"On your feet, sir! Identity—Giza."

No need to identify the speaker, for Mr. Corwin is more than just a familiar figure around school. He's an institution, and Corwinism is the doctrine he professes.

Fourteen years have passed since "Uncle Frank" first began teaching here at St. Ignatius. During that span of time, countless numbers of S.I. students have worked and laughed through their three years of history. And the laughs well supplemented the work involved.

Reference to the text was not uncommon, but it was the sessions in which, for example, the real reasons for the Fall of Rome were discussed and closely scrutinized, that established the course as not just dryly educational, but interesting as well.

Mr. Corwin not only works with boys during his regular hours, but also during his time off and week ends downtown at the Central Y.M.C.A. There, too, his sacrifices and acts of generosity mark him not as merely a person, but practically a father to whom one can come for advice or help, whether for problems in school or at home.

Many have asked just what is the spirit of S.I. Was it only to be seen at football games or during an S.A.T. exam? Well, these could be said to represent our school spirit, but none can come close to the true spirit of S.I. which is to be found in the classroom, existing between teacher and student. That same spirit has never been more intense than between "Uncle Frank and his boys."

And so, on the part of all those students now present, and for those who have gone before, may we of the Yearbook staff dedicate this year's **Ignatian** to you, Mr. Corwin.

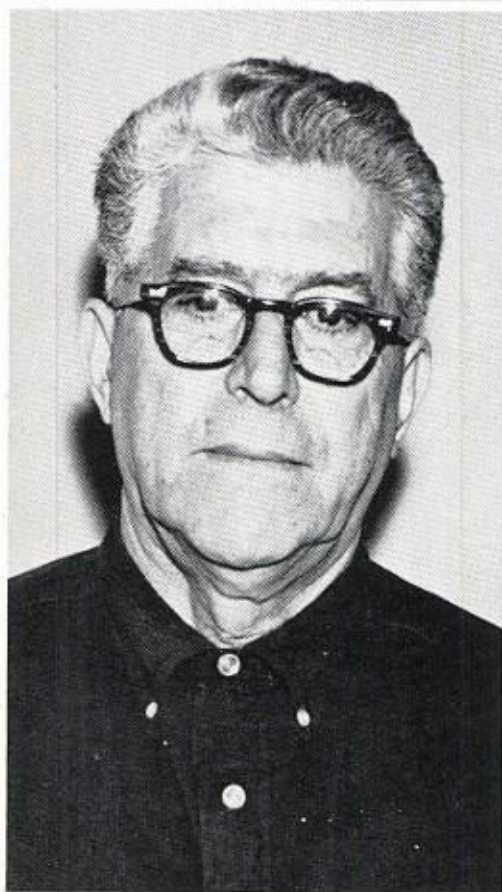

Mr.

Corwin

Dedication

Silvio

You've surely heard this deep bass voice echoing opportune cries through the school corridors now devoid of the usual masses of onrushing students, before encountering our school custodian, Silvio.

Dedicated to keeping a certain amount of order in our lives here at S.I., Silvio vigorously devotes himself to "keeping house" for a family of over a thousand members.

In years gone by, students have come to depend on him for various reasons, but for most, Silvio Viganego has remained a person closely associated with the welfare of the school and to whom we are proud to dedicate this, the 1963 **Ignatian**.

Reflections & Projections

With pride and a little apprehension, the senior steps out of the pew of Saint Ignatius Church and inches up the center aisle to take possession of his sheepskin. His journey up to the sanctuary is slow. The reason? Graduation is a time for dignity, and a fast step might be fatal. Besides, he has had a great time during graduation practice, and now he's not sure what to do. He's playing it strictly by ear, following the leader. In a way, the march to the altar symbolizes his whole life. Confused and worried he looks for a cue from one of his classmates.

At this instant the senior steals a moment to reflect and project. He sees in the ceremony the climax of four years at S.I. With pride he looks back at his accomplishments; with expectation and a little apprehension he peeks at the future. He must make plans, and with what he has learned he hopes to meet the challenging future.

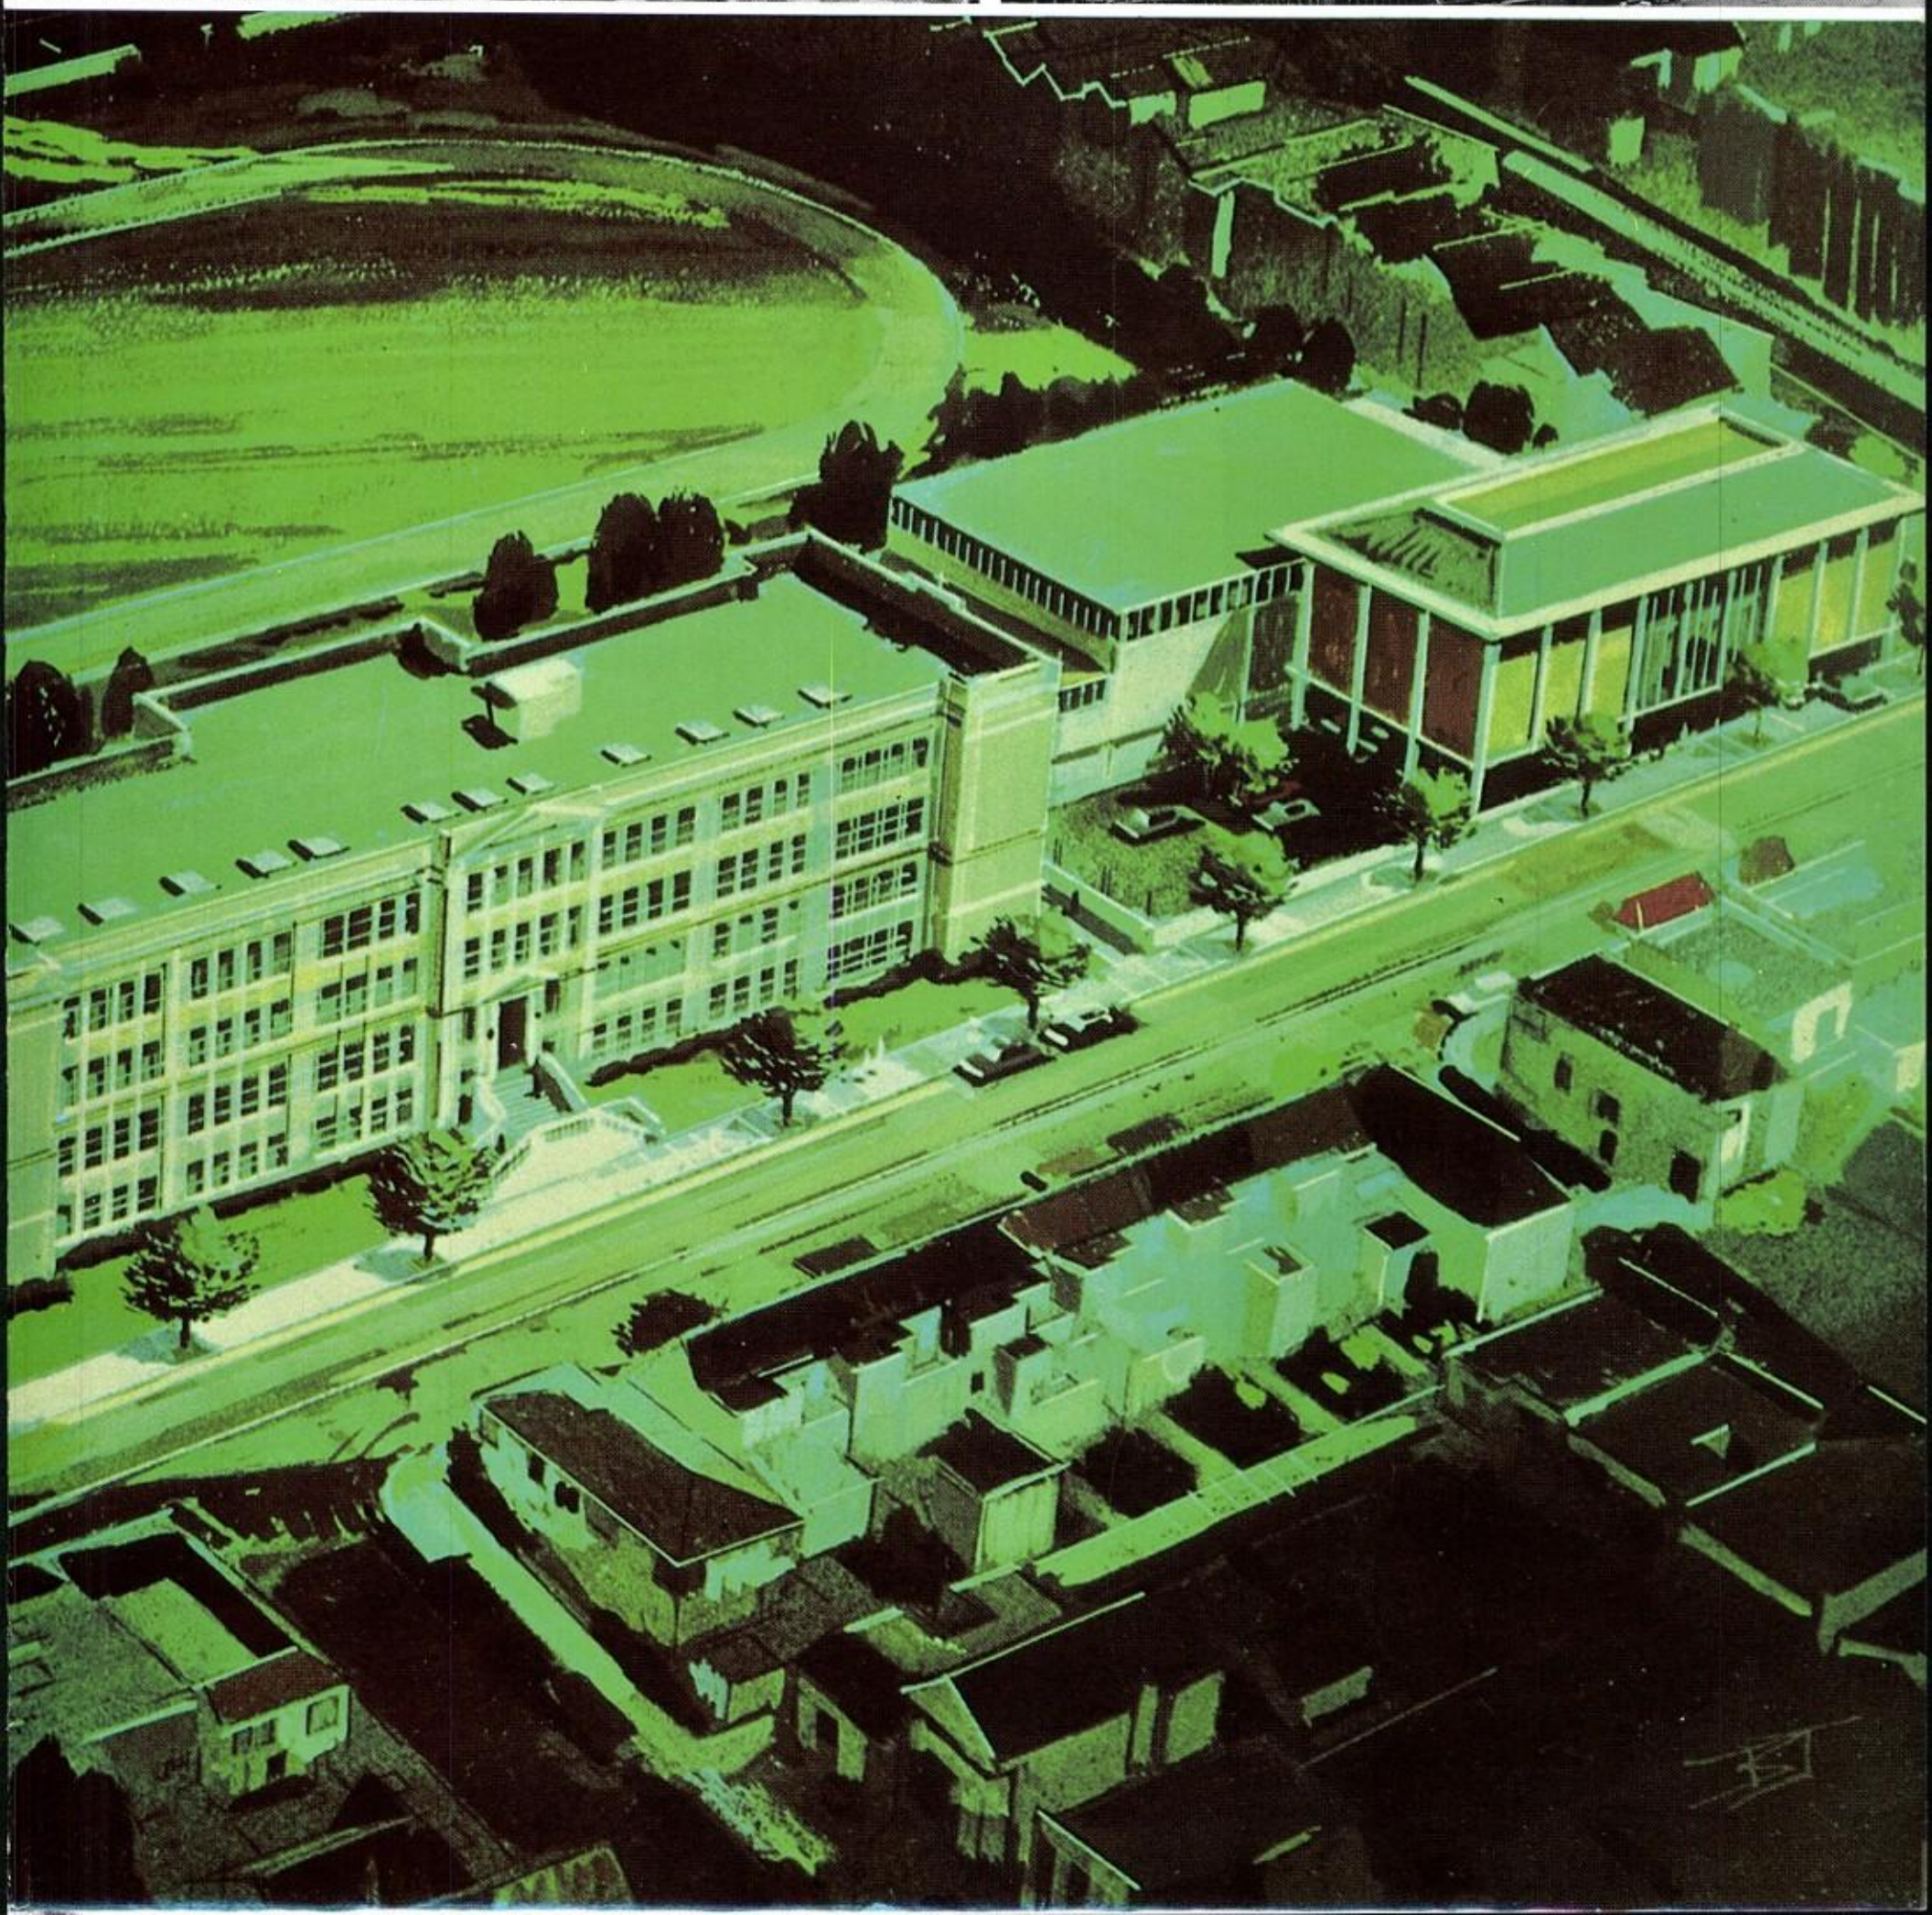

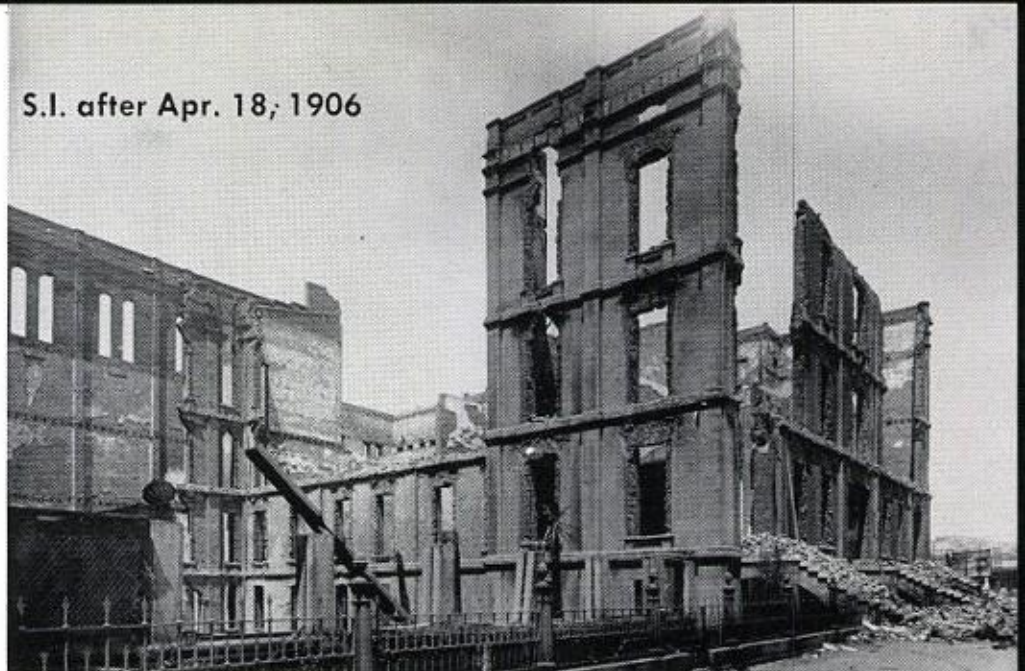

Extending the symbolism a little further, we see Saint Ignatius High School passing through such a stage. S.I. is identical to the reflecting seniors. Slowly S.I. is maturing from her earlier, more youthful self. Like the senior, we now steal a moment to reflect and project S.I.

With pride we can look back upon her accomplishments, and smile on her mistakes and misfortunes. The history of Saint Ignatius is filled with both glory and tribulations: as important as 1066 and 1492 are to Mr. Corwin, 1865 is to us. Though the history scholar might immediately point out that 1865 was the date on which the Civil War ended, to us that date has a more personal meaning. Eighteen sixty-five was the year when the Jesuits first came to San Francisco and set up Saint Ignatius School for Boys. Although it may be hard to believe, the building we know was not the original school. The Jesuits chose as their first building site, Market and Fifth Streets. The first Saint Ignatius School was a simple structure of wood, but as the need for a good education grew, so did S.I.

Transferring to Hayes and Van Ness, S.I. became by the turn of the century a top-notch school and a beautiful church. Then on April 8, 1906, a disaster struck. On the following morning the toil of fifty-two years lay in ashes before the Jesuits' feet. But a mere fire and earthquake could not destroy the spirit of S.I. The Jesuits turned again to building. And by 1929 these very halls were completed and functioning.

But, like the senior, S.I. has not only a happy, if at times troublesome past, but must plan ahead for growing educational needs in a growing San Francisco. Methods must change to keep pace with educational standards, and the physical plant must be remodeled and enlarged for future needs. The color picture you see on this page is the projection for the future S.I. It is designed by Ward Thomas and Henry Shubart, Jr., as part of the answer to these growing needs. Like the senior, S.I. is maturing in the face of the problems of a changing world. She cannot remain static, but dynamic and ever improving. In this spirit we choose as this year's theme REFLECTIONS and PROJECTIONS.

Academics:

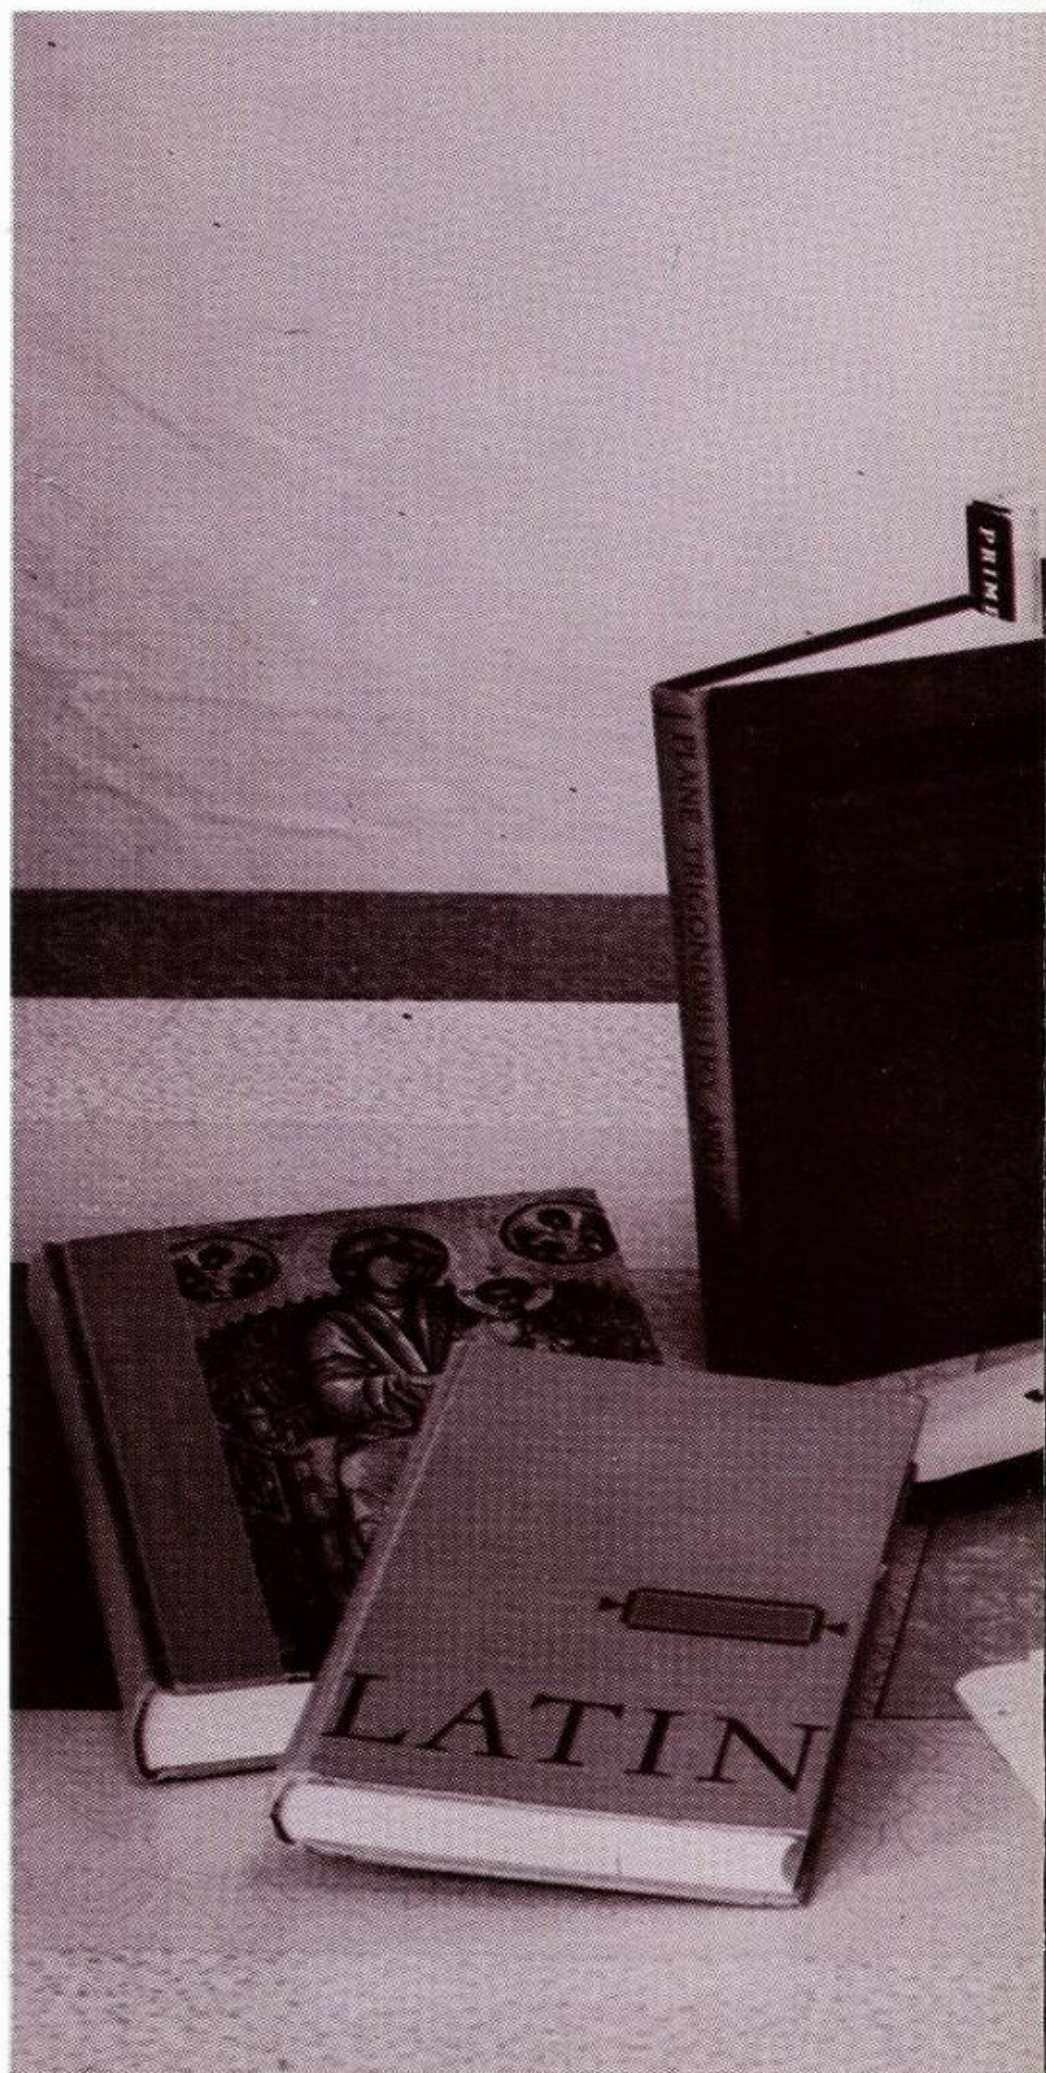

The Other Side of

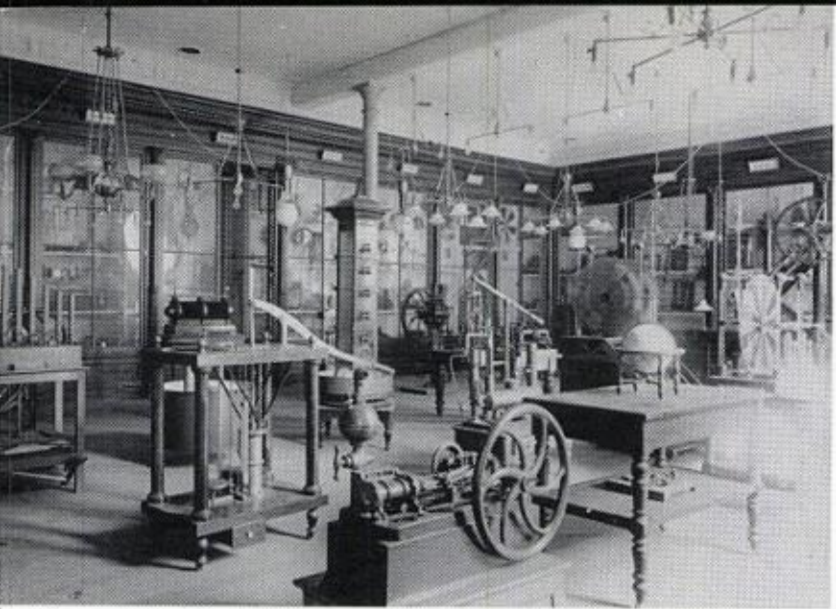

The Coin

The impression of St. Ignatius High School perhaps conveyed by past yearbooks is of a random mixture of faculty assisting a large group of students in their varied sports, activities and events. Yearbooks gone by have pictured an S. I. filled with teachers and pupils interested in all types of extra-curricular activities. One aspect, the primary one, has been sadly neglected. In the past we have given no hint that academic subjects are taught at our high school or of the close relation between activities and the academic courses.

In an attempt to dispel this misconception in an interesting way, this year's **Ignatian** has instituted a new section. You will find in this section both academic departments and their related activities. The activities can be found with courses with which they are closely associated.

By so graphically linking these two faces of S. I., the curricular and the extracurricular, we hope that the two major phases will be viewed as the two sides of the same coin. Curricular studies and co-curricular activities are really the two prongs of the Jesuit effort to produce the whole Christian man, the education goal peculiar to the Western world. Each aids the other so that an artificial division is neither desirable nor appropriate. This then, is the purpose of the Academic Section.

FATHER PRESIDENT SALUTES YOU

My Dear Students:

The theme for the Yearbook for this year is a most appropriate one as the Graduating Seniors are the first class to complete the four year course here since St. Ignatius High School was established as a completely independent unit on July 1, 1959. It was on this day in July that St. Ignatius High School began its Challenging Era and it was this class that launched the New Era.

Looking back over the 104 years that preceded this historic date, we see a long litany of successes for which we thank God most profusely. Looking back over the past four years and the last year in particular we see success, spiritually, academically, socially, athletically, thank God.

But in all this period from opening day, October 15, 1855 to the historic July 1, 1959, up to the present day, we see one thing that has never changed - the principles of the great St. Ignatius of Loyola whose name our school proudly bears and his tremendous driving spirit, the acquisition of which has always stamped the genuine St. Ignatius High School product.

His was the spirit to strive for the best and to be the best, to despise satisfaction with mediocrity, to manifest burning loyalty and generosity to the cause of Christ and His Church. Only to the extent to which each makes his own the Principles and Spirit of St. Ignatius of Loyola can one claim to be a successful Ignatian.

May God always bless and protect the graduates of 1963 and may you graduates, in all your undertakings, always reflect the greater glory of God.

May God direct and protect during the months ahead the members of the Class of '64, '65 and '66 and bring all back healthy and refreshed for the new School Year.

One last caution: Soon the summer will be upon us and you will not have the ready accessibility of Confession and Holy Communion you had during the School Year. If you are to be a true Ignatian, determine now that you will receive the Sacraments of Penance and Holy Eucharist at least once a week and oftener if possible.

My warmest good wishes to each one of you.

SJ's Administration

V.R. Fr. John F. Connolly, S.J.

PROVINCIAL

The Provincial of the California Province of the Society of Jesus is the administrative and spiritual head of all Jesuits in California, Nevada, Arizona and Utah. Directly responsible to the Father General in Rome, under his charge are the 800 Jesuit priests, scholastics, and brothers manning the churches, retreat houses, high schools and colleges of the California province. Last November 8, Very Reverend Fr. John Connolly, S.J., then Provincial, died. His passing left California Jesuits with the hope that his successor may be as capable. May he rest in peace.

DIRECTOR OF DEVELOPMENT AND
ADMINISTRATOR

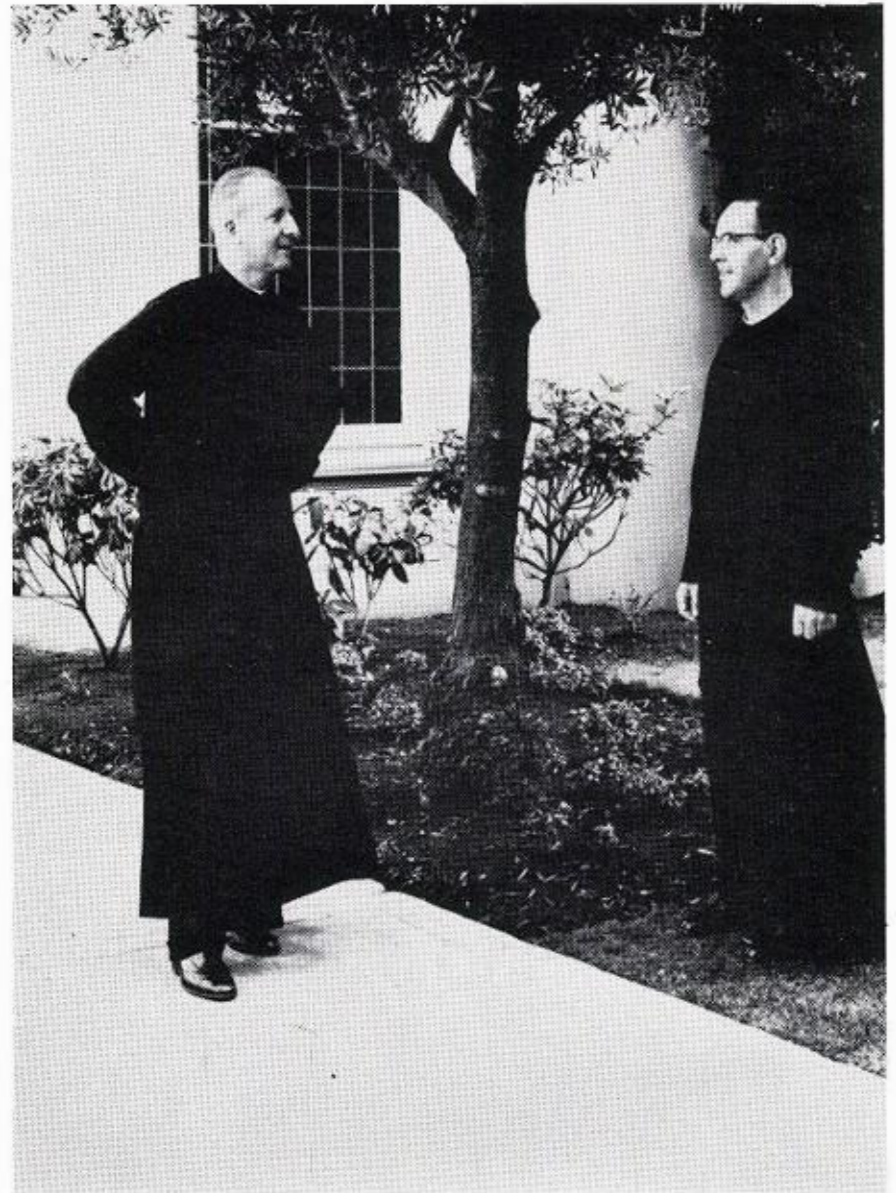

The Administration of Saint Ignatius fulfills the two-fold purpose of carrying on a college orientated educational program in the Jesuit tradition, and guiding the co-curricular activities of the Student Body. The administration has at its head Fr. Patrick J. Carroll, S.J., President. It is through his efforts and those who are subordinate to him, that Saint Ignatius has continued to prosper both academically and spiritually.

Throughout the school year, Saint Ignatius students have witnessed the administration in action. It may have been Fr. Carroll addressing us at an assembly, Fr. Reed explaining the scholastic aptitude tests, Fr. Hyde handing out a detention slip, Fr. Phipps totaling the money collected for the Mission Drive, Fr. O'Gara discussing the next Father's Club meeting, Fr. Hanley saying Mass at noon time, Fr. McNulty planning for the building fund, Fr. Ryan counselling a college-bound student, or the office staff handling the school's correspondence and filing transcripts. In all this we have seen the administration at work, striving to bring each one of us closer to our goal at Saint Ignatius.

C.S.F.

The C.S.F. is a pyramidal organization: there are many sophomore members, fewer junior members, and just about 10 to 15 seniors. The reason? Every year it becomes harder and harder to keep a B average in studies and still participate in the major activity or two minor activities necessary for membership. By the time a member is a senior, he is usually working or studying many hours a day.

These men contribute in their way to the life and reputation of S.I. We feel they deserve recognition for their outstanding academic achievement.

N.H.S.

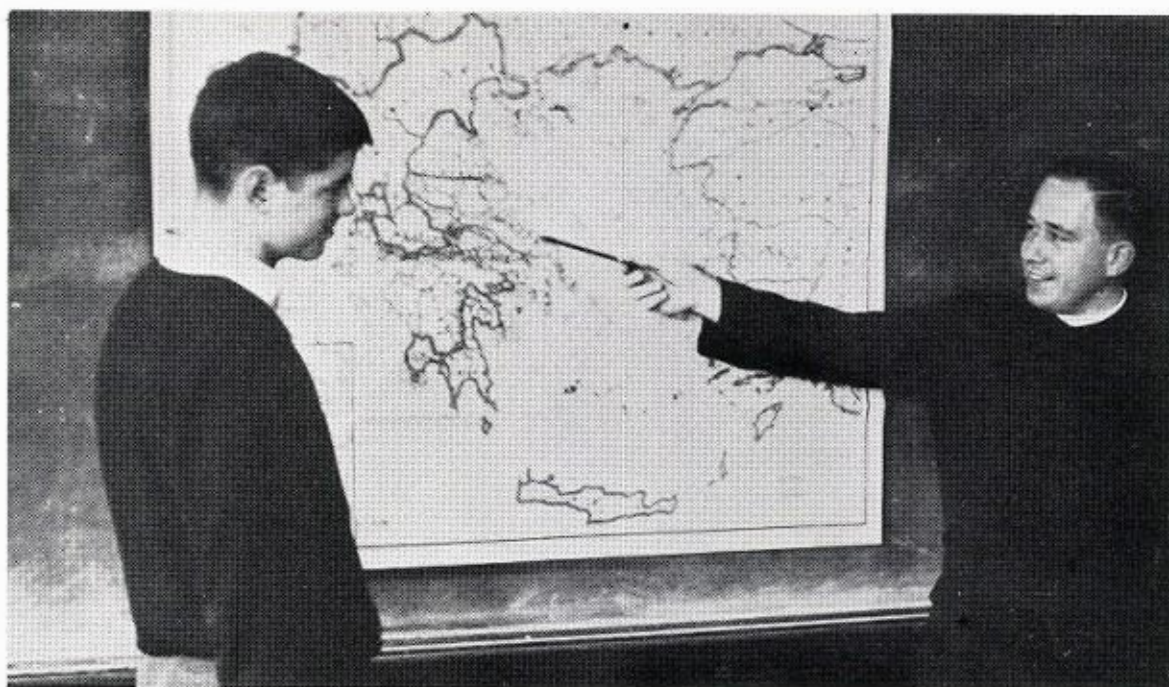

The boys of the N.H.S. don't give the impression of the bookworm type of student because they are the type of students that colleges are looking for. These are the well rounded students who are as proficient in handling a pigskin or casaba or a tennis racket as in tackling a difficult problem; students who support the school through the various other activities as well as taking care of their responsibility as a student; students who want to see their school go on to greater heights in the world of sports and in its academic standing; students who really know meaning of spirit—such are the students who comprise the N.H.S.

History, key to the present

"Why do we take a history course? The answers are many, but basically the purpose of a history course is: to understand how and why the present came to be; to get the written records straight as to what, when, how, where, and which; to meet the daring men and women whose deeds have enriched our lives; to identify ourselves with the institutions and beliefs which made our civilization great; to enjoy the drama of history as it unfolds; to see the historical perspective of the role of Western Civilization in the world; to discover the ideas and principles we can use in solving our problems; to perform with greater responsibility the duties of the Democratic citizen; to insure that our own contributions to history are worthy of our heritage; and to face the future with faith and confidence that the foundations of Western Civilization are secure. Such is the purpose of the history course at S.I. With men like Mr. Corwin, Mr. McDonald, Mr. Clemo, S.J., and Mr. Zuniga, S.J., these aims are fully accomplished."—Mr. Corwin.

The course we call sociology is really a combination of literally all the social sciences. Stepping into the class, you might find a discussion being carried on concerning anthropology, psychology, civics, economics, or sociology.

The two teachers, Mr. Coleman, S.J. and Mr. Lambers, S.J., supplementing the text, **The Common Good**, with outside readings and outside assignments kept the classes stimulating and interesting.

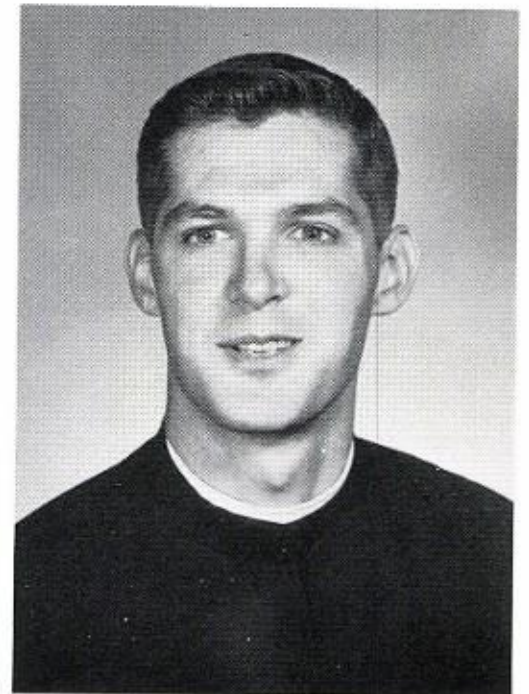

When so many of the courses taught at S.I. are either theoretical or unapplicable in our daily lives, sociology springs up. This is a course in which we learn to live better lives as citizens of the United States. Yes, sociology is a refreshing change from other courses.

Religion, Blueprint for the future

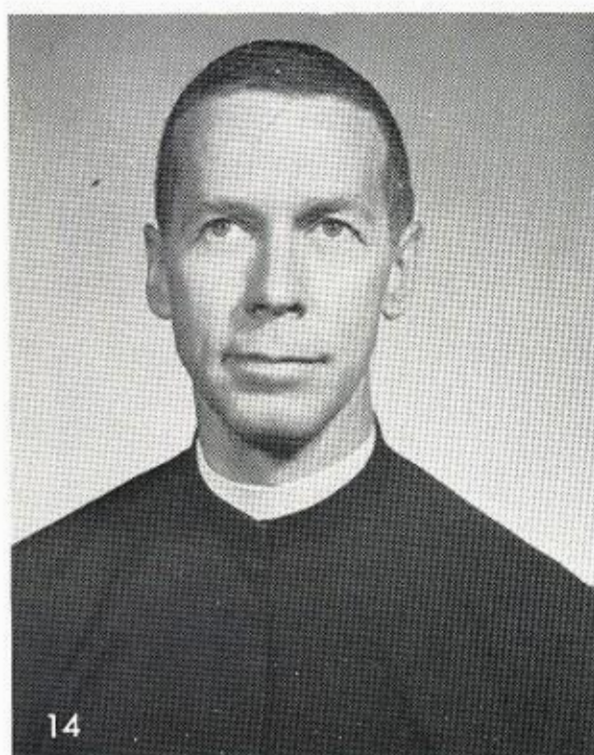

The reason for teaching Religion at Saint Ignatius is two-fold: first, to gain for the student a better understanding of the truths of the Faith; and, second, to stimulate the student's regard for the Catholic Way of Life which is his. Because the aim is double, the challenge to the teacher is greatly increased. From the student's standpoint, the course should be a doubled give for him. From the teacher's position, the course should be one of academic excellence, but, at the same time, vital and inspiring to the adolescent.

The student must "put out" for the course initially to obtain the good that Religion offers. In return, the religion course should encourage in the student a more dynamic faith that will make him a true Christian leader.

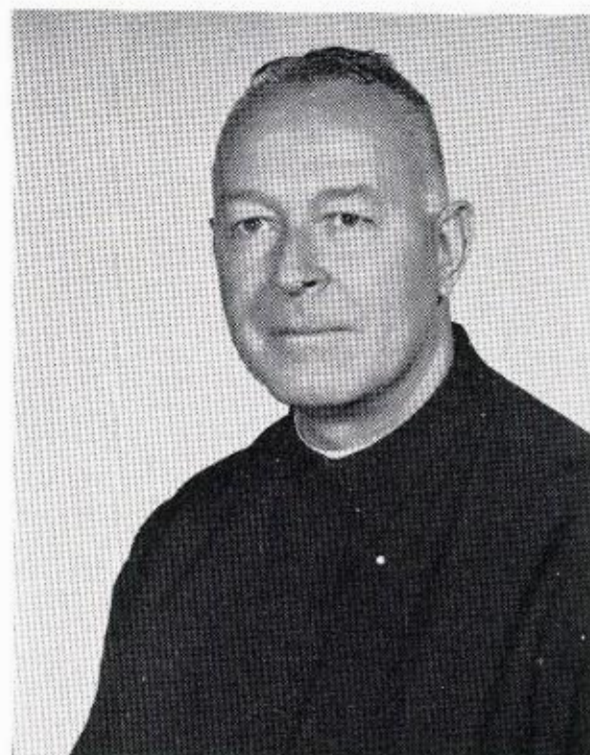

In striving for this, S.I.'s Religion Department employs the Loyola series of texts—**Power, Loyalty, Guidance, and Service**. These books, coupled with the dedication of the Religion teachers at Saint Ignatius, provide impetus for the double paralleled course.

Sanctuary Society

"Why is mine black?"

"December 8th, the Feast of the Immaculate Conception, is an important day for Sanc members. On that day, after a year's probation, they promised to assist the priest at the altar of God with fidelity and devotion. They are more than altar boys, having consecrated themselves in a special way to the service of God. As such, they open themselves to God's grace in return. This is done, of course, with a constant sacrifice of sleep and free time.

The Sanctuary Society's principle function is to provide servers at the Main and side altars of St. Ignatius Church. Each member serves a few mornings each month besides his turn at the Sunday Masses. His office keeps him in close association with the Mass and makes easy more frequent reception of Holy Communion. Last and not least, there are regular 'shindigs' where the Sanc members release the teenage spirits cassocks and surplices might conceal."—Mr. Charles Gagan, S.J.

High up on the list of important topics to be considered by the Second Vatican Council was the role of the layman in the Church. Hardly something new, this topic has been discussed more and more in periodical literature and at meetings of laymen and clergy. Fading is the idea that the layman is some sort of inactive, non-vital member of the Mystical Body who needs caring for but can do little himself to hasten the coming of Christ's Kingdom.

As is clear from the number of eminent lay Saints, very much in the world and very much for Christ and his Kingdom, the highest personal sanctity and devotion to others is open to all Catholics.

The Sodality of Our Blessed Mother is a Catholic Action group whose members profess a special devotion to Mary who as Queen of Heaven works solely to bring men to her Son (Even as once she co-operated to bring Him to men). The Sodalist strives for a solid spiritual life that will keep him in close union with Christ and develop in him a Christ-like charity for others.

The Sodality program includes regular assistance at Mass and reception of the Sacraments together with such spiritual exercises as recitation of the Rosary, meditation and spiritual reading—all aiming at opening up to the Sodalist the fullness of reality, our world of matter and spirit, good and evil, Christ at work in the world today, and a world that needs His healing and encouraging touch so badly.

The S.I. student might find it easy to overlook poverty, material and spiritual pain and sickness, and other human misery in our midst. The Sodalist, however, cannot. Work with the handicapped, with the aged, with the derelict, and minority groups brings him face-to-face with the lame and the blind, the poor and those needing instruction—even as they lay waiting for Christ 1,963 years ago.

A time For Silence and Self A Time For God—Senior Retreat

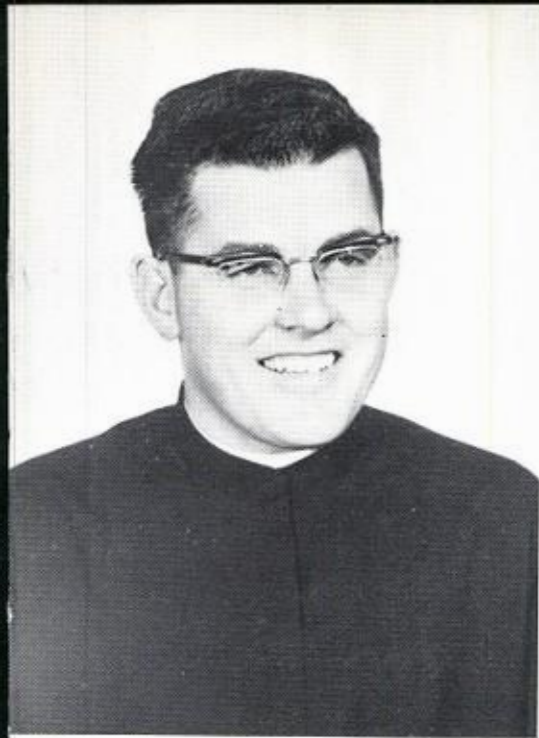

The hall echoes with the sound of a door being shut, and footsteps fade down the hall. Then you are left alone in a small, pleasant room with your thoughts, with the retreat-master's thoughts, with God.

