALS

In the semi-finals, the Balboa Bucs fell before our might, 1-0, in a tremendous defensive battle. The goal was scored by Carlos Noe, in the latter part of the game.

FINALS

The Eagle high-spirited soccer team salted the Mission Bears to take the City Championship.

The team showed its tremendous strength by defeating their opponent, 2-1, in a hard fought game.

The Eagles' first shot was made by Carlos Noe during the first 10 seconds of the game. Later in the first period, the Bears came back to tie the score, 1-1.

In the second quarter Heinz Mertens scored again to put the team ahead, 2-1. The second half of the game was scoreless.

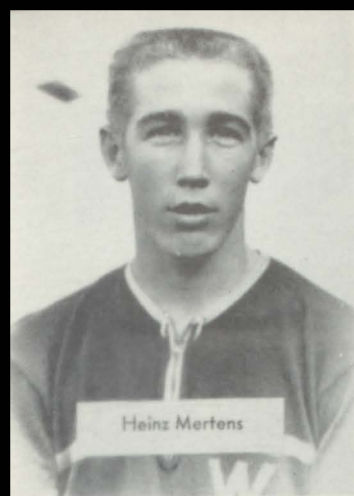

The team ended the season with a record of 7 wins, no losses, 2 ties.

Unlimited Basketball

JAN. 8 — WASHINGTON 48, MISSION 35

The sparkling play of Jim Watkins and Norm Owyong helped to drive the Eagles to a 48-35 victory over Mission. Though it was an 18-16 Bear margin at the half, the Washington stalwarts sprang back to the Birdies' first win.

JAN. 17 — WASHINGTON 54, LINCOLN 40

It was as stimulating as a filter of Coca-Cola! The Lincoln game was that good. It was a 19-19, 30-30, and a 37-37 tie in the first three quarters. But the perseverance of Steve Gray, Jim Watkins, and Norm Owyong pulled the Eagles to the lead in the final stanza.

JAN. 21 — POLY 47, WASHINGTON 41

Alas and alack! Woe is the Washington High Varsity basketball squad. There were three seconds left in the game and the score was at a deadlock when Steve Gray made a beautiful one-handed push to bring the Eagles ahead, and they went into overtime. But Poly made two foul shots to tie the game . . . again. The Birdmen finally lost in the overtime by six.

JAN. 23 — WASHINGTON 43, LOWELL 34

Capitalizing on the talents of Steve Gray and Vern Coleman, the Eagles defeated winless Lowell, 43-34. Washington, now with a 3-1 record, led 18-13 at the half. Norm Owyong was the high scorer for Washington with ten points.

JAN. 28 — WASHINGTON 60, GALILEO 48

Fantabulism played a major part in the Eagles 60-48 conquest of Galileo. Only once did the Lions get ahead; this occurred with the 36-37 margin at the end of the third quarter. Mack Burton, Ernie Johnson, both in their last game, plus Vern Coleman, were the standouts.

FEB. 6 — WASHINGTON 47, ST. IGNATIUS 37

"May the better team win," is a thought inciting

reciprocation. It can be converted into a truism by rearranging the verb. It was in this way that Washington captured their most significant game of the year by downing St. Ignatius 47-37; for the Eagles were the better team. Mel Wilson and Norm Owyong were the standouts.

FEB. 10 — WASHINGTON 49, BALBOA 45

The Eagles' game with Balboa ended in a spectacular overtime, in which Vern Coleman scored four points. Steve Gray led the squad with his ten markers. The halftime margin was 23-15, in favor of Washington.

FEB. 27 — SACRED HEART 45, WASHINGTON 44

Washington suffered its second loss of the season under the dexterous hands of the Sacred Heart Irish by the score of 44-45. One compensation for this upset was that Dan Sullivan, the League's leading scorer, was held to seven points by Steve Gray, who hit 13 himself. Norm Owyong and Jim Watkins had 12 and 9, respectively.

MARCH 4, SEMI-FINALS

WASHINGTON 41, ST. IGNATIUS 36

Connecting on 40% of their field goal attempts, the Washington High Eagles edged the St. Ignatius Wildcats, 41-36. S. I. was right behind the Eagles all the way. But, as Coach McGrath put it, "It was the best game we played all year." Since this was the semi-finals, Washington met Poly the next week.

