Our Modern

THE NEW PETALUMA SENIOR HIGH SCHOOL REPRESENTS A FUNCTIONAL, FLEXIBLE, ECONOMICAL AND PLEASANT BUILDING. IT WILL UNDOUBTEDLY BE USED FOR FIFTY YEARS OR MORE. THROUGH ITS CLASSROOMS WILL PASS THOUSANDS OF BOYS AND GIRLS. IT REPRESENTS PART OF THE HERITAGE FROM OUR GENERATION. . . . THE

School Plant

SCHOOL COVERS 23.95 ACRES AND CONTAINS 18 CLASS ROOMS, 5 SCIENCE ROOMS, MUSIC ROOM, ART ROOM, SHOP, MULTI-PURPOSE ROOM, LIBRARY, KITCHEN, ROOMS FOR ADMINISTRATION, AND GYMNASIUM. ESTIMATED TOTAL COST OF THE BUILDING WAS \$2,159,913.00. BUILT TO HOLD A MAXIMUM OF 1100 PUPILS, DEDICATION WAS OCTOBER 31, 1959.

DEDICATION

In memory of William (Rusty) Soernsen, our beloved friend and classmate, this book is dedicated.

*Love

We, the class of 1960, are the first to graduate from the new Petaluma High School. During our high school years we have been moved from building to building and now, in this, our senior year, we have had the privilege of being the forerunners of one of the most modern school plants in northern California. This year has been filled with re-organizing our ways and our steps. Since we are the "big feet" and our underclassmen look to us to set their steps, we hope we have left a pattern by which we will be proud to be remembered. Our year has been filled with many happy and humorous memories. We can never forget the school, the teachers, the kids, the games, and the dances which were all a part of the

Appreciation

We, the staff and class of the 1960 Enterprise, wish to express our deepest appreciation to Mrs. Catherine O'Brien for her support in organizing and directing our yearbook. Being advisor of the yearbook was a completely new experience for Mrs. O'Brien, and we all feel that she did an excellent job.

S T A F F

DR. WILLIAM R. MANNING
City Superintendent of Schools

MR. HENRY KNIGHT
Principal

The student body, faculty and all personnel are to be commended for this first year of operation of the new Petaluma Senior High School. In reality this has been a period of transition—from the old to the new. We behold a blending of a solid foundation of stable traditions and spirit of the past with neoteric intensity and pacing in the superstructure of the present. The direction for the future has been established well.

—WILLIAM R. MANNING

The publication of the 1960 Enterprise begins a new era—the first in a long line of year-books in a new school. If adaptability is an outcome of education, the class of 1960 has met and passed the test. In each year of senior high school the members of that class have been in a different school plant. I want to congratulate the Class of 1960 on the cooperation given to the school in meeting these changes, and in particular the help given this first year in our new school.

We Set the Pace...

With a theme of "Let's Get in Step," the first dance of the year, the senior class began their first steps in the new P.H.S. quite successfully. The fall and spring cabinets, along with the entire class, brought about new projects and customs to the school.

The spring semester saw such successes as the senior play, which was held over for the first time in the history of P.H.S., the senior ball, and the final preparation for graduation. The seniors have finished this year with a lot of spirit and will now embark on a new era of challenges.

MR. HOWARD HILL
Junior Counselor

The sophomore class showed its enthusiasm in the beginning of the year by winning \$10 for having the highest percentage of P.T.A. members. The first big task was to write the sophomore constitution and elect class officers. The first money-making project was a cookie sale, from which a profit of \$26 was gained and given to the Foreign Exchange Student Fund. The biggest and most successful activity for the sophomore class this year was the Mardi Gras dance, which was thoroughly enjoyed by all. Twenty-four dollars was given from the proceeds of this dance to the Foreign Exchange Student Fund. The class is looking forward to a bigger and better future year as juniors.

MISS SHIRLEY MacLVAIN
Senior Counselor

The junior class took its first step by hosting a dance in the fall. With the success of this dance they were able to contribute \$50 to the Foreign Exchange Student Fund. In the new school they paved the way for the annual junior task of putting up Christmas decorations. Though space was limited, the job was quite successful.

In the spring their next big step was to pick out the senior jackets and sweaters. The juniors presented another dance, and the close of the year found the girls preparing to carry the ropes and flags at the graduation ceremonies in June.

GORDON AUGUSTINE, President

Fall

The fall cabinet's main activity was to finish the revision of our school's constitution. The cabinet and Mr. Thorsen, our advisor, after working very hard to revise it, submitted the revised constitution to the student body which accepted it by a majority vote. After the main project was completed, the cabinet went on to accomplish many other tasks. A hall monitor system was started by the cabinet. This system kept unauthorized students and noise out of the corridors during class time. We started a cabinet file, to be used for reference when needed, and we also solved many other school problems.