The ideas given by Father Ryan, Father Enright, and Father Hanley proved to be both valid and forceful. When you found yourself out there in suburbia, surrounded by silence and prayer, things took on a deeper meaning. When you slowed down to think, you began to refocus on reality, to look at yourself, to find a direction or reason in the rush of life.

This is how many seniors found their retreats. The food was adequate or even good, as most of them admitted. The silence was amazingly well kept, lots of thinking was done, — for most it was a very real and helpful spiritual experience.

Man is a talking animal.

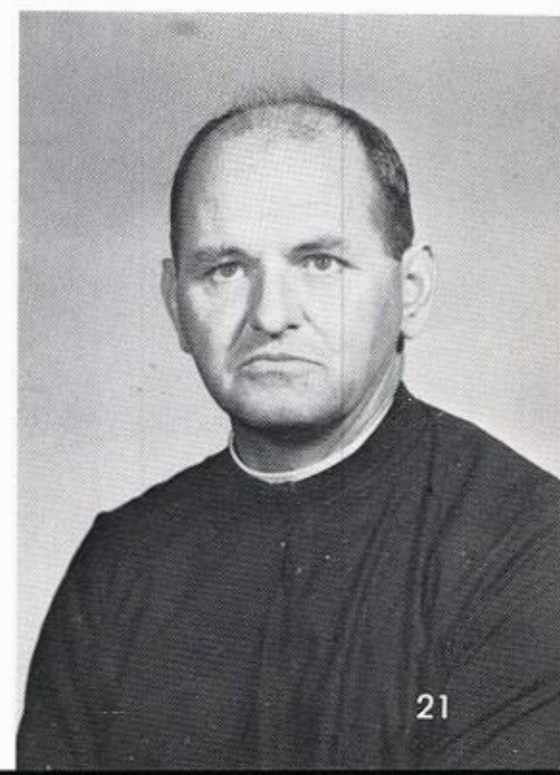

Constantly, a man's intellectual ability is being evaluated; consciously by teachers, college registrars, and future employers; inadvertently by everyone with whom he may become engaged in informal conversation. This is a fact that cannot be neglected by any educational system if that system expects to be effective.

Consequently, Public Speaking is found as a required course on the curriculum of each year at St. Ignatius. During his four years the student is guided from the fundamentals of speech, diction, audibility, and development of simple conversation, through the more complicated art of interpretive reading, and finally concentrating on the form and presentation of a formal talk.

The speech program supplements every other subject on the curriculum, preparing students to become educated Christian gentlemen who are effective in their vocational fields and community.

Public speaking creates confidence and "confidence" is the word that most aptly describes the 1962-63 St. Ignatius High School Forum. This same confidence manifested itself in concrete achievement. St. Ignatius consistently received top honors in the field of debating and individual events.

Brilliant guidance and strong leadership also proved assets to the victorious Forum. The coaches — Fr. Henry, S.J. and Mr. Coleman, S.J. — and the officers — Dave Mezzera (Pres.), Frank Gallop (Vice-Pres.), Al Rodrigues (Sec.-Treas.) — were the life blood of the organization.

But confidence, guidance, and leadership — assets though they were — did not not contribute the deciding factor to the Forum's excellence. Individual talent and sacrifice proved the impetus that sent St. Ignatius marching to its long string of victories, victories that saw the Forum return with the spoils that filled the trophy case.

What made S.I.'s Forum a power-to-be-reckoned-with were seniors, Paul Vangelisti, Gerry London, Rick Del Bonta, and Bob Carson; the excellent performance of the juniors. The debate team of Mezzera and Scalia at the State Tournament whose performance merited not only State acclaim but also national recognition is an example of S.I.'s outstanding juniors. They lost one debate in the State Tournament and that to the team that eventually won. As a result for the first time in its history S.I. received an invitation to attend the Georgetown University Debate Tournament. This honor was given to only fifth other schools in the nation. Other outstanding juniors were Paul Bergez, S.I.'s fiery-tongued orator, Chuck Williams, Andy Canepa, Ron Fisher, Bob Kirby, and Al Monterrosa.

Outstanding among the sophomores were Al Rodrigues who represented S.I. in the State Tournament in Original Oratory, Bob LeRoy who has been in the finals in every tournament in Impromptu, Debate team Gene Payne and Frank

Gallop, which advanced to the A division early in sophomore year, Jean Jordan, Walt Rehdish, and Greg Ryken.

Along with the above mentioned, many more gave their talent and sacrifice that added up to make the St. Ignatius High School Forum one of the most respected and feared organizations in the National Forensic League.

The dead

Greek

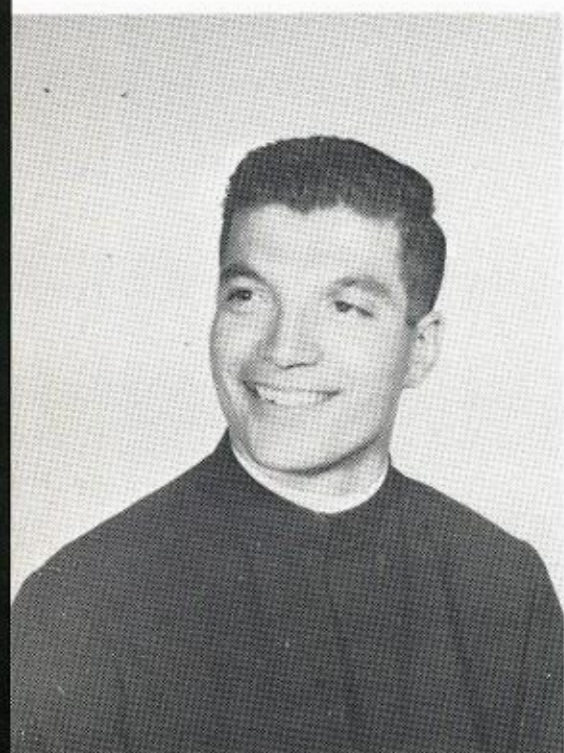

The creative energies behind great civilizations are essentially spiritual values whose continuing genius must rely on their rediscovery and implementation by each succeeding generation. It is this fact more than any other that has made and must continue to make ancient Greece a focal point for the interested study of all who would preserve and further the ideals of Western Civilization.

The deepest significance of human life was hidden from the Greeks. History frequently reveals their supernatural immaturity. But this handful of people inhabiting a mountainous peninsula 2500 years ago did have one idea, an idea so novel and profound that a whole new age dawned in its light. It was simply that man's nature, even in its mortality, is the glory of creation, and that man has a noble purpose: the pursuit of excellence at every level of human performance — physical, moral, intellectual.

There is a special value in studying the creative energies of the Greek genius at their source. The literature of ancient Greece, whether epic, dramatic, philosophical or poetic, is the tangible, polished expression of Greek thought. To read this literature in the original Greek is to experience the original impact of the headlong thrust that roused the human race to a new sense of purpose and launched it into history.

languages come to life.

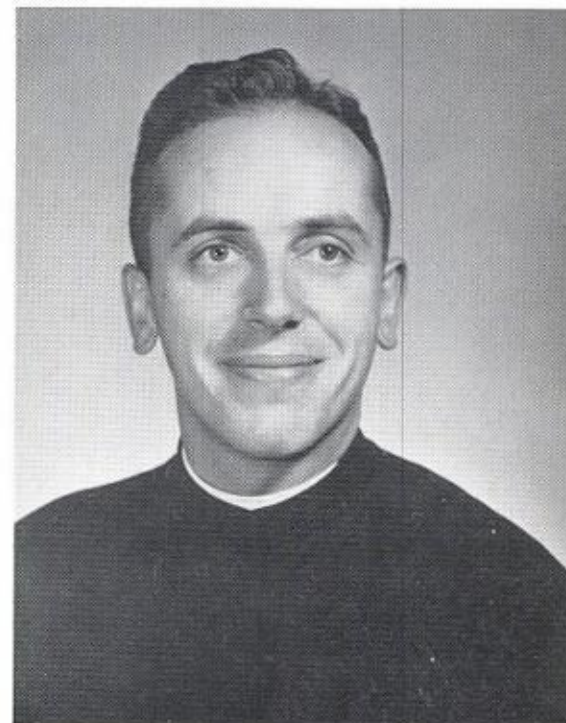

Latin

Latin still is, and always will remain one of the main subjects at S.I. The fact that the place of Latin has not diminished over the years is due not to some wrong-minded conservatism in Jesuit Education, but to the realization of a very modern, contemporary need for a familiarity with man's great literature and for mental and emotional training and discipline.

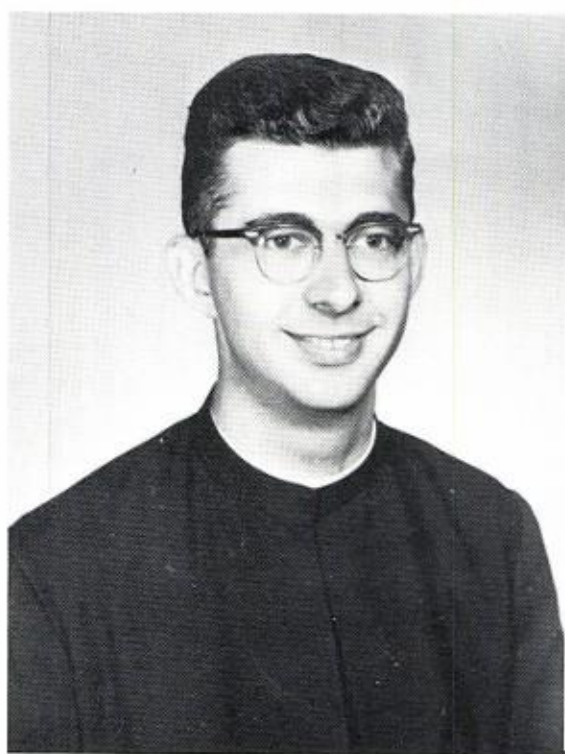

For most, the greatest, and at the same time the least recognized benefits derived from this particular language study are the very worthwhile thinking habits fostered by the study of a classical language. The ideal, which is the reading and appreciation of what, in their language, the Romans thought and wrote, is sought after today by means unthought of even in the recent past. The Language Lab, and the more direct approach to learning the language easily place S.I. in the Vanguard of language in our time.

In a shrinking world, knowledge of other modern languages is no longer a luxury.

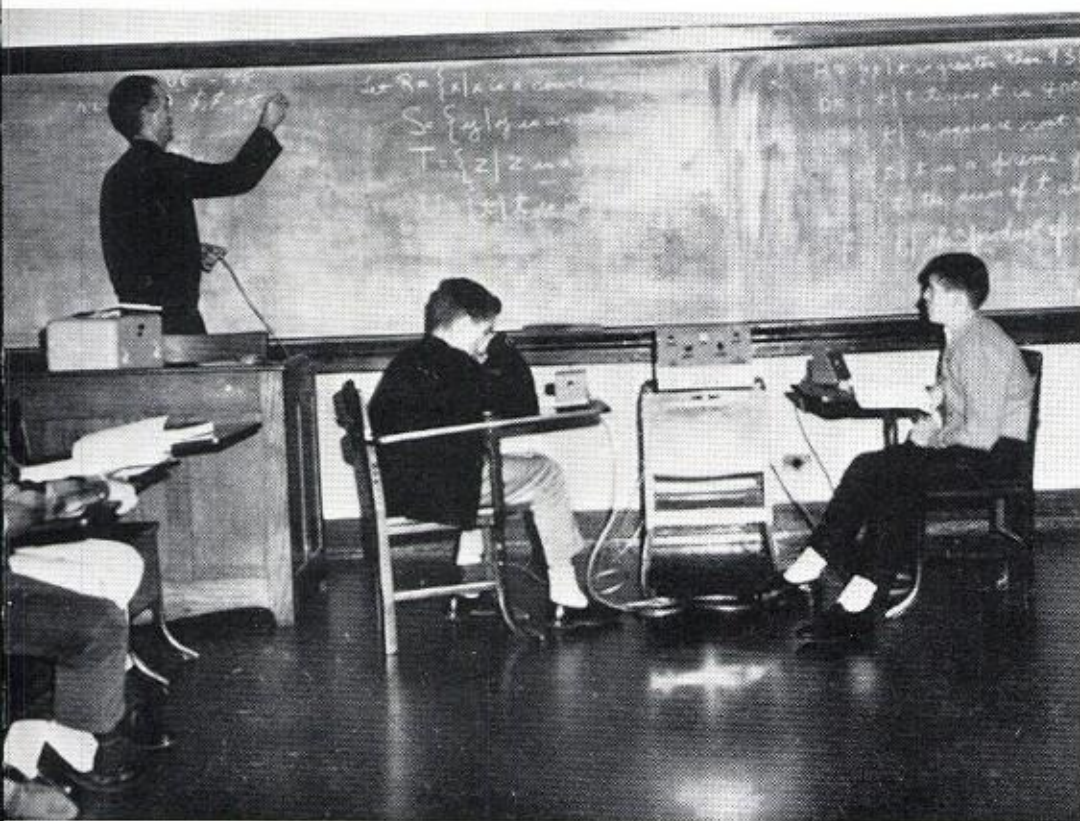

The world is rapidly becoming smaller. For instance, no longer is distance a barrier to communication. It is in this light that the Spanish Department views its task of teaching Spanish. We are taking another step towards tearing down barriers. Language is one of the vital means of communication. It is like music: the message is contained within itself. There is no substitute for language when there is a question of knowing the spirit, culture, and philosophy of a people. This is its message.

In the two-year Spanish course, the student is given a glimpse of the culture of Spain and the twenty countries of Central and South America. True, it is only a beginning; but it is also an association with a people whose humanistic contribution to the world is still being felt. This in itself is a worthwhile experience.

Modern math taught by the use of modern equipment.

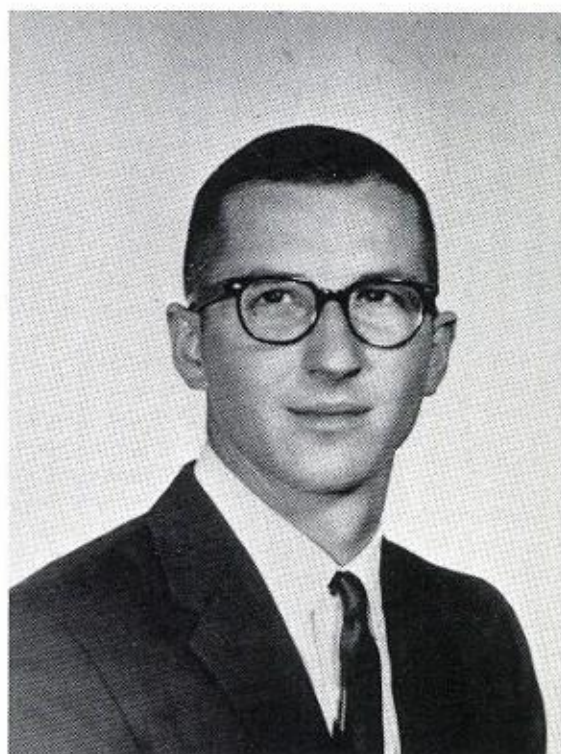

FR. P. JACOBS, S.J.
Math 2,4; Library

To form mathematicians, engineers, scientists, math teachers, computer technicians, the purpose of mathematics at S.I. is none of these, and yet it is all of these. None of these because the curriculum is set up in the Liberal Arts tradition of nonspecialization at the lower levels, presenting basic knowledge grounded in traditional fundamentals and clothed in the language of the twentieth century. All of these, because the S.I. graduate, with four years of mathematics from algebra through analytic geometry, may embark in a college major, leading to one of the careers above if he so desires. More important than all this, however, is the clear, logical thinking that mathematics strives to impart with its discipline and rigor, which in turn is counterbalanced and enhanced by the sparks of imaginative creativity that kindle a life of thought.

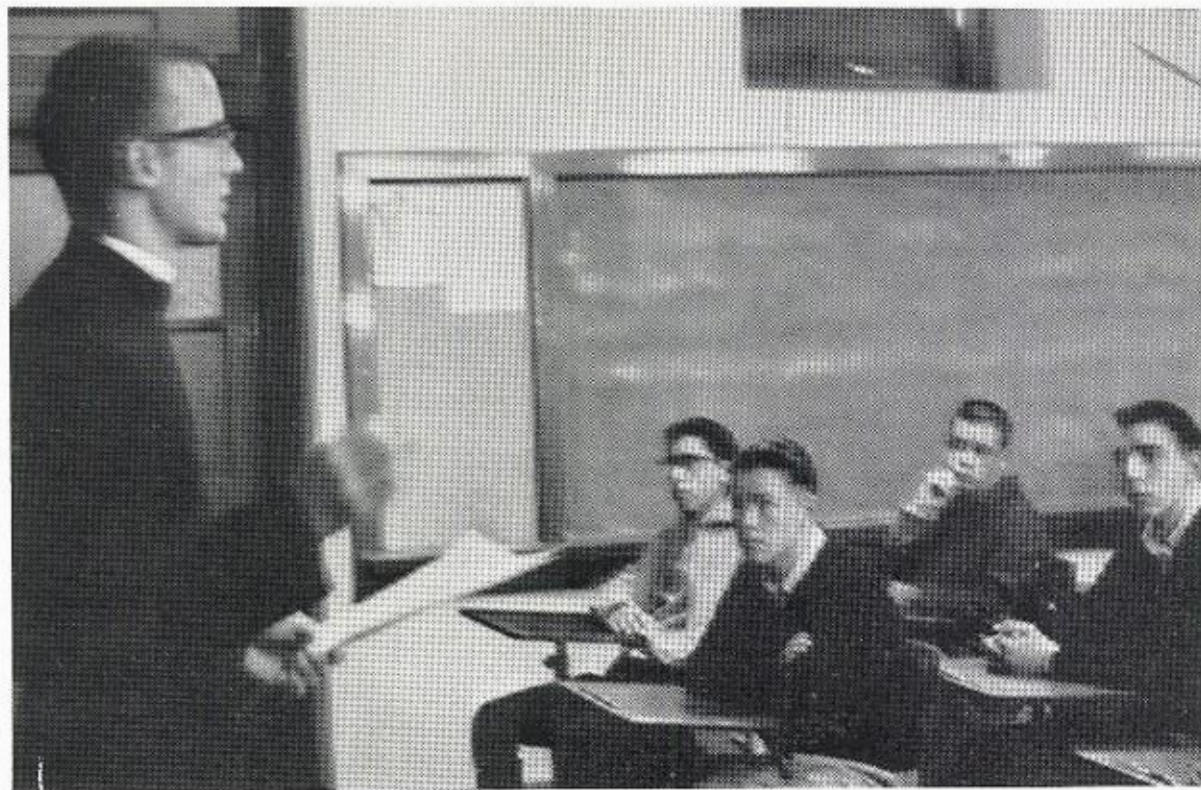

Aware of the nationwide curriculum revisions of the past decade, the faculty and administration have not been idle as the mainstream of mathematics has cascaded past the door. To understand the new ideas and to impart them to the student is a challenge being met by text and teacher alike. Fortunately the S.I. student is anxious to win his spurs in fulfilling his part of the challenge with the satisfaction of accomplishment and the day well won as sufficient reward.

Physics

Fr. Spohn demonstrates Galileo's inclined plane.

To develop scientists, engineers or astronauts is not the sole aim of science at Saint Ignatius.

Our purpose is broader than that. For science is more than a discipline that trains the mind to analyze, to think, to correlate and apply. A real knowledge of science is also cultural, for it leads the student to a more profound appreciation of the beauty and order of the natural world, and a deeper gratitude to God who brought this beauty and order into being.

This we all need as truly educated men. That is why Saint Ignatius High School demands of all students a rigorous science curriculum. From this twofold aspect, many find in a scientific career the means to fulfill their human destiny—the service of God and their fellow men.

toward a literate & articulate generation.

FR. J. BECKER, S.J.
English 4; INSIDE S.I.

Look, look, look. See Spot run.

The leaders of tomorrow, like those of today, are the articulate — the men who not only have something worth saying, but can so pleasingly and appealingly say it that they will convince.

The goal of the S.I. English course is precisely this kind of articulateness.

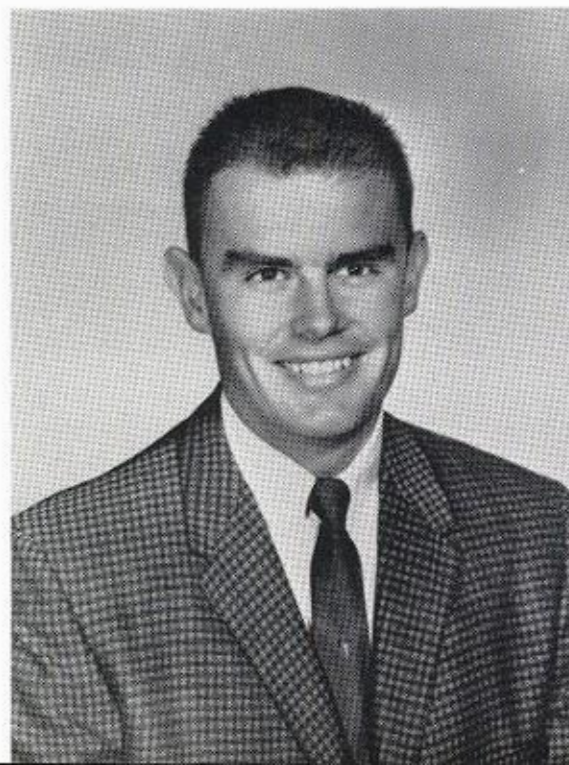

To unveil mankind's self-portrait, to open out the rich panorama of the reality in which man finds himself, to introduce us to the man God became man to save — in a word, to fill the student's mind with a world of things worth saying — such is the goal of the reading of the literature of our language.

For the student to be able to convey — with the grace and precision of a master — what he has assimilated — such is the goal of the myriad exercises in writing.

Saint Ignatius High School's graduates will be men of the world equipped, it is hoped by their English teachers, with the tools to lead their generation to truth.

THE IGNATIAN: A TRAGIC COMEDY OR A COMIC TRAGEDY—depending on which way you look at it—
IN THREE ACTS

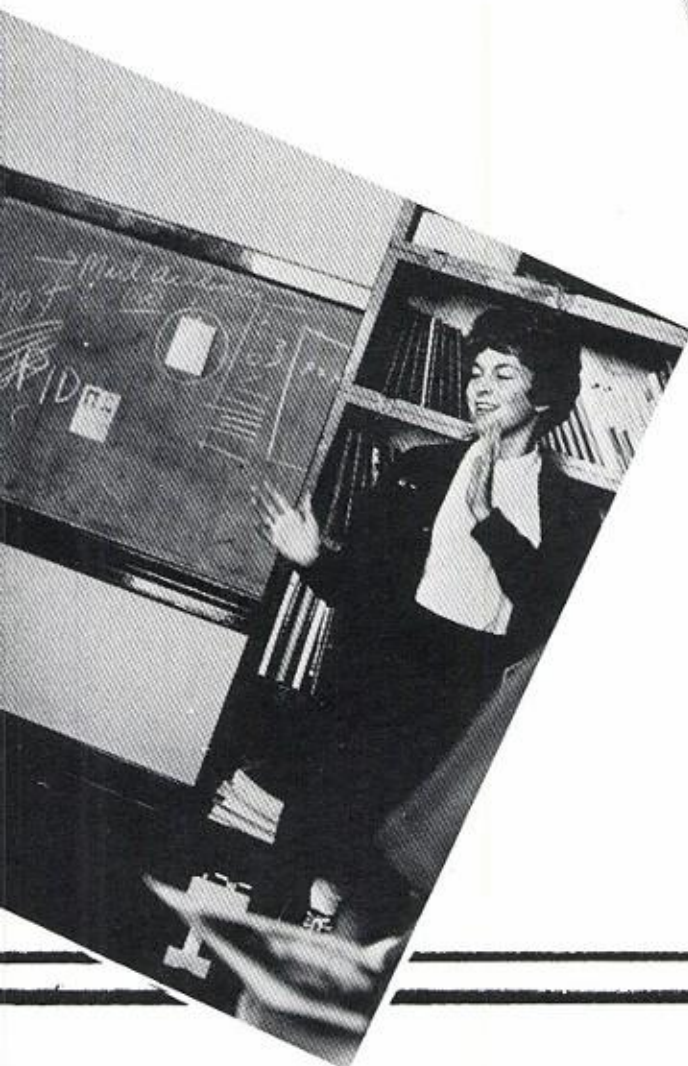

PROLOGUE: Mr. MacPeck, S.J., calls summit conference for Friday afternoon. Phil Woodard, Editor, and Mr. Roche, S.J., meet him; decide to work the following Saturday (the deadline having been missed by a week).

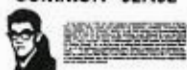

ACT ONE: Paul Hanley arrives first, having caught an early Greyhound, spends a half an hour setting up his AM/FM radio, tells Mr. MacPeck he left the football write-up at home. Terry DeVoto and Paul Schafer arrive, turn radio to KEWB and wait for Phil to come. Bob Arolla, Ass't Editor, enters on time. Phil Woodard arrives half-hour late (was looking for lost table-of-contents); turns radio to KJAZ. Fight follows for lost table-of-contents; and Rock-n-Roll enthusiasts. Enter Mike Petersen, stage right, settles arguments: puts on long-hair opera; everyone is miserable.

ACT TWO: Rest of staff, John Ferreboeuf, Mike Koehne, Tom Calderola, Tom McLaughlin, Paul Cummins, Roger Lovie, and Bob Curran, John Weaver, Peter Hogan, arrive. Work begins. Half an hour later: John Ferreboeuf gets hungry. Then everyone decides it's time for lunch. Staff piles into Phil's car, drives to HOT HOUSE, orders lunch of Mexican food, listens to "Lonely Bull" and "Limbo Rock." Mr. MacPeck pours the "extra" hot sauce on everyone's enchiladas. Everyone is miserable.

ACT THREE: Staff arrives back at school, too full to work. Plays basketball instead of working. Two hours later staff and Mr. MacPeck drag themselves back to office. Civil War declared. "Greasy-Kid-Stuff" DeVoto gets hair mussed up, Tom Calderola gets eraser marks all over him, Mike Petersen crushes AM/FM radio because someone turned off Puchini. Mr. MacPeck gets serious: staff is calmed down, work is completed. Everyone is miserable.

EPILOGUE: We'd like to acknowledge the photographic help of Kee-Colman Studios of 565 Sutter St. We've had fun putting out the '63 IGNATIAN and we hope you'll be put out, too.

This year's **Inside S.I.** was not only one of the top seven high school magazines in the United States, but also and more important one that repeatedly did not rationalize and pander to the student-body's ego, but one that possessed the integrity to say what's wrong and to try and right it by writing about it.

Surprisingly enough, the means to both these enviable ends was simply and solely to report the news. Not just the good news, but the bad news too. For just to report the good news would be to place it wholly out of the context. Because it **did** report **all** the news, **Inside S.I.** — especially after its gutty grand slam in its second issue and its follow-up in its subsequent issues — was severely criticised. However, if caustic criticism is the price of helping a student-body undergo an about face in their formerly apathetic attitude, it is indeed a small price to pay.

From early June, 1962, until the last issue was thrown the length of the student council room, Howe McCarthy and Chuck Scurich spent countless hours and burned much midnight oil planning, purging and picking apart their plans, and planning again about such things as policy, content, and style. Their results: the first sentence of this write-up.

Besides Howe and Chuck, there were, seven others who, as far as the editors are concerned, were indispensable in putting out the magazine. They were: Paul Baffico, Tom Chin, Dave Viglienzoni, Maury Wolohan, Louis Meunier, Leo Murphy and John Milton. And even besides those nine, there were many others like Mike Rheinhardt, Mike Petersen, and Mike Morrissey, without whom the magazine would've never scaled or attempted to scale the heights it did. Finally, there was Fr. John Becker, S.J., the faculty advisor. He let the Editor run the magazine and backed him up in policy decisions.

Editor.

Paul Schafer's Soap Box Question: "How did you survive the ordeal of putting out **INSIDE S.I.**?"

HOWE MCCARTHY
Editor-in-Chief

"The only way I survived the year was to stay in the **INSIDE S.I.** office. If I were to go outside I would have been stoned by some bel-

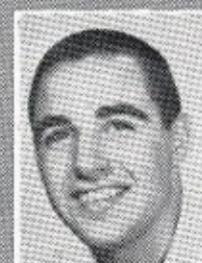

ligerent members of the Student Council."

PAUL BAFFICO
Managing Editor

"My worst problem is that when I want to say something it always comes out wrong. Why the other night we worked until the sun came

up over the Pacific."

DAVE VIGLIENZONI
Production

"My worst problem in working for **INSIDE S.I.** is that on the other side of the office wall lurks a bunch of madmen who are trying to

put out a yearbook. The only way to cope with them is to play their own game; so I throw the spears back."

LEO SOONG
Photographer

"It was very simple to survive this year. I just stayed in the darkroom all the time. Now if you'll excuse me I have 200 detentions to

make up."

TOM CHIN
Head Photographer

"I spent many hours at school this year. My artistic talents were so appreciated by Howe McCarthy that I spent most of my holidays in the

darkroom. In fact I spent so much time there I forgot where I live."

CHUCK SCURICH
Executive Editor

"The main reason I survived putting out **INSIDE S.I.** was because I took sleeping pills to keep me awake. If I didn't I would have fallen

asleep back in September from the boredom."

Mothers sponsor fashion show—December

Parents assume their role

The opinion of today's mass educated world is that education should be left entirely to the teacher and the faculty. At S.I. a different outlook is shown by the parents eager to take part in the education of their children.

Under the capable leadership of Presidents Mr. C. Woodard of the Fathers Club, and Mrs. D. Leone of the Mothers Club and with the cooperation of the parents and the outstanding work of Fr. O'Gara, many contributions both educationally and financially, have been made. Through the various contests, picnics, dances and fashion shows the school is considerably aided in the education of Ignatians.

The parents' council deserves our most hearty congratulations for the tremendous spirit shown and for producing the best in everything they do.

Another year has run its course.

It seemed to dash by in 9.4 form. You reflect back on your last year. Third period, semester exams, fifth period, finals, all flashed by, and you felt like a character in a speeded-up old fashioned movie, trying to keep up. All the hopes, frustrations, defeats, aspirations, and triumphs of 240 seniors are crowded into that short space of time.

There were ambitions: "the best year ever"; and fulfillments: the football team, champions and first in the nation; and failures: the low grades, the projects never started. And was it the best year ever? Who's to judge?

These 240 men, though, fill these pages, men moulded together by the common experiences crammed into those short nine months, men responsible for the successes and failures of those months, men signed and stamped with those months, set apart by those four years at S.I.

Like their school, they try to find the future. Three months from now, they will scatter. Some to meet in different schools, in new cities and feed upon old friendships, others to travel far and form new ones. But they leave here a tradition for a new senior year to take up. They take with them a tradition, carrying it in their hearts to a new life.

They succeed or fail—some will become great, a few might end up on Howard Street. But the majority? They'll go to college, marry, cling to the city or move to suburbia, reliving this year through their children. Others will follow Christ's calling to the priesthood or religious orders. In the measure they succeed or fail, they spread the tradition of S.I. farther and farther afield, till, like a ripple in a pond, it returns again to its origin.

What will those seniors one, two, or several years from now hear of the class of '63? Will the greatness that is in our tradition roll back from the shores of the nation, or will the mediocrity that is in us return murmuring back from the walls of some very small pond? What will become of them? They and only they with God's grace can decide.

Another year has run its course, a great one. The best? Who's to judge?

Principal at Honors Assembly.

Dear Class of 1963:

Every section of your year book speaks of "projections and reflections;" your reflections on the past history of Saint Ignatius High School and your hopes for your future and her future.

May I add some hopeful projections that each of your futures be fulfilled with the ideals we tried to teach you; the ideals of honesty, of hard-work, of patience, humility, chastity, loyalty, and the courageous pursuit of these same ideals.

May the Sacred Heart and Our Lady guide your every step into the future forever.

Yours very sincerely,

Thomas A. Reed, S.J.

Principal at Father-Son-Communion Breakfast.

Principal advises Mothers Club.

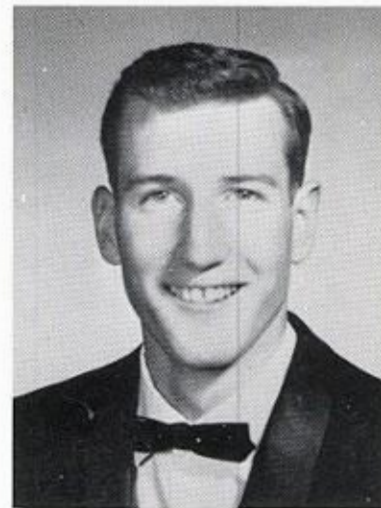

RALPH L. ABEL

Ralph came to S.I. from St. Vincent de Paul's. During his four years at S.I., Ralph was an active member of the Sanctuary Society, the Camera Club, and the Radio Club. He was a member of our championship '61 lightweight swimming team.

JOHN I. ALIOTO

John, one of S.I.'s most outstanding seniors, was a member of the golf, soccer, and 20's basketball team. He was a class officer for four years and a student body officer in his junior year. John, an advanced placement boy, was a student who during his years at S.I. was Mr. S.I.

GARY M. ALWORTH

Gary came to St. Ignatius from St. Monica's grammar School. He participated in the Sanctuary Society in Freshman year and also played Fresh-Soph football. He played 130's basketball and participated in intramurals. As a junior he played basketball and was captain of the team. His senior year he played varsity basketball and participated in the spring musical.

RONALD APOSTOLI

Ron came to S.I. during his sophomore year from Marina Jr. High. He was a sophomore class officer as well as senior class 4-C vice president. He played three years of football. During his sophomore year he played tackle on the soph-fresh and then went on to even greater heights playing two years of varsity football. He now plans to put his sound schooling obtained at S.I. to use at State in pre-law.

J. DENNIS ANDREWS

Dennis came out of Epiphany Grammar School and immediately signed up with the Sanc. Four years later he ended by winning the loyalty award. He also spent four years on the swimming team. He plans to pursue pharmacy when he graduates.

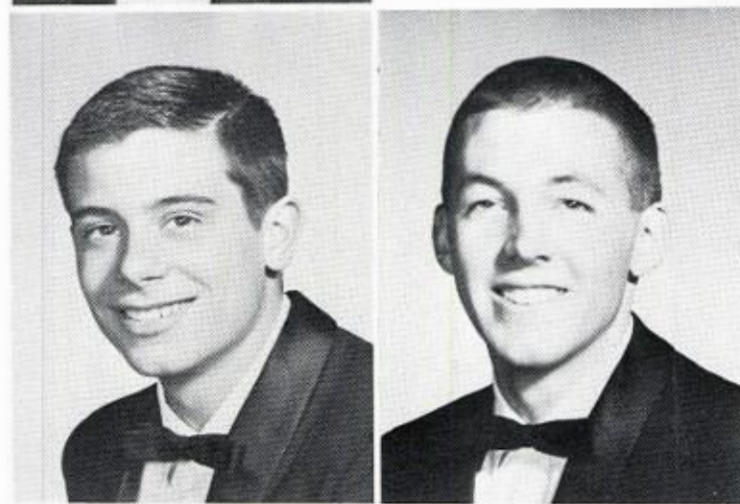

DANIEL M. ARGUETA

In his freshman year, Dan was manager of both varsity and 130's and varsity basketball teams, and he also joined the Sanc Society. Joining the band in his sophomore year, Dan's trumpet could be heard throughout the school. Dan also participated in activities outside school, as he was a Dolorian Teen Club member. While a member of Junior Achievement, he held the office of President.

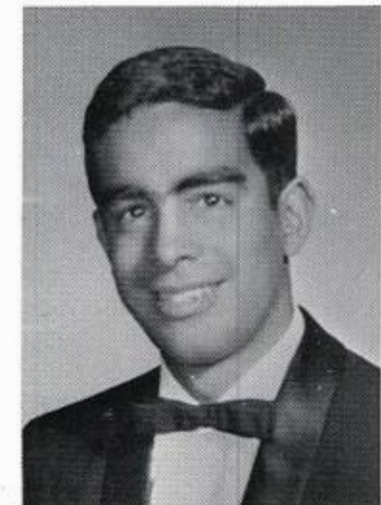

ALFRED J. ARNAUD

Al has been a four year member of the Sanc and he was also very active in intramurals during his four years. He was a two-year member of the honor class and played one year for the school band. During his fourth year he was a member of the Dance Committee, Rally Committee and the Art Committee. His senior year also consisted of varsity swimming and a class officer. He plans to study law at either Santa Clara or the University of San Francisco.

ROBERT J. ASSELIN

"R.J." came to S.I. from St. Brendan's. He played 112's basketball and intramurals for four years. He was a life member of the C.S.F. His other interest were: Sanc: four years, being prefect as a senior, Sodality three years, business manager for Inside S.I. three years, and member of the Student Council in his senior year. His college choices are Santa Clara or Stanford.

RICHARD C. ATKINSON

Richard has been a loyal, long-standing supporter of all St. Ignatius athletic teams, not only by his cheering at games, but especially by erecting several "S.I. Champs" banners throughout the city at appropriate times. He participated in intramurals and was a member of the Science Club in his junior year.

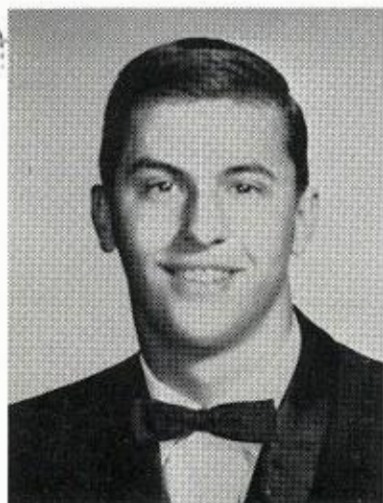

GEORGE A. AYOUB

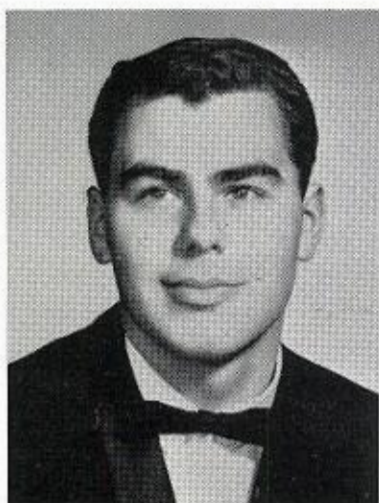

George came to S.I. from St. Elizabeth's Grammar School. He has maintained a good average while at S.I. During his early years he was a member of the Sanc, sodality, and played on all kinds of great intramural teams. With college plans ahead, George has hopes of attending the University of San Francisco.

STEPHEN A. BARTER

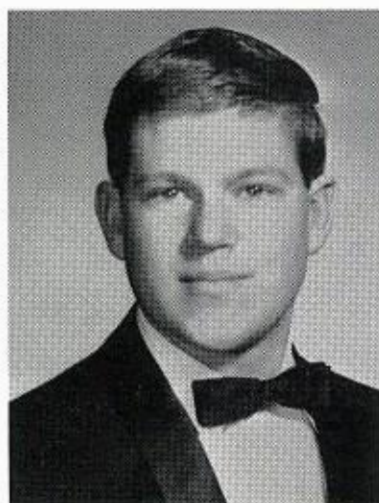

In his four years at S.I., Steve was a member of the Sanctuary Society, the Forum, and participated in several dramatic efforts. Scholastically, Steve was a member of the Honor Class and was, on occasions, in the C.S.F. Steve was also a member of the Art Committee and the Radio Club. He plans to attend Gonzaga where he would study economics.

**RAYMOND W. BASSO**

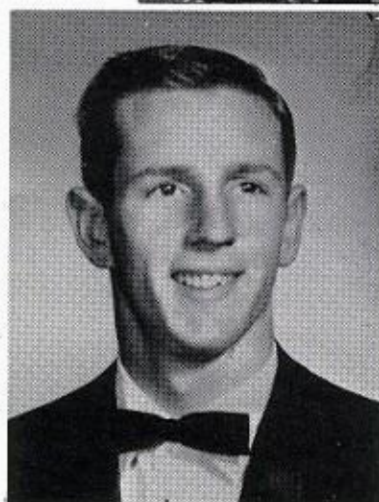

Ray was on the Rally and Ticket Sales Committees during his senior year. Outside school, his activities included Junior Achievement and the Olympic Club. As a member of Junior Achievement, he acted as vice-president of his company during his junior year, and the following year he became president. Ray plans to attend either St. Mary's or Santa Clara.

**RICHARD C. BENIGNI**

Rich, while at S.I., distinguished himself by his scholastic achievements. He was an Honor Class student, a life C.S.F. member, and a semi-finalist in the National Merit Competition. Limited in his extra-curricular activities by an after-school job, Rich was one of the founders of the Rocket Club. Rich hopes to attend Cal. Tech. and major in math or physics.

**RICHARD G. BODISCO**

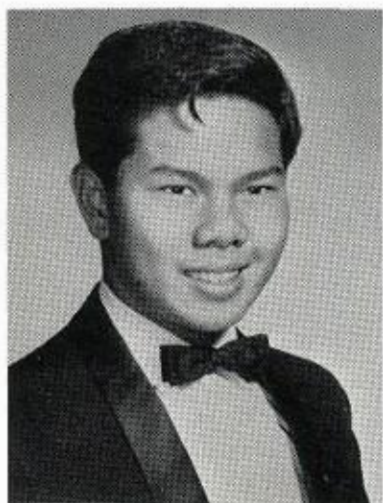

Rich came to S.I. from St. Brendan's Grammar School, where he is now vice-president of the teen club. During his four years here, Rich has contributed immensely to the school's betterment. His activities included the Sanctuary Society and four years of basketball. He was also an active intramural player. Rich is undecided at this time what the future holds.

**JAMES V. BOGDAN**

From Star of the Sea Grammar School came Jim Bogdan. While here he has played basketball for three years and baseball for four. Jim also participated in the Sanc Society and the Sodality. Future plans are yet undecided for Jim.

ROBERT J. BOSSI

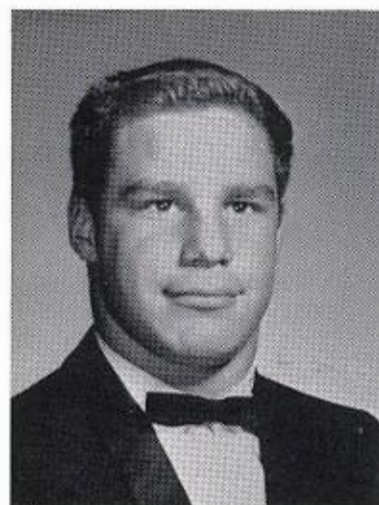

Bob came to S.I. from the seminary in his junior year. In the two years he has been around, though, he's been on the stage crew of all four dramatic productions, and helped work the lighting and/or sound for most of S.I.'s rallies or dances, as well as serving in the Sanc. Bob plans to major in civil engineering at Santa Clara next year.

**EXEQUIEL M. BORROMEO**

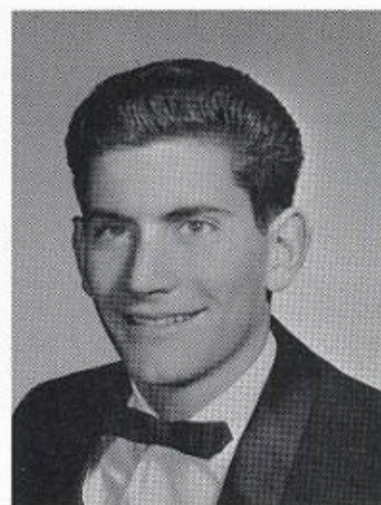

Zeke entered S.I. at the beginning of his junior year. Since that time he has found S.I. different, but pleasing in atmosphere and spirit. He has been a Jesuit student all along, spending his first two high school years at the Department of Xavier University in the Philippines. Presently he is in the Camera & Rocket Club.

**GERALD A. BORCHELT**

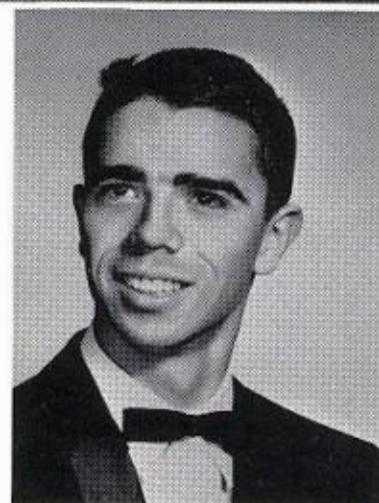

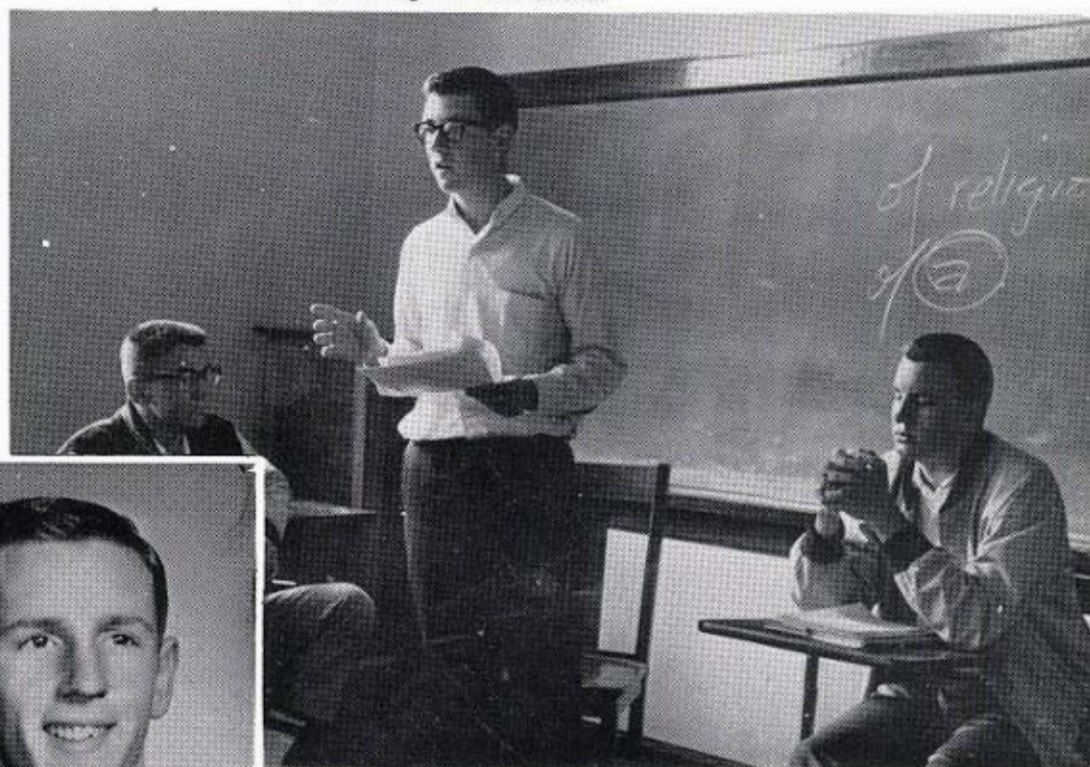

"Ger" Borchelt was active in dramatics in his senior year, participating in both play and music. A member of the Rally, Dance, and Art Committees, Gerry spent most of his time at school. Being three-year sodalist and head of the 4F "heckling committee" rounds out Gerry's activities.

**JOHN M. BACCITICH**

Bud came to S.I. from St. Paul's Grammar School. On the gridiron, Bud has been one of the leading stars. In his junior year, he made the A.A.A. honorable mention list. As a senior, he was the team captain and A.A.A. lineman of the year. He was first club all-metropolitan team and captain of the Northern California team. Bud is also president of the St. Paul teen club. He is yet undecided as to the college he will attend.

**TED K. BARKER**

Ted came to S.I. from Star of the Sea. He belonged to the Camera Club and the Radio Club in his first year. During his last three years, his spare time has been taken up with his after school job. He is going to continue his education at U.S.F.