MARCH 7, PLAYOFFS

POLY 33, WASHINGTON 28

Retaliating from a sad first quarter in which they dunked only six points, the Poly Parrots edged the Washington High Eagles, 33-28. Most of the way, however, it was the Eagles' game; seven hits out of their first eight attempts, a 12-6 bulge at the end of the opening stanza, and a fairly decent, though slim, lead at the half.

130's Basketball Season

The 1957 A.A.A. Champions started off the season by defeating Mission, 44-42. Washington was behind by as much as seven points in one period, but regained the lead to 21-20 at halftime. Tim Grady was high scorer with 11 points.

Lincoln was next in line for the Eagle five. It was a close and low scoring game until the second half when the Eagles let loose and almost tripled their score with the help of Bob Grayson's 25 points. The Eagles downed the Mustangs, 64-53.

The next game against Poly was the Eagles' only loss of the season. It was a close game up through the third quarter and then Poly ran over the Hilltoppers, thus the 46-game winning streak came to an end as the Parrots won 38-65.

The Eagles won their third game of the season by topping Lowell, 66-62. The Indians were ahead 15-17 at the end of the first quarter, then the Eagles took over for the rest of the game. Grayson and Rockmore sparked up for 24 and 16 points, respectively.

The Eagles met Galileo in the next game and breezed past the Lions to a 48-30 victory. Again the top scorer was Grayson with 20 points.

One of the Eagles' toughest wins was in their next game with S. I. The Scarlet and Grey squad led the Cats all the way until the last quarter when the Wildcats went ahead, 37-39. The game wasn't over for the Eagles yet. Pickens "Pop" Rodgers connected with four points to down the Cats, 41-39.

Balboa was the Eagles next victim. It was an ordinary game through the first half and then the Eagles went

wild and racked up 39 points to the Buccaneers 14. The game ended 59-25 in Washington's favor.

The Eagles ended up the season in the next game with S. H. Under the fine play of Ray Hearne the Eagles whipped the Irish, 40-35.

The Eagles ended the season with a 7-1 record, which put them in the semi-finals. Poly defeated S. H. in their semi-final game, which left us the Mustangs of Lincoln. With the spectacular playing of Ray Hearne, who hit for 22 points, the Eagles had little trouble downing the Links. Up until the second quarter it was a close game and then it turned into a slaughter. The Eagles hit one basket after another to down the Mustangs, 53-33.

In the finals against Poly, Washington hit a bad luck streak. Even with Grayson's 20 points, the Parrots managed to get by to a 44-46 win over the Eagles.

Besides having a great team this season the 130's also had outstanding players. Bob Grayson was chosen the 130 Player of the Year, and along with Ray Hearne, Grayson was on the All-City team.

Lightweights Have Good Year

120's

Another trophy has been awarded to Coach John McGrath's 120-pound basketball team for Fall 1957.

The first two games of the season saw what a real team looks like as the 20's beat Poly 32-20 and St. Ignatius 23-18. From that point on the 20's kept on winning until they earned the right to play Galileo for the championship. They went on to beat Galileo 38-31. All-City Lorrell Anderson paved the way.

112's

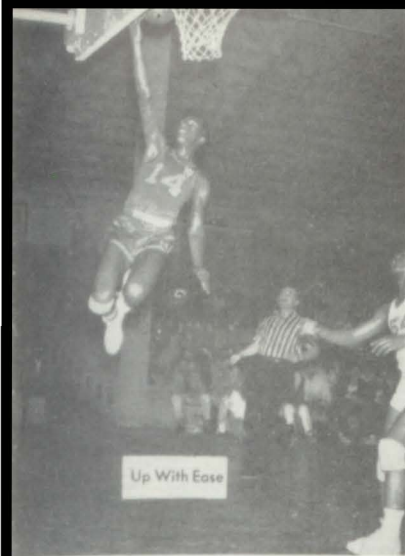

Coach A's 112's placed third in AAA competition this year. The 112's only lost two of the eight games they played. Both of these games were close. They lost to Poly 25-21 and to St. Ignatius 37-35.

The most valuable player on the 112's basketball team was Robert Won. During the past 11 years the 112's have won the championship seven times.