The cabinet and I thank the members of the student body for the cooperation and understanding they have given us this memorable first semester in our beautiful school.

I would like to compliment my cabinet for its wonderful help and support, and also Mr. Thorsen for his able guidance. Serving as the first president of Petaluma High School has been a great honor which I thoroughly enjoyed. I earnestly thank the students and faculty of P.H.S. for giving me such a worthy and beneficial experience. Thank you.

—GORDON AUGUSTINE

Biggest Steps . . .

DAVID CHANCE, President

Spring

Much was accomplished for the students during the spring semester. The cabinet's Noon Hour Activities Committee, headed by Ray Raffo, was responsible for obtaining the picnic tables, securing permission to use additional lawn area, and helping to rejuvenate the noon dances. A clearer understanding of our school's financial system was but one result of the committee on investigation of school expenditures, led by Pat Peebles.

The cabinet wishes to thank Mr. Thorsen, Mr. Knight, the Delegates' Assembly, and the entire student body, for without their cooperation it would have been impossible to accomplish a thing.

Class Song

FAREWELL, ALMA MATER

Dear Petaluma High School,
The hour has now drawn nigh;
The Class of Nineteen Sixty
Must bid you all good-bye.

The Footsteps of the Future
Are sounding in the halls.
Our path, so plain before us,
Leads forward; fortune calls.

But yet may we remember
The days we've spent with you;
The fun we've had together,
The many friendships too.

For Petaluma High School
Our hearts e'er will swell;
Farewell, Alma Mater—
To you, farewell.

School Hymn

ALL HAIL THE PURPLE AND THE WHITE

Lift happy voices, praises unfold, all hail
the Purple and the White.
Let songs of gladness sound through the skies
for our dear Petaluma High School.
And strive to show, as on we go, ability and power
To do the right with all of our might—
All hail the Purple and the White!

Fight Song

ON TO VICTORY

On to victory, our sturdy team must win today;
Our alma mater looks to you to bring us glory,
So let's fight—rah! rah!
And when the boys come on the field,
They're out to fight to bring us fame;
So loyal Trojans, one and all, let's cheer them
On to Victory!

One page is not enough to express my feelings towards the United States. From the 20th of August of 1959, day of my departure, to the 21st of the same month, my life changed completely. I found myself in New York, a wonderful city with its huge, cold buildings, and a few hours later, in Petaluma, a small and friendly town.

The first days at school I found myself confused, but immediately, with the help of everyone, I felt at home. At school I became very interested in the methods of teaching and I kept comparing them with those of my schools at home. I was very interested also in my subjects; history, senior problems, and art were the ones I liked the best. I especially enjoyed learning about the United States Government and the Constitution. I enjoyed very much the school activities and especially being a member of the Student Body Cabinet.

Some things I'll never forget are my speeches—talking to different groups was a wonderful experience, especially seeing how interested people are to know something about other countries and other people. To me that is one of the most interesting parts of the American Field Service program, since it leads us to a better understanding.

It was wonderful to be here, and now I would like to thank first of all my American family that has been so wonderful to me; Mrs. Swanson, who took so much care of my speeches; Miss Duggan, who, every minute, was ready to help me; the Girls' Club for giving me the senior sweater that I wanted so much, and the Honor Society for inviting me to their banquet which was a real honor for me. I really should thank everyone I know. The only thing I can say is thank you for giving me the opportunity to know your country and your people.

Remember When . . .

1—Bino twins. 2—Susie Hansen in high society. 3—Lynn Abbey lived it up. 4—Tory Monticello. 5—These kids panicked the whole 8th grade. 6—Mikel Devine, Tom Baker, Bill Tingley . . . and where's Winton? 7—Gail Silva had another boy in her life. 8—Kathy Pogue, glamour girl. 9—Bobbie Gossage had another love. 10—Winton Baker found he was unincorporated. 11—Liz Golitz. 12—That lazy week-end at Barry's. 13—These kids went to Cotati "Tech." 14—We don't smoke, and we don't drink, and we don't go with the boys who do.

GIRLS' CLUB

This school year of '59-'60 has been a year of many "firsts." It was the first year to have a Girls' Club song, first to honor all foreign-born P.H.S. girls at our annual tea, first to have P.H.S. girls serve as Junior Gray Ladies, and first time "Howdy" (our mascot) was given a new costume. The Girls' Club president was the first American A.F.S. exchange student from this school.