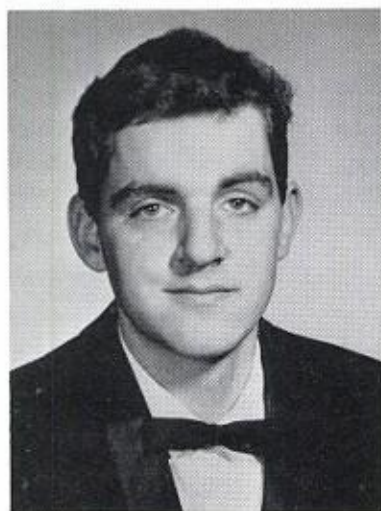

**RONALD J. BOGIN**

Graduating from Star of the Sea Grammar School, Ron entered S.I. in 1959. He immediately distinguished himself in that field which he is best suited, study. A life member of the C.S.F. and a proud possessor of an honor card for every six-week period he has spent at S.I., Ron has been in the honor class for three years, and in his senior year, he partook in the advanced placement program at U.S.F.

FRANK BOZZINI

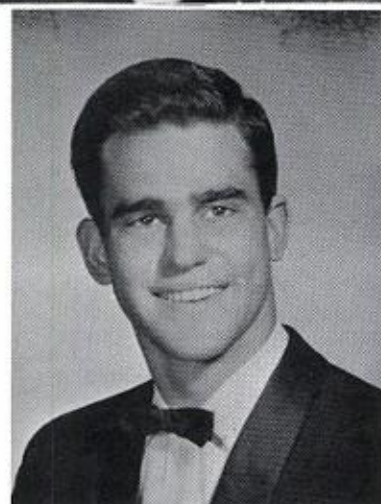

Upon his entrance to S.I., Frank was quickly nicknamed the "Bozzer." Playing Frosh-Soph football as well as being a member of the Sanc, his activities have branched out to the musical and participation in Junior Achievement. Frank plans to move one block up Fulton Street to U.S.F. and enter the field of education.

GERALD R. BRADY

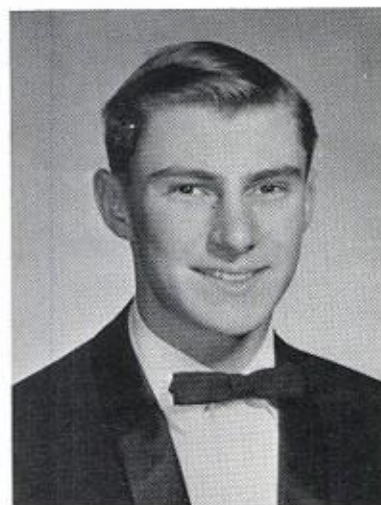

Gerry was a popular figure around S.I. He was a member of the Sanc for four years, a class officer for four years, and a member of the Dance and Rally Committees. Basketball was Gerry's pet sport, and he played 110's, 130's, and Varsity. Gerry plans to further his education at Santa Clara.

Our Group had 21 percent fewer cavities.

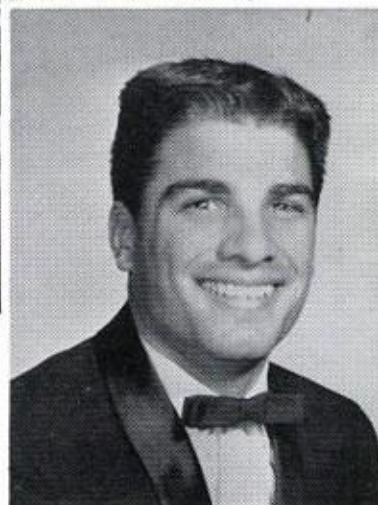

KENNETH F. BRODIE

Ken came to S.I. from St. Cecilia's and maintained a B average for his four years. On the athletic side he played 100's, 120's, and 130's basketball and two years of Varsity baseball. After graduating Ken plans to go to San Francisco State and major in English.

WILLIAM H. BRONSON

Bill entered S.I. in his sophomore year from Woodside Priory. While he was on the quiet side, you would still see him enjoying the fun that is always running through the class. During his high school career he has taken up golf which has proved most interesting. Bill plans to enter Santa Clara after graduating and then to law school.

THOMAS J. BRANDI

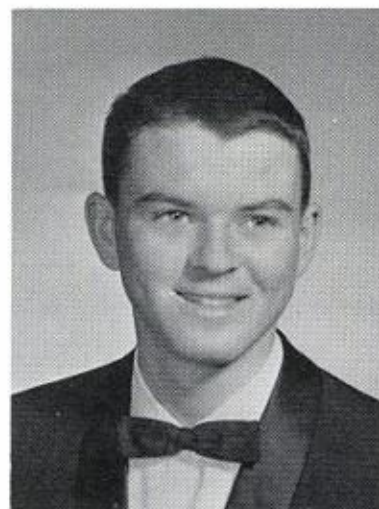

Tom came to S.I. from Holy Name Grammar School. He was a member of the Honor Class and a class officer for three years. He was in the Sodality for three years, a member of the C.S.F. for one year, and in the cast of *Billy Budd*. Tom played one year of 120's basketball, three years of football, the last two years in each sport as a member of the Varsity. Tom was Vice President of the student body. In the future Tom plans to major in education at either St. Mary's or Loyola of Los Angeles.

THOMAS J. BRADY

After graduating from Mission Dolores, Tom came to S.I. During his first two years he played 112's and 120's basketball. He was a sodalist for three years and an officer in his last year. Outside of S.I. he is president of his parish teen club. Liberal Arts is next on Tom's agenda.

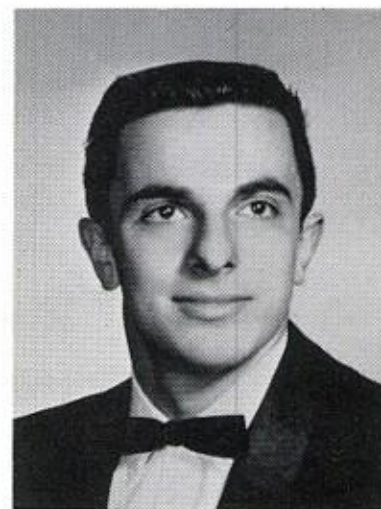

ALFRED J. BRANDI

Al came to S.I. from St. Brigid's. He spent three years in the honor class and participated in the C.S.F. Before school Al served mass, after school there was a job, and in the spare moments he was an ardent member of the sodality and the Science Club. In the future it looks like Al will further his education at U.S.F. where he hopes to major in chemistry.

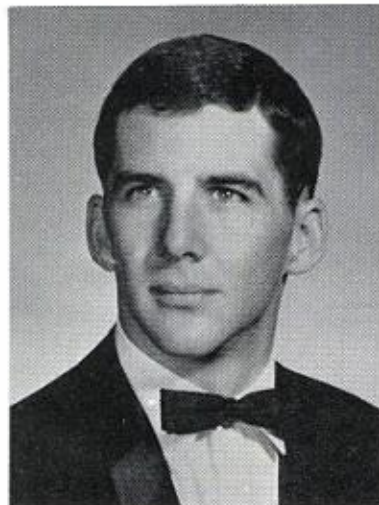

RICHARD E. BRENNAN

Besides holding down a B average, Dick found time to be a busy Ignatian. As well as playing Frosh-Soph and J.V. football, he was a member of the Rally Committee for two years, the Dance Committee, and President of the Art Committee. He was also a Sodalist for two years. During his stay at S.I., he was a registry class officer for four years and also a Year officer for three. In his last year, he was elected Senior Year Vice President, serving also on the Student Council. Dick was a member of the school theatrical productions also. He plans to further his education at U.S.F., probably majoring in Political Science.

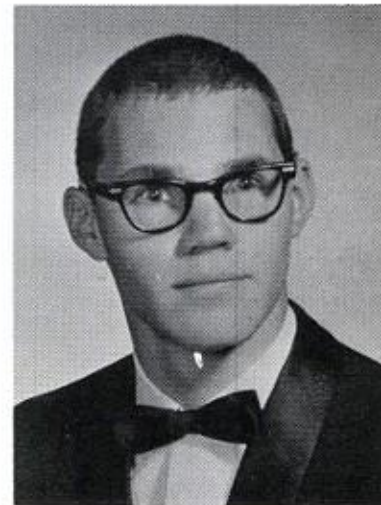

ELMER C. BRICCA

Elmer came to S.I. in his sophomore year. He has been in the Sanc for all of his three years. While living on the Italian side of the Marina, he was a member of the Vincenzian Club for three years. He was also a member of the Varsity Tennis Team and the Science Club.

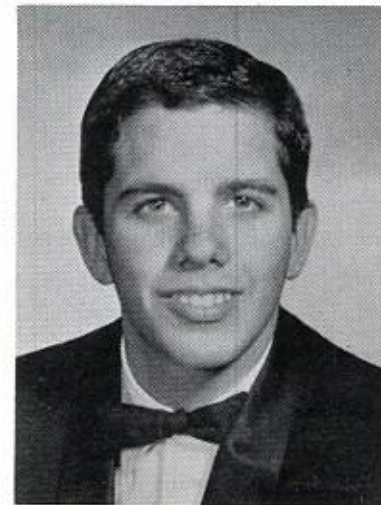

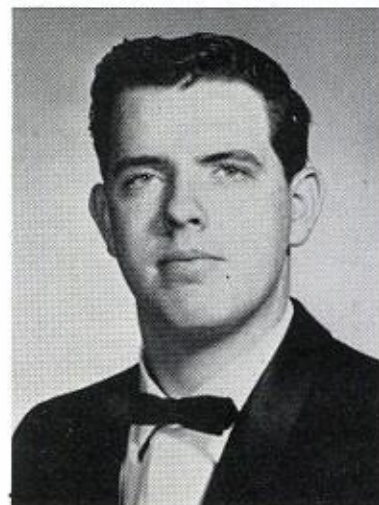

PETER A. BROWNE

Pete played Soph-Frosh football when he first came to S.I. and soccer during his 2nd and 3rd years. He was a member of the Sanc and the Sodality during the middle years of his education at S.I. Pete hopes to continue at U.S.F. or Santa Clara and major in mathematics.

ERIC E. BUGNA

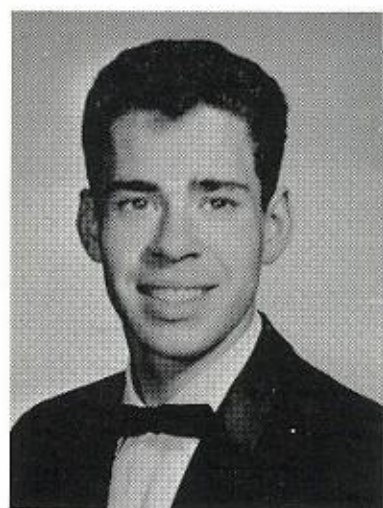

Eric came to S.I. from St. Vincent de Paul. Due to his job after school he could only participate in intramurals and the Rocket Club. Upon graduating Eric plans to major in Science at Seattle University.

ROBERT B. BUONCRISIANI

"Bonne," best known for his rendition of "Watch out boys; look who's coming down street . . ." was one of S.I.'s most popular seniors. An honor class boy for three years, Bon played 112's Basketball, ran all-city Track, and played a major part in the Rocket Club. Next year it's on to Santa Clara for Bon.

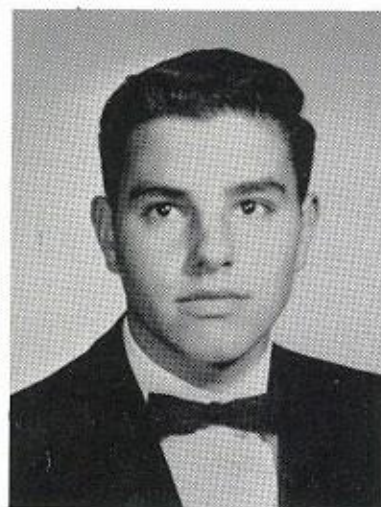

JOHN T. BRYNES

John, "Chico," was a man filled with the spirit of Saint Ignatius, a loyal fan found at every game dance, or any other activity. John was a member of the Art Club in his senior year. He played Intramurals in his freshman and sophomore years, and J.V. Football in his junior year. He is as yet undecided about his college future.

ROBERT M. CARSON

In four years of speech activities, he has won six trophies, four certificate awards, and the highest award in the National Forensic League. In addition, he was named third best speaker in the Northern California Catholic Speech Invitational when he was a sophomore. He has participated in the Sanc., and the Track Team. He plans to attend U.S.F. and study law.

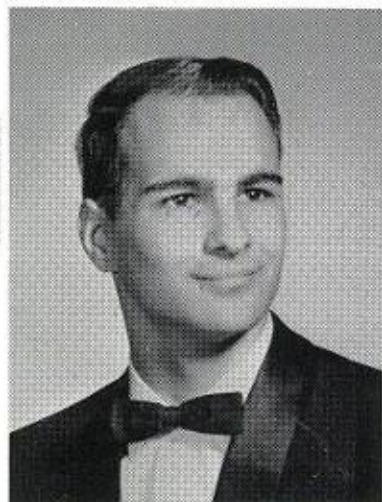

DEONNE T. BURDUSIS

Since his freshman year, he was closely associated with his school. He participated in the Glee Club, the Rally Committee and was on the Tennis Team for three years. Maintaining a B average, he plans to continue on to California and Pre-Dental.

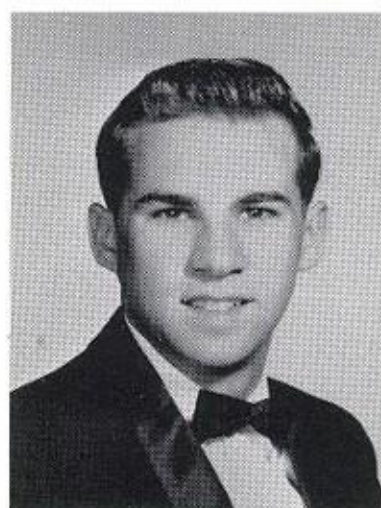

ERNEST C. CADELAGO

E. C., a man of few words, came to S.I. from Star of the Sea grammar school. For four years he had a tremendous time. He played football, and for two years was Coach Tringalli's personal cross. When he wasn't studying or working out at the Olympic Club, one could always find him loitering somewhere in the Marina. Chris is planning to further his studies at San Jose College where he plans to undertake Criminology.

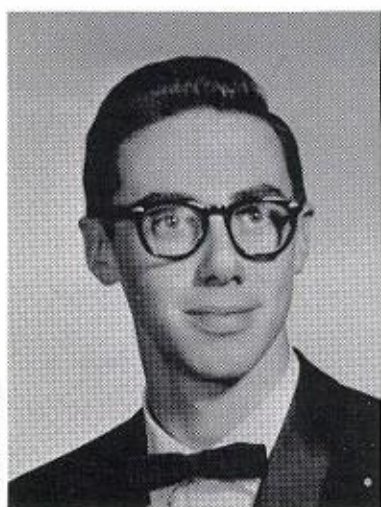

CHRISTOPHER CASTAGNOLA

Chris came to S.I. from St. Vincent de Paul Grammar School. While an underclassman, he was a member of the C.S.F., track team, and intramural programs. While an upperclassman, his job terminated most of his extracurricular activities. He plans to attend U.S.F. next year and major in Pre-Dentistry or Pre-Pharmacy.

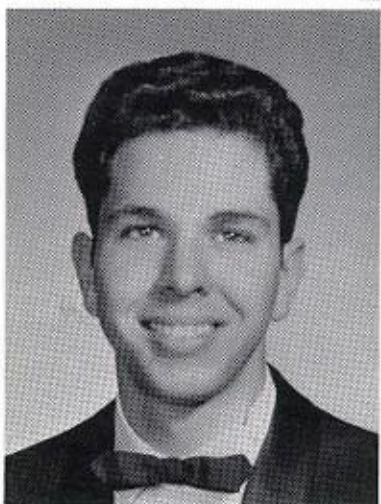

WILLIAM T. BURROWS

Coming to S.I. from the St. Gabriel's, Bill participated in the Forum and '20's Track in his first year. During the next year he ran 30's and stayed with the Forum. Then he branched out to Junior Achievement and was on Varsity Track in his last year. A Chemistry major is next on Bill's list.

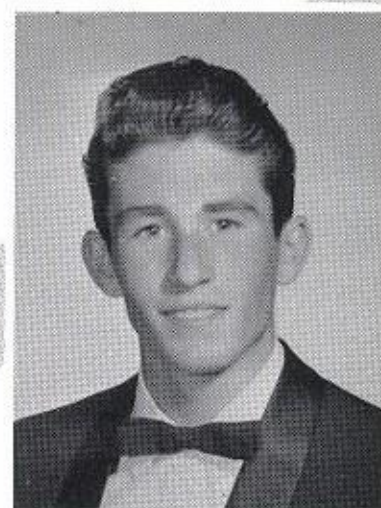

PETER F. CAIN

Likeable Pete and his Dodge Polara Bomb were familiar sights around the school. He was editor of Inside S.I., a Student Council member, a frosh-soph and J.V. baseball player, a Saneman and Sodalist for four years, and a Class Officer for two. Next year, on to U.S.F. for a major in Education.

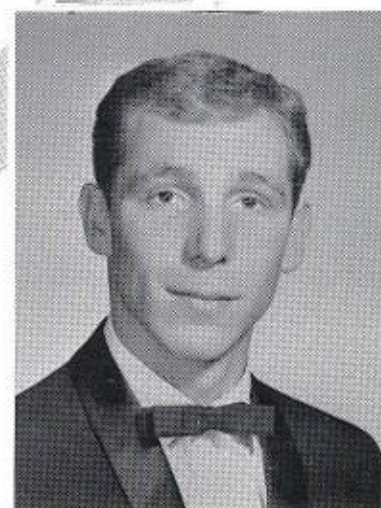

LOUIS CATAFFO

Lou was a member of the Sanc. Society in his freshman year. He has also taken part in activities such as tennis, forum, and the art committee. In his junior year, he appeared in *Billy Budd*. He is planning to go to the University of California and take up Architecture after graduation.

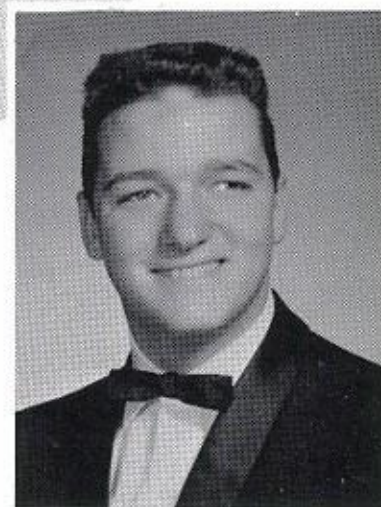

JAMES BURTON

Jim came to S.I. from Borel Junior High of San Mateo. Most of his time was spent participating in sports. He played 112's, 130's, and J.V. Basketball, Soph-Frosh Basketball, and ran Track. Jim was also a member of the Art Committee. Next year it's on to the University of Nevada for Jim.

ANTHONY B. CAREY

Andy had many activities to his credit. He played football in his sophomore year. He was a three-year member of the Dance Committee and Art Committee. He could be seen after school vigorously painting one of his splendid posters that made everybody howl. He could also be seen cheering his team on to victory at S.I. functions.

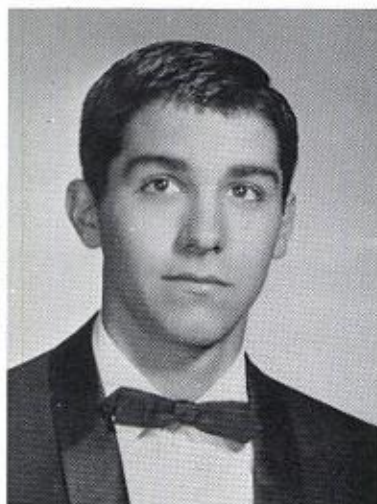

WILLIAM J. CAVALLI

Bill came to S.I. from St. Peter and Paul's grammar school. During his four years at S.I., he was a member of the Sanctuary Society. While a junior, Bill worked with the stage crew for the Musical. He was unable to join any of the activities this year because of his after-school job with the Institute of Chemical Biology. He plans to go to Cal. and enter their Physical Therapy program.

ARTHUR L. CHECCIN

Art, a member of the Block Club for two years, played tennis with all-city form for four years. Always found near the top of the ladder, Art's block was well-deserved. The future holds a Physics or Chemistry major at U.S.F. for Art.

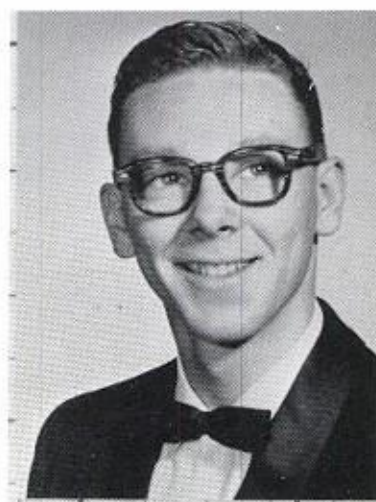

RICHARD L. CLAVERIE

"Rick" came to S.I. from St. Peter and Paul grammar school in North Beach. He played football in his freshman year and basketball in sophomore, junior and senior years. Best known for his abilities on the hardwood, he was All-City in his sophomore and senior years. Rick will be remembered for his pea-green 1950 Ford. He plans to major in English at San Jose State.

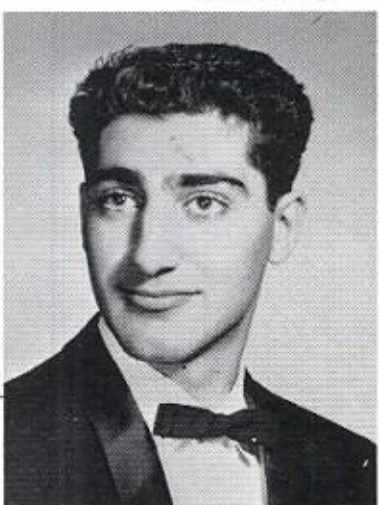

WILLIAM D. CLOWARD

Bill came to S.I. from St. Emydius Grammar school. He played J.V. Football in his second year and Varsity Football in his third and fourth years. He was a 3F Class Officer and loafed the rest of the time.

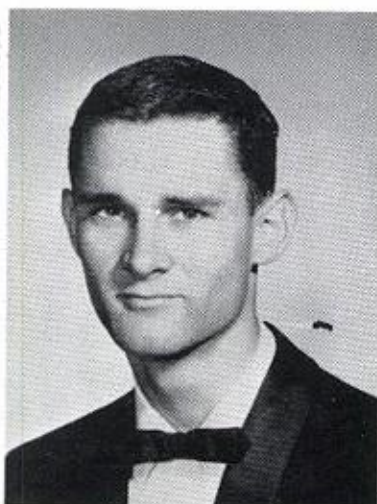

MICHAEL P. COLLINS

Mike graduated and emigrated from St. Philip's parish four years ago. He didn't entirely forsake his native parish, since he was elected president of the teen club in his senior year. At S.I. he wrote for *Inside S.I.* in his sophomore and junior years. He was a four year Sanc member, and three years in the Sodality. Mike plans to go into Pre-Med at U.S.F.

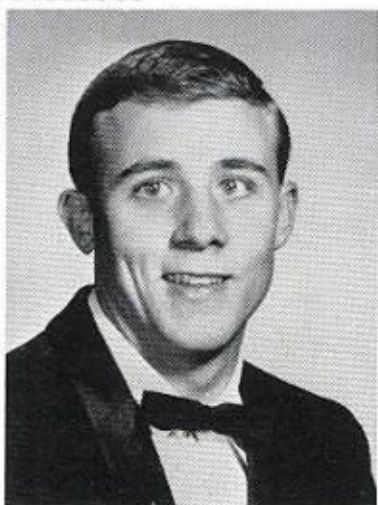

JON M. CONTORINES

Hailing from Star of the Sea, Jon was one of S.I.'s brainier seniors. On C.S.F. and in an honor class, Jon distinguished himself as a scholar. Running track, reporting for *Inside S.I.*, singing for the choir, working since its beginning with the Rocket Club, and taking Advanced Placement were just some of his activities. Next stop may well be Stanford, for Pre-Med.

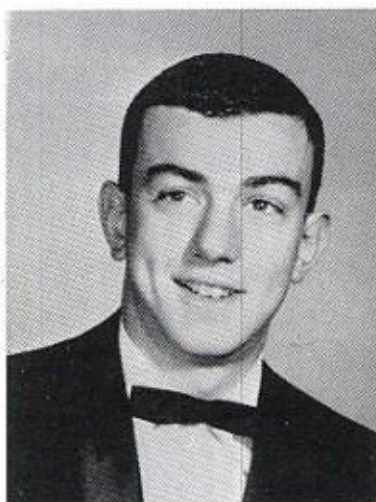

WILLIAM M. COOK

Will was a member of the Block Club and participated in a number of activities at S.I. Besides being in the honor class for two years, he was on the Track and Cross Country Teams, and a member of the *Inside S.I.* staff for two years. He finished second in All-City for the 330 yd. run. He held a part-time job during his four years at S.I.

MICHAEL S. CRONAN

Blue eyed Mike, the biggest little man on the gridiron and on the hardwood, was one of S.I.'s most affable seniors. He was an active member of the Sodality, Sanc, Dance and Rally Committees, and the Block Club. Mike, this year's Varsity Basketball captain, proved his leadership of the team by guiding the team to victory in such cliffhangers as the Mission tilt. Score 45-44. Next year it's U.C. and Business Administration.

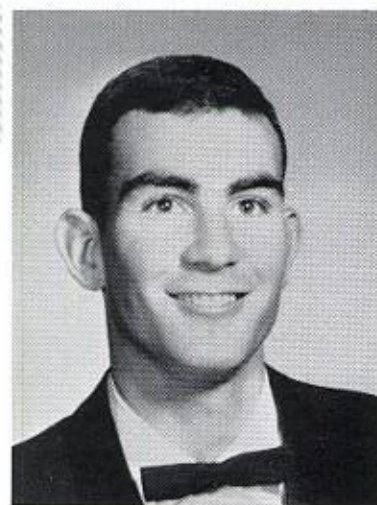

JAMES S. CRONIN

Jim's major activity while he was at S.I. was Basketball. Jim was on the 130's as a junior and the Varsity as a senior. He was on the Art Committee and a member of his Parish Teen Club for four years. He is as yet undecided as to which college he will attend.

PETER J. CUADRA

Pete left the seminary in his sophomore year and entered S.I. at the beginning of his junior year. After a few months of orientation he finally became accustomed to his new environment. Learning of the many activities offered at S.I., he promptly decided to take part in all; but due to the fact that he had an after school job he was unable to participate in any of them, but still he could be seen cheering at all of the games.

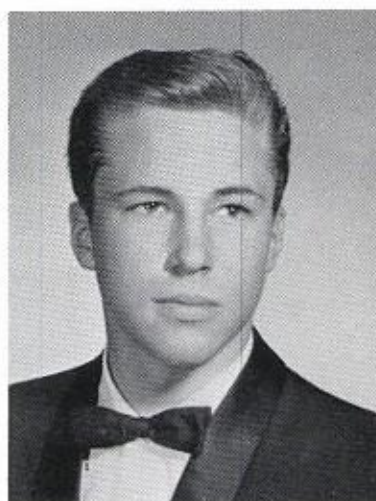

JOHN J. DALY

In his freshman year, he played 120's Basketball and in other years he played Soph-Fresh and J.V. Basketball. During his stay, he participated in all Intramural sports, joined the Sodality, and in his senior year, joined the Dance Committee. He was also a member of C.S.F. one semester. John hopes to attend either U.S.F. or Villanova.

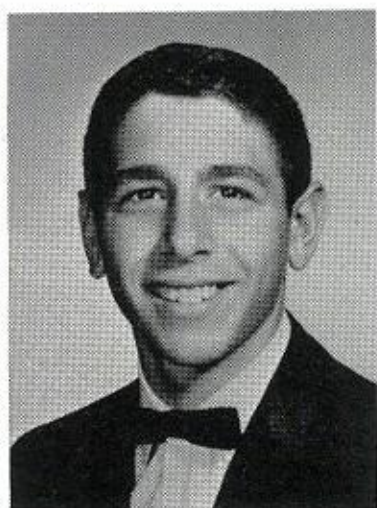

MICHAEL J. DE GENNARO

Mike was one of the host of Ignatians who were officers in their teen clubs. His, St. Michael's, benefited not only from his leadership as president, but from his two-electric-guitar-and-drum band. At S.I. he played football in his sophomore year, and was in "High-Button Shoes." He also brought his combo to S.I. for rallies.

JOHN P. DEKKER

John was a standout pitcher for the Baseball Team — a Varsity player all four years. He played Soph-Fresh Football, and participated in all intramurals. Besides his achievements in athletics, he was a high achiever in academics — a C.S.F. member in his last three years, a member of the Radio Club, the Sanc, the Sodality, and the Science Club. John plans to study Math at U.S.F. next year.

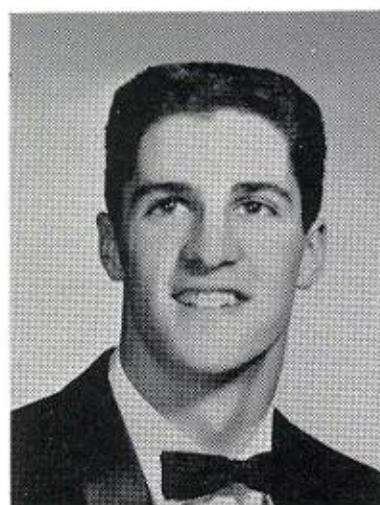

RICHARD E. DEL BONTA

During his early years at S.I., Rick devoted most of his time to the Sanctuary Society, the Track Team, Forum and Tennis Team, but still found time to maintain a solid B average. Rick also participated in dramatics and employed his talent as a lead in last year's musical with a role as the deep-throated Fran. This year he was Student Body Treasurer, and next year he hopes to be a Pre-Med student at Santa Clara.

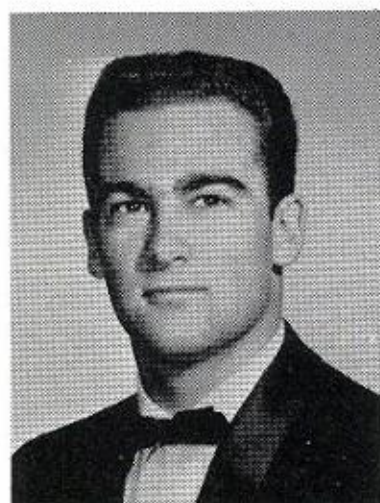

JAMES D. DEVINE

During his four years at S.I. Jim has maintained a high grade-point average in order to permit him to participate in both fall and spring sports. A three-year varsity cross-country veteran and one year member of J.V.'s, he was co-captain of the cross-country team in his senior year. He also ran two years of varsity track. Jim's future plans are pointed toward Gonzaga U. and a law degree.

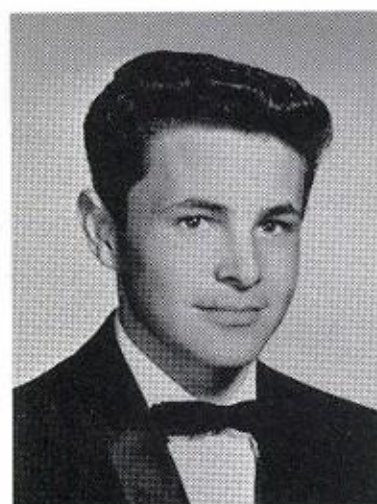

DENNIS K. DEL CARLO

Den came to S.I. from St. Vincent de Paul's. Besides maintaining a B average, Den played Soph-Frosh, J.V., and two years of Varsity Football. A class officer for three years, a member of the Block Club for two, he has also been an officer for his Parish Teen Club as well as participating in their sports program. Medical school is next for Den.

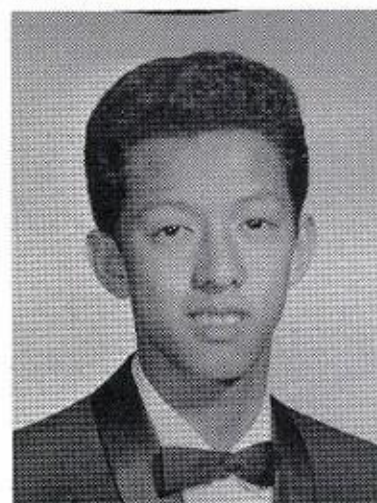

GERALD A. DI FALCO

Jerry came from "down the Peninsula," bringing with him some of the sunshine and easiness that he had lived in. While at S.I., Jerry played a year of Soph-Frosh Football and was a member of the Sodality for three years. As a member of the honor class and Advanced Placement, Jerry did well in his scholastic duties. He plans to go to Santa Clara and take up engineering.

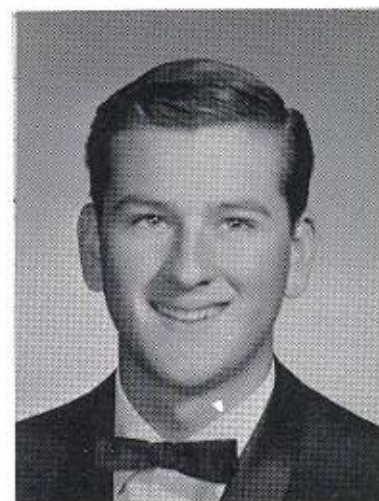

GERARD DE SEGUR

Gerry entered S.I. after graduating from St. Emydius. During his four years at S.I., Gerry was a member of the honor class, C.S.F. and National Honor Society. He was an ardent Sodalist and a member of the Sanctuary Society, Forum and Chess Club; he worked on *Insight and Inside S.I.* As a senior he qualified for Advanced Placement and took courses in college. He intends to study political science at Yale or Georgetown.

SALVADOR M. DI JIAMCO

Sol came from St. Dominic's four years ago and completed a major milestone in his educational career. He has, however, found time to spend on extra activities; the Art Committee, Intramural Basketball, Intramural Softball, and the Sanctuary Society. He has devoted the greater part of his time in the pursuit of intellectual gains.

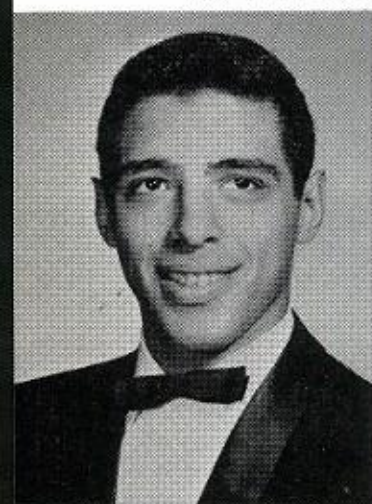

LAWRENCE K. DEVIN

Larry has been at S.I. for four years. He has participated in the Sanc for two years. He played Junior Varsity Football for one year. His academic ability has been fair for four years. He was also a member of the Varsity Track Team in his senior year.

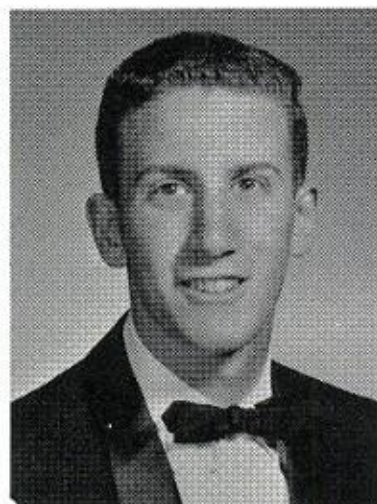

PHILIP DIRICKSON

"Tulsa Phil" came to S.I. in his junior year, still thick with a southern drawl. Immediately turning his natural wit to the aid of the school, Phil broke many a rally into hysterics. A member of both Rally and Dance Committees and a class officer, Phil was one of S.I.'s most popular seniors.

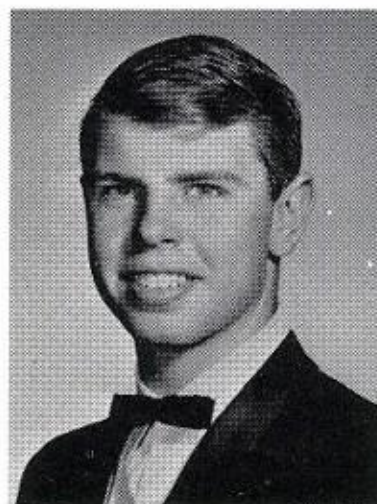

PETER M. DITO

Pete came to Saint Ignatius from St. Michael's. He was in the honor class for three years, participated in Advanced Placement, and was in the Forum. He spoke quite a lot in his first two years at speech tournaments and in his last two years during class. In his spare time he argues with his dad. Pete wants to go to Marquette and major in civil engineering.

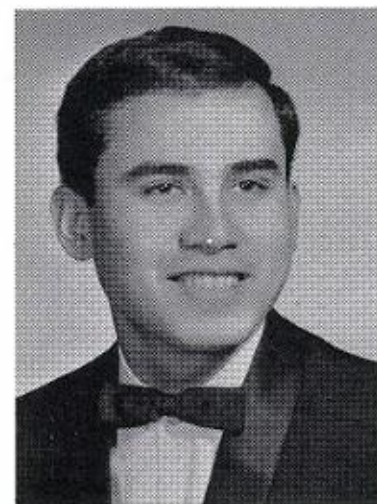

MICHAEL J. DOUGHERTY

Mike, known around the school and the sports world as Dallas, came to S.I. from Saint Monica's Grammar School. He played Soph-Frosh, and J.V. Football, was a member of the 30's track team for two years, and in his senior year ran varsity. He plans to attend either San Jose State or S.F. State College next year and go into the field of Physical Education.

ROBERT J. DRESCHLER

Big "Bo" Dreschler, as he is known in class and on the gridiron, played two years of Varsity Football, and studied in the honor class. He was a Sanc man and was elected to a class officership two years running. Next year it is on to Cal.

RODOLFO DUTERTE

Rudy was the head cheerleader at S.I., and he put everything into it. He played 130's basketball for three years and J.V. football in his sophomore year. In school Rudy was liked by the guys who knew him. He never did anything to hurt anyone in anyway, and was always cheerful to everyone he met. Rudy is a true S.I. student.

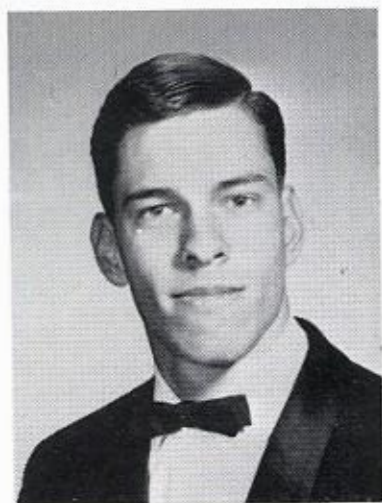

PATRICK E. DWYER

Pat plans to study journalism next year at Antioch. He will bring with him two years of experience writing for *Inside S.I.* and, of course, the excellent education from S.I.'s English Department. Apart from journalism, he was on the stage crew for both play and musical in his first two years, a class officer as a freshman, active in the Art and Dance Committees and a regular in intramurals.

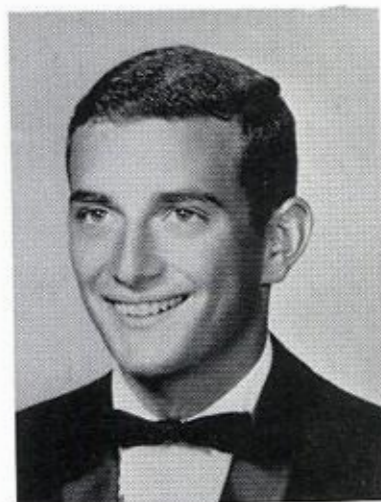

JOSEPH T. ELSBERND

While at S.I., Joe was active in the Sanc Society for four years and was a Sanc officer in his junior year. He also participated in Track, Cross Country, Inside S.I., the school play, and the musicale. Outside the school, Joe served as president and vice-president during his three years in Junior Achievement. Next year he hopes to head for U.S.F. and a degree in law.

LARRY A. ELSENER

Larry started his activities at S.I. as a member of the J.V. Baseball Team. He was a three-year member of the honor class. In his junior and senior years he participated in Dramatics; and he inspired the forming of the Rocket Club, of which he was the president for two years. Larry plans to attend Purdue University and pursue rocketry while majoring in chemistry.

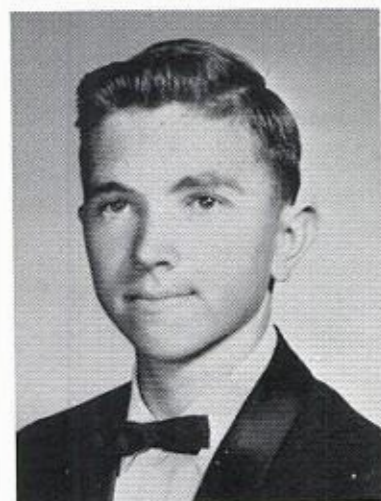

DAVID G. EPSTEIN

Dave came to S.I. this year from Saratoga High where he played football for two years and participated in several other activities. While at S.I. he devoted himself to studies but still found time for the Dance, Art, and Rally Committees and the Swimming Team. Next year he plans to go to Menlo College and hopes then to continue to the University of Arizona.

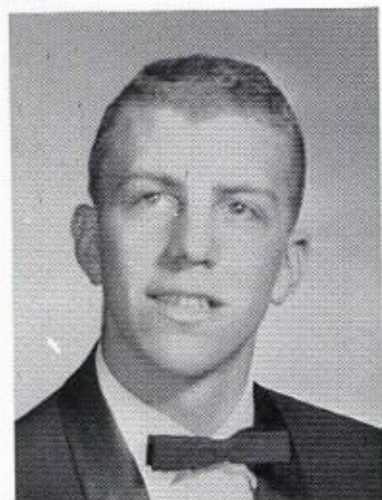

RAYMOND A. FABIE

Ray, a likeable guy, who joined the S.I. ranks in his sophomore year, was placed in the honor class; and he remained there for two and a half years. Ray, a quiet one with the S.I. spirit in his veins, plans to attend Santa Clara and major in Liberal Arts.

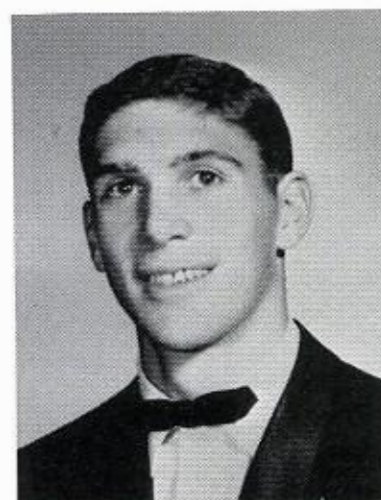

RAYMOND A. FARREN

Ray entered S.I. from Holy Name Grammar School. During his four-year stay, he participated in various school activities, such as the Art and Rally Committees, and was active in intramurals. Besides holding down a B average, Ray always had time to add a bit of humor to the class day. After graduation he plans to go on to college and major in Liberal Arts.

WILLIAM V. FERREE

Bill came from Holy Redeemer Grammar School and admits being a "Valley" boy. He was a participant in many activities, including the Sanc Society, 20's, J.V.'s, 30's, and Varsity Basketball, Varsity Baseball, and J.V. Football. He was a class officer all four years. Bill plans to attend San Jose State after graduation.

CHRISTOPHER B. FERRIGNO

Chris was an outstanding senior known for his abilities in track and basketball. Although he was not a member of the Art Committee, his closer friends called him "Rembrandt" for short. He was in the C.S.F. for two semesters. In Track he was All-City for the 880, discus, and shot put. Chris was a true example for future track members to follow.

PATRICK J. FORD

Pat came to S.I. from St. James Grammar School and was one of the quietest in his class. He was a member of the Sanctuary Society for three years and the Track Team for two years. When he graduates, he hopes to further his education but is not sure of which college he will attend.

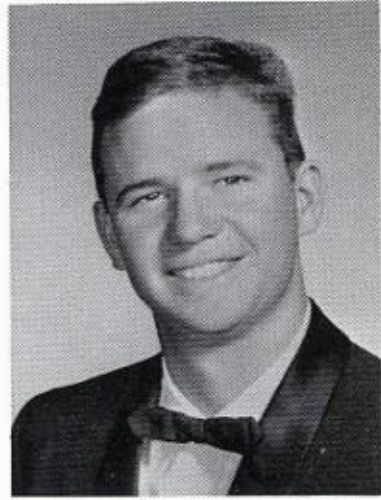

LORIN L. FRENCH

One of the truly outstanding seniors, Lee participated in two musicals, the Block Club, Dance Committee, C.S.F. and the National Honor Society, the Sanc, Sodality, and his parish teen club. He played four years of football and was an outstanding intramuralist. Lee was always the shining example of a Christian gentleman and an ideal Ignatian.

JAMES FRY

Jim came from Star of the Sea Grammar School. At S.I. Jim participated in many activities including Track, Cross Country, Intramurals, and the Dance Committee. He plans to attend college and further his education, but is undecided as to which college he will attend.

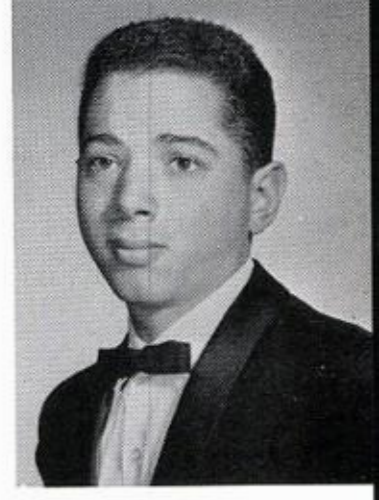

THOMAS W. GALVIN

Tom came to S.I. from St. Philip's Grammar School in 1959. As a freshman, he ran track; as a junior, he roamed the outfield for the J.V. baseball team. In his senior year, he played Varsity Baseball. He was in the Sanc for four years, and was an active intramural participant. Next, Tom will be attending classes at either San Francisco or U.S.F.

JOSEPH L. GANNON

Leo Gannon, the red-headed Irishman from St. Gabriel's parish, had a full life while at St. Ignatius. During his first two years he participated on the cross-country team and the regular track team. He also found time for the Sanctuary Society, where he was a four-year member. In his freshman year he was a runner-up in the frosh elocution contest. Next year Loyola will find Leo taking pre-medical courses.

CLIFFORD P. GARCIA

A graduate of St. Gabriel's, Cliff has held an after-school job for his four years here at S.I. In spite of this, he has found time to participate in Junior Achievement for three years as well as his parish club for the same number of years. Although restricted to basketball intramurals as far as sports is concerned, Cliff has excelled in his studies, maintaining a B average all four years. He intends to pursue a religious vocation.

PETER V. GARLAND

Pete came to the Hilltop from Ireland via New York, entering S.I. as a sophomore. He excelled in dramatics, portraying Yum Yum in *The Mikado* and participating in the Dramatics Arts Contest. Pete was also active in the glee club and the Forum. His intramural activities were highlighted by his fine playing at shortstop.

KENT J. GIANNINI

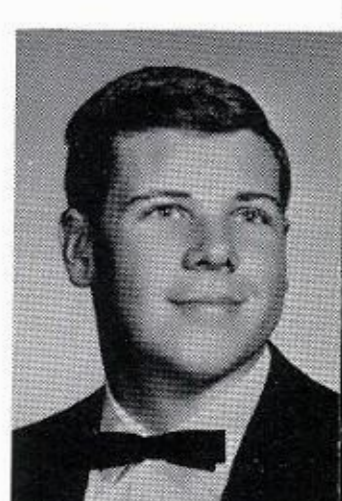

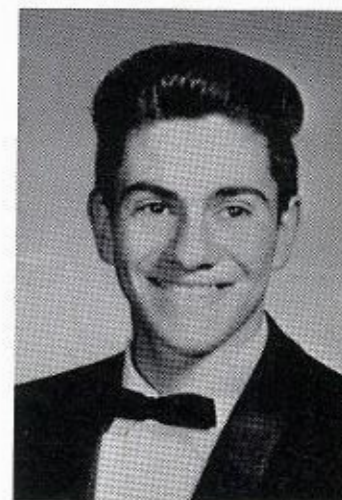

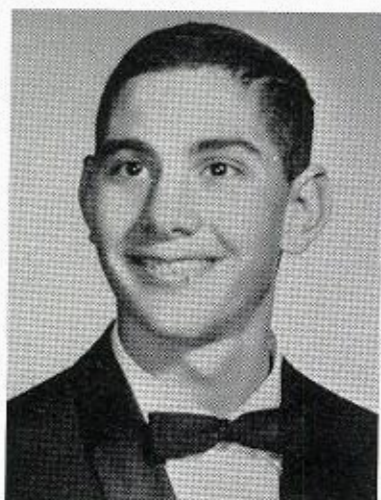

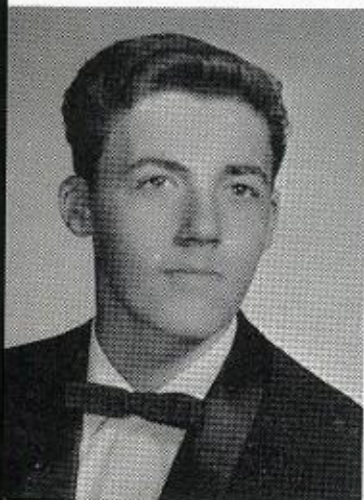

Kent came to S.I. from St. Vincent's Grammar School. While he was at S.I., he devoted his talents to the art, rally, and dance committees and maintained a B average throughout most of his four years. After graduation, Kent plans to enter the University of San Francisco and then the University of California or Stanford for graduate work. He will work for a major in anthropology.