The Track Season

The Eagle tracksters started off their season by defeating St. Ignatius in all three divisions. In the Varsity affair the big surprise came when Ralph Mathis jumped 6 feet 2 inches. Holding the opponents to 27½ points the Scarlet and Grey squad began raking up points. The 120's and 130's smashed the Wildcats by taking a first in every event. The final scores were: 89-9 and 71-7, respectively.

Next in line for the Eagles were the Indians of Lowell. The Eagles came through to win as they took all three divisions. Double winners were: Mathis, Wishom, Law and Stokes. The scores were: 63½ to 49½ in the Varsity, 63½ to 40½ in the 130's, and 55 to 22 in the 120 affair.

At the Mission meet Robert Law took the only double win of the day. Ship broke the All-City record for the 150 in the 120 division. Anderson jumped an incredible 6 feet 2 inches to take the high jump.

The Eagles next meet was against Galileo at Kezar. Once again the tracksters took all three divisions. Double winners in the Varsity were Murry, Law in the 30's, Anderson in the 20's. The scores were 95 to 18 and 80½ to 23½, and 65½ to 11½, respectively.

The Eagles' first defeat of the season came from our close rivals from across the park. Lincoln upset the Var-

sity 63½ to 49½, and took the 130's 52½ to 51½. We held on to the winning column in the 120's by defeating the Mustangs, 53 to 24. In the Varsity affair Mike Meloy ran the 100-yard dash in 9.9 seconds, only to lose by a length of a second to a Mustang. In the 120's Anderson again captured two firsts.

Hard luck hit the tracksters in the Varsity as Balboa beat them 50½ to 60½. The Eagles easily took the 130's of Balboa 57½ to 46½. The 120's won 51 to 26.

Polytechnic High overwhelmed the Washington Varsity, 78 1/12 to 34 11/12, while the Eagle 130's were edged out by a score of 54-50. However, the All-City meet is the sole determinant in final team standings, so the Scarlet and Greys will have another crack at the powerful Parrots.

The 120's maintained their unblemished record with a 55-22 romp. Tanaka, Eng, and Shipp turned in stand-out running performances, while Anderson leaped to a 5-10 first place, Noss won the shot event, and Shipp doubled by taking broadjump honors.

Sayre, Woods, Stokes, Eckelhoff, Law and Pulverman all placed No. 1 in their respective events in the 130's effort to catch Poly. Murry and Wilson came in one-two in the Varsity 440, as teammates Hearne and Pullen copped the high-jump and shot, respectively.

Cross Country

Washington's cross-country team did not do too well during the regular season. However, a high-spirited never-say-die team went into the All-City meet as underdogs, and yet, were able to beat out a strong Lowell team and finish fourth.

Although defeated for the city championship, the Varsity cross-country finished fourth with 142 points.

Poly took the A.A.A. title with 32 points (lower score winning). Lincoln was second with 43, Balboa placed third with 45 points, and Lowell fifth with a score of 144.

Turning in outstanding performances in the 1.9 mile All-City race through Golden Gate Park were Jerry Brooks, Pickens Rodgers, Tom Ogawa, Jerry Temple, and Baldwin Tom.

Tennis

The Eagle tennis team started things rolling at their first match of the season by defeating Poly, 7-0.

St. Ignatius proved to be a little harder as the Eagles won, 6-1.

Galileo became Washington's next victim as the racketeers smashed their way to a 7-0 win.

The net men got a little competition from Lincoln as the Eagles beat them, 5-2.

Next on the slate was Mission, as the net men walloped the Bears, 7-0.

Balboa gave the Eagle racketeers a tough match as the Eagles won, 5-2.

The final match of the season was against Lowell for the championship. Lowell showed tremendous strength as they downed the Eagles, 6-1.

Golf

Up to press-time only three golf matches had been played with only two fully completed. The first match with St. Ignatius could not be finished until the end of baseball season due to bad weather and the loss of one of the players to the baseball team. The second match with Balboa proved to be a victory for Washington with a score of 9-0. The Eagles again came through in their third match with Poly by winning 7 1/2-11 1/2.

Some of the outstanding players ably coached by Mr. McGrath were Gary Mialocq, Alex Tourubaroff, and Barry Friedman. Because of their excellent playing, these three boys qualified to participate in the Northern California Golf Championship.

