Woodland High Woodland

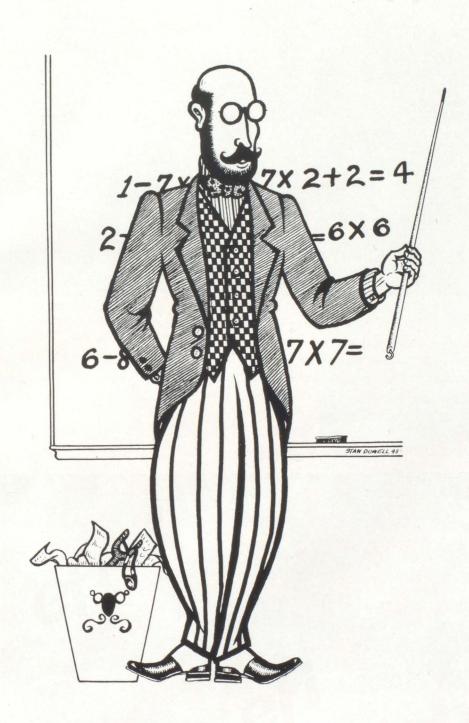

1849

One hundred years have passed since the 49ers set out toward the West to seek riches and new lands. We, the llex staff, in bringing you the 1949 llex have attempted to bridge the years between by weaving the theme of the centennial throughout the book. We found this theme especially fitting since the members of this year's graduating class are called the "forty niners".

for our movies ... hails from
the East ... seen talking to
Mr. Lund.

The 49'ers of Today

Left to Right: D. Bradford, J. Whitehead, L. Thatcher, Adviser; P. Skinner, R. Warner, D. Gray

The Class of 1949 has shown itself to be one of the most spirited classes ever to graduate from WHS. The seniors took student body card sales, and the Ilex sales which followed were theirs also.

The girls have shown themselves to be top sportsters since their entrance to WHS in 1945. They won several inter-class tournaments as lowerclassmen, and this year showed up very well in all the contests. The boys again proved their school spirit by continuing to take an active interest in all Isports.

The colors of the '49ers are blue and gold, and their flower is the California poppy. They have truly endeavored to live up to their motto, "Let us be bold and seek the gold that is found in useful knowledge."

Every outgoing class has its memories, and the class of 1949 is no exception. It has remembrances that will be treasurer always, for high school days are always the happiest.

Comers

DON BLICKLE President

ANDY GARRIDO Vice-President

MARLENE HERMAN Secretary

GLORIA CONLEY Treasurer

The Class of '50" with Miss Polmere as its' counselor and acting sponsor, in the absence of Mr. Faltis, has participated in school sports, student body sales, dramatics, and has managed to maintain a high scholastic record.

It is known as a very athletic class. The junior boys hve been prominent in all sports, while a large percentage of the girls participated in interclass contests, taking second

ACT DU DT DES

Law 'n Order

Elva Jensen Vice President

Janet Fowler Secretary

Frank Rumsey Treasurer

Forest Storz President

As 1948-49 president of the student body in his senior year, Forest Storz ended his busy career at Woodland High. Graduating from Dingle in 1945, he started off at Woodland serving on the class council, on the constitution committee, a C. S. F. and Junior Red Cross member, a member of the Future Farmers, and was active in track and other sports.

Another able leader this year was our student body's vice-president, Elva Jensen. Serving on class council, on the social affairs committee, an active member of C. S. F. all four years, a member of Junior Red Cross, and participating in girls' interclass and G. A. A. sports, has kept her busy throughout her high school years.

Our efficient and capable secretary, Janet Fowler, graduated from Chacheville Grammar School in Yolo to start her active career as an active member of C. S. F. from her freshman year on, active in 4-H, a member of Junior Chamber of Commerce, and a student director of many plays, she is also a Thespian.

Frank Rumsey, better known as "Embezzler", has done an accurate and honest job as treasurer of the student body this year. Coming here from San Jose in his sophomore year, he began working on the llex staff, was a member of the French Club, C. S. F., Rally Committee, and active in Y. M. C. A. sports.

Music

Boys' Glee Minstrel Show

Under the direction of Mr. William Duntsch and Miss Aleytha Rabb the Woodland High School music department has had another busy, successful year.

The boys' and girls' glee performed for the Christmas pageant, at the music festival in Chico, during Public School Week, and at Baccalaureate. The boys put on a minstrel show in November for the student body.

With Mr. Duntsch as instructor, the orchestra played for the fall play, the Christmas pageant, and for the spring operetta. The orchestra also attended the Chico Music Festival.

The band showed itself to be the best in history this year. Many original and effective group stunts were given by the band at the football games.

Arts and Crafts

The Art Department under the supervision of Mrs. Emily Toste Gallup had a large turnout this year. Students studied design and color in the different phases of art.

Subjects covered include pencil and charcoal composition, outdoor sketching, figures and portraits, nature drawings (animals and flowers), and several types of posters. The more advanced students studied oil and water color painting.