ROGER M. GILLARD

Rog came to S.I. from Saint James Grammar School, and although he was not very active in activities, he got his two cents in belonging to the Sanctuary Society for three years and the track team for one. He was an easy-going lad, full of fun, and gave the class its kicks every year. A middleweight scholar, he hopes to advance his knowledge via college.

JOHN B. GIRARDE

Coming to S.I. from All Hallows', John has been a member of the Sanc for four years and a member of the Forum for two years. Participating in the Silver Medal Debate and a runner-up in the Frosh Elocution contest, he was also a member of the Camera Club. U.S.F. and pre-dentistry are the goals for John.

But why me?

MICHAEL H. GNECCO

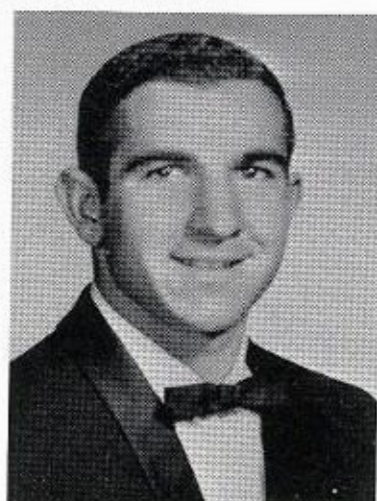

Mike came to S.I. from Holy Name parish. He played Soph-Frosh and Varsity baseball, and was a member of the C.S.F. for one year. Work during junior and senior years kept him from many school activities. Mike plans to attend U.S.F. and take Business Administration.

JOSEPH A. GORDON

Joe came to S.I. from Daly City. During his four-year stay on the hilltop he has maintained a steady B+ average. His activities include: 3 years in the Sanc Society, 3 years Sodality, 2 years *Inside S.I.*, Spring Musical, C.S.F. and he received the Fox Religion Medal in his sophomore year.

JOSEPH A. GUALCO

Joe came from Everett Jr. High School. He entered S.I. in his sophomore year and quickly adopted the new surroundings. He held a good grade average and excelled in varsity baseball in his three years at S.I. Joe was an All-City pitcher in his junior and senior years. He was also a member of the block club for two years.

**PAUL J. HANLEY**

Coming from St. Vincent's Seminary in his sophomore year, Paul soon began to make his presence known in the Sanc, Dramatics, Forum, *Inside S.I.*, the Ignatian, track team, Sodality, the choir, as he reached the peak of his success in *High Button Shoes* for which he will be long remembered as the hilarious Mr. Pontdue. After graduating, Paul plans to attend S.F. State where he will major in English and dramatics. It can truly be said that Paul was a model of S.I. spirit, and after he leaves, these walls will still ring out, "I'll take two."

DANIEL HANSEN

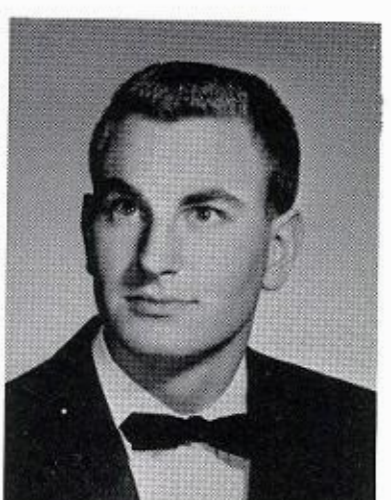

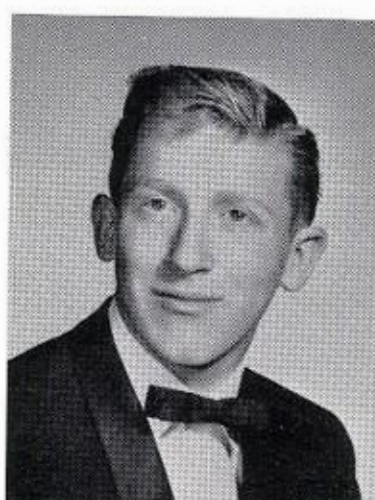

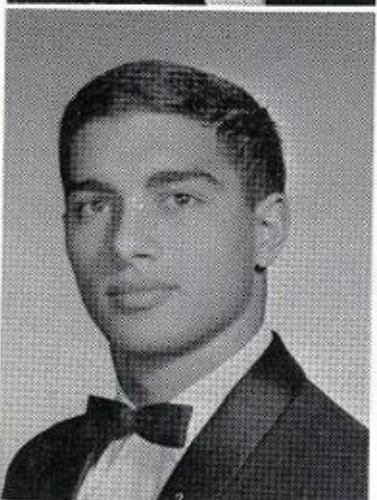

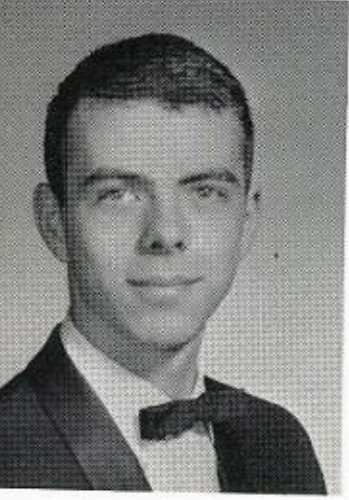

Dan was a member of the Sanc in his freshman year; he also played football, and swam for the swimming team. He was active in the Camera Club and also in the intramural program. He is as yet undecided as to which college he will attend.

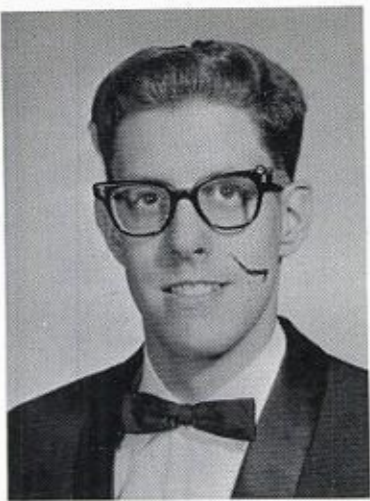

MICHAEL D. HANDLOS

After a rough freshman year, Mike found himself in the honor class. He was a member of the Sanc for four years, and for two years Mike was a member of the C.S.F. Mike has always been there when someone needed help. Says Mike, "I came with money and left with an education."

ROGER GUIDI

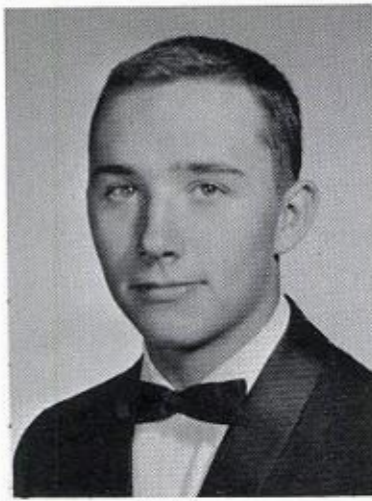

Roger came to S.I. from Sts. Peter and Paul Grammar School. During his four years on the swimming team, he helped to lead three consecutive light-weight teams to All-City Championships. Swimming was not his only interest. He was also on the Rally, Dance, and Art Committees, and was a member of the Rocket Club. Despite his many activities, he managed to hold a "B" average. Next year he plans to go on to Cal and study geology.

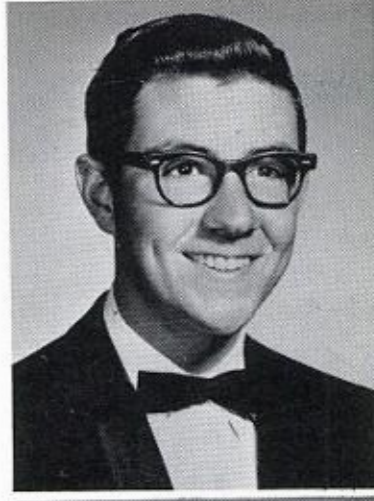

ROBERT D. HANSEN

Bob, although holding down a part-time job, managed to participate in both soccer and the Sodality for three years, the track team for two and track intramurals for two. U.S.F. is next in line for Bob.

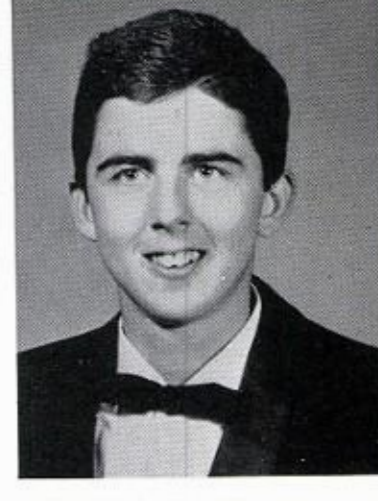

KIRK E. HARDIMAN

Kirk Hardiman came to S.I. from St. Brendan's Grammar School. He was fair in his studies and for many years was seen picking up the absentee slips. He participated in Block Club, Dance and Rally Committees, the Sanc for two years, and the Sodality. He was also a member of the basketball team for three years, swimming for four years, and played intramurals. He serves Mass regularly at St. Mary's Hospital and plans to attend the University of California to major in medicine.

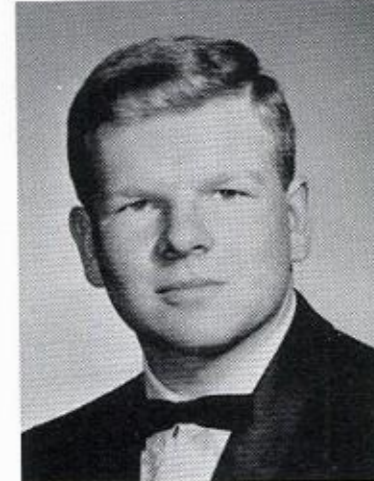

EDWIN B. HARRIS

After placing first in the 1961 Dramatics Art Contest, "Julius" put his talents to good use in the S.I. productions of **BILLY BUDD** and **JULIUS CAESAR**. He was a four-year member of the swimming team and was an active three-year Sodality man. On the academic side, he was an honor class member and a Life Member of the C.S.F. and the National Honor Society. College in the East is Ed's plan for the future.

PATRICK G. HEDDEN

Pat came to S.I. from Star of the Sea Grammar School. He played basketball in his freshman year. Since then his job after school has curtailed his extracurricular activities. He participated in basketball and baseball intramurals in his third and fourth years. He plans to go on to social-science at City College.

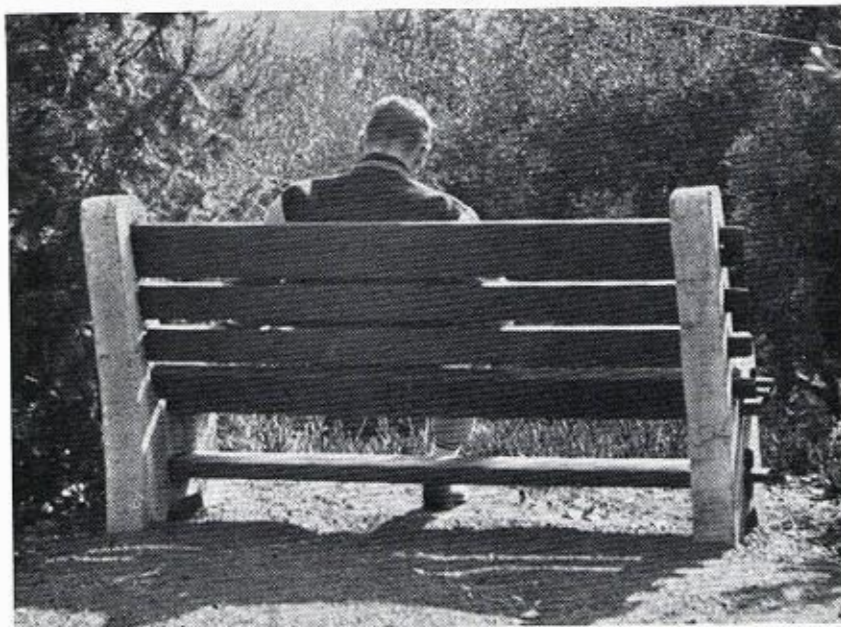

THOMAS L. HICKMAN

Tom, an *Inside SI'er*, was one of the lucky boys who studied Greek at S.I. Off campus he participated in the splendors of art, music, and tennis. Tom plans to attend U.S.F. and major in philosophy.

RICHARD A. HINES

Rich "JFK" was quite a student at S.I. He maintained A's and B's throughout his four years, and he was a member of the C.S.F. for three years. Rich was a member of the Sanc for four years, and he played one year of light-weight basketball. Good-natured and fun-loving, Rich plans to take up liberal arts in college.

Relaxation on Retreat

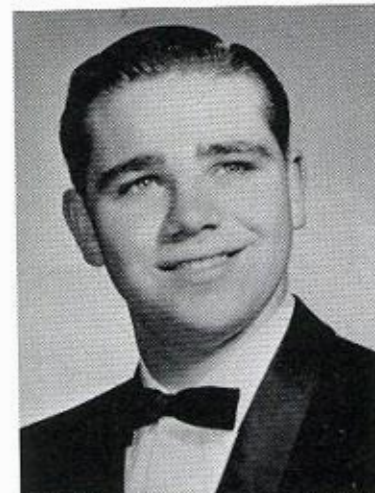

KEITH A. JOHNSON

A graduate from St. Anne's Grammar School, he was one of the bright young prospects eager to succeed. Playing Soph-Frosh baseball in his first two years, he was also an avid intramural participant. A member of the honor class, he wishes to attend Seattle University as a major in finance, since he has a good background in holding an afternoon job for two years.

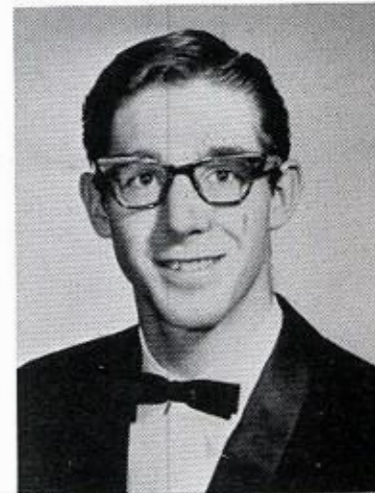

RUSSELL C. JOHNSON

Russ came to S.I. from St. Cecilia's. While at S.I. Russ played a year of baseball and participated ardently in intramural athletics throughout his stay here. He was a registry class officer for two years and was a member of the Rally, Art and Dance Committees. Russ plans to further his education at San Jose State next semester.

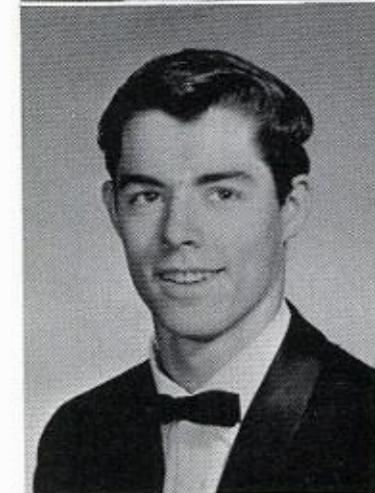

JOHN P. HORGAN

John came to S.I. from St. Michael's. Although he was unable to participate in competitive sports, he was able to play intramurals. John hopes to go on to law at either U.S.F. or City College.

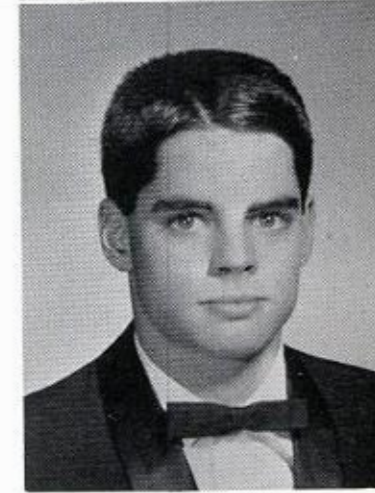

RICHARD M. HOWELLS

Rich graduated from Saint Paul's Grammar School. He participated in cross-country track in his sophomore year, but for the most part, he concentrated on his studies, ending up in the honor class in his senior year. His plans for the future are as yet undecided.

LEO P. JONES

During his four years as a student at S.I., Leo has been active in swimming for a year, Math Club for one year and softball intramurals. He also participated in the Sanctuary Society during his freshman and sophomore years. Leo plans to attend San Diego State and attend the business school.

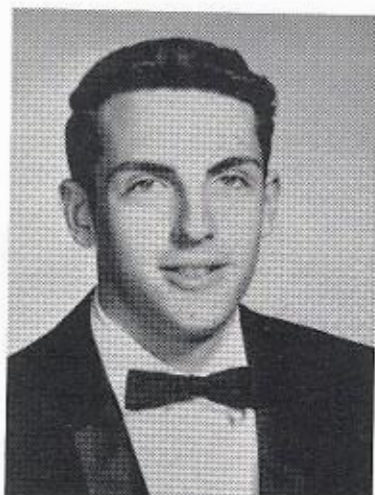

JOHN J. KEANE

John was a registry class officer in his sophomore, junior, and senior years. He played lightweight basketball, ran cross-country, and played on two championship football teams, including this year's varsity; he was also in this year's musical and treasurer of St. Anne's Teen Club. Next year will find John at S.F. State or U.S.F.

PATRICK J. KEARNS

Pat Kearns was the boy everybody borrowed cigarettes from. No matter where he was, Pat was always ready to give cigarettes away. Because of this, Pat was well liked by all of the boys in his class. When he wasn't giving away cigarettes, Pat worked for the Sodality and the yearbook. He always participated in intramural athletics. Pat hopes to go to Santa Clara and get his degree in engineering.

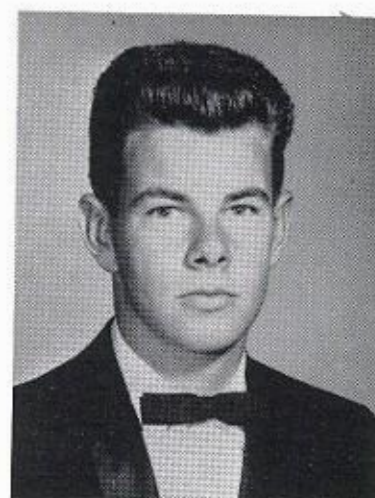

WILLIAM KENNEDY

"Mike" came to S.I. from Mission Dolores Grammar School. He joined the Sanctuary Society in his sophomore year but an after-school job prevented him from joining other extracurricular activities. His very loyal support helped functions which he attended. Upon graduation, he plans to attend Cal at Davis to study veterinary medicine.

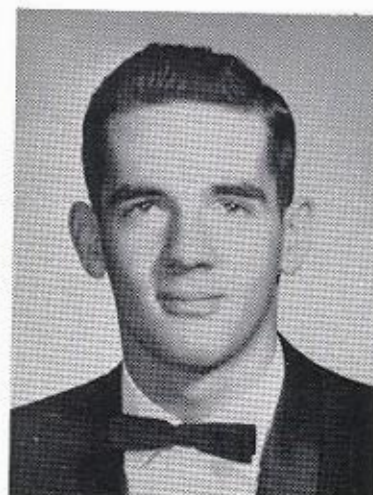

ROBERT D. KEEFFE

Bob came from St. Thomas Moore Grammar School. During his four years at S.I., he has been on the swimming and golf team. He has been a member of the Sodality and the Sanctuary Society. He plans to go to University of California at Santa Barbara to study pre-dentistry.

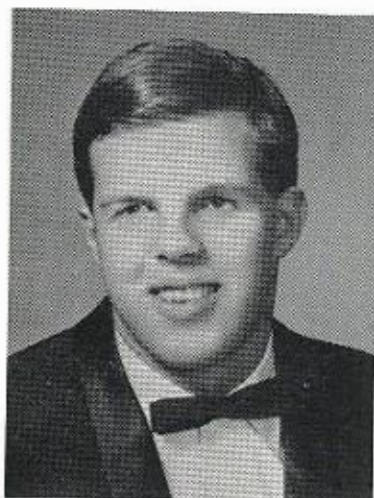

JOHN L. KEATING

Jack came to S.I. to receive an education. He says he put much in but has got quite a bit out of it. He was interested in sports, but he didn't accomplish much. He says that he would like to go to U.S.F. and major in accounting. He has a tremendous interest in the field of arithmetic.

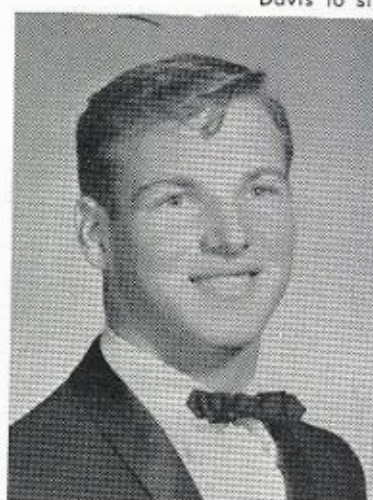

THOMAS J. KENNEDY

Tom came to S.I. from St. Cecilia's. He played Soph-Fresh football as a freshman and graduated to the varsity where he remained for the next three years. Tom was also captain of the football team in his senior year, and was placed on the All-City and All-Northern California teams. He made the Block Club in his sophomore year and became president of the Block Club in his senior year. He was an officer for his class as well as his year. Tom's college plans are undecided for the moment.

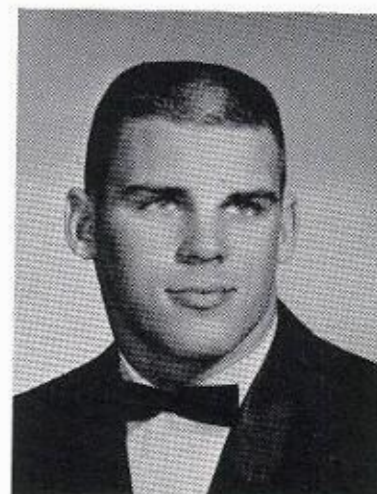

RICHARD L. KELLER

Rich came to S.I. from St. Vincent de Paul where he was an active participant in school activities. He played football for his first two years. Rich played golf and was on the swimming team. He participated in the Sanc and the Sodality. He was also a member of the Rally Committee in his senior year. Rich plans to attend Santa Clara or California and major in liberal arts.

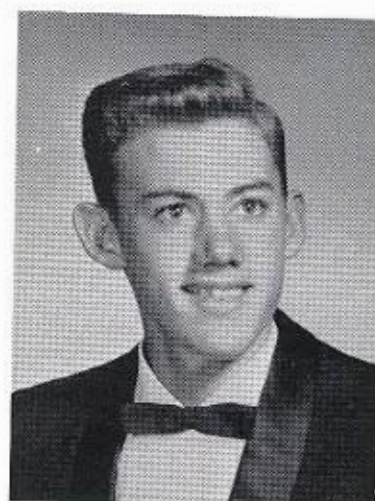

WILLIAM J. KELLY

Bill came from Epiphany and was Intramural representative of his freshman class. During his sophomore year Bill played Soph-Fresh football. He participated in C.Y.O. athletics and in the C.Y.O. Drama Festival, as well as other dramatic productions. During his last two years he was required to work, thus limiting his free time. Bill's college is undecided, but he wishes to study medicine.

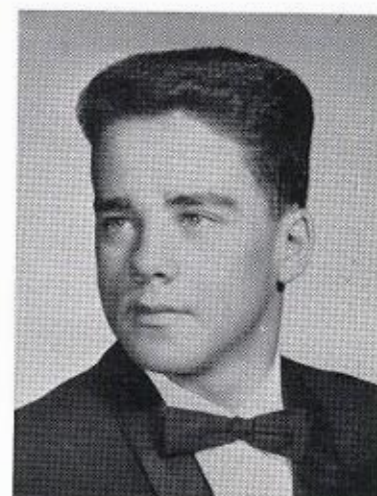

DAVID F. KERLEY

Coming to S.I. from St. Cecilia's, Dave quickly took an active part in sports by becoming a member of the cross-country team during his freshman and sophomore years. He also participated in 120's and 130's track. While a junior, Dave was a part of the stage crew for the school musical.

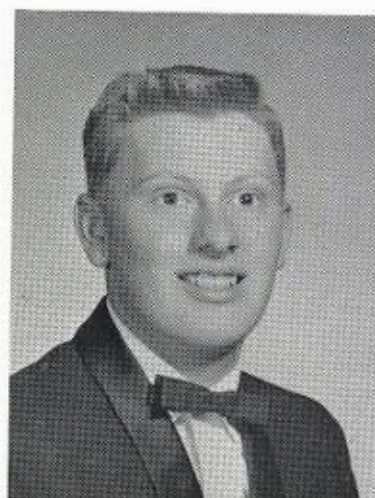

JAMES V. KINAVEY

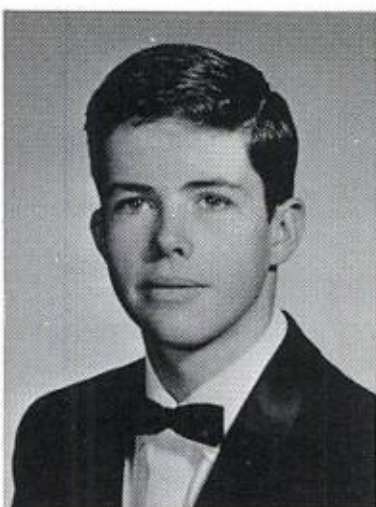

Jim came to S.I. from St. Cecilia's Grammar School. Maintaining good grades while working at a part-time job, he has participated in intramural sports as well as giving support to any class activity. After graduating Jim plans to attend San Francisco State, majoring in history or English.

RICHARD E. KESSELL

Rich came to S.I. from St. Peter's Grammar School. In his second year, he was in J.A. and was vice-president of his company. He played Soph-Fresh football the same year, and he was in the Science Club as a junior, but a job in his senior year prevented further extracurricular activities. Rich plans to take up pre-pharmacy at U.S.F. next year.

COLIN M. KING

Colin came to S.I. from St. Anne's Grammar School. He is a member of the Patrician Teen Club. In his first year at S.I. he was a member of the Dance Committee, and in his second year he was on the Rally Committee. After graduation he plans to attend college and major in liberal arts. As to which particular college he will attend, he is undecided.

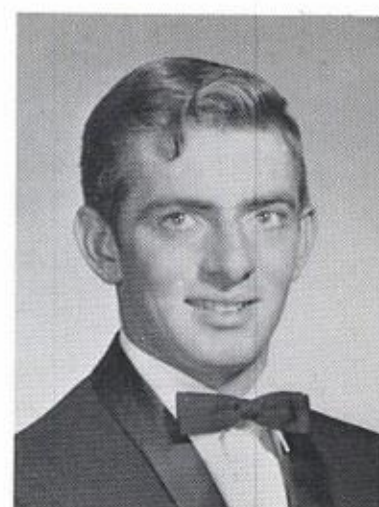

JOHN J. KIRBY

John came to S.I. from St. Anne's parish. Due to a job, John was unable to partake in any extra activities. He could always be seen hurrying by school in his '55 T-Bird. He plans to attend U.S.F. next year where he will take a pre-dental course.

MICHAEL J. KOBERLE

Mike's moved quite a bit—from La Salle back east, to St. Monica's in L.A. in his sophomore and junior years, and finally to Saint Ignatius in his senior year. Ineligible for athletics, Mike joined the Art Club at S.I. Previously he had made his mark in football and the Block Club at St. Monica's, also participating in dramatics and Junior Achievement. At La Salle, he played tennis and worked on the yearbook. Mike plans to study science at Gonzaga next year.

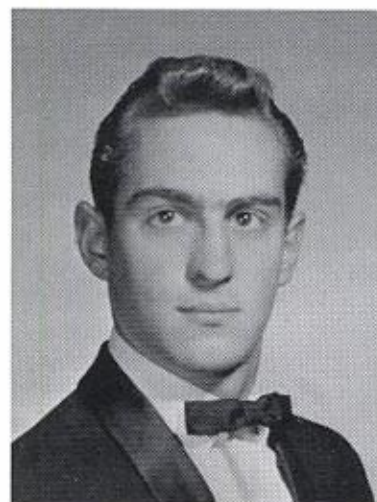

JAMES W. KOSTER

Jim came from St. Anne's Grammar School, and for the first two years was in the Sanctuary Society and wrote for his class paper. He plans to go to college and take an electrical technician course. He also was interested in sports, but he was limited by an after-school job.

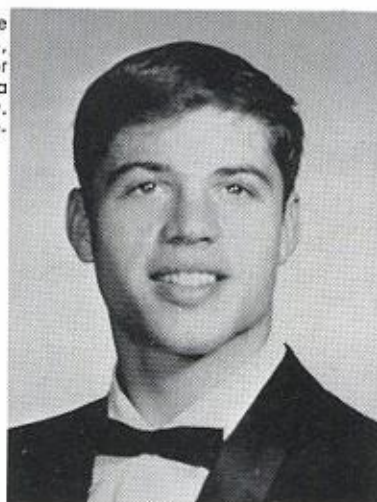

MARINKO KRALJEVIC

Marinko, born in Yugoslavia, came to the United States two years ago, and completed his junior and senior years at S.I. At S.I. he was a member of the Sanctuary Society. He plans to study for the priesthood after graduation.

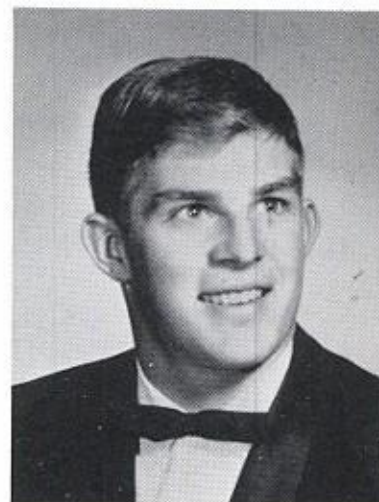

TERRY M. KRSTOFIAK

Terry came to S.I. from Most Holy Redeemer Parish. While at S.I. he was a member of the Block Club for two years and an All-City swimmer for four years. Terry plans to attend State College where he hopes to major in Forestry.

GILBERT J. KUHN

Gil has played 112's basketball and two years of J.V.'s. He had been in the Sanctuary Society for a year. Through all four years, he has played intramurals—football, basketball and baseball. He has participated in the spring musical—*High Button Shoes*, and the play—*Julius Caesar*. He was vice-president of his registry class as a senior and activity rep. for one year. He has been in the Sodality off and on for three years.

STEVEN LOVETTE

Steve has led a very active life at S.I., building from class and year presidents to president of the student body. His activity was not limited to politics though, for he played three years of Varsity football and ran hurdles in track. Through all this he kept honor class grades, became a life member of the C.S.F. and was in the National Honor Society.

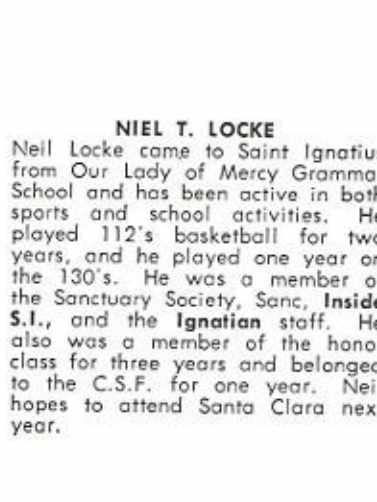

RUDOLPH G. LABRADO

Rudy came to S.I. from Most Holy Redeemer Grammar School. Playing on the J.V. football squad for one year and two years on the Varsity team, he was chosen as an All-City player in his senior year. President of his Parish Teen Club and a member of the Block Club, he participated in the school musical in his junior and senior years. Rudy plans to go to State College and pursue a career in electronics.

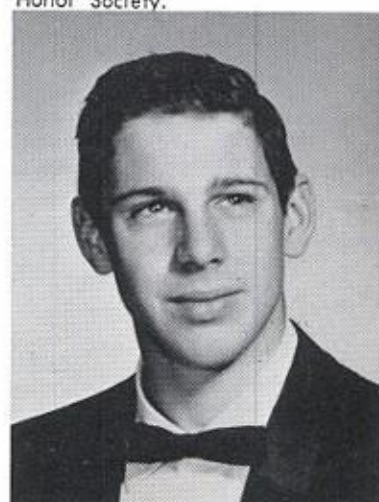

DAVID R. LEONE

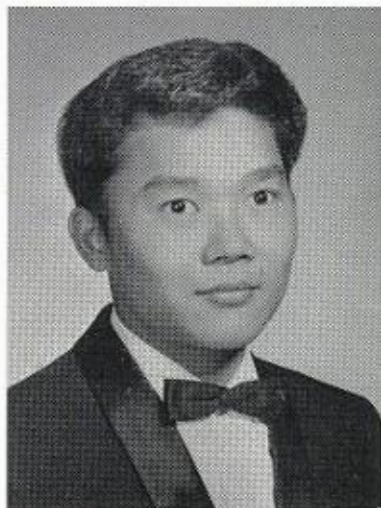

David Leone came to S.I. from St. Joseph's Grammar School in Berkeley. He was a member of the Sanc for four years and the Sodality for three years. He has been in the school musical for the past three years. During his freshman year he managed the J.V. football team, and he was out for track during all four years.

NIEL T. LOCKE

Neil Locke came to Saint Ignatius from Our Lady of Mercy Grammar School and has been active in both sports and school activities. He played 112's basketball for two years, and he played one year on the 130's. He was a member of the Sanctuary Society, Sanc, Inside S.I., and the Ignatius staff. He also was a member of the honor class for three years and belonged to the C.S.F. for one year. Neil hopes to attend Santa Clara next year.

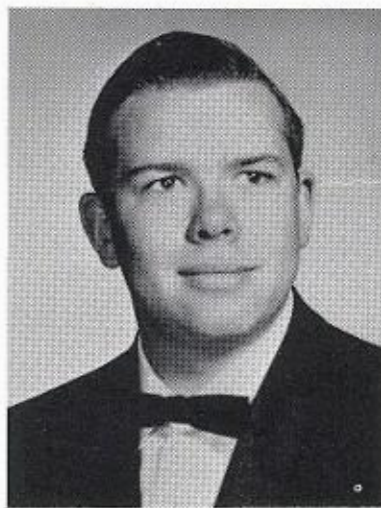

**DAVID LEE**

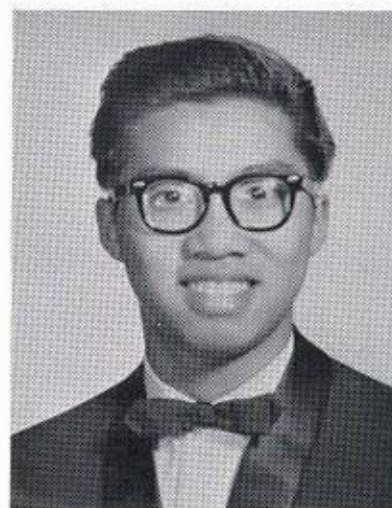

Although Dave only came to S.I. and America in 1962, David tried his best to do well in school. Originating from Burma, Dave found our language very difficult to master in one week. Dave was so busy becoming acclimated to the U.S.A. that he had little time on his hands, but he still found time to swim as a senior.

JERROLD LONDON

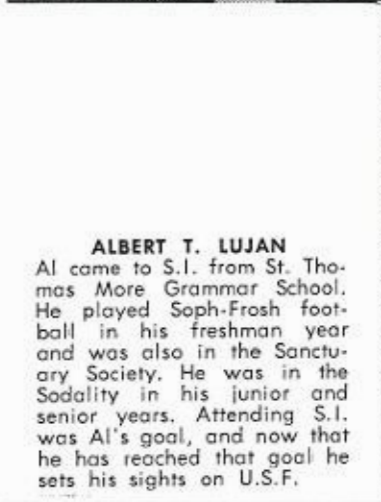

Jerry has been active in the Forum ever since he came to S.I. in his freshman year. As a sophomore, he worked for *Inside S.I.*, and in his senior year he joined the Science Club. Jerry's main love at S.I., however, was debating. He was in the Advanced Placement Program. He plans to continue his studies in college majoring in Law or Medicine.

**STEPHEN R. LOW**

Steve was in the Sanc for four years and was in the Math and Science Club for a year. Although he didn't play any school sports, he kept busy with swimming, pool, tennis, and bowling. His plans for the future are to attend the University of California.

**LEONARD J. MADRID**

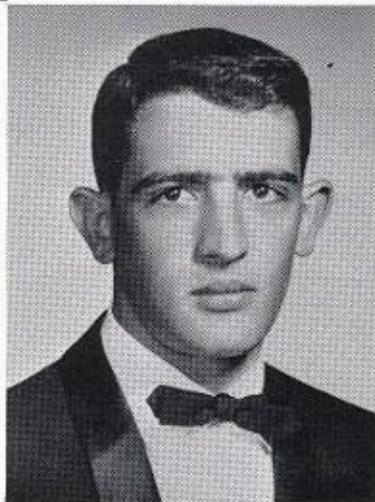

While attending S.I., Len has been a class officer during his first and third years, and a year officer in all except his junior year. He was a member of the Sanc for three years, and participated in the school play in his junior year. As far as sports are concerned, he played Fresh-Soph baseball, Fresh-Soph football, and J.V. football. He was on the circulation department of *Inside S.I.* in his junior year, and Rally and Dance Committee for his junior and senior years. He is presently the head of the Rally Committee and a member of the Student Council. He plans to attend S.F. State in the fall.

**ALBERT T. LUJAN**

Al came to S.I. from St. Thomas More Grammar School. He played Soph-Fresh football in his freshman year and was also in the Sanctuary Society. He was in the Sodality in his junior and senior years. Attending S.I. was Al's goal, and now that he has reached that goal he sets his sights on U.S.F.

**JAMES W. LYNCH**

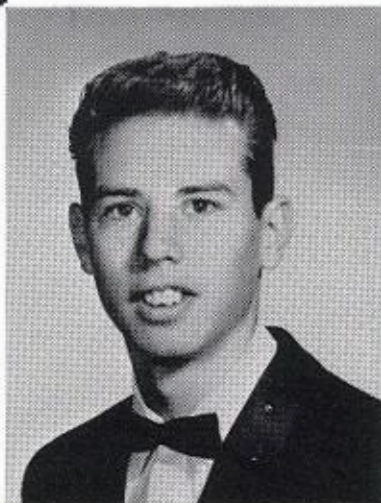

Jim was a member of the Sanc for two years and of the Sodality for three. He was on the track team for three years and was a cross country finalist twice. He boasts a B-average for most of his four years. He hopes to attend Santa Clara and major in engineering.

**BRIAN G. MACDONALD**

Brian was a member of the golf team for four years and a member of the cross country team in his senior year. He was a member of the honor class and a member of the Sanc for two years. He contributed his talents to dramatics as a cast member of *BILLY BUDD* and publicity committeeman for *HIGH BUT-TON SHOES*.

**DAVID C. MADER**

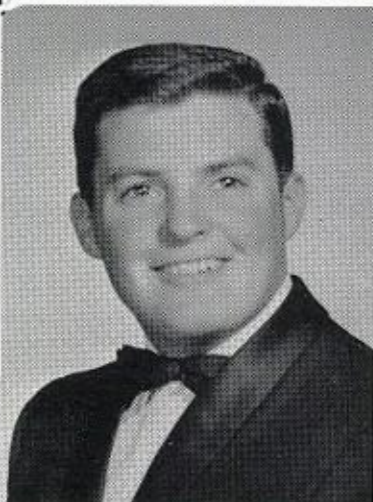

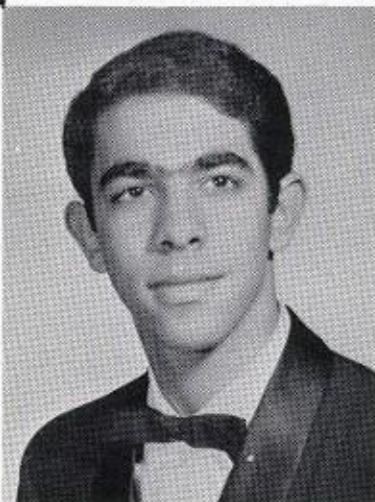

Dave, a quiet guy, had an after-school job. Because of this, he did not have time to participate in many activities; but he could be found always giving his all for his school. This loyal Ignatian will next go on to Santa Clara for engineering.

**THOMAS E. MAGUIRE**

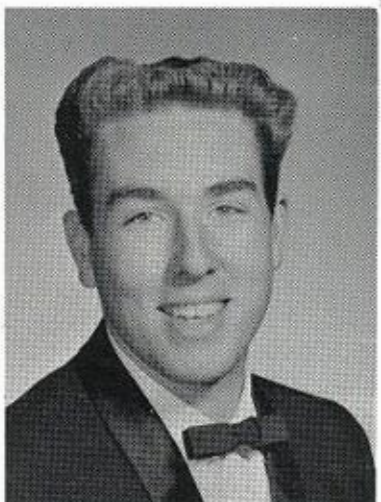

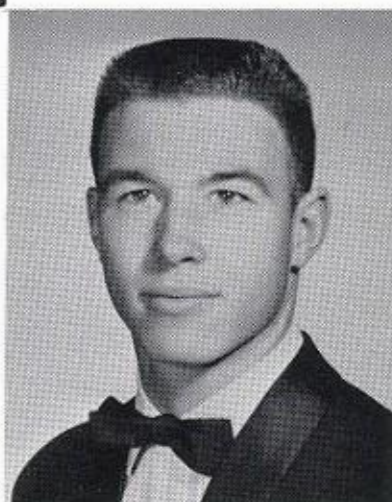

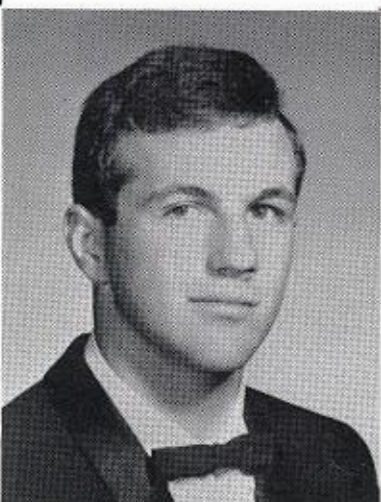

Throughout his four years at S.I. Tom was a loyal member of the Sanc. He was a three-year veteran of the swimming team, and an All-City swimmer. Tom was a member of the Block Club, and in his senior year on the Rally and Dance Committees. Next year Tom plans on attending Santa Clara to study liberal arts or the sciences.

**RICHARD P. MALLAMO**

Although unable to participate in sports, Rich was one of S.I.'s most loyal supporters at all games. He possessed a fine voice and a wonderful talent on the guitar, and occasionally served S.I. at rallies and in the band room. Most of his time was spent around his parish where he served as president of the St. Brigid Teen Club. He also served on the Teen-Hi Board.

**GEORGE R. MAGILL****EUGENE F. MAHER**

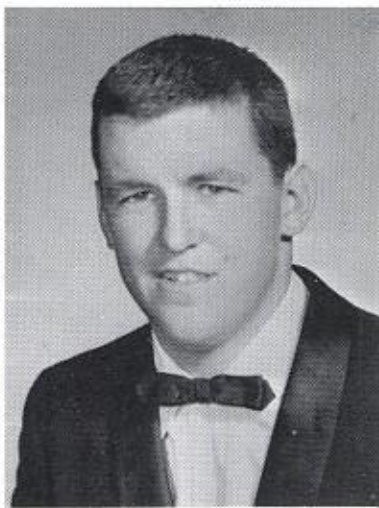

As a sophomore Gene played J.V. football until he was injured. He played varsity tackle in his junior and senior years. He made the first club senior year. On the track team, he ran the high hurdles and the 220. He was a member of the Block Club, and officer of his class, 4A. He played intramural basketball and baseball all four years.

**FRANCIS MAHONEY**

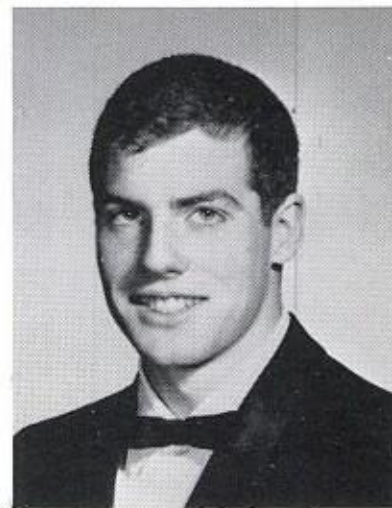

RICHARD J. MANGAN
In his four years at S.I., Rich Mangan has been one of S.I.'s most loyal rooters and ardent supporters. Rich plans to attend Davis and study forestry in the near future. He has been a member of the Sanc for four years.

THOMAS P. MANNING
Tom came to S.I. from St. Joseph College in the middle of his junior year. At the seminary he participated in athletic events and other activities. He participated in football intramurals. Tom was also a member of the Sodality, along with other activities. Next year he plans to go on to liberal arts at U.S.F. or Santa Clara.

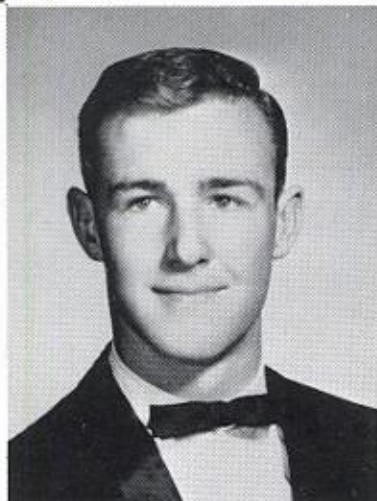

FRANK M. MARBLE
Frank, a quiet, likeable boy, came to S.I. upon graduation from Star of the Sea Grammar School. At S.I. he was a Sodalist for 2 years and a track man for one. Frank is as yet undecided as to his college future.

ROBERT G. McDILL
Hailing from St. Thomas the Apostle Grammar School, Bob has been a participant in many school activities. A four-year football veteran, he played varsity football in his junior and senior years. He was also Vice-Prefect of the Sodality, a member of the Rally and Dance Committees, and had a leading role in "Billy Budd." Bob hopes to continue his education in agriculture possibly at the University of California.

CHARLES R. MARSH

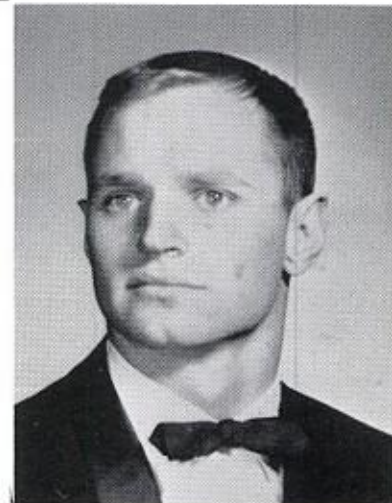

Charlie came to S.I. from Town School and became one of the top students. He was in the honor class for three years and in the C.S.F. for two. In his junior year he worked for the publications staff, played football and basketball, and was outstanding in the musical. As a senior he was a cheerleader and president of the honor class. Charlie will attend Stanford and major in Medicine.

JOHN L. MARTIN
John graduated from Most Holy Redeemer Grammar School, and in 1959, entered S.I. He was a member of the Sanc in his freshman and senior years. He plans to attend an industrial arts school where he will undertake the study of automotive technology. Upon completing this course, John has aspirations of going into the field of research and development for General Motors.

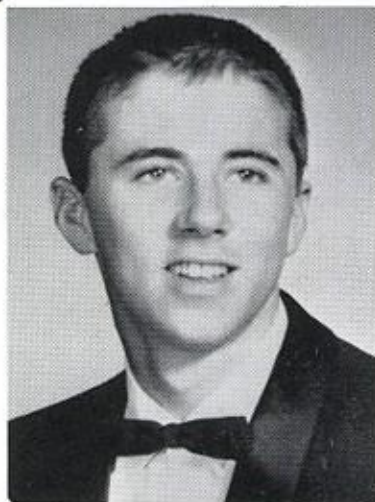

CHARLES P. MCCARTHY
This senior was a stalwart of 4E. While at S.I. Chuck was active in Junior Achievement and his parish teen club, "The Patricians." His next four years will be spent at the neighboring University of San Francisco.