Other games scheduled to be played after press-time were May 9 with Mission, May 15 with Lincoln, and May 22 with Lowell.

Baseball Teams Have Big Season

Crushing a Lincoln rally in the last inning, Washington made its debut by winning, 4-3.

The Eagle batsmen "touched" four Poly pitchers for 12 hits to defeat the Parrots, 15-2.

Sacred Heart's Reno DiBono whacked a two-run homer in the fifth to help edge Washington, 6-3.

The Eagles chased Lefty Ken Flanagan out of the box early in the game, as they downed Galileo, 7-4.

John Alameda stymied the Washington batters with his fine pitches, as he led Balboa to a 2-0 victory.

St. Ignatius' winning Wildcats walloped Washington, their seventh straight league victim, 10-1.

Larry Bain of George Washington High School threw a snazzy three-hit shutout, as he led his team to a 7-0

victory over Lowell. Mission beat the Eagles, 7 to 4, in the last game of the season. As the Surveyor went to press, the Eagles had made the play-offs.

JUNIOR VARSITY

By the time the Surveyor went to press the Junior Varsity baseball team in league play had a record of 2 wins against 3 losses. The Eagles were victorious against Poly and Galileo and lost close games to Sacred Heart, Balboa and St. Ignatius.

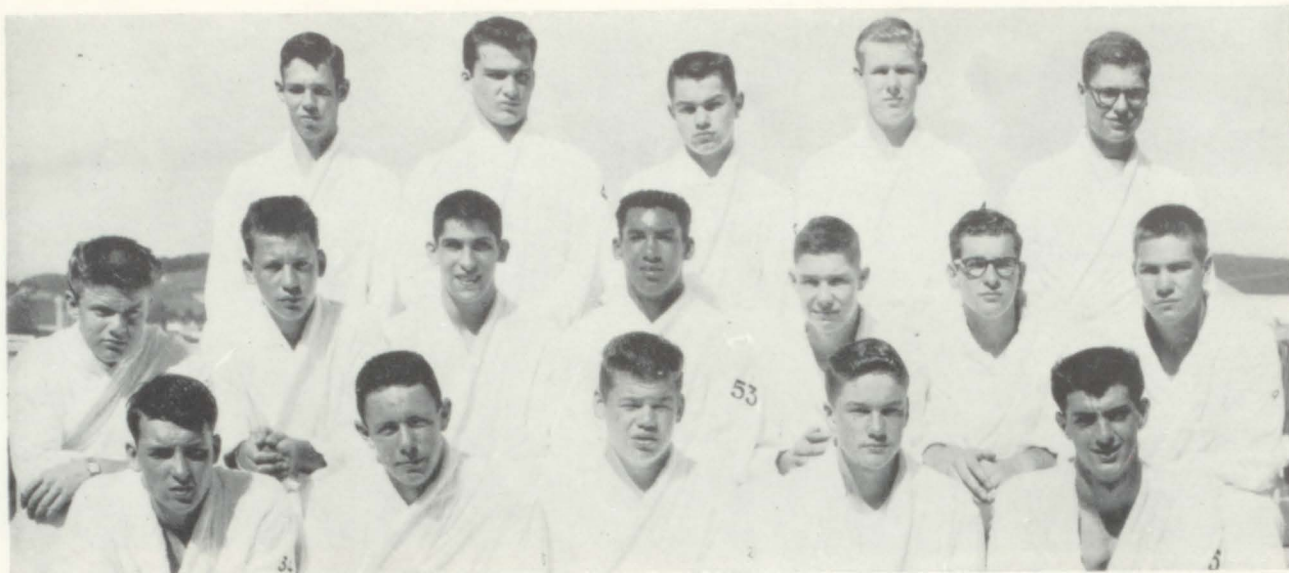

The JV pitching staff was lead by Tom Hurwitz. Helping Hurwitz in relief were Ron Guire and Stan Chapman. Standouts in the Junior Varsity batting were Larry Sugimoto, Jim King and Ron Benveniste.

The JV baseball team under the coaching of Mr. Domecus practiced hard all term. They were a team with unquenchable spirit, even in the face of defeat.