There have been many successful activities, with about 290 girls participating in them. Girls went to the Sonoma State Hospital during Christmas time, participated in the Santa Rosa Cerebral Palsy program and helped with their Christmas program, and had many instructive and entertaining programs such as the talent show. They also raised money for A.F.S. on "Tag Day" and sent out welcome cards to all new girls. The girls all worked hard, but they had a wonderful time.

BOYS' LEAGUE

Under the capable leadership of the cabinet and advisors, the Boys' League held several interesting programs which were held in the new multi-use room. Officer Cole from the police department spoke on the disadvantages of narcotics. He also explained many misinterpreted laws of the city. Mr. Rick Henderson, national champion stock car driver, showed movies on the 1957 Indianapolis "500" Speedway Race. It was extremely thrilling and entertaining.

In addition to these programs, the cabinet has worked very hard this year. It compiled a list of available speakers for future reference and use for the Boys' League programs. It also made plans to sponsor the annual Block P - Faculty basketball game.

G. A. A. Success Again!

G.A.A. had a very exciting and eventful year filled with sports, including basketball, softball, hockey, volleyball, tennis, bowling and recreational swimming. The average signup for each sport was between 160 and 170 girls. Basketball had the highest attendance this year, with 195 players.

This organization also sent representatives to play-days at the University of California and San Francisco State College, had charge of a football concession to raise extra money for the Christmas party, and held an annual banquet at the close of the G.A.A. year where awards were given out and new officers for the coming year were announced.

TROJAN

The TROJAN staff is proud to announce that more issues of the paper were printed this year than ever before. The greatest factor was its wide range of advertising, which enabled the printing of the constitution, giving each student a copy to read. The sports and other activities coverage was presented so everyone knew what was happening around their new school. The TROJAN had a very successful year and is planning to have an even better one next year.

ENTERPRISE

The ENTERPRISE class had a very successful year. Under the guidance of the motto, "Sell—Sell—Sell," it sold a record number of 725 books over 650 last year, and a record number of 186 ads over 125 the previous year. The editors and advisor compiled manuals of what has to be done and suggestions for future years. We hope, while you read your book, that you will find many pleasant and lasting memories from its contents.

HONOR SOCIETY

The Honor Society has been exceptionally active this year. Our money making projects included a concession booth at a football game and the sale of "swap" pictures. With the money earned we have a \$100 scholarship to award to a graduating senior. We also contributed to the A.F.S. Fund.

The first social activity of the year was a Winter Dinner on January 7. Miss Margaret Clark spoke to us about her trip to Russia. In April, eleven students participated in the C.S.F. regional conference at Analy High School. Our last social activity was an informal pot-luck dinner in the spring. This year the Honor Society has become an active, working part of our new school.

Congratulations to this year's C.S.F. Life Members! They should be commended for their excellent scholastic ability throughout their high school years. In order to be qualified for life membership, these students must be members of this club at least four semesters, including one in their senior year. C.S.F. Life Members receive their pins at graduation, along with a special certificate for their outstanding work.

Again this year the Bank of America Award winners were picked from seniors outstanding in a special field. Much time and effort goes into their selection, with consideration being given to activities and citizenship, as well as scholarship.

Four of these—Nancy, David, Gary, and Diane—were fortunate enough to be Gold Cup Winners. Later in the year they competed in regional finals for cash awards from \$25.00 to \$1000.00.

Voices and Sounds

This has been one of our best years for music. The instrumental group has made many public appearances . . . Women's Club program, Public Schools Week concert, two P.T.A. programs, and several other performances. The a cappella has been just as busy . . . a Christmas program for the public and student body, open house, the Sonoma County Music Festival, and a program at Wilson School. Both of these groups also sent people to the Music Clinic at the College of the Pacific.

DRAMA CLUB

The Drama Club put on its two annual plays—the fall play, "Jenny Kissed Me," and the senior play, "The Diary of Anne Frank." The latter was an overwhelming success. It was sold out both Friday and Saturday nights, and became the first play in the history of P.H.S. to be called back for a re-showing.

The F.F.A. has had a very successful year. They've attended numerous field days and judging contests and have come home with their share of trophies. In the spring they went to Davis and placed high in tough competition. During Easter vacation eight boys attended the Junior Grand National, and on April 9 they held their annual card party, donating all the profits to the Foreign Exchange Student Fund.

Varsity Football

With five wins to our credit, Coach Brock termed the season a successful one. Although pre-season rating had us about average, we proved that a lot of work can make a good ball club. There was a record number who went out for football and the spirit was very high during the entire season.

The majority of our starting team consisted of seniors, anchored around big center Ray Raffo, who later played in the North-South game and was on the second All-Coast Team.