DENNIS P. MARTINO
Den Martino was a varsity fullback in his junior year, until he was shifted to guard in his senior year. After the change he became known as "Heavy Duty." Besides exhibiting his talents on the gridiron, Den was a J.V. basketball player in his second year. He was a member of the Block Club his junior and senior years. Den plans to continue in liberal arts at U.S.F.

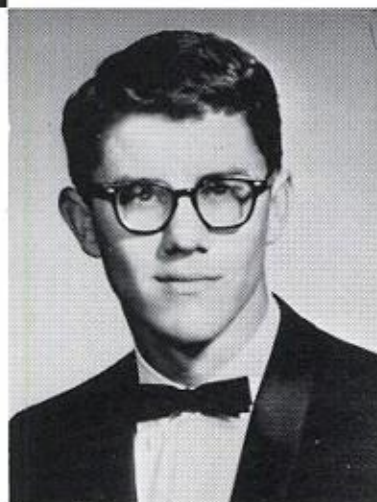

BRIAN F. McDONALD
Brian climaxed his four years at S.I. by being elected vice-president of 4E. In the three years previous, he played 30's basketball and worked on the Dance Committee. In his sophomore year, Brian played baseball under Mr. Keating at Big Rec. He plans to go into the study of law at Santa Clara.

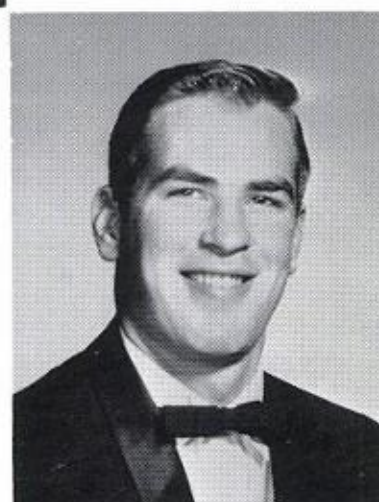

KENNETH G. MCGREEVY
Ken was an intramural representative in his freshman year as well as being a member of the Forum. He was also a four-year member of the Sanc Society and was part of *Inside S.I.*'s writing staff for the last three years. Ken plans to attend the University of San Francisco and major in chemistry.

PATRICK HOWE MCCARTHY
Howe was a fine student and the controversial editor of *Inside S.I.* He was a member of the Sodality, Dance Committee, Sanc Society, Sodality, Student Council, and the *Ignatian* yearbook. He also played on the 100's, J.V.'s and varsity basketball teams. Howe plans to go to Boston College and major in English.

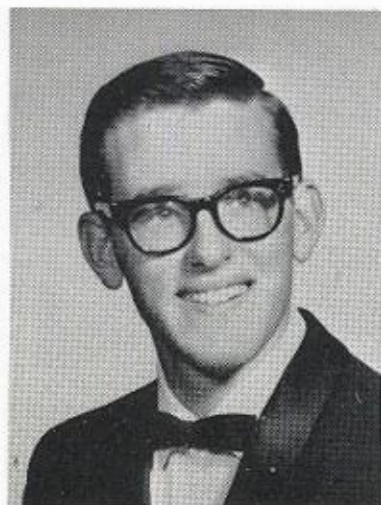

KEVIN M. MCGINTY
Hailing from St. Anne's, Kev quickly busied himself with activities. They included stage crew, All-City swimming, Secretary-Treasurer of Sodality, writer for *Inside S.I.*, Editor of 1962 *Ignatian*, Rocket Club, Science Club, Student Council, Block Club, C.S.F., and class officer in his senior year. During his free time, Kev studied enough to be in the honor class for three years. He plans to pursue the field of astronautics.

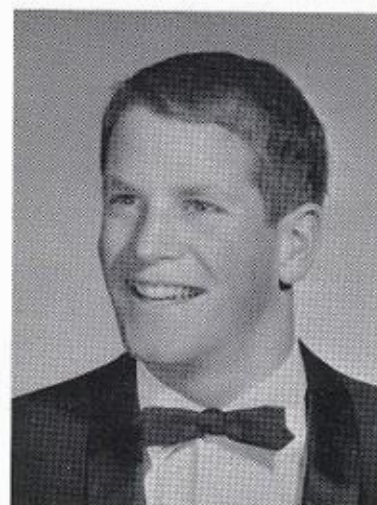

JOHN P. McGRATH
Pat believes that a man can be judged by what he does and what he accomplishes. Then he must in part be judged on his participation in school activities. Pat played football for three years, was on the swimming and 20's basketball teams, was on the staff of *Inside S.I.*, a Sodalist, and a class officer. He also was in the school play as a junior. Pat plans to study pre-law in college.

STEPHEN R. McLAUGHLIN

Steve was a member of the Chorale in his senior year, the Sodality and the Sanc for two years. He was also on the basketball team, playing '20s, '30s and finally varsity. He still found time for intramurals, playing all four sports. Next year Steve plans to attend Santa Clara and major in building or land development.

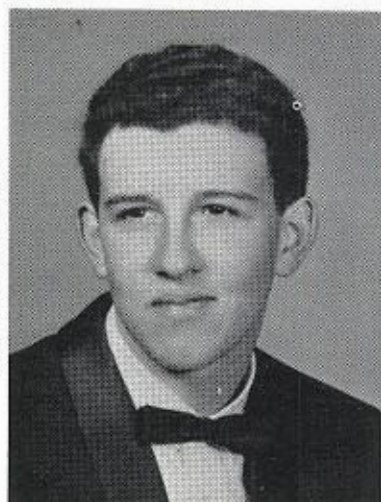

THOMAS O. McLAUGHLIN

Although Tom came to S.I. in his junior year, he was not in the honor class. In the middle of his first semester at S.I., he joined the yearbook staff. Since the day he joined the Ignatian crew, he has worked long and hard on it. This year he went to U.S.F. in the advanced placement program. Next year Tom plans to attend Stanford and major in mathematics.

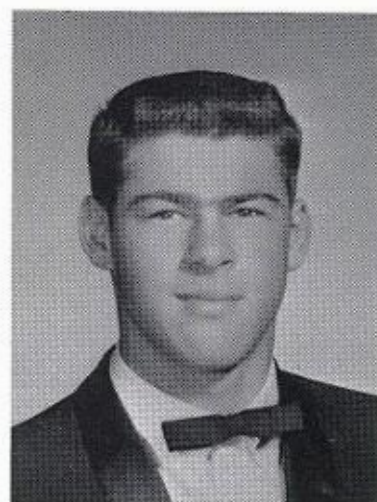

RICHARD H. McKANNAY

Rich was a hard worker and a real go-getter in school work and activities. He was a member of the Dance Committee in his junior year and went on to become president of the committee in his senior year. A member of the Sanc Society for four years and the Sodality for three years, Rich was also an officer in his registry class and in the Student Council. Next year Rich will attend Santa Clara.

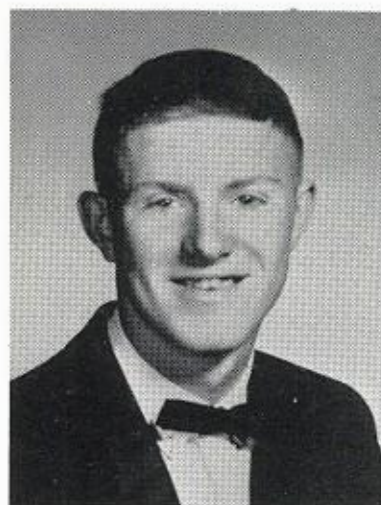

RICHARD W. McRITCHIE

Rick came to S.I. from Star of the Sea parish and through his four years at S.I., he has enjoyed and participated in many activities: Sanc Society for four years, Sodality for one year, Dance Committee for two, all intramurals for four years, freshman class officer, J.V. baseball, 112's basketball, varsity basketball, J.V. and varsity football for three years. Santa Clara is the college he plans to attend.

JOHN J. McQUAIDE

John was a member of the honor class for three years, worked for Inside S.I. for three years, and was known to show up spasmodically for Ignation duty. He came to S.I. from Star of the Sea and then proceeded to maintain a B average. He attended most of the sporting events and even played three years of golf in his earlier years. He hopes to attend Creighton University and there to major in pre-med.

DANIEL J. McSWEENEY

Dan was an active member of the Art Committee for two years and part of the stage crew of the Musicales. He was also a Sea Scout for three years and a member of his Parish Teen Club and in the Junior Achievement program. Next year Dan plans to enter the halls of the University of Michigan and major in English.

RICHARD E. MENKEN

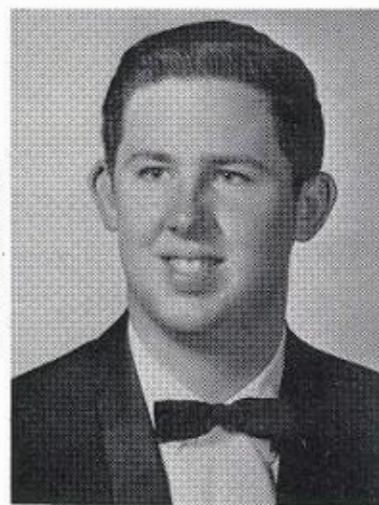

A tall, talented student by the name of Rich Menken lopes down the halls of S.I. every day. Commuting day after day, year after year, for four years, means this guy has an avid admiration for S.I. A member of the honor class for three years, Rich plans to attend college and major in mathematics.

DANIE MCCARTHY

GREGORY E. MILLS

Greg commuted to Saint Ignatius from Our Lady of Perpetual Help in Daly City. He was a four-year member of the Sanc and also was in Dramatics, Forum, and the Science Club. In his ceaseless quest for knowledge, Greg brought hilarity to his classmates by his pertinent questions. He plans to attend college and major in English.

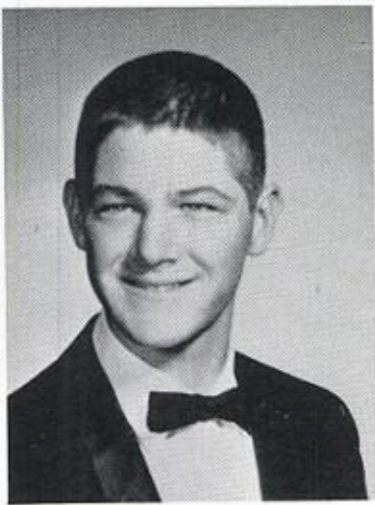

GEORGE C. MILEY

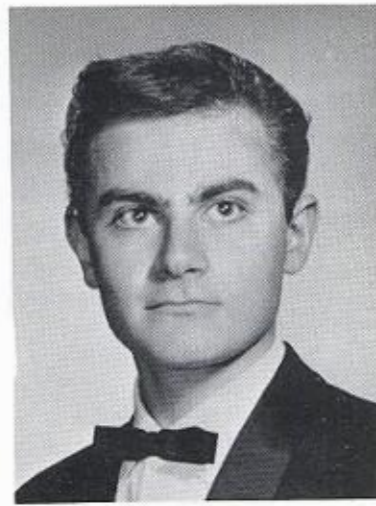

In his four years at S.I., George could be seen reverently assisting at Mass as a member of the Sanc Society. Bent on gaining a well-rounded education he played soccer during his final years, and tennis in his senior year. He looks forward to moving to U.S.F. and higher education.

WILLIAM D. MILLER

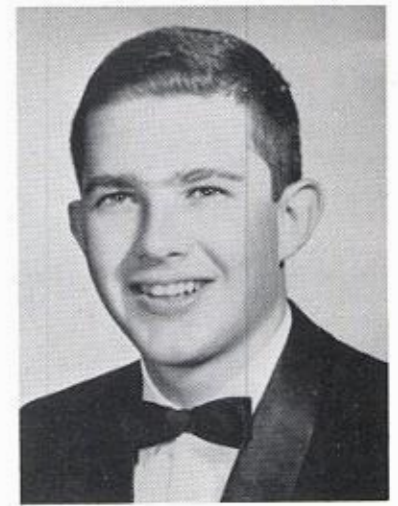

Bill came to S.I. from St. Brendan's Parish. In his four years at S.I., he participated in the Sanc Society, Stage Crew, Rally Committee, intramurals, and the Musicales. Bill belongs to St. Brendan's Teen Club. His future education will take place at S.F. State. He plans to major in education.

**JAMES M. MILTON**

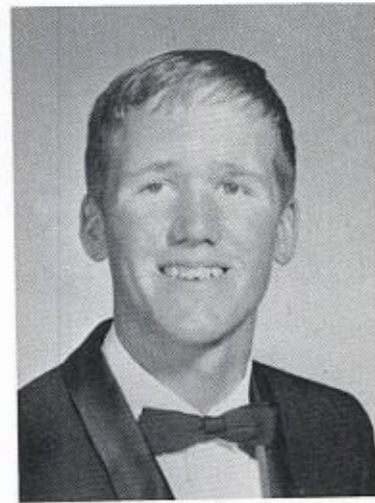

John Milton has managed to lead a very active four years. He played four spectacular, but losing, seasons on the Soccer Team, two on the Tennis Team, and three in the Forum. He was a member of a dance band, a combo, and two orchestras, and an active member of the choir. Throughout, he maintained a B average. Next year is still undecided.

**JOSEPH C. MONTALBANO**

After graduating from Star of the Sea Grammar School, Joe attended St. Ignatius High School and participated as a devoted and loyal member of the student body. Being pressed by an after-school job, Joe was limited in his participation of extracurricular activities. Upon completing his senior year at St. Ignatius, he wishes to attend State College for a year and then transfer to Cal. to study Modern Math.

**THOMAS J. MOORE**

Tom came to S.I. from St. Philip's grammar school. An after-school job restricted him from participating in many activities, but he was a four year member of the Sanc Society and an active member of the Rocket Club. He hopes to pursue his goals in Aeronautical Engineering next year.

**THOMAS J. MUMFORD**

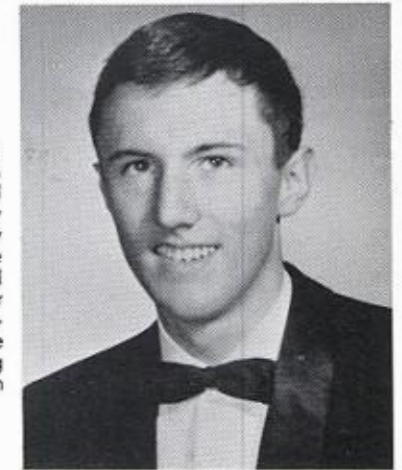

For four years, he has managed to radiate part of his spirit at many times as he sat in the stands at football and basketball games. At a few intervals, he managed to win a few intramural games, and lost a few matches on the Golf Team. At two week intervals during the school year, he managed to get out of the house for a night at the Cecilian Club.

**ROBERT L. MURPHY**

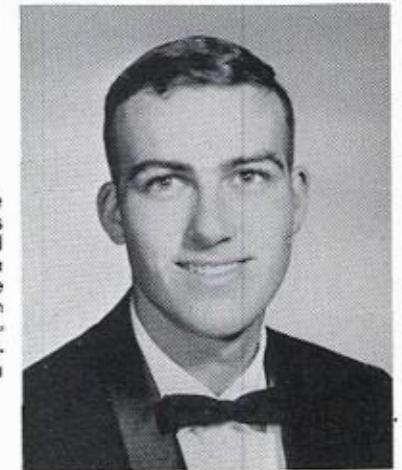

Bob was always doing something around S.I. He was in a play and a musical—both as a minor actor and a member of the stage crew. He played the tuba in his freshman year, and chess during his first two years. He sang in the choir as a junior—until Mr. Lysaght found out who he was. He brought frivolity to the production staff of *Inside S.I.* during his sophomore and junior years. He was a four year Sanc member, a two year Sodalist, and last but not least, a C.S.F. member.

**JOHN D. MURRAY**

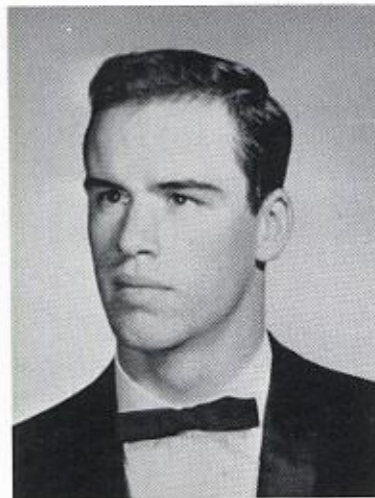

John came to Saint Ignatius from Saint Anne's Grammar School. In his freshman year he ran track and was a member of the Sanctuary Society. Although he wasn't in any activities in his sophomore year, he kept a B average. His junior and senior years he spent working after school, thus keeping him from activities he would have otherwise participated in. After graduating he hopes to go on to Creighton University and take pre-med.

**TIMOTHY J. NEELEY**

Tim came to S.I. from Holy Name Parish. He stayed with his studies during his first year but blossomed forth in his sophomore year as a Cross-Country and Track man. He was a member of the Probation Block Club for three years. He received three varsity letters in cross-country. His future plans call for college.

**PETER F. O'HALLORAN**

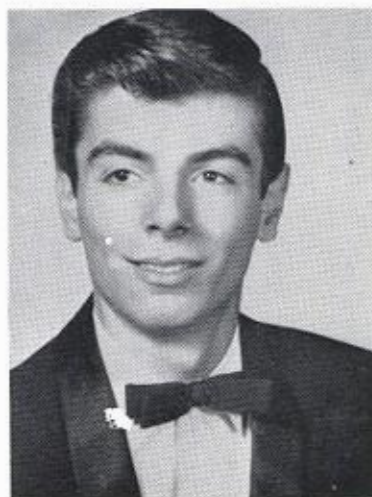

Pete entered S.I. in 1959 and was fairly successful academically. As a freshman he joined the Forum and went out for track. In his sophomore year he remained a Forum member. As a junior Pete was in the Science Club and in Junior Achievement. Studies, Science Club and J.A. occupied most of his senior year. For recreation he joined the North Coast Surfers. Pete is going to Cal-Berkeley and looking forward to being an Agricultural Chemist.

**STANLEY J. MURPHY**

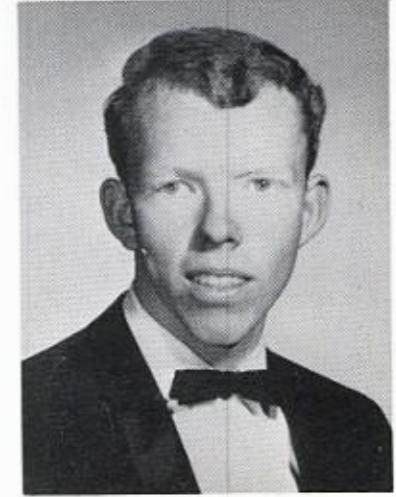

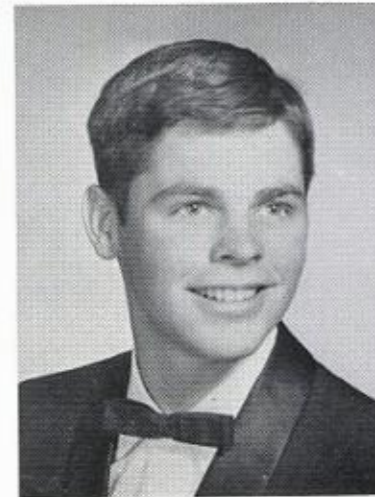

Murphy came to S.I. from Salisian Junior Seminary where he spent his freshman year. Since then he has followed the typical S.I. pattern, such as, good grades as an underclassman, but then . . . He was a member of CSF during his first two years and was a member of other activities, but during the last two years, most of his time has been taken up by the newly formed Rocket Society. He intends to go to the University of Oregon where he will enroll in the School of Architecture.

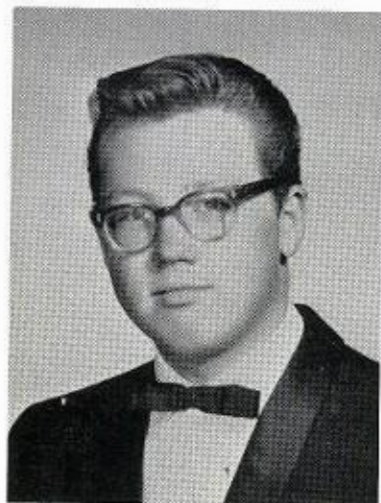

BRIAN M. O'BRIEN

Brian was one of the best-known seniors at S.I. because he participated in many activities. He was on the Swimming Team for three years and was a member of the Probation Block Club. Brian played a major role in *Julius Caesar* and *High Button Shoes*. He participated in all intramurals and played one year of J.V. football.

PAUL MECHETTI**DENNIS R. NORWOOD**

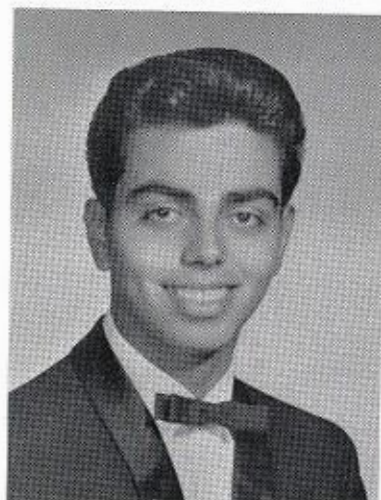

Den came to S.I. from St. Monica's Grammar School. He was a class president in Freshman year, running track during his last three years. He joined the Band and was raised to the rank of student director. During his four years he played intramurals.

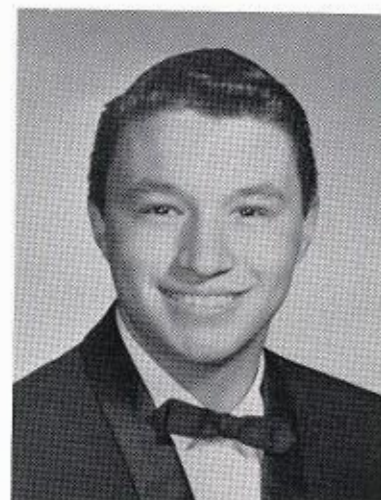

TIMOTHY T. O'SHEA

Tim came to the hilltop from St. Brendan's. During his stay here, he participated in many activities ranging from the rally committee to intramurals. He had outside interests, such as his parish teen club. After leaving S. I. where he maintained a steady B average during his senior year, he will go on to U.S.F. Where he will take liberal arts. At present, he plans to take up the deadly serious business of a mortician.

CLAUDE A. PACHECO

Claude came to S.I. from St. Charles Grammar School. Due to his job, which he has held for five years, he has been unable to do much in school activities. He has, however, played football intramurals during the noon period. After he graduates, Claude is looking forward to the University of California College of Architecture.

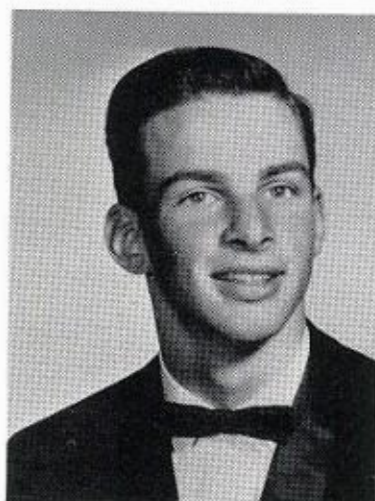

ROBERT L. PAIVA

Bob came to S.I. from St. Brigid's Grammar School. During his four years at S.I., three have been spent in the Sodality. Bob was an active member of his teen club for two years. Bob found time to attend almost every baseball, basketball, and football game during his four years. Bob's college plans are not yet very definite, but it looks like U.S.F. for Business Administration.

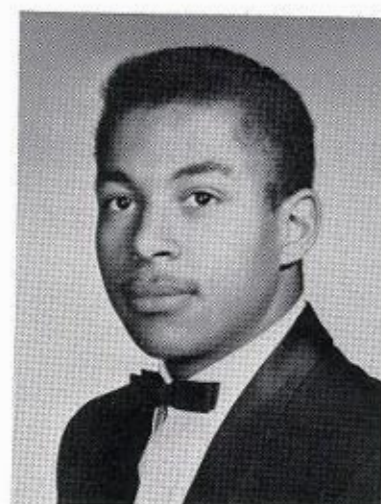

THOMAS B. PANETTO

Although active in his parish teen club, Tom was one of the year's most avid supporters, participating in the school play, Sanctuary Society, and J.V. football. Tom also took a hand in bringing the intramural football championship to his registry class of 4B. At the time, his plans for college are uncertain.

ANDREW S. PAOLI

Andy came to S.I. from St. Emydius Parish. He was well-known for his ability of playing the guitar. Andy entertained at school rallies, Sodality Christmas shows, and at other functions. Skiing was his sport, and he began the movement to organize a ski team at Saint Ignatius. He plans to major in engineering at U.S.C.

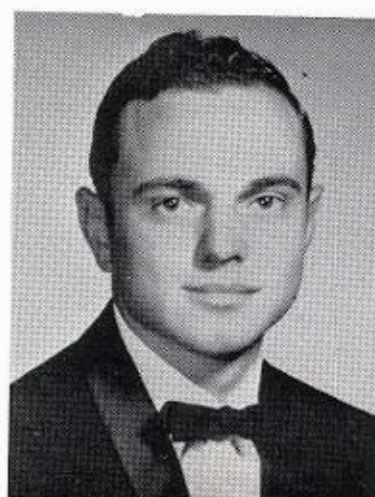

CHARLES I. PARKS

In his last two years here at S.I., Charlie has been a standout on the varsity football and basketball teams. His come-through performances on the basketball court, his great catch in the Lowell play-off establish him as one of S.I.'s finest athletes, earn him the recognition that has been given him by the student body.

GERALD L. PELLETIER

Gerry entered S.I. from Star of the Sea Grammar School. In his four years at S.I., he participated in the Dramatic Arts Contest, Sane, and Sodality. He played four years of lightweight basketball at S.I. and as a junior was named to the ALL-CITY team. He plans to attend State and major in History.

FRED J. PERRY

Buzz, while at S.I. was a loyal supporter of all the sports. His spirit has been shown at all the games, and that is no exaggeration. One could always hear Fred yelling the loudest. If it wasn't for the team it was at the referee. Although St. Mary's College appeals to Buzz, he is yet undecided as to which college he will attend.

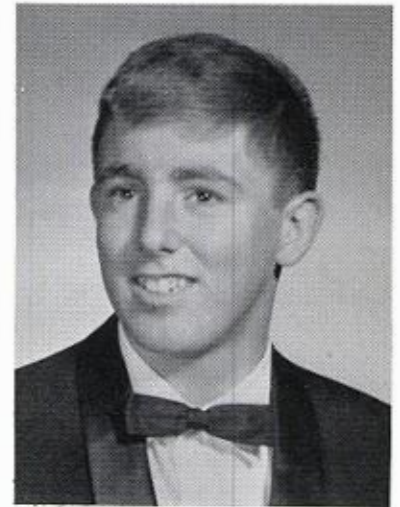

MICHAEL C. PETERSEN

Mike enjoyed a solid, all-around education at S.I. In sports he played one year of Frosh-Soph and two years of Varsity Football, and two years of Varsity Tennis. On the academic side, he was a life member of C.S.F., two-year N.H.S. member, and a National Merit semi-finalist. Other extracurriculars: Band, Glee Club, musicals, dramatics, *Inside S.I.*, and *Ignatian* filled out his education.

HARRY J. POPULIS

Harry came to S.I. from Saint Anthony's Parish. He held an after-noon job for four years but he still found time for the Sanc, Sodality, Radio Club, Camera Club, and Track. A member of the honor class, he managed to receive a "B" average to round off his academic standings. He plans to go to either U.S.F. or Cal.

JOHN R. PRICHARD

John was a member of the swimming team in his first year at S.I. He has been a member of the Olympic Club and his parish teen club. John has unfortunately not been able to participate in many activities, due to an after-school job. John, after graduation, plans to cross the Bay and attend Cal.

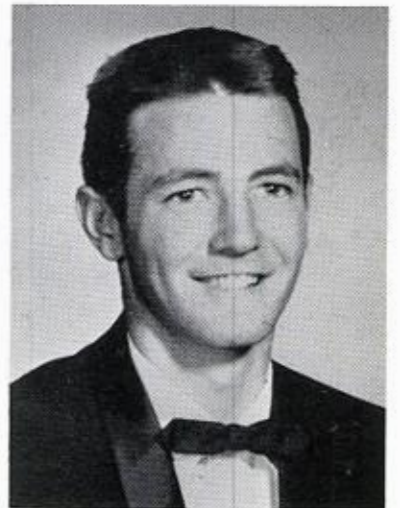

ROMEO QUIAMSON

He entered Saint Ignatius in the fall of 1961 as a junior. He entered the science club and had spent much of his time after school doing some research in chromatography. In his senior year he became a member of the San Francisco Rocket Club at S.I. He has been elected the junior president of the club and has done a lot to improve the conditions. He is now doing some research in rocket fuel.

FRANK L. RAMEZZANO

Having entered S.I. from Epiphany, he started out his active four years at S.I. He entered many of the extracurricular activities. He was in two plays and three musicals. He was in the Sanc and Choir for four years. He has been in the Sodality for the entire three years, the last year as Sodality Prefect. He played intramurals for four years, and was on the Student Council in his Senior year. He plans to attend Loyola University at Los Angeles to study foreign languages.

EUGENE REILLY

Gene, a likeable guy, came to Saint Ignatius by way of the Seminary in the middle of his junior year. Late to join the major activities, Gene became active in the intramural program. One of S.I.'s most spirited seniors, Gene plans to further his education at the school on the hilltop at U.S.F.

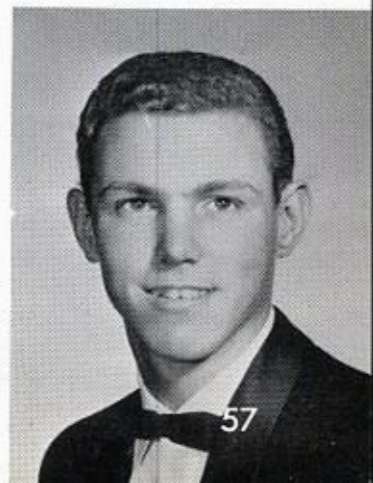

GERALD P. RICHMAN

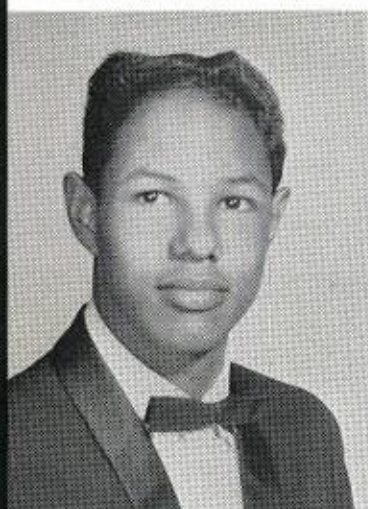

"Goodby, Richman," might well be the cry of the poor befuddled teacher in St. Ignatius. Although he spent much of his time being class clown, he found time to participate in the Rally, Dance, and Art Committees for two years, Sodality and Sanc for three years, was vice-prefect of the Sodality and Recording Secretary of the student body. He plans to attend Loyola (L.A.) or S.F. State to get a teacher's degree.

RORY M. RILEY

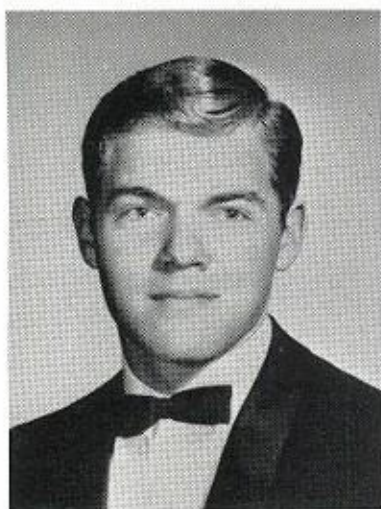

Rory was a country boy from Marin County, and proud of it—to hear him talk of it in I-F. He did more than talk that year, though, for he played Soph-Frosh football and 110 basketball. After J.V. Baseball in his sophomore year, commuting and social life in Marin took up more of his time. (They have basketball and baseball leagues there, too.)

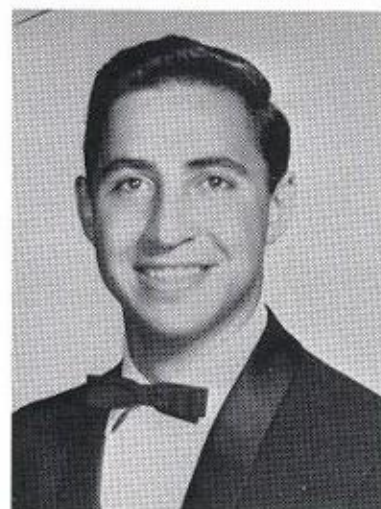

FRANK M. RIOS

Hailing from St. Paul's, Frank was one of the senior class's outstanding athletes. He played Frosh-Soph, J.V., and Varsity football, as well as 120's and 130's basketball. Frank, an avid intramuralist and S.I. rooster, plans to further his education in the field of architecture.

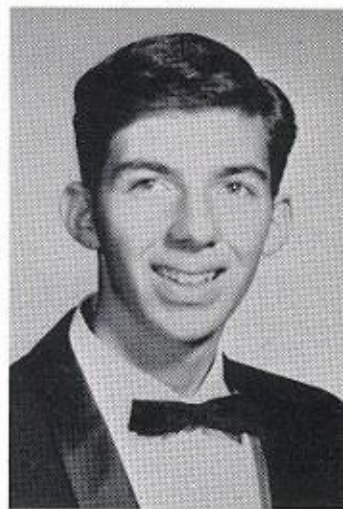

JAMES W. ROGERS

Jim took time out from his rigorous schedule of studies to participate in Soph-Frosh football in his freshman year, and J.V. football in his sophomore year. He also contributed to the *Ignation* in his senior year, typing and reporting whenever needed. He played intramurals all four years. Known for his ardent interest in skiing, Jim could be found on one of the numerous slopes at Squaw Valley during the winter months. After graduation Jim plans to study pre-med or pre-law at U.S.F.

RICHARD ROJAS

Rick was one of S.I.'s unrecognized athletes around the school. He was a mainstay of the sometimes overlooked soccer team, and a pretty good intramural softball player, too. Sort of a quiet, unnoticed guy—but a sportsman, and a real *Ignation*.

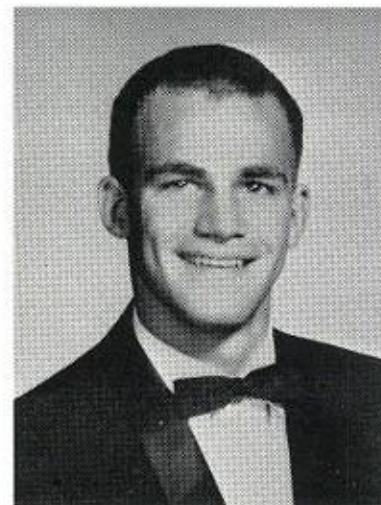

HENRY D. ROME

Hank came to S.I. from St. Charles Grammar School. He was a four-year member of the Sanc Society and ran Cross Country during his sophomore year. Also as a sophomore he was a member of the Camera Club, the C.S.F., and the staff of *INSIGHT*. Although working after school, this generous and good-natured fellow managed to be a member of the honor class for three years. Hank plans to attend U.S.F. to study law.

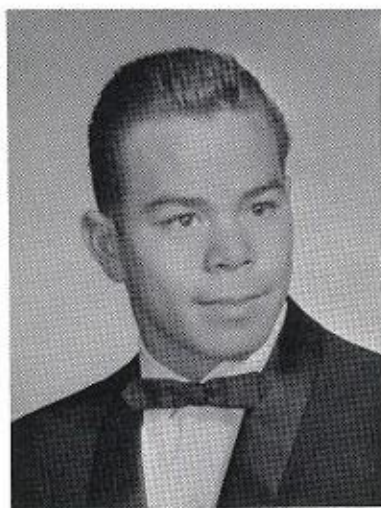

ROBERT F. SCHAFER

Bob migrated to the hilltop in '59 from St. Monica's, suffered through a year of Greek, laughed through a year of Mr. Lambers, S.J., and really enjoyed himself before and after the S.H. football game. Bob plans to receive a teaching credential from Loyola of L.A., or Gonzaga.

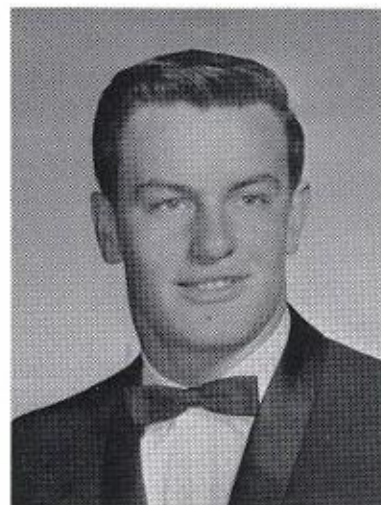

CHARLES P. H. SCURICH

Chuck started the school year with a fine record of grades, becoming an honor class student. He tried to participate in many sports like track, baseball, and football, but Chuck could never be too overwhelmed with athletics. However, he was very active in the Sodality, and in *Inside S.I.* In his senior year he was a cheerleader.

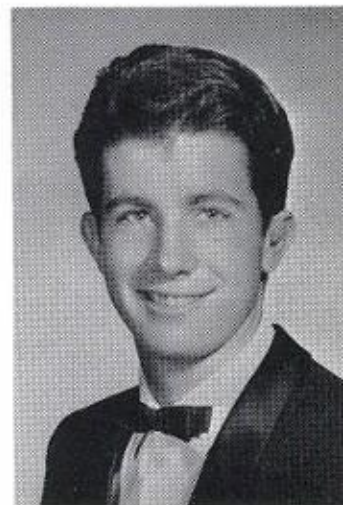

JOSEPH J. SAMSON

Joe has participated in sports, starting with his freshman year. He has played football for four years and ran track for one year. Although he never excelled in either sport, he was always trying. A good student and class clown, Joe was always ready to lend his car to some unfortunate soul being sent home. He was barely 5'9", but he was always ready to assist the faculty in any way. Joe was an S.I. student all the way.

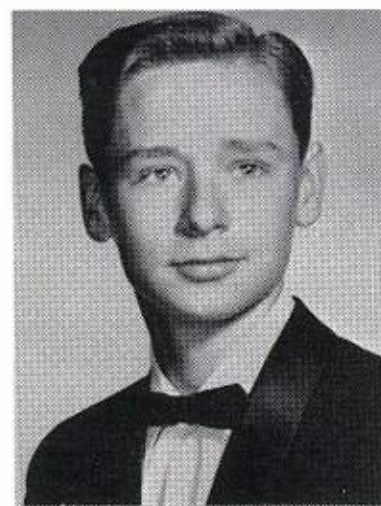

JOHN J. SERATT

John was elected to the All-City football team this year, an honor culminating four years of fun and a lot of hard work on the Frosh-Soph, J.V., and Varsity Teams. He was a member of the Block Club during his junior and senior years, and also participated in intramurals in the off-season all four years. John plans to major in Business Administration next year at U.S.F.

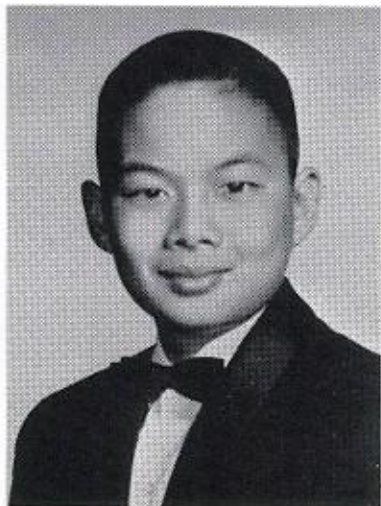

PATRICK SHEA

After graduating from St. Anne's, Pat entered St. Joseph's Seminary, completed two years, and then came to S.I. He was active in the Art Committee and participated in intramurals. In preparation for the future, Pat plans to attend either S.F. State or San Jose State.

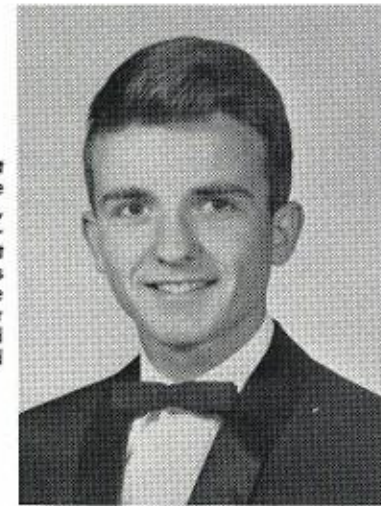

JAMES M. SMITH

What a person does is a reflection of his personality. Jim was a great believer in the ideas of S.I. and what they stand for. He participated in the Forum, Chess Club, Tennis 3,4, and the Radio Club. A person's greatness is not measured in the amount of work accomplished, but the spirit it is done in, completing these accomplishments. Jim certainly had this spirit.

LEO SOONG

Leo came to Saint Ignatius from St. Augustine's, across the Bay. He has been a member of the honor class for two years, a member of the C.S.F., in the Math Club, the Russian Club, the Camera Club, *Inside S.I.*, the *Ignation*, and has also won a letter of commendation from the National Merit Society. As of now, Leo is undecided as to which university he will attend.

MICHAEL A. SMITH

As is well-known, if one is taught Religion by Fr. Devlin, part of the course is joining the track team, and Mike wasn't one to be an exception to such a hard and fast rule. He lasted all of two weeks and then retired. Mike was in the Sodality probation, and a regular soph member. As a step toward the future, he plans to attend U.S.F.

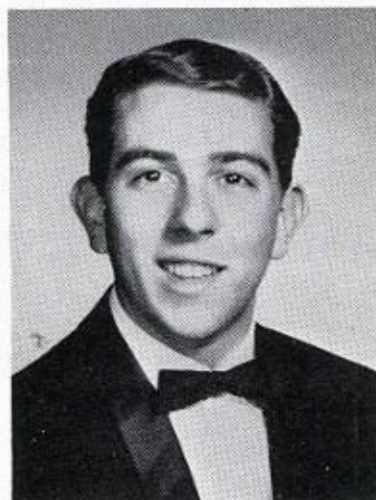

GARY J. SPAIN

Gary came to S.I. from St. Stephen Grammar School in 1959. He immediately fell into the swing of things by joining the Track Team and attempting to keep up with the honor class. Gary was on the stage crew of the annual play, and a member of the Sodality. Being well known for his skill in operating electrical equipment, he plans to attend Stanford to study engineering.

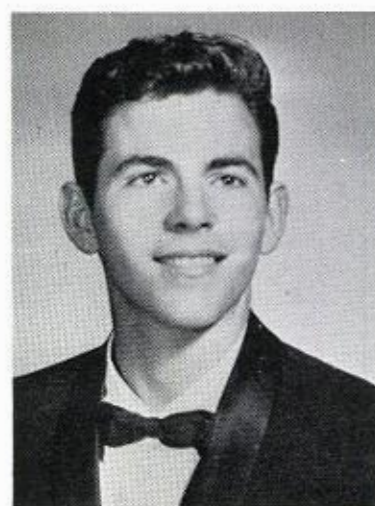

GERALD E. SPOLTER

During his four years at S.I., Jerry participated in a wide variety of activities. Having a role in this year's *Julius Caesar*, he was also active in the Art and Rally Committees, the Dramatic Arts and Talent Contests, lightweight basketball, parish Teen Club, and as a class officer. At the moment, Jerry is uncertain about his future plans for college.

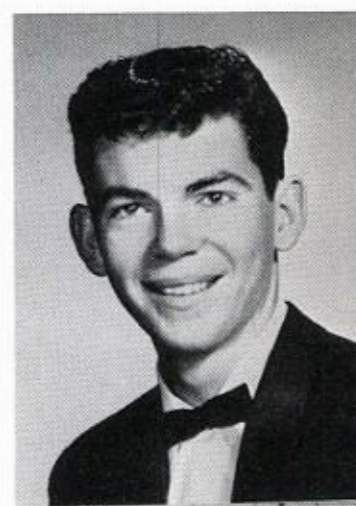

JAMES E. STARK

Jim came to S.I. from St. Stephen's Grammar School. During his four years at S.I., his extracurricular activity was limited by an after-school job. Despite this fact, he was active in the Radio Club, Art Committee, Rally Committee and intramural football. Jim also took part in the spring musical for two years. He plans to attend U.S.F. and take a course in liberal arts.

MICHAEL J. STAFFORD

Since coming to S.I. from Mission Dolores Grammar School, Mike has taken part in the Forum, Sanctuary Society, lightweight basketball, and the Sodality. During his lunch time, he also landed the horseshoe championship up in the park. Although holding an afternoon job, Mike was able to be one of S.I.'s most staunch supporters. He is undecided about his plans for the future.

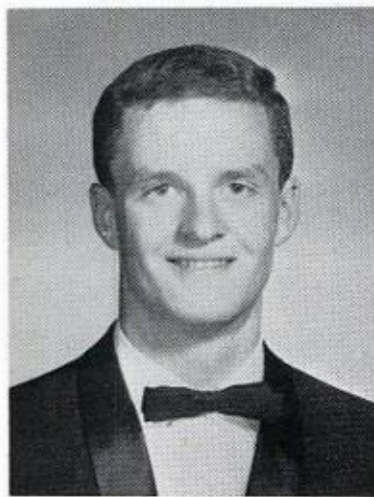

PATRICK W. STAFFORD

Pat came to S.I. from Mission Dolores Grammar School. While at S.I. he was active in the Sanc for four years, the Sodality for two, basketball for one, the Forum for one, the musical in his fourth year, and the play. The rest of his free time went to his studies and to an after-school job. He plans to attend U.S.F. for a liberal arts education.

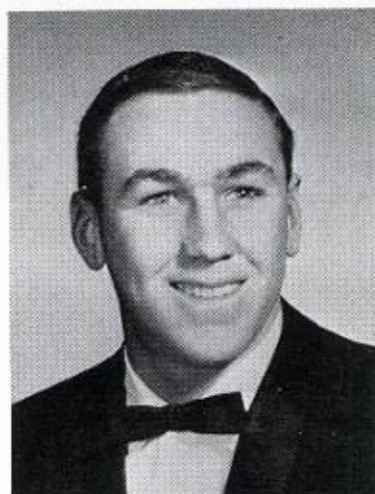

JOHN J. STOKES

John Stokes entered S.I. from St. Patrick's. He was one of S.I.'s most loyal rooters. He could not make use of the extracurricular activities because of his after-school job, but nevertheless he had a lot of class spirit.

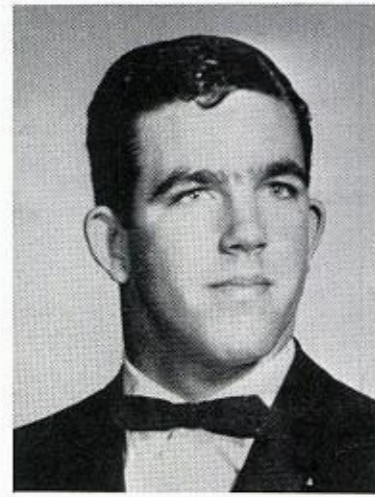

TERRY J. STRAIN

Terry was a member of the Sodality in his soph and junior years. He also contributed to the Rally Committee in his senior year. More notorious was his action on the gridiron, where he played J.V.'s and Varsity, earning membership in the Block Club.

EDWARD F. SWEENEY

Ed entered S.I. from the Marina District. He played frosh-soph baseball and J.V. football. Ed, an ardent skin-diver and weight-lifter, was a popular man around the Vincentions Teen Club. Next year's plans include life at Carroll College in Montana or a J.C.