FIRST ROW (left to right): Cross, Crivello, Thue, Rooker, Mitchell, Mori, Gallacher. SECOND ROW: Benveniste, Suci-

moto, Chapman, Francisco, Oberfelder, Lonergan, Mendell, Amber.

FIRST ROW (left to right): Emrick, Misrack, Furness, Stevens, Wallach. SECOND ROW: Ashburn, Sevier, Antipa, Murio,

Lubeck, Rosenberg, Ness. THIRD ROW: Valentine, Zingmark, von Emster, Panasik, Langer.

The Swimming Season

This term the Eagles swim team has had a great season, winning the majority of their meets and scoring high in the rest. The Varsity should have another championship team for Washington.

In our first splash with Harry Ells of Richmond the team was sunk by a big margin. Outstanding performances were given by Von Emster, Ness, and Zingmark. In the rest of our out of town meets we beat Jefferson, College of St. Mary's, Capuchino and Napa. We lost to Mt. Diablo, El Cerrito, San Mateo, Drake, Tamalpais.

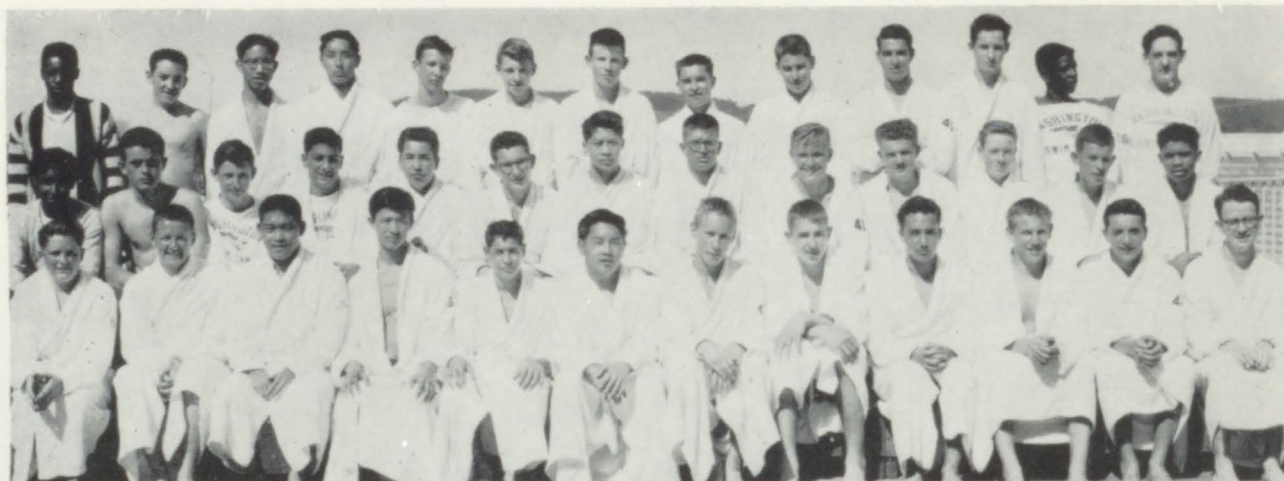

130's

The 130's this year, at press time, had the City Championship practically under their belts. They had lost only one meet, and that only by one point. The fine swimmers include Anderson, 100-yd. freestyle; Chuck and Freedman, 50-yd. freestyle; and the medley relay team of Lim, Honda, Sakovich, and Carlson.

The team's toughest rivals this semester include St. Ignatius and Lincoln. The team hopes to take the championship and will be going all the way.

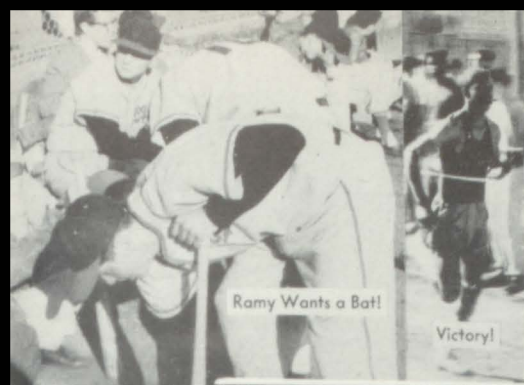

120's

The 120's, likewise, have had a wonderful season, losing none of their meets up to press time. The spark of the lightweights is perhaps little Johnnie Gibbs, with a close tie for second between Dennis Imazeki, Russel Lease, James Taylor Jones, and Albert Perkins. Perkins, along with Rodney Johnson, are two of the best divers the 120's have ever seen. Al's gymnastics off the edge of the board are magnificent, and Rod's high-board antics are funny indeed. But diving is just a part. Swimmers on the 120's include "Speedy" Lease, "Big Dennis" Imazeki, Itimar Abrass, James Jones and Taylor Jones. It has been another big season for Washington's fabulous swim teams.