JUNIOR VARSITY

The JV's wound up with a terrific season, undefeated, with only one tie. Although we had a "green" team, their hustle and spirit made up for the lack of experience.

A majority of the JV's will move up to varsity positions next year and will play a very large and important role in Coach Brock's 1961 team.

JV Basketball

The JV basketball team, led by rebounder Rusk, and top scorer Trenam, finished with a comparatively successful season. Coming out with five wins and as many losses, Coach Gillmore termed the effort "good experience." The boys all worked hard and those who go on to play next year will find they will profit from this experience.

"B" Basketball

The "B" basketball team won the championship for the second consecutive year and was also credited with having the longest winning streak in the history of P.H.S.—twenty games.

The team's defense was as good as their offense; they held their opponents to a 25-point a game average in nineteen games. They had a season's average of 45 points per game for themselves, while hitting a 51% average on the free throw line. To sum it up, it is quite obvious that the "B's" had a very successful season.

"B" BASKETBALL. Front (left to right): Jim Pacciorini, Dennis Fujita, Harold Stice, Jim Phillips, Ken Good, Mike Opsomer. Back: Dave Mahrt, Jim Porter, Keith Goldstein, Brad Evans, Ray Jacobsen, Pete Golis, Mike Wooley, Bill Rusk.

BASEBALL

With several sophomores breaking into the first team squad and giving the returning lettermen a run for their money, our 1960 baseball team went into action. The club was good, although the season record might not agree, since we lost game after game by just one point. A couple of highlights of the season came in beating Vallejo 5-4 and Jefferson 9-1.

TRACK

The track team, with many returnees from last year, held high hopes of bringing in the honors this year in the N.B.L. I. They were led by such tracksters as Ray Raffo, Roy Burchell, Roger Witsch, and Pat Peebles. The B's, though small in number, proved large in quality. They were led by returnee Clark Matthiessen and sophomore Ken Good.

GOLF

(Left to right): Tom Baker, Ken Bianchini, Jim Maestretti, Don MacKenzie, Bill Young, Alan Scott, Richard Williams.

Led by three-year lettermen Ken Bianchini and Don MacKenzie, the 1960 edition of the Trojan golf team met with fair success. Aided by Alan Scott, Tom Baker, Jim Maestretti, Bill Young, and Rick Williams, the team came through with about a fifty-fifty won-loss record.

Second row: Mike Turney, John Northrup, Bob Schneider, Steve Rossotti, Dan Gordon, Don Millerick, George Martin, Bob Potter, Jack Agius. Third row: Bill Larsen, Alan Mahoney, Paul Martin, Steve Dorenfeld.

SWIMMING

The swimming team began the 1960 season with only six returnees. The main problem was rebuilding. Frank Girard, Alan Mahoney, Steve Dorenfeld, Paul Martin, and Rich Mackey paced the team, which had a comparatively successful season. Senior Dennis Chappelle greatly strengthened Petaluma's diving club, along with Dave Luce and Bob Schneider.

TENNIS

Front row (left to right): Harry Scoles, Bob Maack, Mel Ruiz, Rich Whalley, Darrell Rogan. Back: Winton Baker, John Lucchesi, John Chan, Steve Trenam, Rush Putnam, Alan Kushn, Mark Hayden.

Petaluma High School's varsity tennis team posed themselves as a notable threat for the league championship this year. Stabilized with four returning lettermen, the Trojan netmen pulled upsets over Analy, St. Helena, and Napa. Most of the team will be returning next year with more experience to bolster the chances for a pennant.

THIS WAS THE YEAR...

1—Desert boots, tennis shoes, foggies, squash heels. 2—Short skirts and classic white blouses. 3—Dobie shirts, bulky sweaters, and pegged pants. 4—. . . The Tramp Rage. 5—Huge purses. 6—Hairdos: the bubble, classic long, all type rolls. 7—The beatniks invaded us. 8—Napa was hung (before the game). 9—The hall monitors made us sign our lives away. 10—Senior sweaters and jackets, white skirts. 11—The seniors took the first successful step. 12—Bulky sweaters (all types). 13—The Trojan horse came to P.H.S.

Class Song - 1960

Dear Pet-a-lu-ma High School, The hour has now drawn
nigh; The Class of Nine-teen Six-ty, Must bid you all good-
bye. The Foot-steps of the Fu-ture, Are sound-ing in the
halls, Our path so plain be-fore us, Leads for-ward-for-tune
calls. But yet may we re-mem-ber The days we've spent with
you; The fun we've had to-geth-er, The ma-ny friend-ships
too. For Pet-a-lu-ma High School, Our hearts e'er will
swell. Fare-well Alma Ma-ter; To you, fare-well