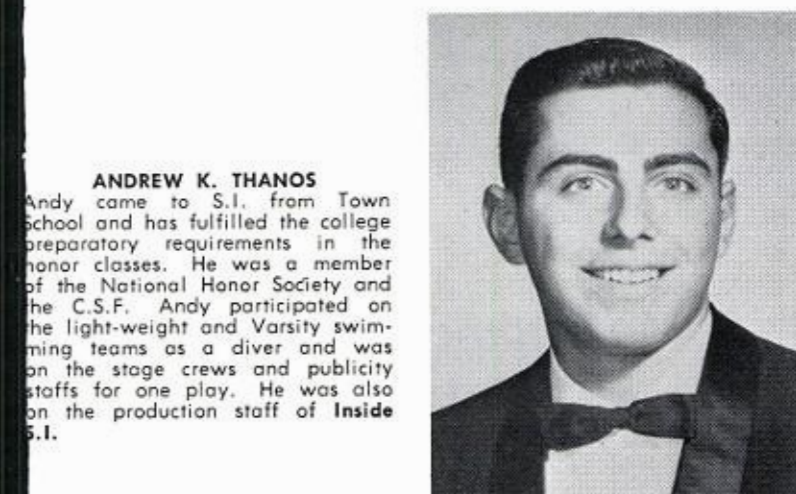

MICHAEL O. SULLIVAN

While athletics took up most of his time, Mike still had time to write for *Inside S.I.* and took part at Holy Name Teen Club. Mike, principally known for his hard-running on the football field, made second team All-City in his senior year. His plans include a four-year stay at Santa Clara next year.

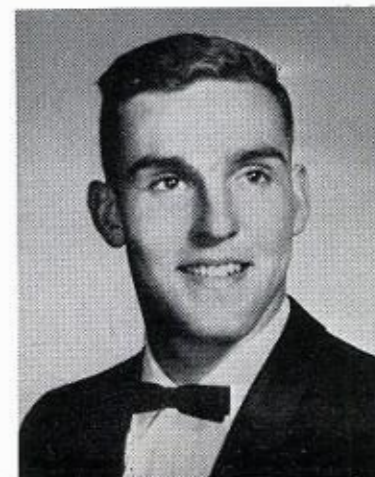

JOHN T. SUTAK

John transferred to S.I. from Galileo in his junior year and has participated in S.I.'s outstanding intramural program both in his junior and senior year. He participated in the musical and the track team in his senior year.

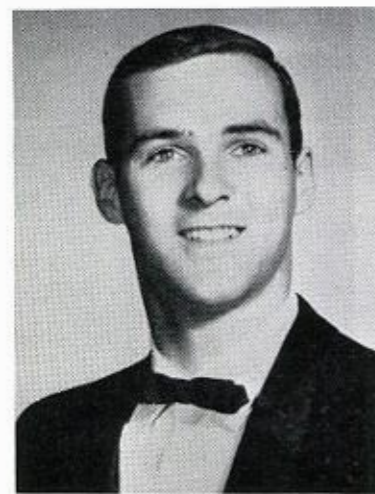

ANDREW K. THANOS

Andy came to S.I. from Town School and has fulfilled the college preparatory requirements in the honor classes. He was a member of the National Honor Society and the C.S.F. Andy participated on the light-weight and Varsity swimming teams as a diver and was on the stage crews and publicity staffs for one play. He was also on the production staff of *Inside S.I.*

MICHAEL N. TEUTSCHEL

Mike played football, frosh-soph for two years and senior year Varsity, as an aggressive defense tackle. He was a member of the Varsity Baseball Team. Mike was a member of the Sodality, and an officer of his senior class. He plans to study law at U.S.F.

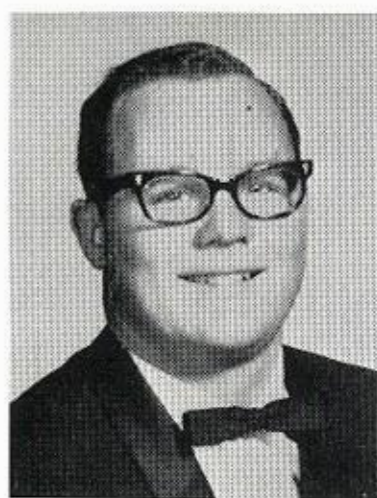

WILLIAM S. THOMAS

Bill entered S.I. fresh out of St. Stephen's Grammar School. He spent his freshman year in I-D and was an official member of jug through the help of Mister Higgins, S.J. Bill was a member of the Track Team, the Sodality, and participated in the play. He was a member also of the honor class and plans to attend U.S.F. and study medicine.

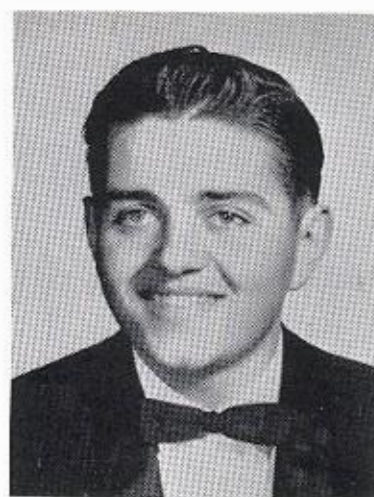

BELA THURY

A graduate of Mission Dolores, Bill has played a big part in Ignatian life during his four-year stay at S.I. While a freshman, he received a trophy for the most outstanding swimmer on a team on which he would be a four-year veteran. Bill also brought back four All-City medals that same year, while establishing two new school records. He was also active in dramatics, intramurals, and track. He plans to further his education in electronics.

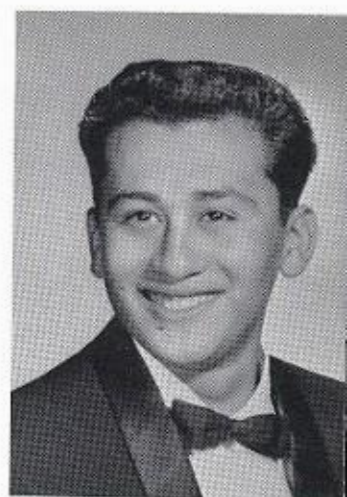

MICHAEL P. TIERNEY

Mike came to S.I. from St. Emydius Grammar School and swam for four years. As a junior he was a cheer leader and a member of the Rally and Dance Committees and C.S.F. As a senior he got a job which curtailed his activities. Mike hopes to attend Cal. next year, entering a pre-dental curriculum.

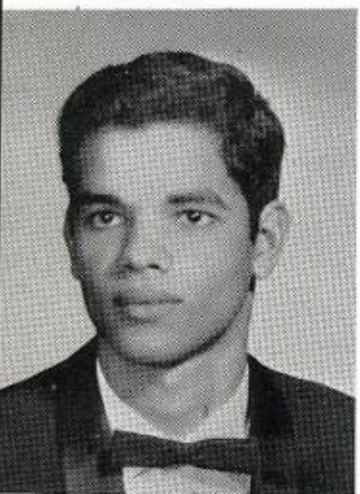

LAWRENCE A. TOMASSINI

Larry came to S.I. from Epiphany Grammar School. Due to his active participation in his favorite sport, bowling, he did not take part in as many school activities as he would have liked to; however he was a member of C.S.F., the Sanc Society, Choir and Glee Club, and participated in the school plays and musicals. Larry plans to attend Santa Clara and major in engineering.

JOSEPH L. TORTOLERO

Joe came from St. Charles Grammar School in the Mission district. He participated in school intramurals, was a member of the J.V. Football and Tennis Team. He was also active outside the school in Junior Achievement. Joe plans to attend Gonzaga University and go into the field of History and Sociology.

LOUIS F. URROZ

Lou came to S.I. from Mission Dolores and is considered by all as one of the most active Ignatians in his graduating class. He participated in the school play as well as the musical. During his senior year, he was on the Dance Committee. Also while in his last year, Lou was an officer for his registry class. Gonzaga University is his goal; he hopes to attain a liberal arts degree and go on to law school.

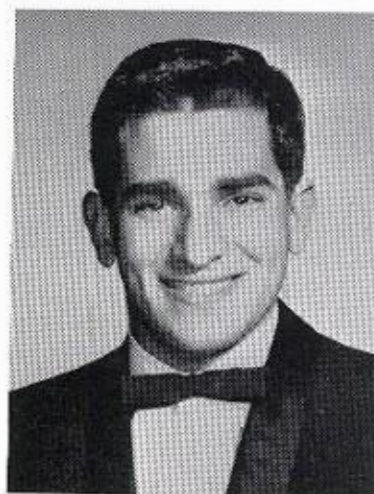

LEONARDO J. VACCHINA

Len has spent four wonderful years at S.I. He worked his way up through the ranks to the honor class of 4-G. He was in C.S.F. for two years. He participated in cross country track for two years. Outside school he was a member of Junior Achievement. Interested in law and foreign service, he will probably attend U.S.F.

Best of Friends

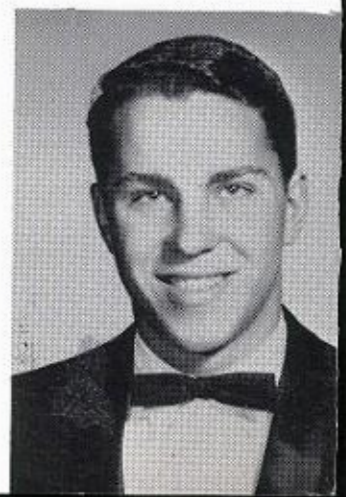

PAUL L. VANGELISTI

Paul has been a mainstay of the Forum for four years, though sometimes loud in his criticism of the organization, he has felt a dedication to it for what it has given him. His other activities include participation on the Tennis Team and in the Sanc.

PAUL P. VAN RIJN

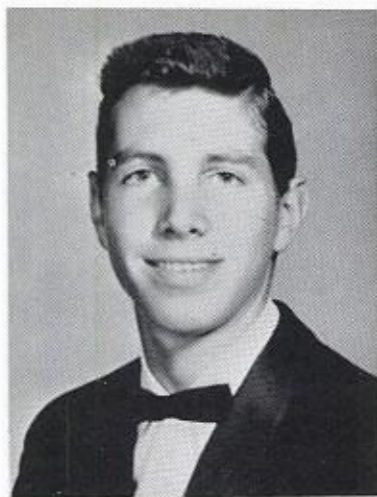

Paul was in the honor class for four years. He has been an outstanding member of the Sodality for three years and has participated in all of its activities. He is a member of both N.H.S. and C.S.F. He has played soccer for four years, attaining the captainship in his senior year. He plans to take engineering at U.S.F.

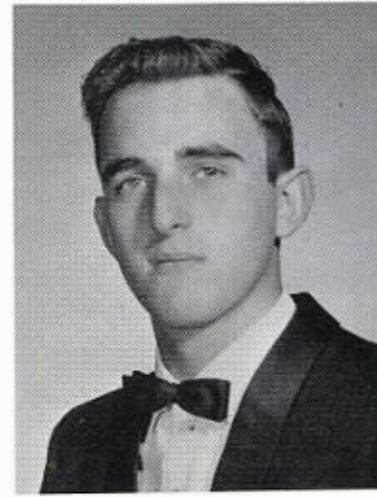

GREGORY M. VENEGAS

Gary emigrated to San Francisco and Saint Ignatius from Holy Spirit Grammar School in Sacramento. The sudden change from the hot valley days to the freezing fogs of San Francisco evidently didn't do him in, because he survived three more happy years at S.I. He was a member of the Sanc for one year.

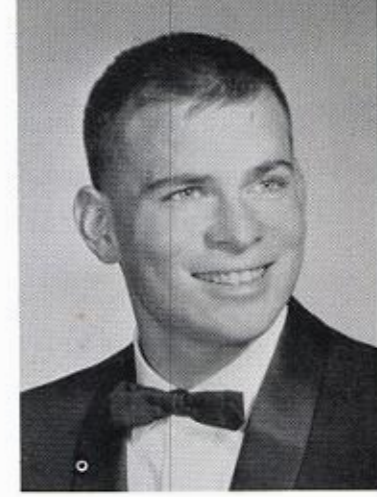

STEPHEN A. WAGNER

Steve came to S.I. from Holy Name without much fanfare. And quietly but steadily he continued through four years maintaining a "B" average. Although Steve obviously will not have trouble meeting college requirements, he has not yet decided what college he would like to attend nor which course he would like to major in.

MICHAEL G. WARD

He entered S.I. from Sacred Heart Grammar School full of hopes, aspirations, and yes, spirit. Getting into the swing of things he decided to go out for frosh-soph football, Sanc and the Art Committee. But by the time sophomore year rolled around he had dropped them all. At the end of his sophomore year he decided to join the band. He started taking lessons on the sax and his love for the school has grown progressively since then.

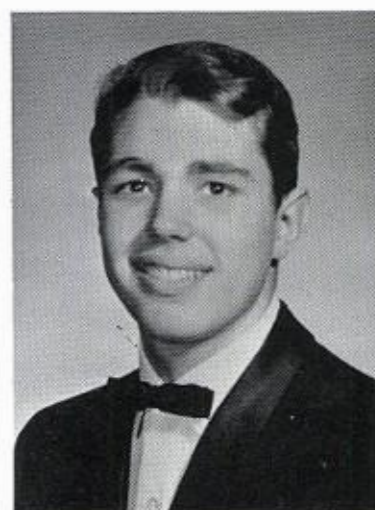

TERENCE E. WARD

Coming from Holy Name Grammar School Terry stepped into four years of popularity and success at S.I. as both a student and athlete. Terry was continually recognized for his exceptional ability in track, having been All-City for four years. He was Co-Captain of the Track Team as well as the Cross-Country Team in his senior year. He was also active in the Sanc, Dramatic Arts, Sodality, intramurals, a class officer, and as a Block Club member. A career in law is next for Terry, he is undecided as to which college to attend.

What do you mean you can't suit up for intramurals?

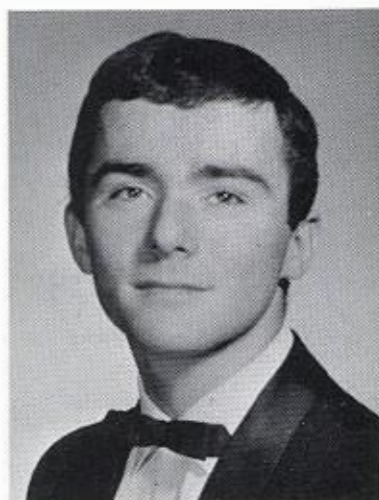

MICHAEL W. WARD

Mike graduated from St. Brigid's Grammar School and entered Saint Ignatius in 1959. He was in the honor class for the last three years; was an C.S.F. for five semesters, and participated in Sanc for four years, Radio Club, and Science Club for one year. Upon graduating, he hopes to work towards a degree in engineering; although undecided as to where he will study.

STEPHEN P. WOLF

Steve Wolf was one of those Ignatians who participated in many activities. As a freshman, Steve was in the Sanctuary Society and was in the Sodality for three years. As a junior and senior he was in the Block Club, a class officer, and on varsity football. Steve also swam for four years. Next year Steve plans to attend the University of Michigan and major in science.

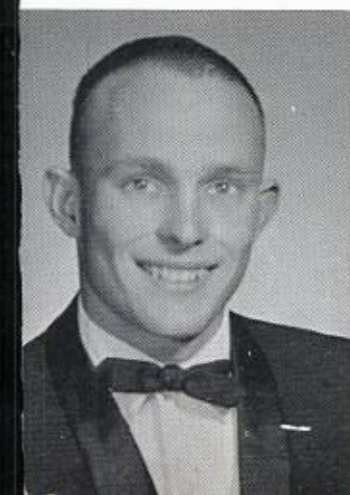

CHARLES H. WHITE

"Mick" gave most of his time to studies and an after-school job. In spite of these time consuming factors, he still managed to participate in the musical, the Dance Committee, and the Sanctuary Society for two years. A member of the Swimming Team, Mick was also active on the Art Committee. After his four years at S.I., his plans will take him to San Francisco State and a teacher's degree.

GEORGE WATSON

George came to S.I. from St. Agnes Grammar School. His athletic endeavors were rather limited because of an after school job for his entire four years. However, he was active in intramural sports especially football, and was on the senior year intramural football championship team. He was a one year member of the Sodality. In his senior year he was in the school play, "Julius Caesar." George maintained a "B" average throughout his four years at S.I. He plans to attend U.S.F. and pursue a career in law.

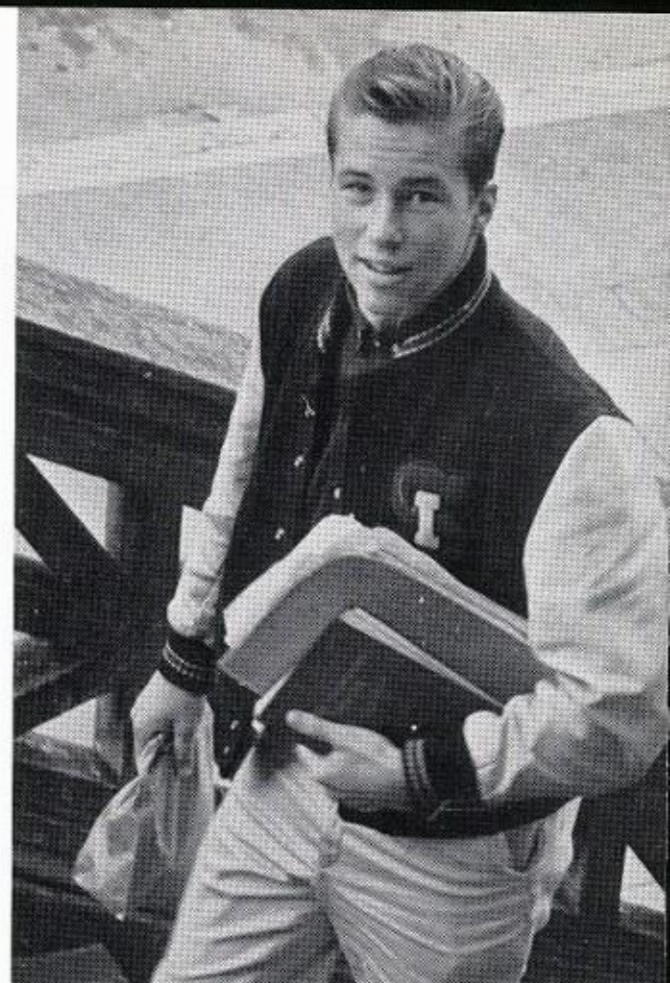

New Foot Breaks

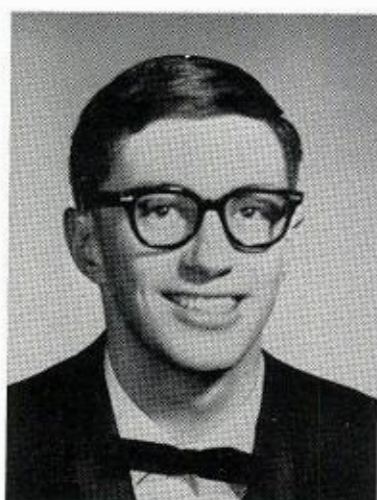

PHILIP A. WOODARD

Phil's portly figure loomed large in the life of S.I. He played a major role in S.I. publications for three years; a columnist and contributor to *Inside S.I.* and an editor of the yearbook in his junior and senior years. He was active in the following during his four years: C.S.F., life member; N.H.S., two years; Forum, two years, winner of Silver Medal Debate; and a four-year member of the Sanc. He also contributed greatly to the success of many rallies and Sodality Christmas shows with his infamous ham acting. Next year he will attend either Pomona or Loyola and major in English.

Only 10 minutes late, Father?

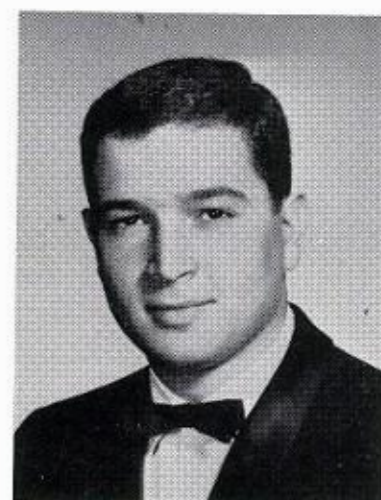

CHARLES WRIGHT

Charlie, or Beadle as he was affectionately known to Mr. Corwin, came from St. Cecilia's Grammar School. He participated in several activities, among which were 130's track, J.V. basketball, and the Sanctuary Society. Beadle has been in the honor class three years and a member of the C.S.F. one year. He wants to enter either Santa Clara or City College.

CARLOS XAVIER

Ever since he arrived at S.I., Carlos has been a great contributor to S.I. spirit. He was in the Camera Club in his freshman year, and was a member of the soccer Team and the Choir during his junior and senior years. His most outstanding contribution, however, was to the S.I. Band. Carlos will probably follow up his education at U.S.F.

KENNETH WUNDERLING

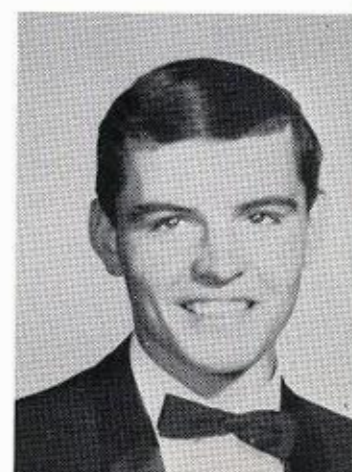

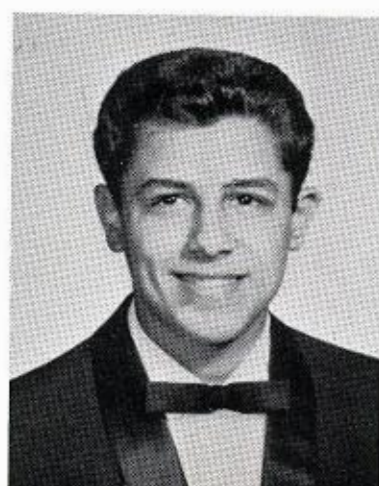

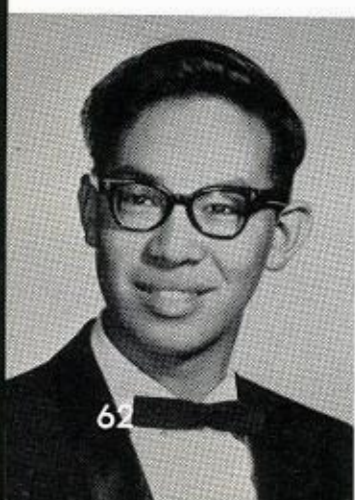

Although Ken has had a lot of fun, he has managed to maintain a recommending average. He was a member of the honor class, taking Greek. Ken added his talents to S.I.'s dramatic productions by taking part in both plays and musicals. Next year, he will cross the Hilltop to U.S.F. and major in engineering or business.

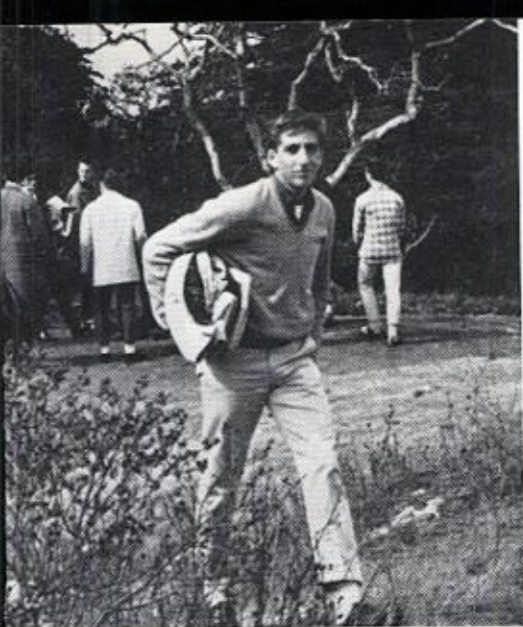

GARY YATES

Gary Yates, a would-be Varsity football player for four years, made his mark at S.I. in the field of football. Yet he never carried the ball or wore a uniform. Gary was the head manager of the Varsity for three years. A member of the Block Club, he holds the distinction of being the only student to wreck coach Vince Tringoli's '58 Impala.

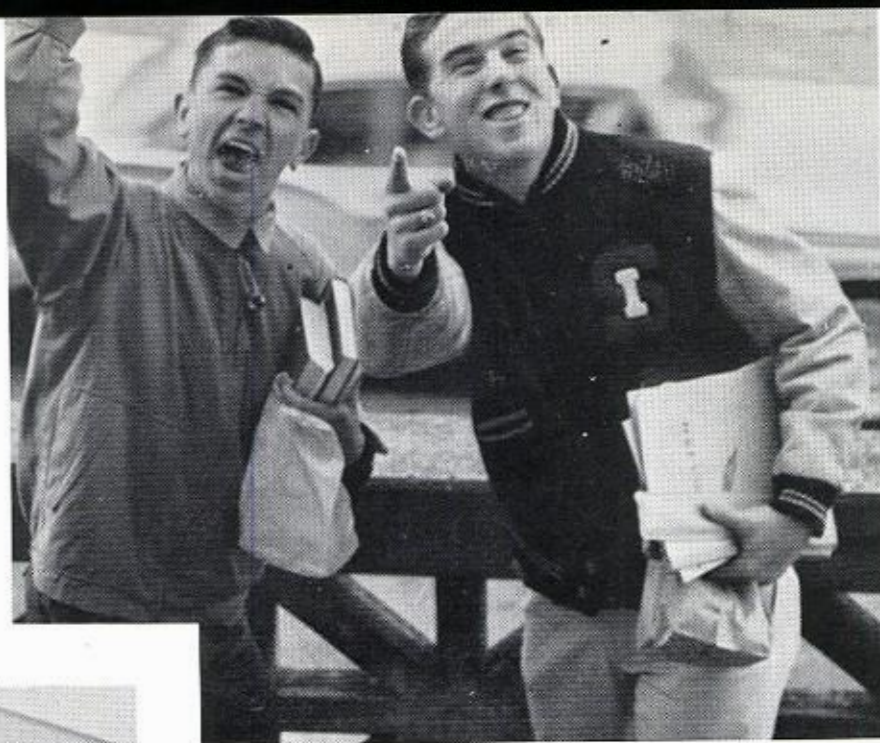

GARY ZACH

Y'know the guy that sat in back of the dance band and played Krupa? Well, that was Gary Zach. He did other things well, too. For instance, he was a top skier in the S.I. Squaw Valley Clan. Usually sort of quiet around school, huh? But quite a guy.

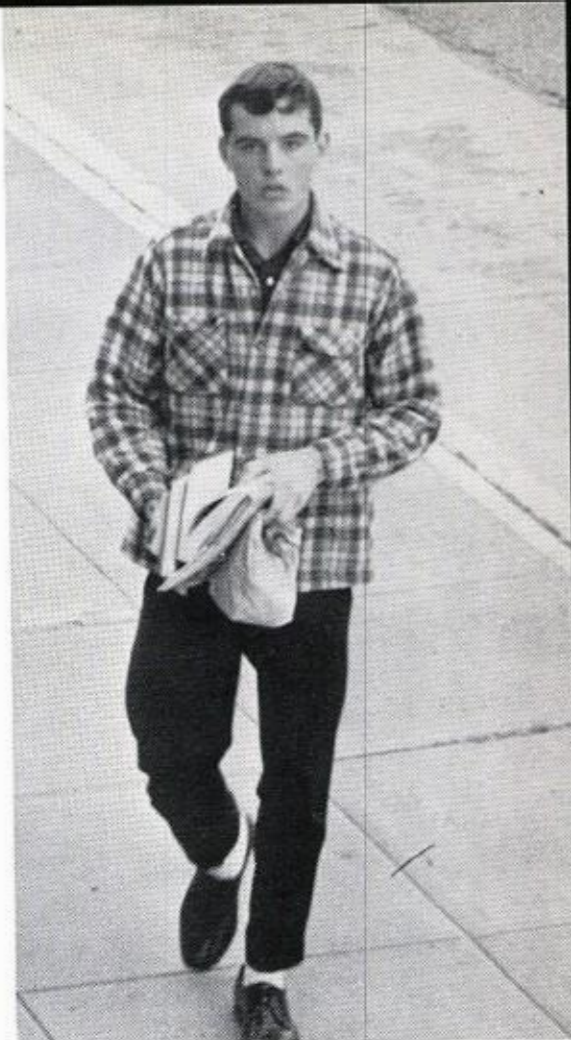

Myself, I never indulge.

Oh, what you said.

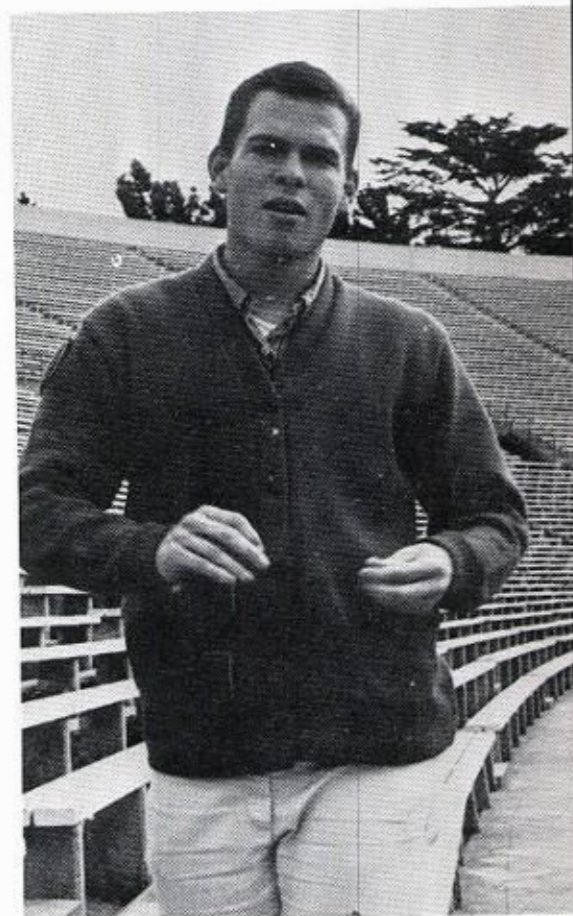

Return of the native.

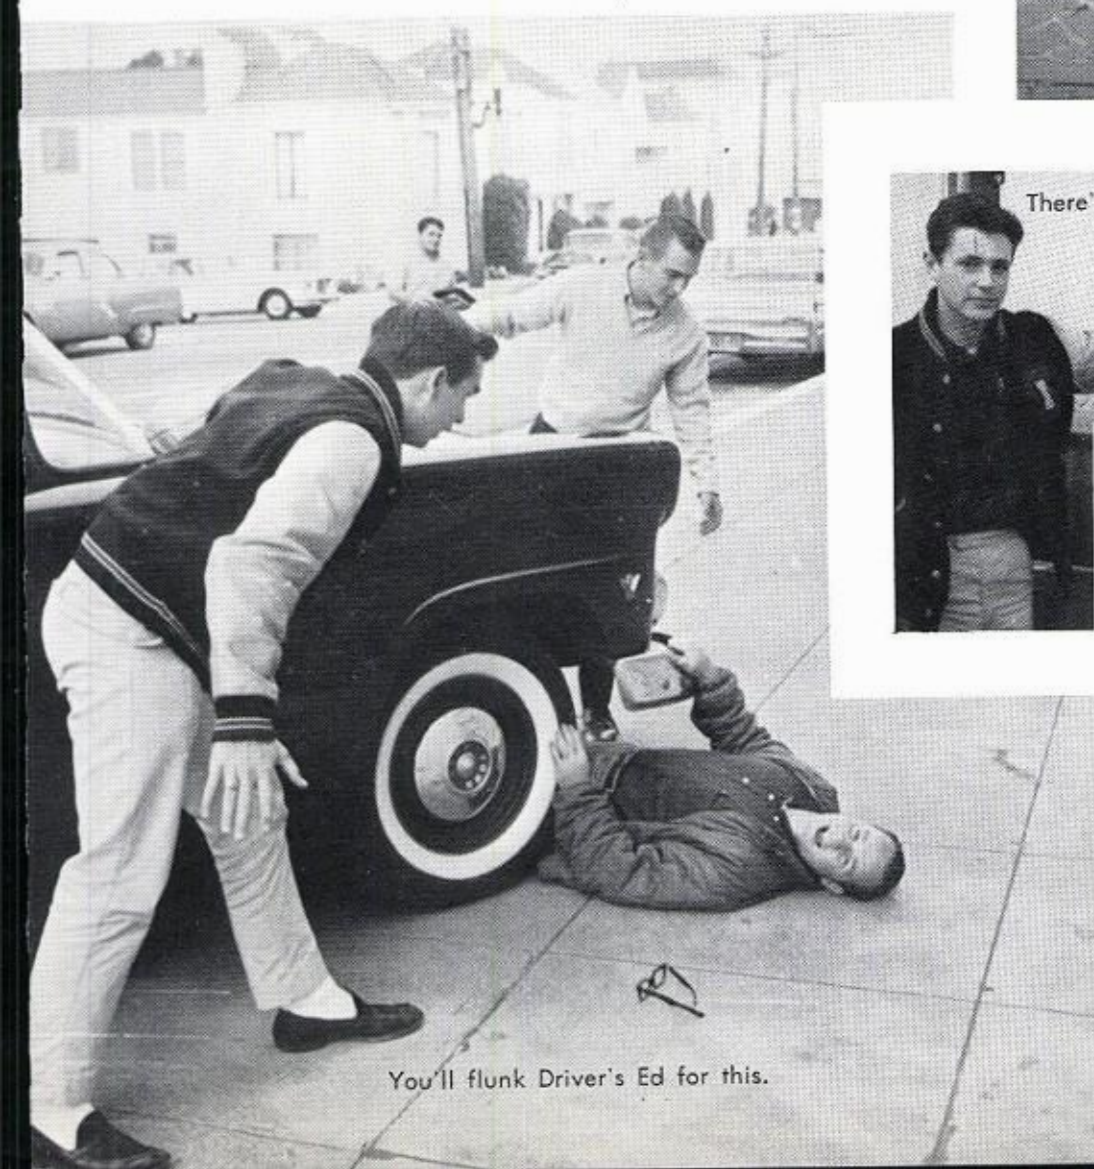

He thinks he's a traffic boy.

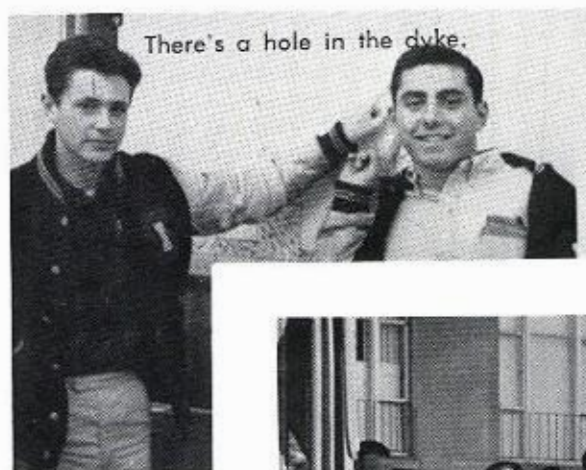

Aw, shucks

I'll wear it any way I like.

You'll flunk Driver's Ed for this.

There's a hole in the dyke.

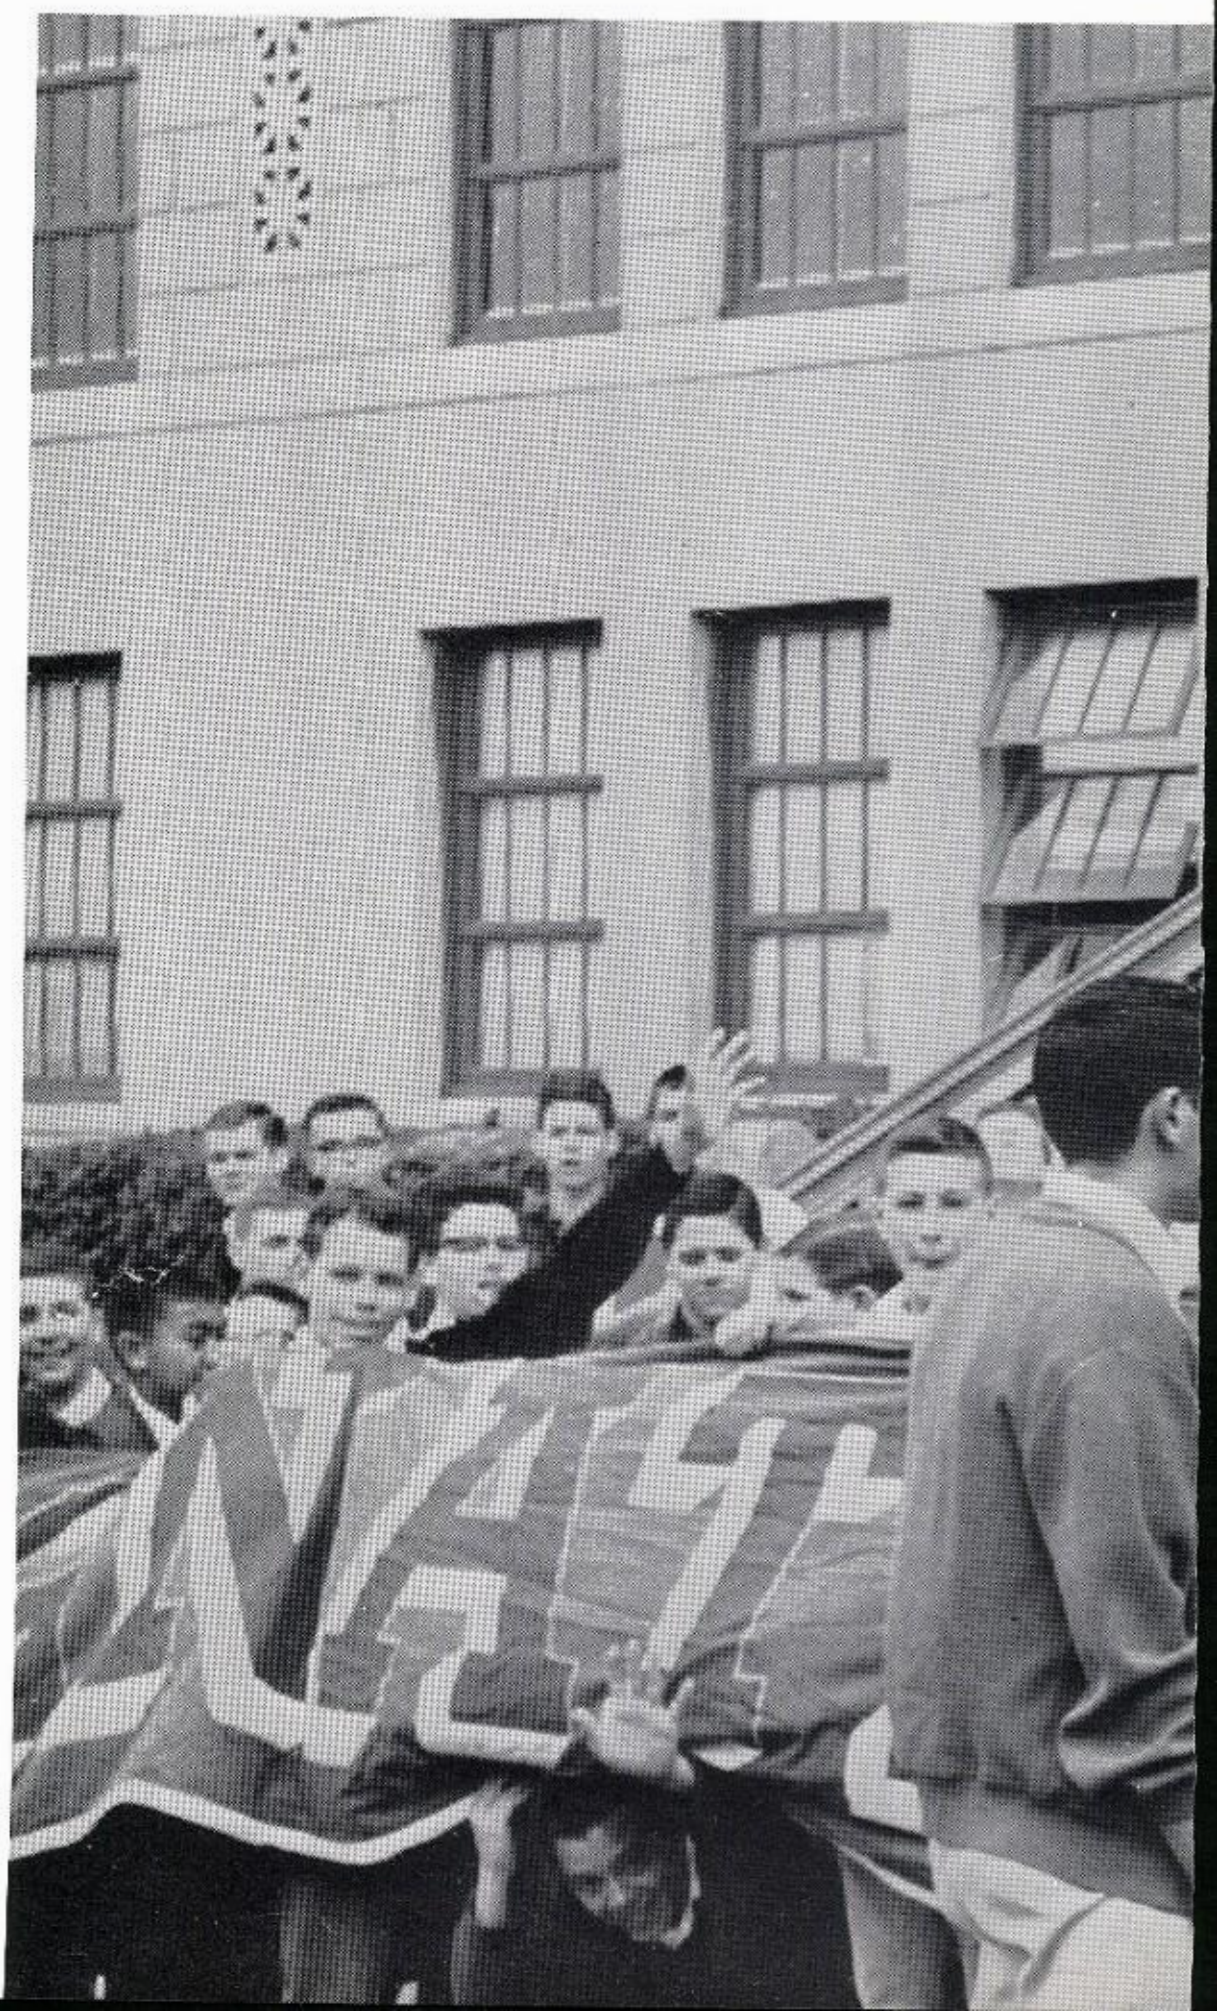

Puny men of the month.

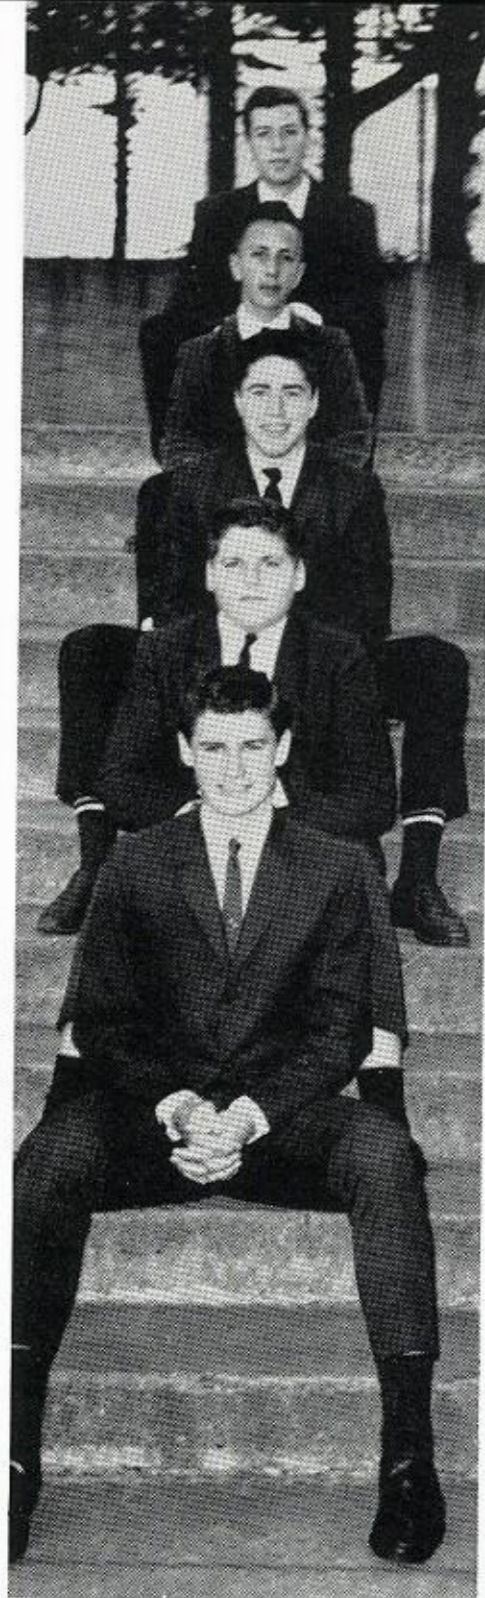

The wild, throbbing heartbeats at a football game, the silent, prayerful petitions in the chapel, the murmured whisperings in a quiet classroom, the wild exuberance of TGIF Day (Thank goodness its Friday Day), the high pitch of a whistle on the intramural field — these are the sounds of S.I. These are the sounds that 1100-plus men make during the school year over and over again. These are the sounds you will hear in the classes.

School is nearly over now, and the men of S.I. can look back on these sounds of the past year. The laughs, the screams, the groans, the heartaches. — all flood your memory with a sweet reminiscence. They are familiar sounds, sounds which have filled the classrooms for over a hundred years, sounds which may fill these halls for a hundred to come. These are the sounds of the Classes.

Sports - Teamwork and Spirit.

"Doc" Erskine

Vince Tringali

Gary Musante

Varsity Football

Greatest Team Ever

And once again it was Thanksgiving. Once again an S.I. team trotted out onto Kezar's well-worn turf. Once again we were the favored "S.I. champs." And for the first time in school history, we wound up with an undefeated, untied record, truly and wholly "S.I. Champs."

Championships are made, not happened upon. Mr. Tringali, "Doc" Erskine, and Gary Musante are the people responsible for making this one. Doc was the backfield coach. With some sixty years of coaching behind him, he provided the necessary knowledge and experience. Gary Musante, all-city from S.I. a few years ago was the working man in both the backfield and the line, doing much of the legwork involved. Mr. Tringali—well, Mr. Tringali is really most responsible for the championship. It is Mr. Tringali who, besides making ours the toughest line in the city, gave this team a personality, a championship character.

This character is something you just don't believe until you know Mr. Tringali. It is something rare and great. It is religion, it is life, it is a desire so strong, so personal, so all-consuming, that, whatever the particular goal of the moment is, all else is cast aside, all energies available are expended in achieving this goal. Any sacrifices involved are automatic and complete. It is a drive and determination that belong to the winner, he who will not lose.

Mr. Tringali has taken the 46 members of the squad and attempted to mold them to this character. The team itself is the measure of his success. It is, because of this character, the undisputed AAA champion, and the greatest S.I. team in many years.

BALBOA

Ready, willing and able, S.I. started the A.A.A. season with an explosion strong enough to knock over a mammoth Balboa line which was supposed to give our front wall a run for our money. As in most cases though, we would not be denied and went on to record a 29-6 win.

With Tom Kennedy and Mike Sullivan leading the charge, we crossed the six point line three times in the second quarter, putting us far enough ahead to keep Mr. Vince Tringali from worrying about the outcome of his initial game as head coach at Saint Ignatius.