Girls' Athletic Association Officers and Board

The Girls Athletic Association, under the direction of Fall President Susan Greendorfer and Spring President Susan Ju, did a great deal to promote interest in G.A.A. by publicity drives and activities. The sponsor for the Fall term was Mrs. Brillhart and for the Spring term, Mrs. Zinns took over.

The eight sports that were offered this year were: volleyball, ice skating, basketball, tennis, bowling, swimming, modern dance, and badminton.

The Spring term activities were at their highest around April 25 when the All-City playday was given at Washington. Committee organization was a difficult task but this was handled ably by President Sue Ju.

The day proved very enjoyable and added another fond memory to the lives of many Washington girls.

The girls earn their awards by attendance at their sports sections and game participation. The awards are given at the end of each term and are presented in the following order: a numeral, a chevron, a circle W, a Block W, a star, and after six terms of participation the girls earn their gold block pins.

Both terms end their activities with a board dinner at one of the board member's house.

With over 700 members each term, G.A.A. is very successful in promoting girls athletic activities.

The Eagle

Violet Fong

Each semester seven issues of The Eagle were printed under the direction of Mr. Wire and the Editors. Fall Editor was Violet Fong, and Spring Editor was Elliot Steinberg.

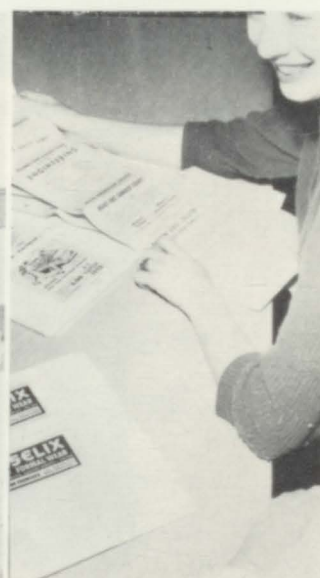

The Eagles is designed to bring all the latest in school news and sports to the students.

It takes many steps to produce a successful paper. Each page editor is responsible for the layouts and headlines of his respective page. Layouts are made, and copy is assigned and written by the staff writers, who take many of their ideas from letters in the Editor's Mailbox.

The Staff has worked very hard, making The Eagle enjoyable and informative for you to read.

The work on this year's Surveyor began at the beginning of the Fall term. The Editors, Mollie Womer and Sandy Baldocchi, were chosen. The section editors were then appointed and the work on the book began.

Layouts were made for each page, all pictures were taken and identified, copy was written, and the book started to take shape.

The Editors spent almost a year working on this book for you. They hope you will enjoy it and that in the future the Surveyor will recall many memories of your years at George Washington.

Choral Groups Participate in Many Activities

George Washington is very fortunate to have two excellent choral groups. They perform on many occasions and represent our school in many ways. Both of these groups are under the able direction of Mrs. Myrtle Swanson.

The Advanced Mixed Choir performed in the Christmas Tableau, the Spring Concert, and at both gradua-

tions. They participated in the High School Choral Festival and the State Music Festival.

The Advanced Girls' Choir has performed in many school functions this past year. They participated in the Christmas Rally, G.S.S. Assembly, and the Spring Concert.

These students have brought a great deal of enjoyment to all through their fine work.

Band, Orchestra Perform in School Programs

Under the able direction of Mr. Herbert Welch, the Band and Orchestra were, as always, a very active part of our school functions.

The band played at all football and basketball games, at the Football Pageant, and rallies. A big event of the football season took place when the band performed in a marching show during the Lincoln and Lowell football games.

The Orchestra performed superbly at both graduations and term plays. They also played at the Christmas Tableau and Spring Concert.

The Band and Orchestra took part in the Northern California Music Festival, which was held at the San Francisco State College campus.