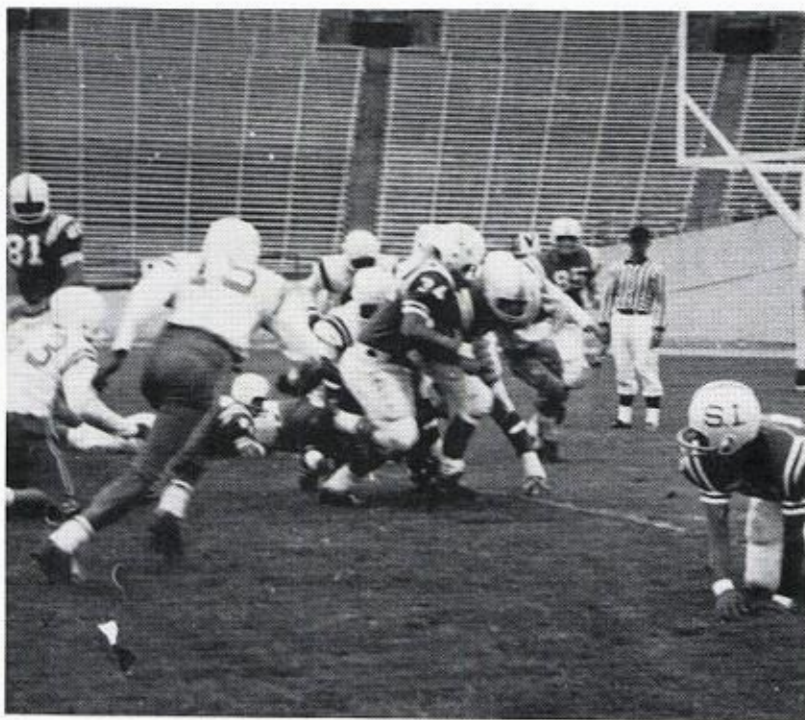

Mike Teutschel closed out the scoring with a safety, and the S.I. student body went home satisfied with their teams showing and with high hopes for the season to come, one which they hoped would erase all memories of last year's ill-fated championship game.

Calcagno (16) rolls right as Labrado (75) cuts off Balboa pursuit.

Sullivan (44) romps past downed Buc as Woods (81) trails the play.

Bonardi (34) scores his first 6 against Galileo.

GALILEO

Surprised for one quarter by a lowly Galileo team which was scheduled for the bottomless confines of the A.A.A. cellar, S.I. caught fire in the second quarter, and kept going till the final gun.

Our heroes marched off 303 yards on the ground to Galileo's 8; and if it hadn't been for their 88 yards in the air things would have been even worse. Highlight of the game was the running of Mike Sullivan and Bill Johnston for the Wildcats, who each chalked up 67 yards. Tackle Rudy Labrado was the stalwart of the line.

S.I. fullback, Tom Kennedy, got off his best, and what will probably be the league's best, punt: a sixty-six yarder that got the Wildcats out of trouble early in the game.

We collared the Lions 39-0 and remained on top with Mission and S.H., all proud producers of 2-0 records.

Calcagno breaks up intended Galileo pass.

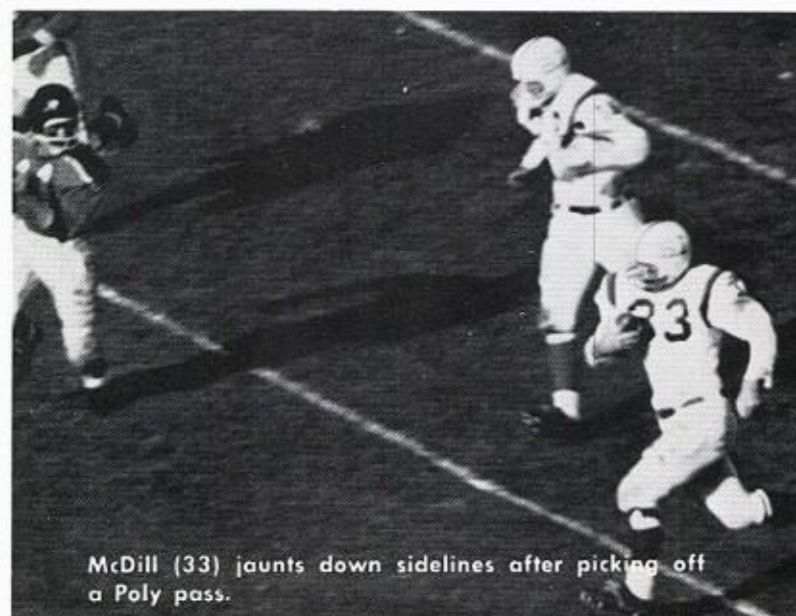

POLY

With two comparatively easy victories under their shiny red belts, S.I. was now to meet their toughest opponent in the early goings of the A.A.A. campaign. They proceeded to unhinge Poly by a score of 26-0. Led by Mike Sullivan's three scores, one in each of the first three quarters, on runs of 12 and 42 yards and one on a 13-yard pass from Ray Calcagno. After recovering a Poly fumble on the first play of the game and Sully's 12 yarder into pay dirt two plays later, S.I. never looked back.

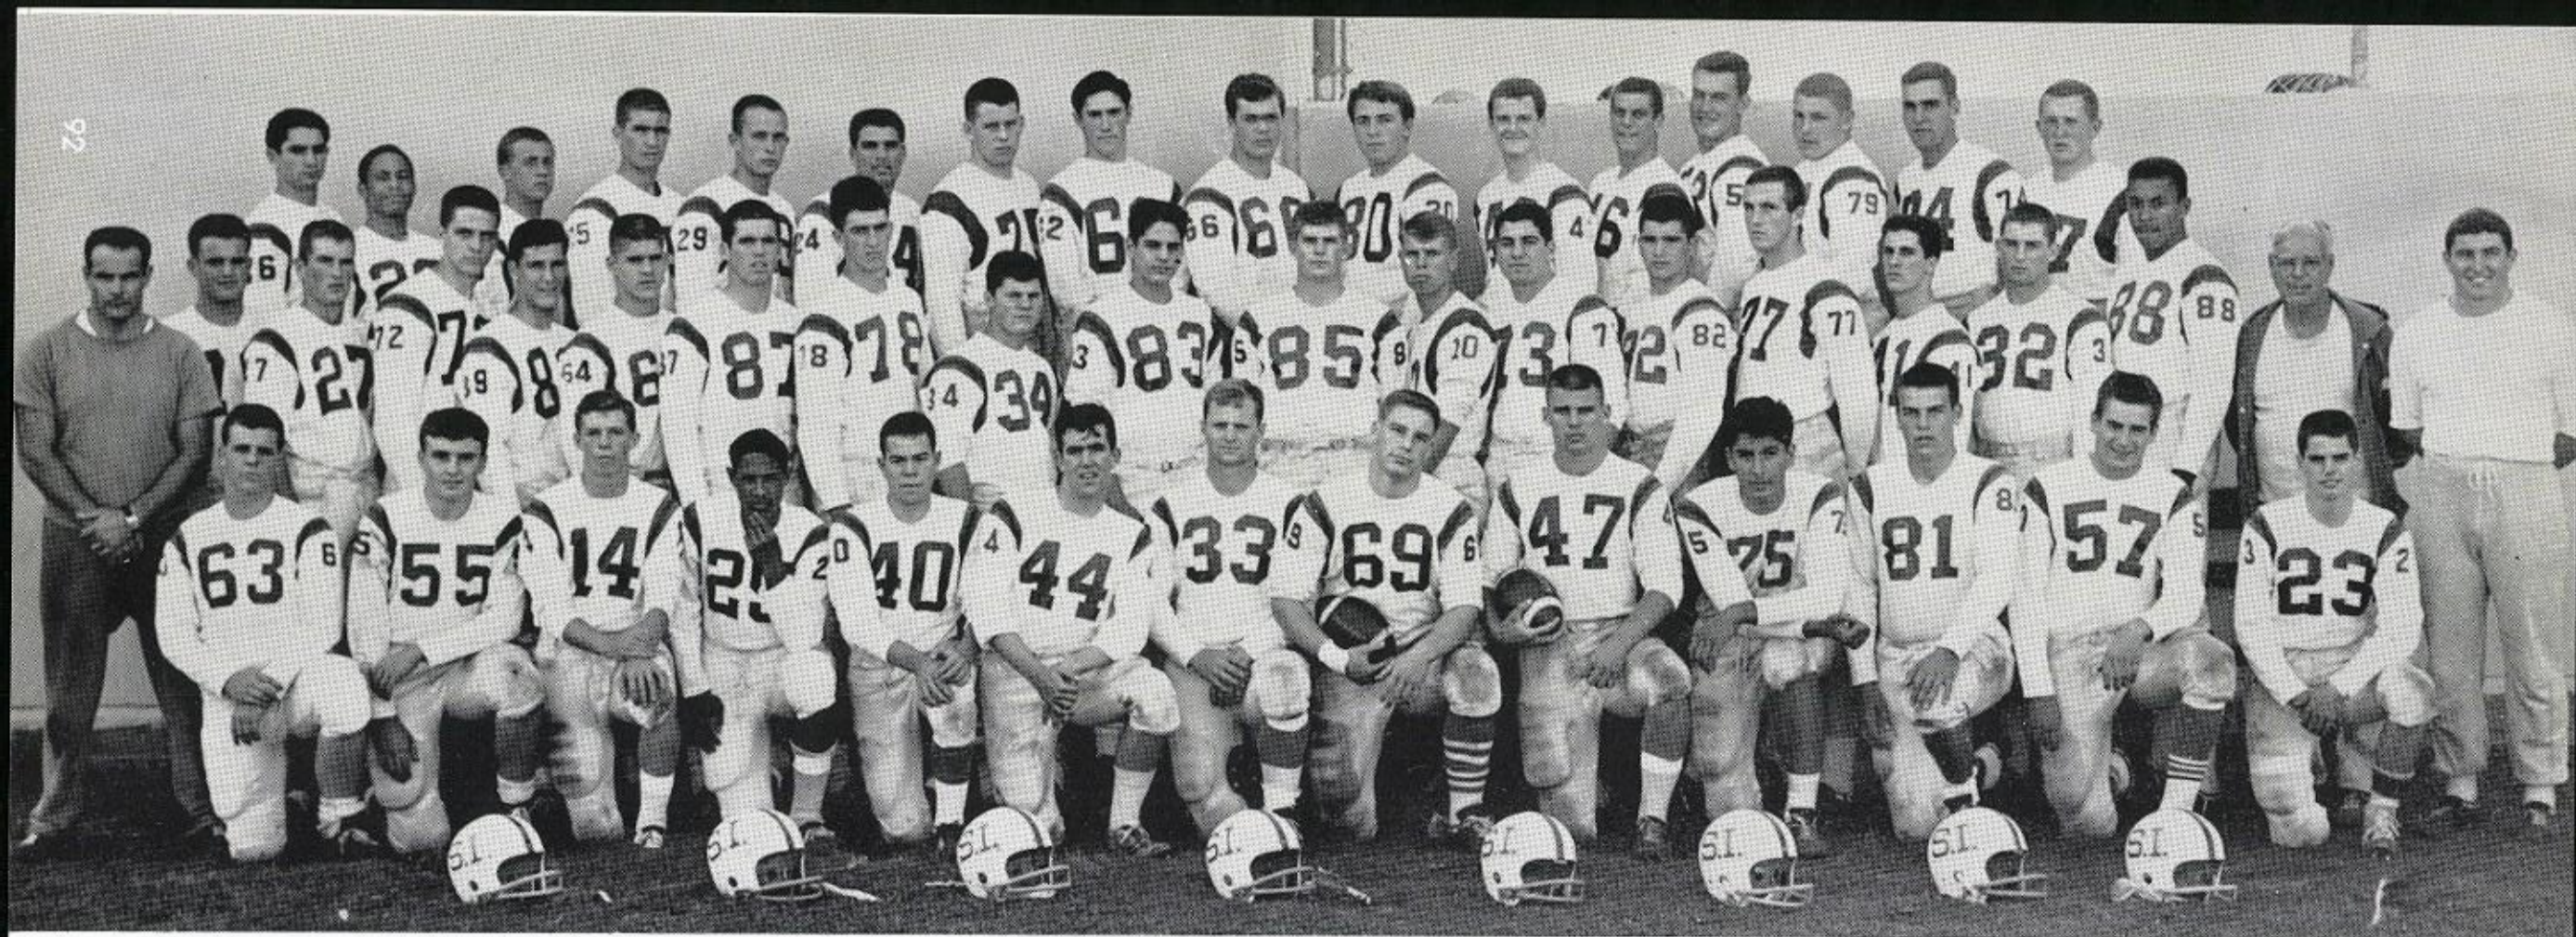

The Cats ground out 280 yards on the earth and another 36 through the air for a net total of 316 yards while Poly had to settle for a measly 108 yards. In the penalty department things ended up just about even although there was an excess of them. S.I. had eight for 80 yards and our neighbors had nine for 85 yards.

Top ground gainers for the Turkey Bowl bound Ignatians were: Mike Sullivan, 97 yards in 10 carries; Lee French, 51 yards in 4 carries; Tom Kennedy, 51 yards in 7 carries; and Bill Johnston, 45 yards in 7 carries.

On three different occasions S.I. took advantage of Poly's errors and turned them into scores. The only thing Poly could be proud of was the fact that they held our heroes to their lowest score this far in the season. But that doesn't show up in the win-loss column.

LINCOLN

On October eleventh, the Saint Ignatius Wildcats rode the Lincoln Mustangs into the slush of their own field. From the beginning of the game it looked as though the Cat's might have to do a little digging of their own as Lincoln took a quick lead of 6-0. After the half-time pep talk by Coach Tringali, the Cats traded their shovels for some yards as Calcagno rolled around right and went all the way to pay-dirt. This tied the score at 6-6. The drive by the Ignatians became the grave for the Links, as the Cats gained the top hand for good, at 6-13. Tom Kennedy scooted 53 yards for the final score. The last hope for Lincoln was snuffed out late in the game when Bud Baccitich leaped up and intercepted a pass which completely stopped the last Mustang drive. The Lincoln epitaph had been written and the Ignatians moved on to face their next foe.

Mr. Tringali yells encouragement as Kennedy [47] goes all the way.

MISSION

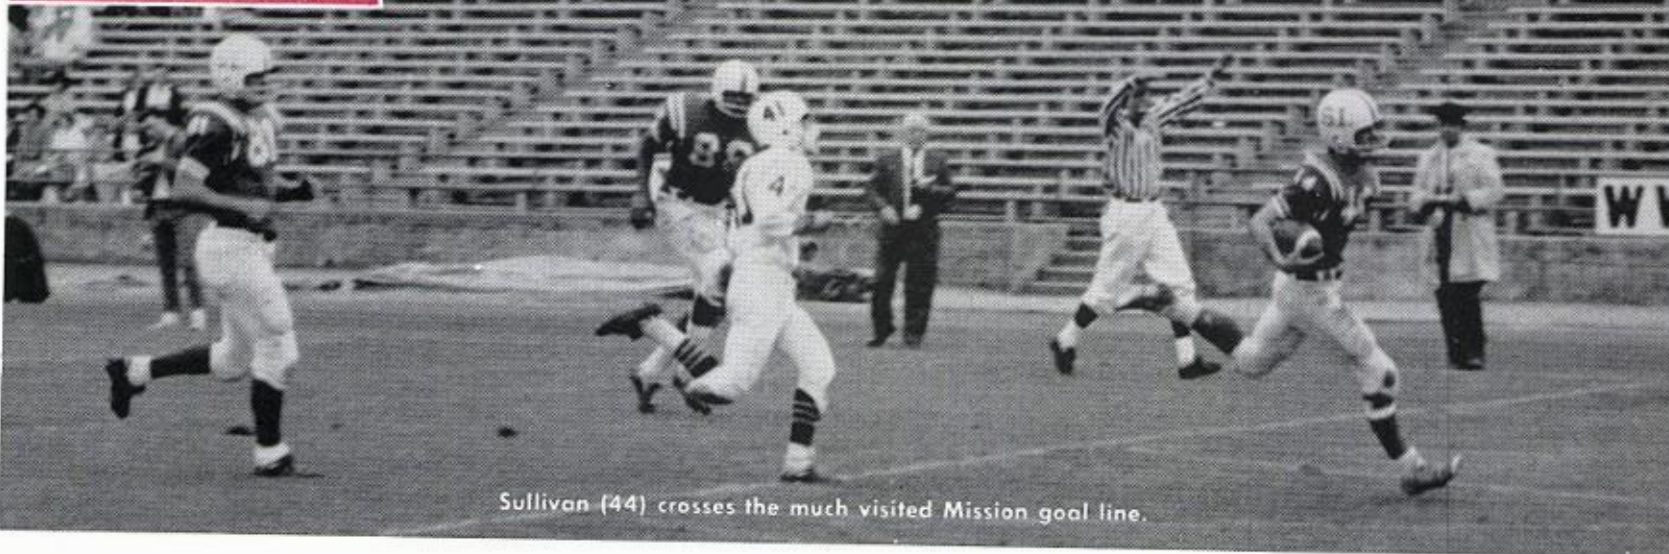

Like the walls of Jericho, Mission's Bears came tumbling down at Kezar Stadium October 25.

The upset fuse fizzled at the start, and the overpowering Wildcats thundered to their fifth consecutive triple A victory. The Bears were expected to give us a blistering battle. Instead they tumbled to their second loss in six A.A.A. games.

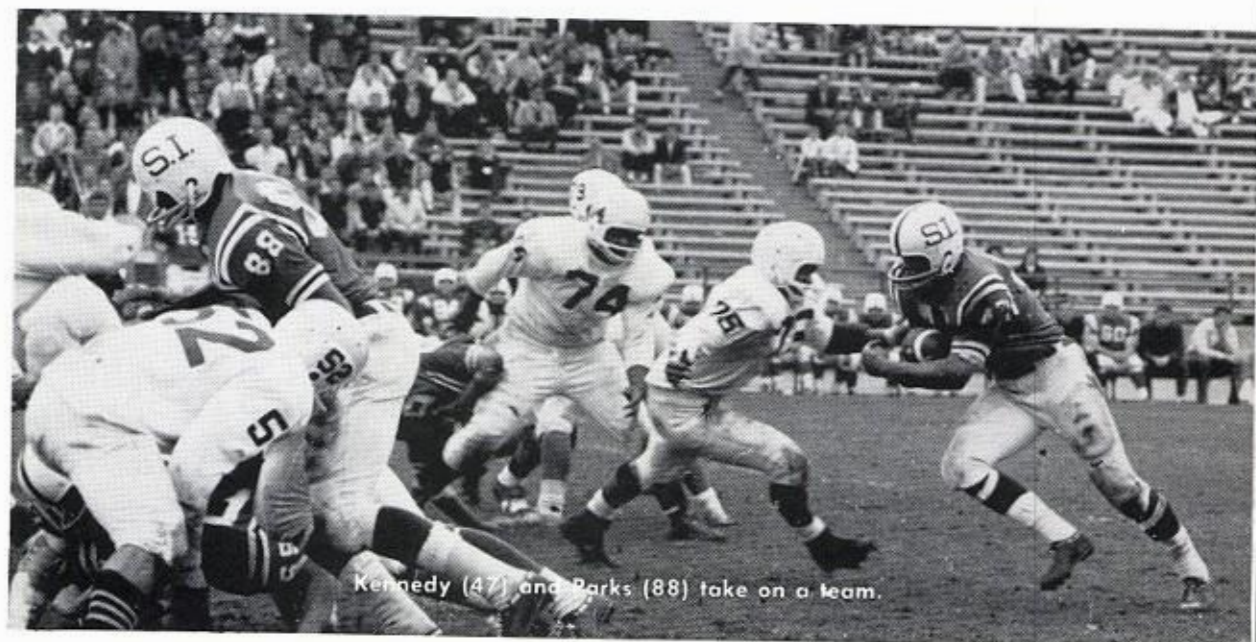

Fullback Tom Kennedy, who crossed the goal line three times, and ran for 114 yards, scored the opening touchdown at the end of the first quarter.

The S.I. defense gave up a total of 13 yards, all of it on the ground. While the defense was sparking the offense was devastating. Behind brilliant blocking from our front wall, nine S.I. runners chalked up 338 yards on the ground; and along with 114 yards gained in the air, we netted 449 yards. S.I. lost earlier bids when Lai Malauules of Mission scooped up "Sully's" fumble on the Mission 25, and French tossed a looping pass straight into the intercepting hands of a Mission defensive back at the Bears' 29.

The others who crossed the much-visited Mission goal along with Tom Kennedy were: Mike Sullivan on a 15-yard run, Ray Calcagno's one-yard run, Charlie Parks with a 39-yard pass from Ray Calcagno, and Bill Johnston on a two-yard run.

WASHINGTON

Cannonballing down the home stretch Saint Ignatius put another feather in Vince Tringali's crazy hat. Held scoreless the first period by a determined Eagle eleven, S.I. shifted into high gear and by the middle of the second quarter were home free. Tom Kennedy, who was in the Eagle's feathers all day, had ruined their chance of scoring with an interception, and came back to cross the goal line on carries of 12, 5, and 13 yards.

Tom wasn't the only trouble-

maker though; Charlie "Alley Oop" Parks was another of S.I.'s big guns, Linebacker Bob McDill and wing Mike Cronan played an outstanding game of defense. Finally, we must mention big Ron's little brother, Ray Calcagno, who had one of his finest passing percentages in that game (80% completed).

Seven victories had gone into the books, but who wouldn't give them all away for a victory over Lowell.

Helmets on, as Toth (63) and Dugan (14) prepare for the second half.

Kennedy (47) widens the margin against Sacred Heart as Woods (81) and Sullivan (44) and friend stop foes.

SACRED HEART

Anxious to even up their T.V. record at 1 and 1, the title bound Ignatians stumbled a little as they fell behind 6-0. Hastily they regained their composure, and captured their sixth straight victory of the season over their arch rivals, Sacred Heart. On last glance at the scoreboard the numbers 22 and 6 were shining brightly, and Bob Fouts was busily telling of the exploits of Tom Kennedy, Ray Calcagno, and the rest of the crew.

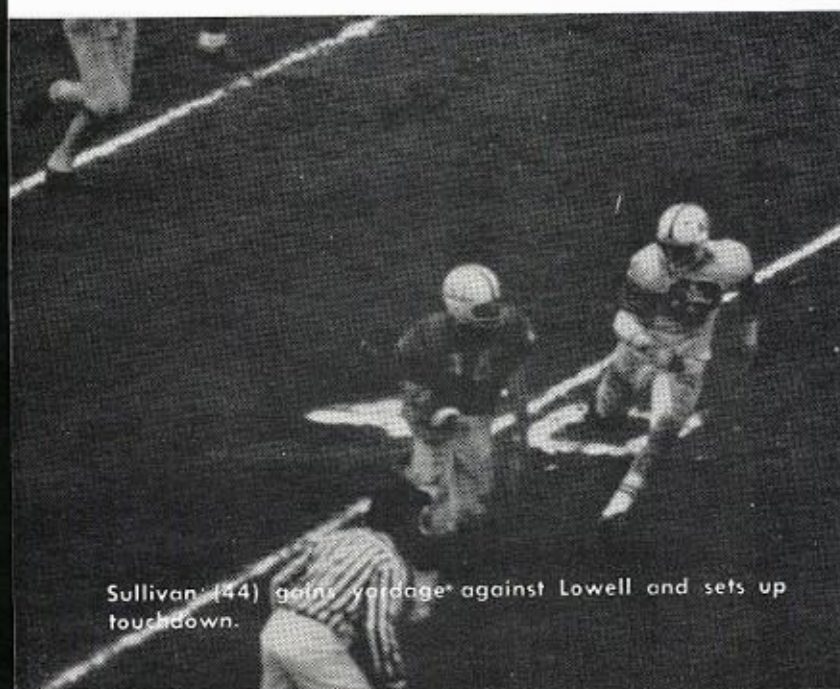

We had fallen behind on a 38-yard pass play, and although plagued by fumbles, we managed to tie it at six apiece on a six-yard pass to Mike Sullivan at the end of the first quarter. The second half proceeded to open up a completely different game though, as Rudy Labrado, Bud Baccitich, and Den Brooks manhandled Gianquinto and company. The Irish soon found themselves with 4th down and six yards from their goal line. The pass from center was straight and true. It landed 8 yards out of the end zone and the Cats led for the first time 8-6. S.H. fans kept cheering, but their backs were broken. Our backfield ran rampant, and the defense held the Irish to -6 yards in the second half. Hopes to get back the Bruce-Mahoney trophy to its rightful place were beginning to brighten. We were now in the playoffs, and an unbeaten record was now within the realm of realization.

Deschler (82), Parks (88), and Wolf stop last drive by Irish.

LOWELL

Saint Ignatius' mighty Wildcats sealed the lid on the A.A.A. round robin basket with a spectacular 19-13 victory over the tough Indians. Lowell easily gave S.I. its toughest scrap. The Cats had to score the winning T.D. in the closing minutes of the fourth quarter, posting the league's finest come-from-behind victory of the season. Bill Feiling's Indians were bidding for an upset when they opened the scoring in the second quarter on a seventy-six yard pass from Bob Lee to Lou Kirtman, and again when they bounced back from a 12-7 deficit in the fourth quarter on a 40-yard pitch-out pass; but the bruising Wildcats pulled off the final touchdown with 4:18 remaining in the fourth period, and then hung on for dear life the rest of the game. Although fullback Tom Kennedy stole the show most of the afternoon running up 164 yards on 20 carries, it was quarterback Ray Calcagno and end Charlie Parks who emerged the last minute heroes. The 155 lb. junior signal-caller fired a 48-yard aerial bomb into the arms of Charlie Parks at the Lowell four and two plays later Mike Sullivan plunged over for the winning score.

Cats Topple Tepee

The story of the Turkey Bowl is a story of teamwork, struggle and, finally, victory. An undefeated team climaxed the season by victory over Lowell High at Kezar stadium on Thanksgiving Day. This story really began early in the morning with the team, coaches and fathers of the players assisting at Mass which was followed by a steak and orange juice breakfast: food for both body and spirit for the tough day ahead.

A few hours later, referee Burl Toler gave a blast on his whistle, and the game had begun. Holding the stubborn Indians to a net 30 yards on the ground, the defense put on its finest showing. Meanwhile, the offense pushed the Lowell line hard, rolling up 214 yards.

The greatest hour of teamwork came late in the first quarter when Ray Calcagno unloaded an "Alley-Oop" pass to end Charlie Parks who fought to the Lowell two. Sullivan went over, and Calcagno soon converted, giving the Cats a 7-0 lead. The outstanding passing of Bob Lee of the Indians in three plays brought the score menacingly close at 7-6 but Gary Shirmano failed to convert and there the score remained. The Indians took a savage beating on the line from Baccitich, Labrado, Serratt and the rest of the S.I. line. The S.I. team sparked, too, by the running of Sullivan and Kennedy put down another tribal uprising. This was indeed one of S.I.'s finest hours.

Zoumboukos (27) takes a slap as Ruiz (33) leads the way.

Like this year's varsity, the J.V.'s went all the way to an undefeated season. Led by juniors Ray Brown and Mike Ruvald, they were never seriously threatened throughout the season. Bob Urmini, Mike Gasparini, and John Buada were the principle ball carriers as Brown threw usually to Phil LaRocca and Rog Wilpitz. Up front the team of Murphy, Parrish, Ruvald, Demakas, and Viglienzoni was enough to make any opposing quarterback swallow his mouth piece. Freshman coaches Mr. McDonald and Mr. Roche, S.J. did a fine job, as the J.V.'s were a solid ball club, from their kicker to the last-string punt squad.

Frosh-Soph builds for future.

This year's Soph-Fresh football team was neither the most impressive S.I. team nor the most spectacular, but none could compare with their drive, stamina, and spirit.

After winning their first two games and being rained out twice, the Cats lost two heartbreakers to two strong teams from Mission and Sacred Heart. Then came the game with Lowell. The official scorebook at halftime showed the rampaging Indians ahead by the ridiculous score of eighteen to nothing. But the Cats wouldn't say die and returned to the field with newly found strength and zeal. They blocked hard, ran with fleetness, passed with deftness, and moreover they fought with their bursting desire to win. The season was a long and difficult one, but the sweat, work, and imposed hardships were fully repaid with that "miraculous" win over Lowell. Spearheading the S.I. attack was Bob Dreiling, a deceptive right halfback, who won this year's Optimus Award for his fine play and sportsmanship throughout the season, typified by his three-touchdown performance against Lowell. Filling the fullback position was devastating Ed Hardeman. At quarterback was Jim Nevin who was noted for his uncanny ability to call timely plays. The line was composed of ends Dave McFarland and Bill Laveroni, tackles Paul Downey and Den Nilan, guards Frank Cercos and Nick Paolini, and center Pat Skain. To these unhailed heroes is owed a vote of thanks for blasting gaping holes into the opposition's line. The defense was sparkled by the outstanding work of one Richard Wilpitz.

Mr. Keating and Mr. Sevilla, the team thanks you with their whole hearts for being the inspiration which sparked the final drive to victory.

During the Fall season that saw our dynamic football team climb to the undisputed A.A.A. championship, the S.I. soccer team went in the opposite direction and wound up in the cellar of the A.A.A. Did I say the team was winless? Why they didn't even score a goal during the course of eight games. Why does the soccer team continue to exist? What room do we have for it in a "School of Champions"? Isn't it just a waste of time for the players to practice every day and never win? This is a question asked many times. Well what is the purpose of sports, is it solely to win, to be champions? Or is there something else, something we ignore?

The Magnificent Seven

"Building for the future," said Bernie Simpson at the beginning of this year's season. If this is the way Mr. Simpson builds; within two years we should be the Universe Champions.

After an impressive 11-3 practice season record, which included the Riordan Tournament Championship, S.I. was ready to take on the rest of the A.A.A. Despite our red-hot pre-season, we were just another grain of sand on the beach because Lincoln, Mission, Poly, and the boys from Ellis & Franklin Sts., also had better than average teams.

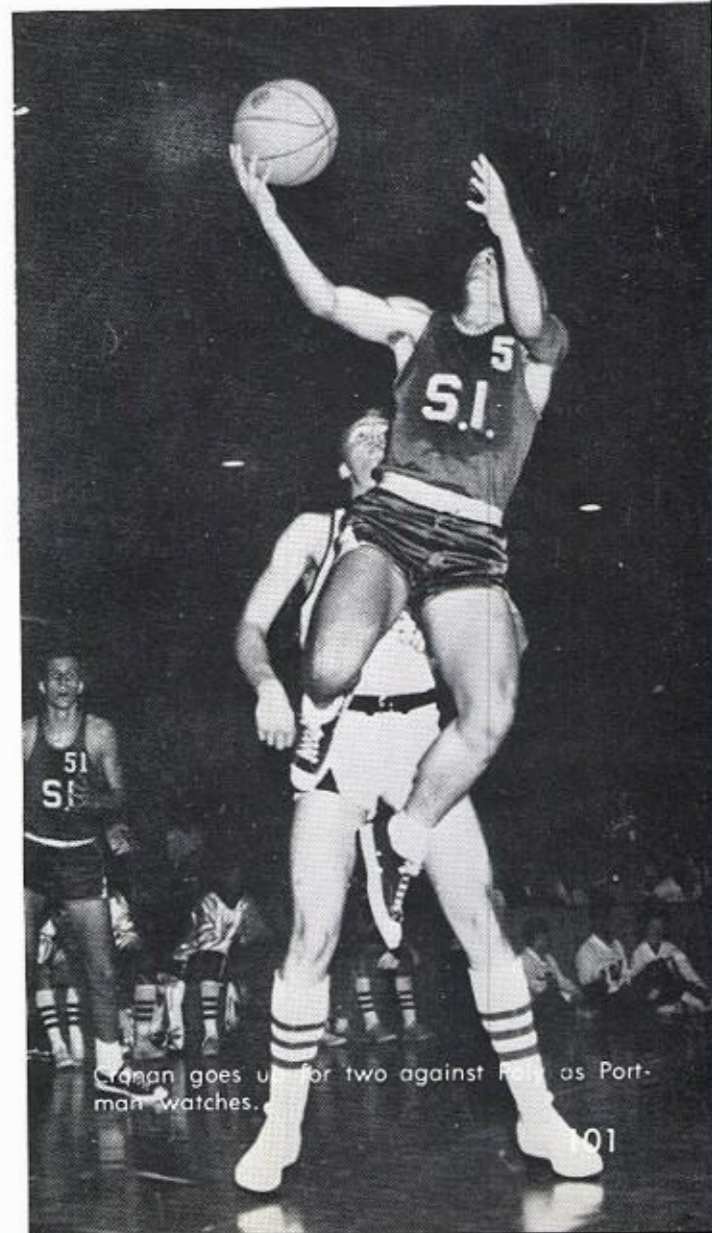

The big guns this year were to be Charlie Parks and two sophs, Portman and Scollin by name. They lived up to their expectations throughout the season with Charlie becoming the player of the year.

After more or less easy victories over Poly and Washington, S.I. took on its first real battle of the year. But there wasn't any player on the team that beat Mission that day; it was our student body that registered the victory. Next week was the highlight of the season as Charlie Parks and his 35 points and one student body equaled one victory over Lincoln.

The next three games were routine to the Cats as they looked forward to the game with Sacred Heart. They had looked good, and Charlie Parks was carrying the team with a 17 point average. Then the walls came tumbling down. Through no fault of Mr. Parks or anybody else, we blew the league lead, the playoffs, and the right to the TOC. We'd been the LA Dodgers and suffered the consequences. We were left with a record of 7-2. The last two were brutal, but the first seven were magnificent.

Poly

The Cats opened the season in fine form with a 67-62 victory. The game wasn't really that close as the team was up by nineteen points at one time. Charlie Parks was high scorer with 23. Portman and Scollin were also in double figures.

Cronan goes up for two against Poly as Portman watches.

Galileo

Despite the perseverance of Mike Dunne, S.I. coasted to its sixth win of the A.A.A. season. After somewhat of a slow start the Cats began to pour it on and ended the contest with the second string playing a good portion of the game. Charlie Parks was held to one of his lower scoring games; but the rest of the team made up for it easily as four players hit in the double figures.

The Cats had won six in a row now and were anxiously awaiting the final game with Sacred Heart.

Mason dribbles by Lion foe.

Mission

Basketball has been hailed as a game for the tall man; if you're under six feet you're lost. But if you ask Lloyd Lieth, coach of the Mission Bears, he will spit in your eye. It was Bill Ferree, who stole the ball continuously, and Mike Cronan, whose corkscrew-type jump-shot won the game with four seconds left, who pulled S.I. to their third triumph of the young season. In the beginning it looked as if the Bears wanted to put the Cats in the dumps for good. Dexter Garnier was ripping the nets like wildfire. We were trailing by 15 points. But once again the Cats came from behind to record a six second victory with Cronan's fantastic two pointer.

Lowell

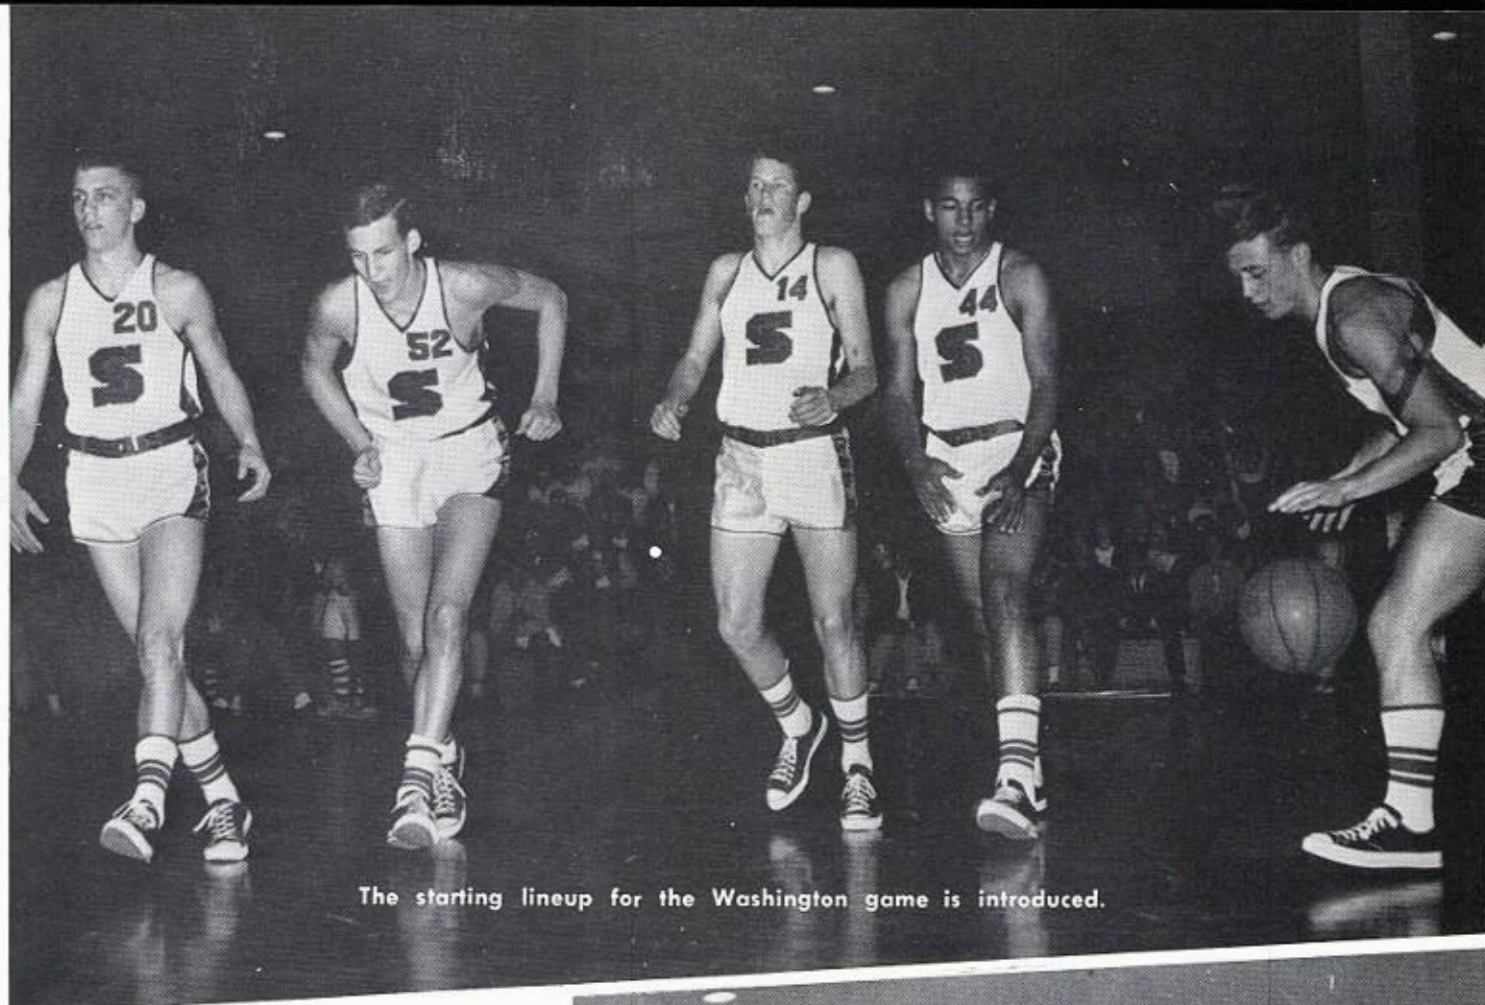

With the revenge of the football season in their heart Lowell took on the Cats in the seventh game of the A.A.A. season. But their revenge was confined to their mouths as the team kept a consistent, but slim, six to eight point lead throughout the game. The game was highlighted by a duel between Mike Cronan and Tim McAteer. Despite the Indian's battling, the Cats continued on their winning streak.

McLaughlin shows varsity form.

Washington

St. Ignatius broke ahead of Washington late in the first half and went on to register a 42-37 win in a sloppy game at Kezar. Both clubs made countless ball-control errors and shot as if the baskets had lids on them. After a very slow start that showed Washington about to pull an upset, the Wildcats started to show their class. Coming from a 14-9 deficit the Cats piled on 14 consecutive points and Washington was on the lower end of the score at the half. After the rest period, Washington caught fire and was almost victorious before the Cats pulled it out, 42-37.

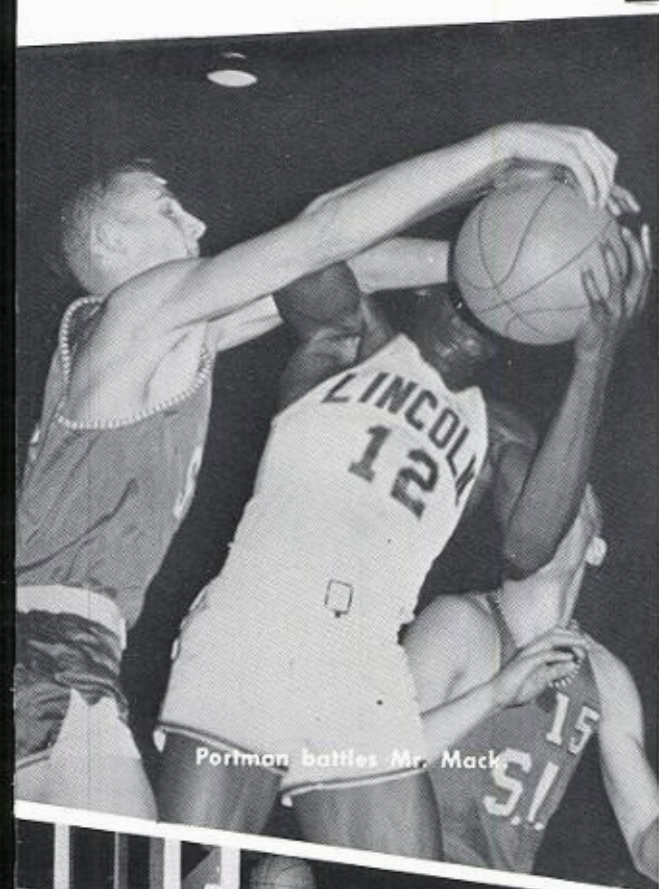

The starting lineup for the Washington game is introduced.

Lincoln

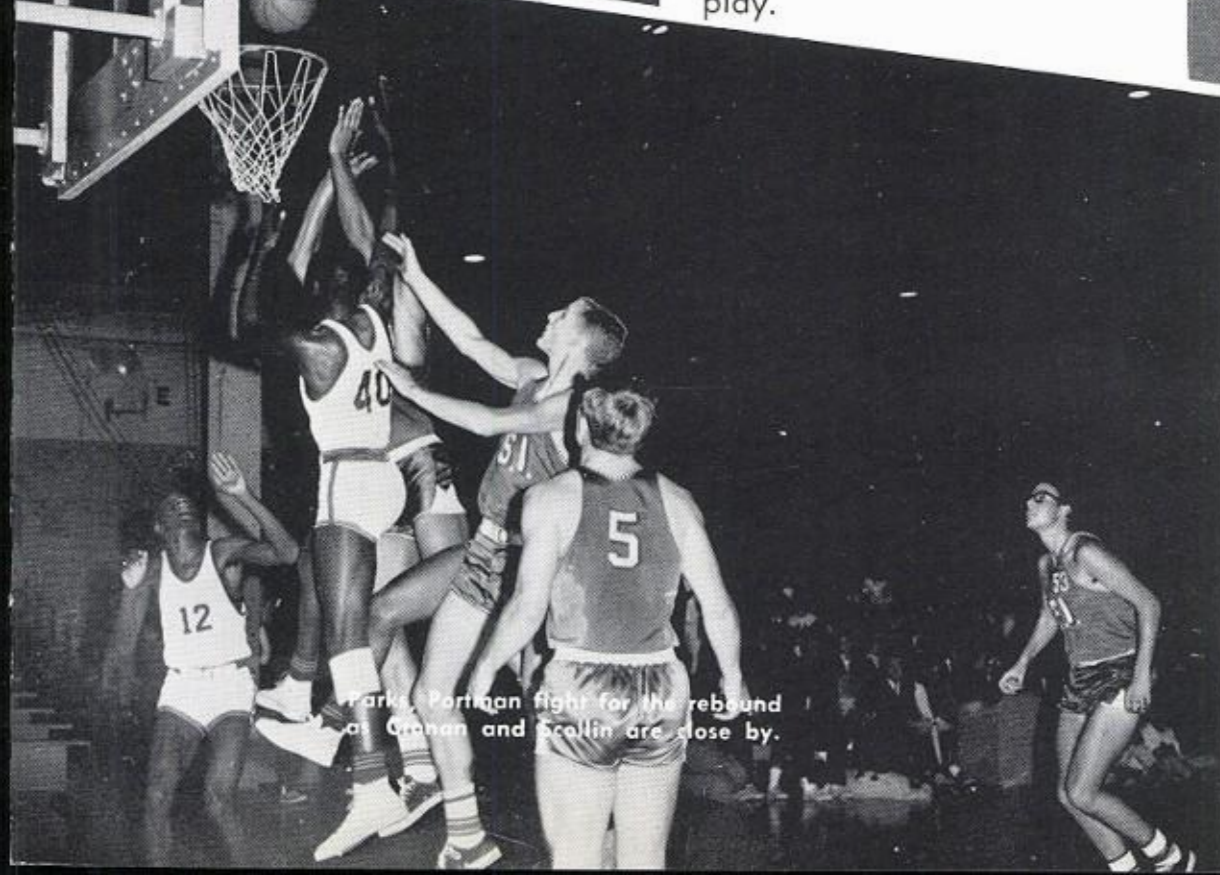

Charlie Parks is the name. His performance on the 25th of January will long be remembered in prep basketball history. On Charlie's 35 points S.I. toppled Lincoln High's Mustangs in the battle of the unbeaten. Ironically enough despite Charlie's 35, it was soph Jim Mason who iced the game for the Cats with 47 seconds left, with a foul shot. After jumping off to 11-3 lead, Lincoln began to have troubles. S.I., backed by frantic student body whittled off the lead before Lincoln took a six-point lead at the half. After the half everyone was standing, and it was here that Charlie made his play.

Balboa

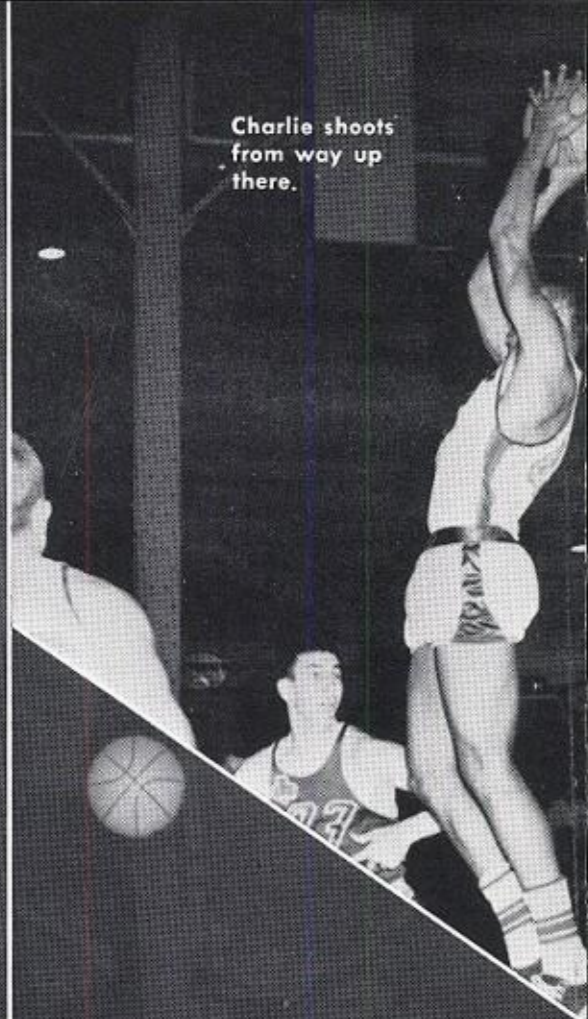

The Balboa game? Well, the Balboa game might be called the fun game or better still, the Wildcats' picnic. From start to finish it was just that—a fun game to watch. The Cats put on an excellent show and dominated all through the contest, never relinquishing the lead to the Bucs. Those who starred are many, but none will forget the antics of Gerry Brady in the final moments to keep the interest of the crowd on the playing area so they wouldn't lose interest in the boring game.

The season wasn't a profitable one, there weren't all-city's, there weren't any twenty point averages, but still this year's 120's was a team that showed spirit and aggressiveness. Primarily led by Kilker, Logue, Marra, Ames, and DeBenedetti, the team played to an average season of 3-5. Backing up the first five were Cimino, O'Toole, D. Bouey, and Schafer. Despite the absence of greatness from this year's squad, future years will bring profit to S.I. teams from this group.

"The best things come in small packages," should be the motto of the thirties this year. Under the guiding hand of Coach Kavanaugh, the thirties staged a fantastic come-from-behind record to put on a good show. After losing the first three games the thirties were ignited by some sort of a spark and quickly and easily won the next four games. The play-offs hinged on one factor: a victory over SH. But it seems that we let the thirties go too long in the beginning of the season by not showing our appreciation for their fast-break type of basketball. They should have been in the playoffs . . . but they weren't.

Tennis is one of the best "underrated" sports at S.I. Actually, it isn't underrated. As a rather quiet, high concentration sport, there really isn't too much room for spectators. Mr. Gagan is being broken in by a team consisting mainly of veterans. Art Cecchin, a four-year man, is in the first singles spot, and a fast freshman, "Lefty" Brightwell, has the second spot. First doubles are Don Burdusis and Paul Vangelisti, and holding down the second doubles are Peter Lynch with Paul Bergez. All in all with Del Bonta, Petersen, Self, and Vanasse, this was to be a good year.

Golf

Led by coach McDonald, a determined newcomer, S.I.'s golf team opened the season aiming to take over first place in the city golf competition and improve their record over last year's which was marred only by a single loss to Washington. Returnees Gary Corvi, Rich Noronha, Bob Vocker, Jim Wurm, and Brian MacDonald, plus a new crop of senior and freshman duffers backing up the front line, they went a long way.

SJ Catfish

There were two big questions to be answered. They were both important and major problems for the 1963 Catfish. The first was whether or not the team could bounce back after losing last year's All-City Meet by a narrow margin. The other and equally crucial problem was whether or not S.I. could win without a red-haired coach. Neither of the coaches this year, Mr. Foree, S.J. nor Mr. Roche S.J. have red-hair. But, ever since 1959 the swimming team has been coached by at least one red-haired coach, first Mr. Bush S.J., then Mr. Brown S.J. Could they win now? The answer to both these questions was yes. The swimming team had a very successful season despite the lack of red-hair.

Even with the return of seven letter men, the team lost some very valuable men last June. So, new stars were needed, and new stars were born. Terry Krystofiak, Paul Van Rijn, Dave Korn, Ed Harris, and Jean Jordan took care of the long distances very well. Paul Cummins and Will Gowney swam the 100 Yard Freestyle, and Ralph Naines and Roger Guidi, the 50 Yard Freestyle. Tom Maguire and Don Greene returned to plague the competition in the butterfly. Kev McGinty and Den Monaghan swam right-side-up while doing the backstroke again this year. And Steve Wolf and Mike Reinhart took care of the breast stroke quite handily. Andy Thanos, Chuck Burgess, and Pete Twede were probably the best diving team S.I. has had in years.

The two East Bay aliens, Fred Bischoff and Al Saunders, were once again their tremendous selves. As a matter of fact, Al and Fred both set new school records in the first meet of the year. But because they live a few miles away, they were not eligible for A.A.A. competition.

Varsity Track

Due to the successful efforts of coaches Fr. Devlin, S.J., Fr. Morgan, and Mr. Bain, the Saint Ignatus Track Team of 1963 has proven its worth in the outstanding performances of various individual members. Highlighted by such notables of the two mile relay team as Capt. Terry Ward, Chris Ferrigno, Ken Howard, and Tim Neeley, S.I.'s cindermen have blazed their way to a successful season. As of our printing date, Ken Howard has already come within a fraction of a second in setting a new school mile record and will most likely do so by the end of the year. Other milers credited with this season's success, Dan Devine and Charlie Rush have both made this a "go-ahead year" for the team. Pacesetter, Bill Cook and Mike Doherty have consistently brought their time down in the 440, as did decathlon men Chris Ferrigno and Terry Ward. Senior Mike Sullivan and juniors Pete Goyton and Mark Dobel have led throughout the year in low and high hurdles. Speedster Den Norwood has occupied his time in collecting his weekly five points by dominating sprints.

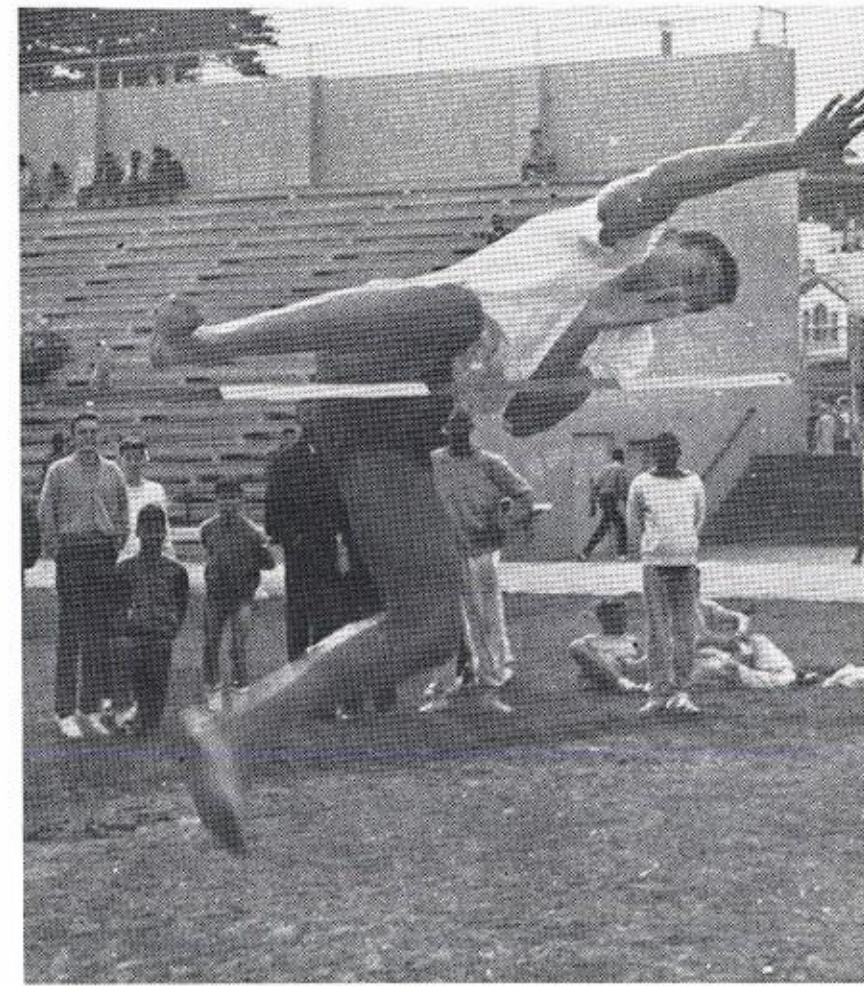

As in the running events, St. Ignatus track men have excelled on the field too. Bub Baccitich is assured of an All-City berth in the shot-put, while Chris Ferrigno promises to be one of the city's best discus throwers. Jim Burton and Chas. Parks have proven to be the School's best jumpers, as are Tim Neeley and Larry Devin in the broad jump. Leo Gannon has done more than hold his own in becoming S.I.'s most colorful pole-vaulter.

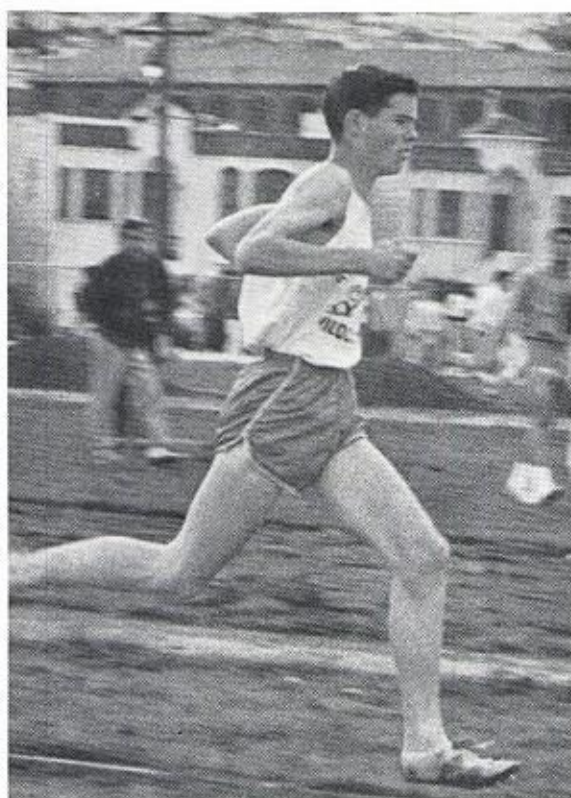

Although S.I.'s lightweights have failed to match the older trackmen in accomplishments, they certainly can be counted on to supply the basis for future track triumphs. Stand-outs are Dan Bolich, Kent Kobuchi, and Gary Primitell.

Cross-Country

"The Loneliness of a long distance runner."

Although never a championship team, the cross-country team of St. Ignatius has always passed down to the lower classmen the grim determination and stamina that the sport demands of its participants. Under the skilled leadership of Father Morgan, S.J., and Father Devlin, S.J., this year's team was composed mainly of seniors; but far out in front and leading the pack, junior Ken Howard continued this tradition by pacing his way to a 9:47 time and a new school record. Backing him up were co-captains Dan Devine and Terry Ward with other senior standouts Tim Neeley and Chris Ferrigno close behind. Charlie Rush and John Malloy were the two remaining juniors who did more than promise that next year's team would be based on their experience and will to win.

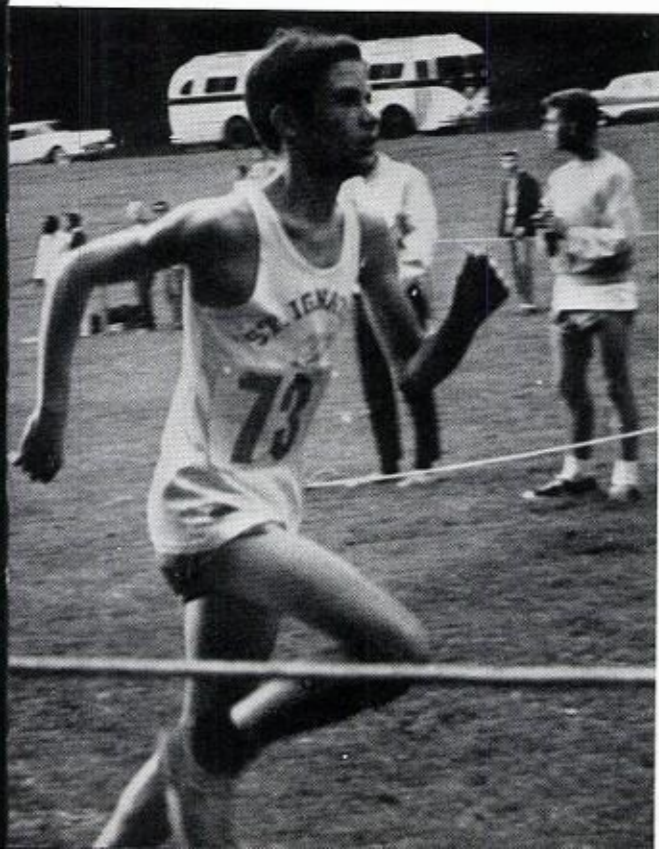

Lightweights Dan Bolich and Ken Robinson both broke the eleven-minute barrier to attain a varsity time and the responsibility to carry future members to a higher degree of accomplishment.

Trying for Two

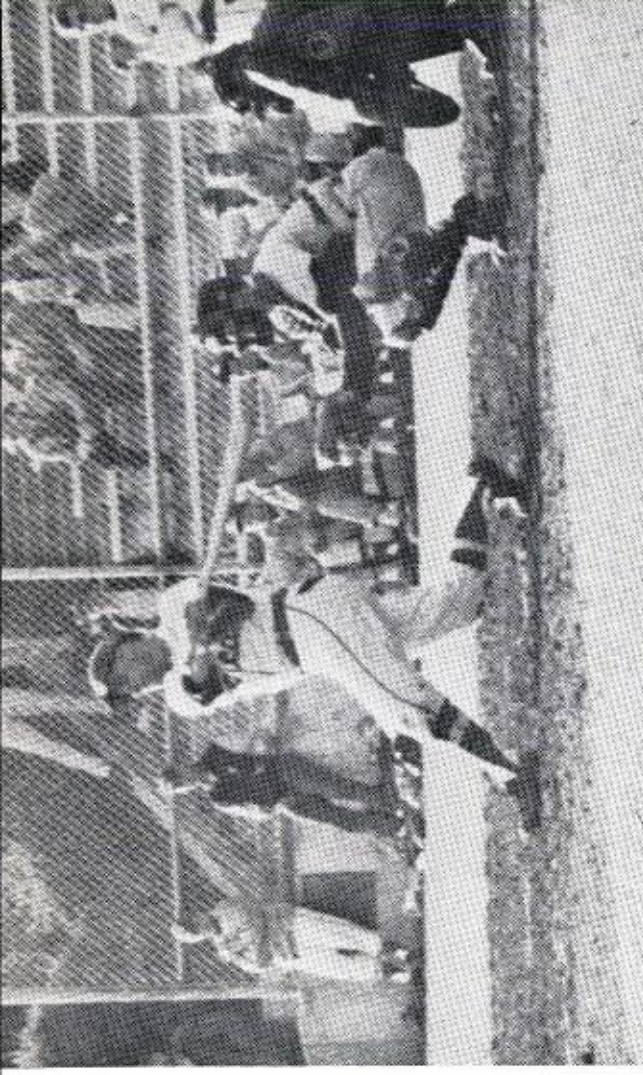

This year, with a group of newcomers and a few veterans, S.I.'s hopes for a second straight triple A Championship look promising. Starting the season with a win over the Lowell Indians, our defending champs thundered toward the long anticipated "Trophy" game with Sacred Heart, but that was still four games away. The Lincoln Mustangs, a tough team, fell easy prey to the determined Wildcats. Mr. Keating and his counterpart, Mr. Jack Keating, S.J., coaching, really paid off as it showed in the following games with Mission and Washington. Finally, with the SH game upon us, the student body showed tremendous spirit by the turnout at the game. Mindful of the last SH baseball game with the Irish, the team was confident of sure success on the shoulders of veteran All-City pitcher Joe Gualco. The Irish rallied many times, but through great team work by Dalton, Brandi, Laberrie, Rios, "Lumps" Ferree, Dekker, Bigoni, Carli, and the rest of the fine team, the Cats came through 3-0; the long exiled Bruce-Mahoney trophy was ours for keeps. As the team enters the last of the first round robin, they are determined to go all the way and take the crown for a second time around.

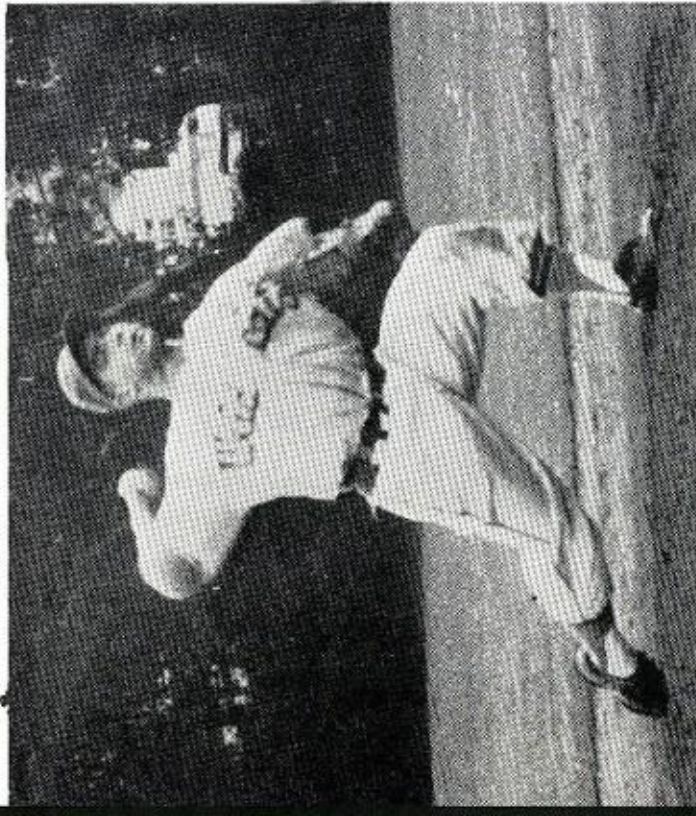

The main reason for success, Joe Gualco.

Soph star Vince Bigone takes his cut.

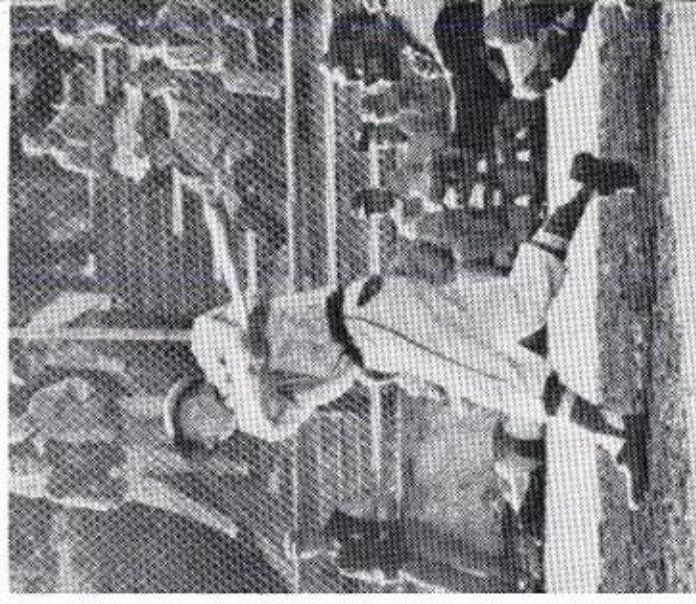

Tom Brandi hammers into the open spaces.

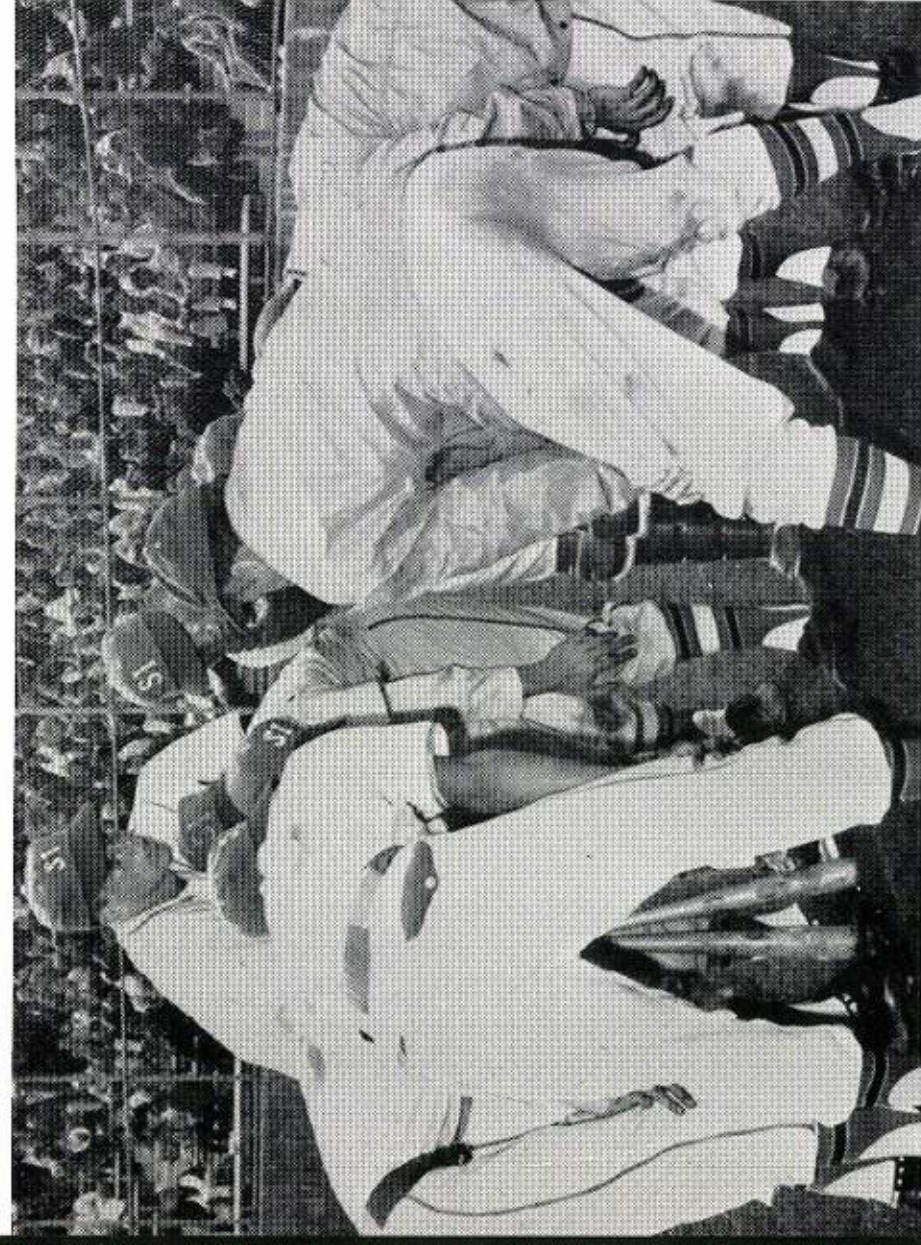

The most picturesque motion of a pitcher:

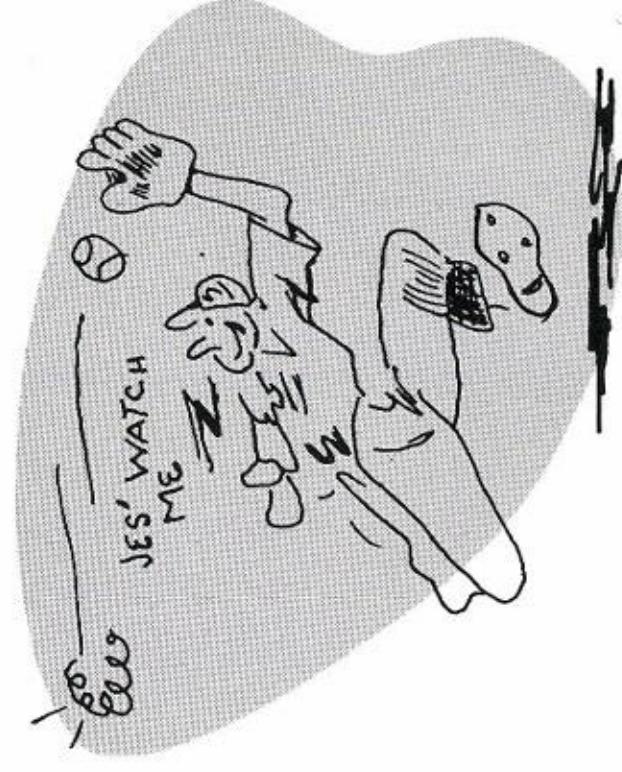

his wind-up and follow through.

Bill Ferree takes his swing.

All right now, Joe you follow John over right tackle . . . and Tom you take out anybody in the way.

It started with a single. Dekker and friend.

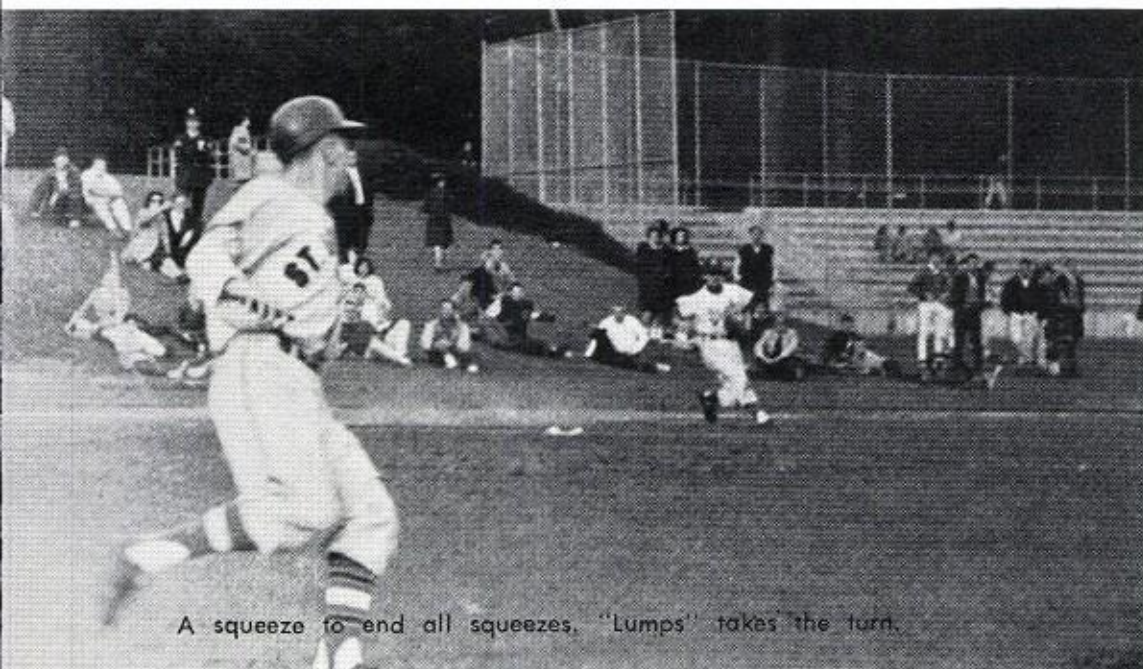

Add a fine shortstop. Dalton cyclones around third.

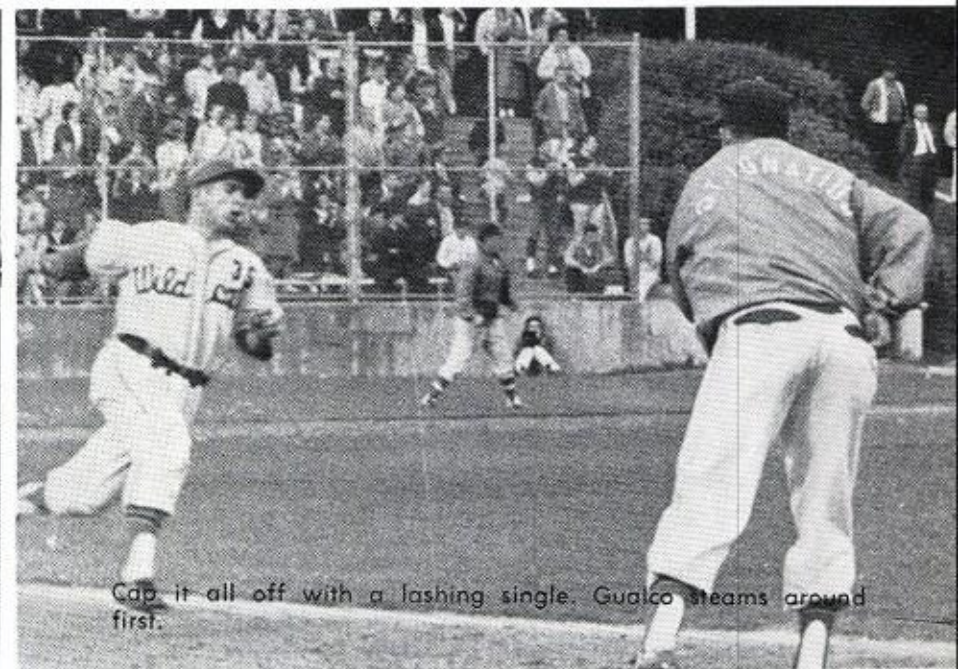

Plus a well-placed bunt. Carli flies into first.

It was the last of the fourth at Graham Field. Rocky Dekker started the ball rolling with a liner to right. After Dekker stole second Tom Brandi walked, putting men on 1st and 2nd. Barry Carli laid a well executed bunt down the third base line. This loaded the bases with one out. Strolling to the plate in his JV uniform was Bill Ferree. Bill

squeezed home the first run of the day with a good bunt. Then came the man of the day and possibly Player of the Year, Joe Gualco. On a 2-1 pitch Joe laced the ball through the infield and the final two runs came home. Also coming home on that hit was the Bruce-Mahoney Trophy.

A squeeze to end all squeezes. "Lumps" takes the turn.

Cap it all off with a lashing single. Gualco steams around first.

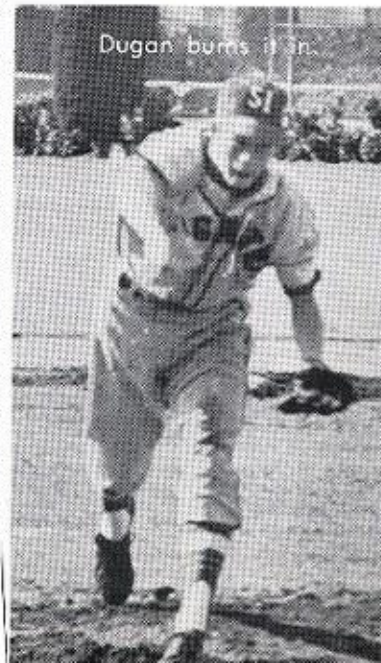

And it all came from this bench. Cats soak up the sun.

First Row: N. Paolini, T. Lynch, W. Miller, L. Bosch, W. Stewart, B. Tretten, J. Carcione, M. Sorini. Back Row: C. Schafer, D. DalPogetti, D. Conway, S. DeBenedetti, T. Woodyly, J. Cardoza, M. Dugan, G. Marcillas, M. DelBianco, J. Arena, V. Marcel.

Under the capable leadership of Brother Sullivan and Mr. Lambers, S.J., the JV's enter their league this season with a good possibility of snatching the JV crown. Despite the lack of a power hitter and a 7 inning pitcher, they have put together some good ball games during the practice season. With several returning players from last year's squad the JV's had a good substance to start with. Add some frosh-soph standouts plus a good crop of frosh and you have a pretty fearsome team. Although there is no set pattern of a starting nine, some of this year's stars were; Paolini and DeBenedetti, catcher, Cardoza, Dugan, Woodyly, Tretten, on the mound. Around the infield it was Marcal Cavalli, Schafer, Carcione, and Conway. Roaming the outfield were Arena, Dinslage, Bosch, and Marcillac. All totaled, the JV's looked like the team to beat in '63.

J.V.'s

Top Row: R. Kappenman, J. Gambertoglio, B. Morrissey, B. Gallagher, B. Hughes, B. Marra, J. Kobacich, R. Ames, P. Gasta. Bottom Row: Mr. Clemo, S.J., R. Tissier, S. Hart, T. Vocker, C. Thomas, P. Marini, W. Francois, D. Avenzino, L. Delucchi.

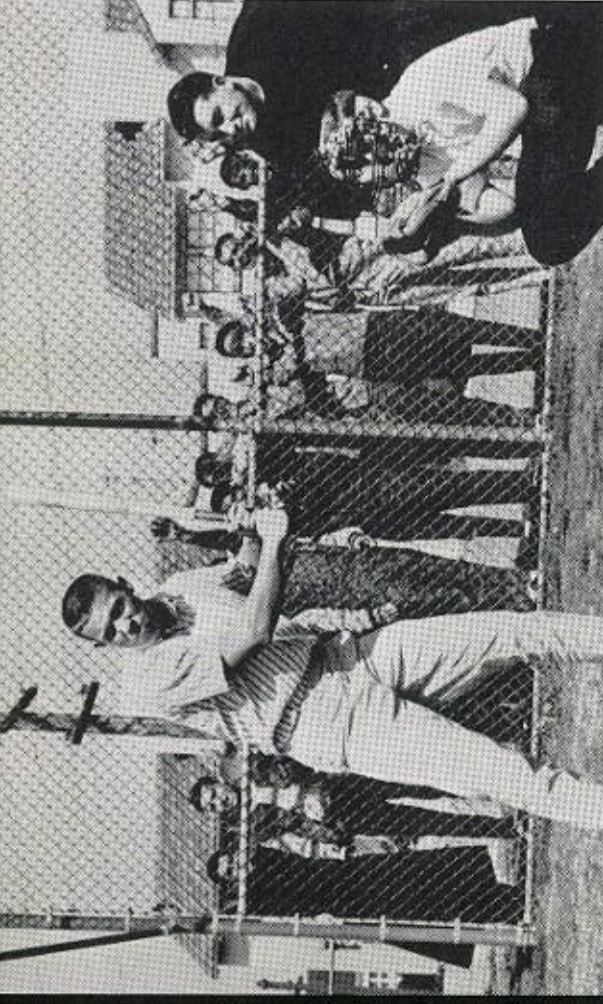

This year's Soph-Frosh team (only two sophs?) is bitter and determined. It's not that standouts like Marra, Kobacich, and Kappenman plus pitchers like Ames, DeLucchi, and Gambertoglio (no hitter combo) aren't trying their hardest, but with such a team, a record at our printing time of 1-4 hardly seems believable. Maybe it's because they're playing mostly J.V. teams; nevertheless Messrs. Fratini, S.J., and Clemo, S.J., hope the Defending Champs of the P.A.L. will repeat again this year, and with the spirit and determination characteristic of a real S.I. team, how can they fail?

Within the walls

Intramurals are more often than not the best and bottomless source of entertainment at S.I. It can make you laugh until your belly hurts, but it can also make you suffer the humiliations, as the 4B Baron casabateers know so well, of the bereaved. It is Mort Sahl in the coaching box trying to psyche out the pitcher, Charlie McCarthy, without being thrown out of the game by that salmon Newton Minnow. It is the moment when the guy who sits next to you in class, the one with the two left feet, is suddenly in the wrong place at the right time and wins the game for thirty or so cheering classmates. Intramurals are the best of the second bests and the greats of the almost greats.

Fighting Irish (Conneely, Sullivan) plus one. (Zolinsky).

WEST SIDE STORY

At last: A student government

After searching through stacks of S.I.'s past publications — both yearbooks and magazines—for traces and clues of past Student Council's accomplishments, the **Ignatian** can honestly and happily state for the record that the imaginative scope of this year's Student Council's influential ideas and the potency of its practical program have never been challenged, surely never surpassed, by any other Student Council in S.I.'s history.

After getting off to a slow start and being duly notified of the fact by **Inside S.I.**, "Writer of Wrongs," the Student Council, stung but stronger because of criticism, immediately proved beyond a doubt that they had always possessed what it took, by initiating and carrying out a comprehensive "reform" program. It straightened its shrugging shoulders and set about taking the first, and by far, the hardest steps in turning the student body into what it could have been and should have been long before now.

This year saw the introduction of many new programs all planned and activated by the Student Council: after school and Saturday intramurals, the special event committee—remember Vince Guiraldi's trio, the ice-capades, the students' own contribution to the building fund, the student council room, the C.S.F.'s tutoring program.

The students and faculty alike may not have noticed the evolvement of a new and better S.I. Because of the proverbial "forest for trees." But variegated visitors ranging from ex-S.I. teachers to alumni have been very favorable impressed and delighted with the atmosphere of progress and achievement which has permeated these rain-streaked walls. It seems to have progressed from a faint rustle on the eventful night in the library to a burgeoning hurricane hurtling through the corridors, upsetting the complacent apple cart, rocking the confident boat, and breathing a new, refreshing and invigorating life into the present S.I.

Block Club

You may be asking what the boys in bright blue sweaters are doing in the Student Government section. At first we thought we should follow precedent and place the student body card-snatchers in the Sports section as in past *Ignations*. After all, isn't the Block Club principally a "Sports Honor Society": a society which commands due homage for our athletic kings? Any course of logic would put them in the Sports section, for the Block Club represents sports at Saint Ignatius. So why are we different?

We, the staff of the *Ignation*, feel that while the Block Club is important to sports it is also an integral part of our student government. That is, the Block Club performs a vital service for student body and faculty alike. It relieves the faculty of their "police work" at the rallies and by doing so, builds a more responsible and mature student body. They also keep up the same standard of service in our spiritual life during confessions. We feel that for these reasons the Block Club belongs not only to sports but, in a much more important aspect, should be considered as part of our student government.

Rally Committee

So how did you like the rallies this year? We thought they were pretty good. In fact, our editor feels they were the best he's seen in his four years. This year has seen the introduction, through the valiant and unceasing efforts of Len Madrid and Tom Brandi, of the sensational "Midnight Snowballs," and the Fabulous "Travelers," and the other minor attractions like Ron Apostoli-Hanley-Woodard skits and many other fascinating features. Despite all these, the spirit generated by these gala affairs was just what the cheerleaders ordered.

To the organizers, Brandi and Madrid, and to the rest of this dedicated crew go our hardy congratulations.

A r t s

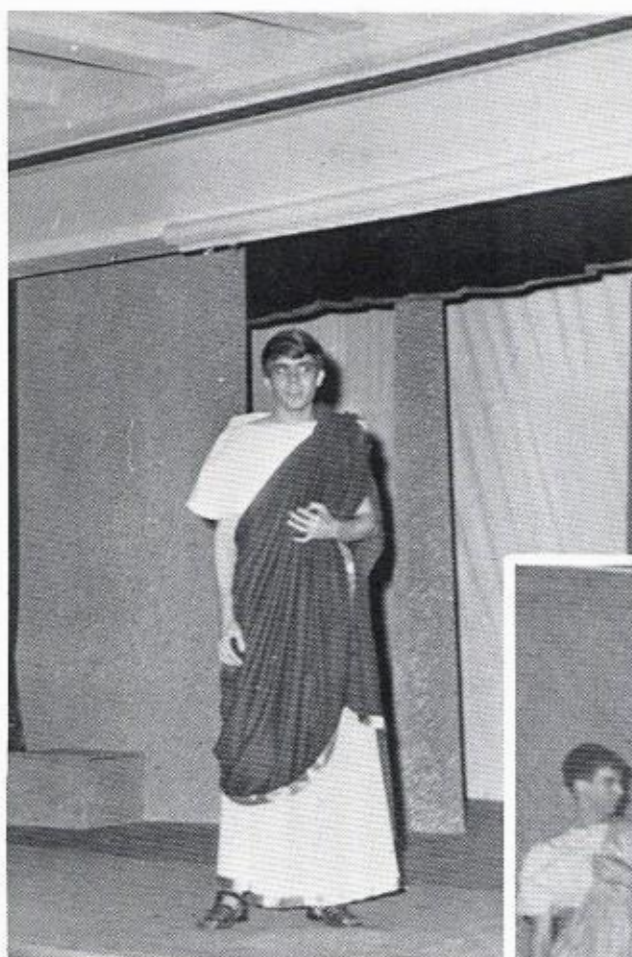

Julius Caesar

Blame it on our editor's yearn for a changed yearbook; blame it on the administration's push towards an emphasis on the fine arts; blame it on the Greek, Latin, English, or Speech teachers who desire to acquaint the student with the arts, but face the fact that the arts have become a very real part in the education of the Ignatian.

Tired of Dee Dee Sharp's "Mash Potatoes," of Superman comic books, of the idiot box's horse opera, and of the Hercules movies? Teachers and some brave non-conforming Hilltoppers have and are in the midst of a massive, if unorganized, fight against them. Music appreciation courses were introduced; busy teachers found time to give their "insights" into painting and poetry to culture-hungry students; students were introduced to the symphony, and found it not totally unagreeable; a few brave souls even show the gall to make the museum route. St. Ignatius is having her renaissance, just another phase in her growing up.

In these pages you will find not the great literature banged out for English class nor the masterpieces painted by the Art committee. But you will find S.I.'s groping attempt at expressing themselves through some medium of the arts. Julius Caesar, H.M.S. Pinafore, the band playing West Side Story and Bach the choir, the photographic art of the camera club—the groups that banded together for arts sake are found in these pages. They have broadened their experience; and in doing so, these brave non-conformists have by enriching their own lives contributed greatly to the growth and maturity of our school.

Dramatic Arts

With life in the balance . . . Sleep of Prisoners.

A theatrical extravaganza which has become a tradition at S.I. is the **Dramatic Arts Contest**. The tradition received a big boost from this year's skits:

The Long Fall was the story of a boy's fear and his tragic overcoming of it, set in a construction camp. The skit was slow, sometimes weak, but stellar performances by Terry Ward (third place acting winner), Rory Criss and Pete Garland kept it above the ordinary. Mr. Higgins, S.J. directed.

In the Zone, written by Eugene O'Neil and directed by Mr. Keating, S.J. involved some excellent counterplay and precision acting on the part of its cast (the largest of the evening). The tension packed one actor showed the effects frayed and taut nerves have on men during wartime in enemy waters. Voted as best play of the evening and meriting Joe Augustino a second place acting accolade, **In The Zone** showed how teamwork can be used to dramatic advantage.

The Soldier Who Became a Great Dane. The army, comedy and Paul Hanley blended in this zany farce about army red tape. Mr. Clemo's direction and Hanley's adept comedy turned out a slick, hilariously wacky break from the evening's heavier productions.

A Sleep of Prisoners was the most gripping, arresting and dramatic play of the evening. Four superlative performances were exacted from Ed Harris, Jim Milton, Mike Peterson and Rick Del Bonta by Mr. Coleman, S.J. in this modern re-enactment of the Cain and Abel story. Although a great deal is no doubt owed to the tremendous writing of Christopher Fry for the play's impact, its presentation merited the First Prize for acting for Peterson.

As we go to press in early spring, we are faced with the task of writing a revue on a musical which hasn't been presented. The musical, H.M.S. Pinafore, has been the subject of much speculation (some not too hopeful), and must overcome the obstacle of a somewhat skeptical student body. It would be hard for any musical to follow the big, bubbling, and boisterous "High Button Shoes." Students accustomed to the big time of the Marina Auditorium, Pres., or the Opera House will find themselves in their own Fox Theater, S.I.'s auditorium (scene of an earlier tragedy). The toe-tapping accompaniment will not be provided by our orchestra but by . . . two pianos! Instead of "cast of thousands" H.M.S. will have nineteen thespians and vocalists (and some vocal non-thespians too). The stage is set. Whether H.M.S. PINAFORE will overcome her doubtful seas is a question as our yearbook goes to press, a matter of history as you read it.

Band

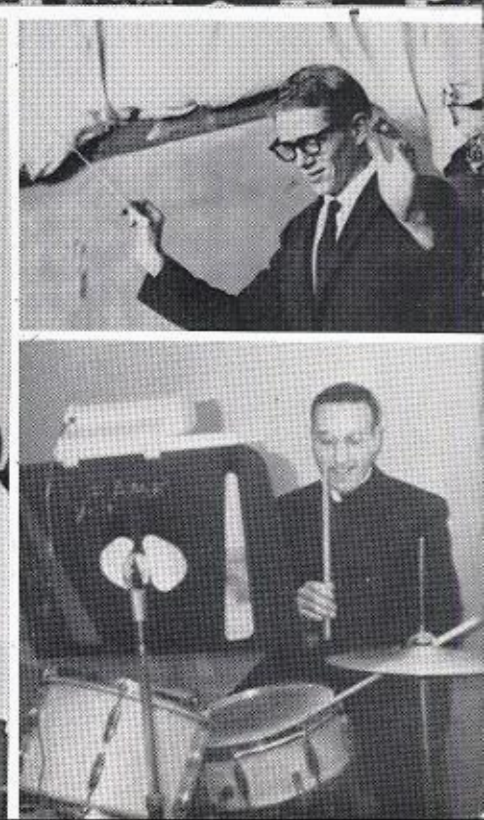

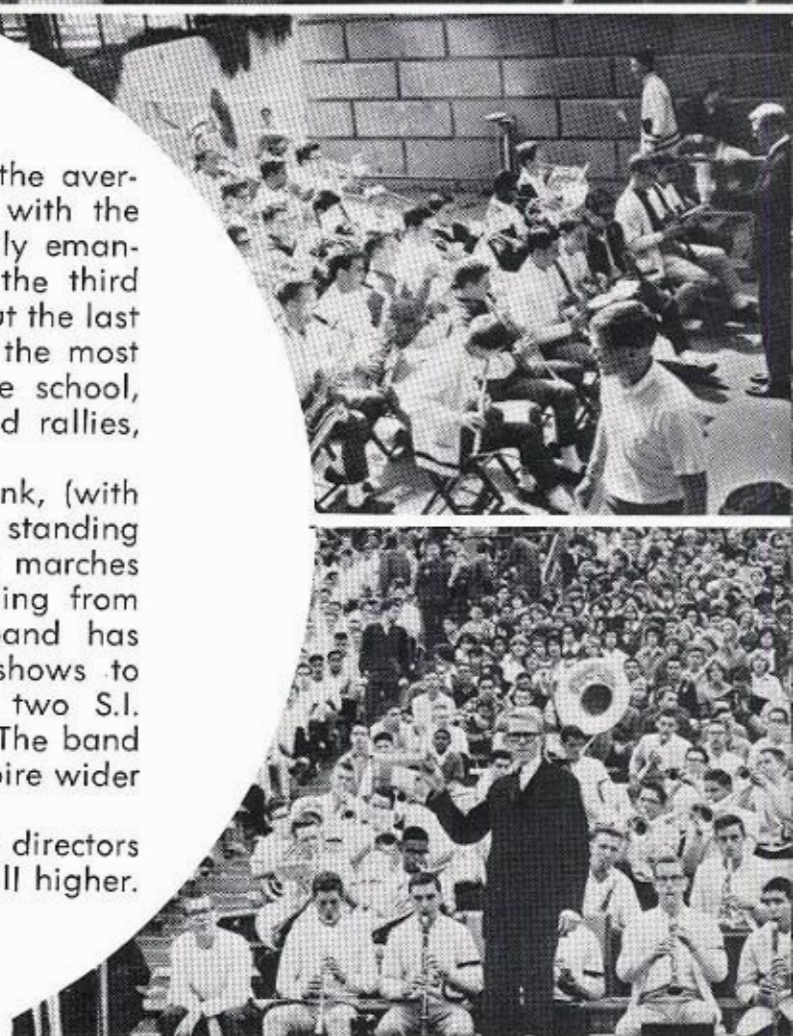

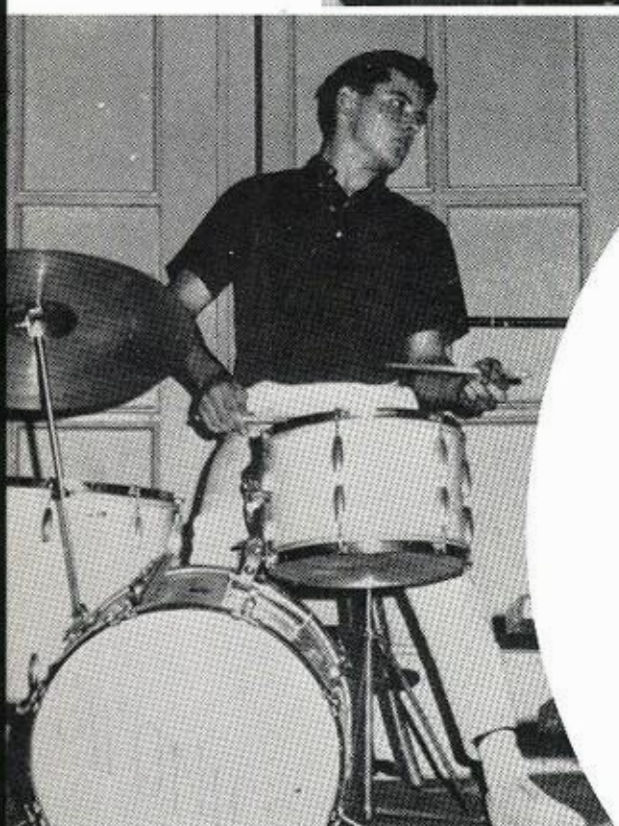

It's been a long while now, since the aver-
 age Ignatian has been unacquainted with the
 source of noise (music?) that customarily eman-
 ates from the northeastern corner of the third
 floor between 2:30 and 3:15. Throughout the last
 two years, the band has been one of the most
 consistently active organizations in the school,
 giving concerts, playing for games and rallies,
 and lately, even dances.

Obviously, Mr. Torrisi and Mr. Monk, (with
 the band in entourage), haven't been standing
 still. In two years, the standard Sousa marches
 have been supplemented with everything from
 rock-'n-roll to Wagner. The dance band has
 progressed from Sodality Christmas shows to
 professional gigs; they even played two S.I.
 dances this year, with credible results. The band
 concert was better than ever, the repertoire wider
 and more impressive.

Where will it all lead? As far as the directors
 are concerned the only way to go is still higher.

Highlights and Memories

Like the word "skate-key" in Shelly Berman's bit, this section is supposed to flood the conscious with almost a sickening flood of nostalgia. As you glance through these pages rolling on the floor, bubbling over with the mirth brought on by our hilarious captions, a little tear is supposed to drop from your eye and moisten these pages. Fifty years from now you'll be able to tell your grandchildren that this stain was made when you first saw this yearbook. Your heart will beat with fond remembrance as you see pictures of the Championship game on Turkey-Day, the Rally Mixer, the Basketball playoffs, the Green Stamp Dance, and all the other great "Highlights and Memories" of the year gone by.