They will also participate in a Music Festival at Berkeley.

ROTC Wins Many Honors

The ROTC Battalion began a new year with M/Sgt. Gingrich as battalion instructor and SFC Wedel as his assistant.

The Honor Guard brought first honors of the term to the Battalion by winning the Pageant. Later in the term it participated in the drill competitions of the Clement Merchants' Halloween Parade and Veteran's Day Parade, taking first prize in the former and placing second in the latter.

The Drum and Bugle Corps also took part in the two parades and was judged the best in its category in the Clement Street event.

On January 27, 1958, the semi-annual awards and decorations presentation was held on the back field. Best units and best cadets were decorated during the impressive military review. Following the announcement of the new staff, Cadet Lt. Col. Malcolm Dunn turned his command over to the new Battalion Commander, Cadet Lt. Col. Ronald Profili.

Also during the Fall term a Color Guard representing Washington appeared at the official dedication ceremonies of Rossi Pool. The Spring term got under way with Washington sending another Color Guard to represent the High School ROTC at the Lincoln-Washington Birthday ceremonies.

Since the Columbus Day Parade had been rained out, the first of the big events of the year for the entire Battalion was the St. Patrick's Day Parade. All special units were present, including the Honor Guard, which placed second, and the Drum and Bugle Corps. Washington also entered two units in the 91st Infantry Spring Festival on May 2. One was a drill competition platoon which competed against other schools, while the other was a physical drill demonstration unit. Late in May the ROTC held the latest of the awards and ceremonies banquets, at which time the Battalion Commander and staff for Fall 1958 were announced. Exemplary cadets received commendations and awards.

On May 8, Washington staged the annual Federal Inspection. The Battalion underwent the careful scrutiny

SECOND ROW: Johnson, Yee, Lee, Muscio, Huey.

of several officers from the Sixth Army Headquarters to establish its rating for the year. Besides the inspection drill, demonstrations and a class were presented, and several cadets were chosen to take a special knowledge test.

The Honor Guard, in addition to St. Patrick's Day, also took part in the City Drill Championships, the Memorial Day Parade, the Federal Inspection, and various other out-of-town events.

While it won only three out of six matches in the Fall, the Washington Rifle Team was one of two city schools qualifying for the National Matches during the firing in the Sixth Army Rifle competitions. The team, however, had a highly successful Spring term in that it was undefeated in capturing the City Championship. It also scored high in the National Matches, which took place in April. In all, the Spring Rifle Team was one of the better rifle organizations that Washington has ever produced.

Activities and Organizations

George Washington High School takes prides in its wide variety of clubs and organizations. Almost every student has a membership in one or more of the student body clubs. Faculty sponsors and enthusiastic student leaders have helped make the Washington organizations successful and enjoyable for many students.

The Dance Committees have helped put on successful student body dances through their work on the decorations, publicity, coke, and cleanup committees.

The entertaining rallies have been presented through the efforts of the Rally Committee. Hard-working chairmen were Nancy Newman, Fall Term, and Sylvia Carp, Spring Term.

To help students with their educational and vocational interests, the Future Teachers Club, Future Nurses Club, Business-Education Club, Math Club, and Science Club have been active.

Foreign language students have found interest in the German Club, French Club, and Pan American Club, while those interested in foreign relations have become members of the American Field Service and Foreign Affairs Club.

The California Scholarship Federation provides coaching assistance for students who need help. This organi-

zation also sells book covers during the lunch period and are invaluable aids in end of term programming. Fall President was Rich Hyman and Spring President Pat Jue.

The Senior Advisors help the new Low Sophomores to get acquainted with their new school by meeting with them in registry for several weeks at the beginning of each semester.

Members of the SSPC deserve credit for doing an outstanding job of providing colorful posters, dance decorations, and stage scenery. Evidence of their work is seen at all times throughout the halls.

The Masque and Gavel Club represents Washington's fine public speakers. The members are always busy bringing honors to Washington.

The Broadcast Staff, with the assistance of the Public Address Crew, brings news of school activities to the registries twice a week.

Clubs such as the Chess and Go Club and the Floral Arts Club help exemplify the fact that Washington has activities for almost every student.

The many activities at George Washington only make true the motto of our school, "When we work, we work hard. When we play, we play hard."