Throughout the year students participated in various contests for extracurricular activities as well as designing folders and covers for the school.

Under the direction of Mr. Joseph Rice the craft classes have had a busy, successful year. The students worked with leather, copper, silver, plastic, and clay.

Along the plastic line the students made salad sets, salt and pepper shakers, towel racks, and cigarette boxes. When the classes were busy with leather projects many purses, wallets, key cases, glass cases, belts, and bookends were produced by the students.

German silver and copper were used by the classes to make various kinds of jewelry. Ceramics also proved to be a popular project for a majority of the students.

Hammer

The Woodland High School shops, under the direction of Mr. Donald Howell, Mr. Fred Danner, Mr. Frank Durst, and Mr. Carrol Bailey, have had a most successful year. Each of these vocational and industrial arts classes; woodshop, machine shop, and auto shop, have turned out many well-made and worthwhile projects. The vocational classes' work is to prepare the boys for an apprenticeship, while the purpose of the industrial art classes is to help qualify the boys for future occupations. The boys in these classes work on projects for their own home, repair property of the school, and help with the mechanical problems of the high school's activities. Some of the projects completed this year include: a three wheel bicycle, a boat, hammers, vices, tools, bowls, tables, checker boards, and many more useful objects.

Jay Sehorn Memorial Award

For the first time in the history of Woodland High School the Jay Sehorn Memorial Athletic Award was presented at the annual football banquet on December 16.

This award was given to Fred George for being the most valuable player of the 1948 season.

Last spring Woodland lost one of its most loyal, inspirational, and cooperative citizens; a man who stood for all things fine and honorable and courageous; who believed that honest endeavor—both physical and mental—deserved a just reward; a staunch admirer and encourager of fair play, team cooperation, and sportsmanship.

Since he loved all sports, and no one more than another, this award is to be made in all sports: football, basketball, baseball, and track.

Fred George and Art Hawkins display awards won at Football Banquet.

PAULA SKINNER Vice-President

MARGIE CRANSTON
Secretary

The girls purchased a new field week cup, white sweaters, and metal sport rates for their sweaters. Money was raised by selling cokes, pompoms, and leis at the football and basketball games.

Some of their activities included a potluck dinner, bowling, a trip to Sacramento for a playday and dinner, and a banquet for initiates and alumnae.

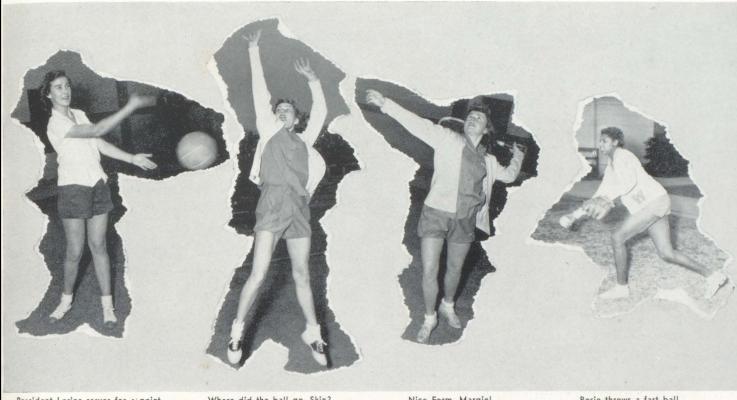

ROSIE HULETT Treasurer

Last Row; Left to Right: Miss Bonnie McPherson, adviser; Barbara Murphy, Gloria Conley, Nancy Adams, Rosie Archer, Rosemary Hulett. First Row: Barbara Hollar, Marge Cranston, Lorine Ross, Gerry Hulett, Paula Skinner, Shirley Plank.

Action

President Lorine serves for a point.

Where did the ball go, Skin?

Nice Form, Margie!

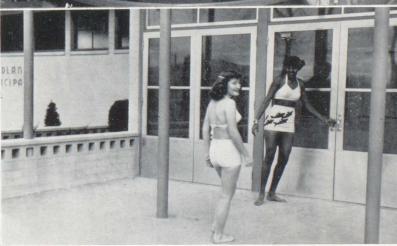

Rosie throws a fast ball.

G. Hulett, B. Hollar, N. Adams, S. Plank, and B. Murphy are seen making G. L. S. pom poms.

B. Hollar, N. Adams, B. Murphy, and S. Plank shake hands after a fast ping-pong game.

Gloria Conley and Rosie Hulett prepare for a swim.

Girls' Athletic

The Girls' Athletic Association was capably handled this past year by President, Gloria Conley; Vice-President, Rosie Archer; Recording Secretary, Jessie Paulson; Corresponding Secretary, Barbara Fortna; and Treasurer, Gerry Rasmussen.

G.A.A. EXECUTIVE BOARD MEETS TO DISCUSS PLANS.

GIRLS' ATHLETIC ASSOCIATION

Association

The girls purchased attractive GAA pins and a new interclass cup. A cup for the high-point graduating senior was also purchased. Money was raised by selling cokes and magazine subscriptions.

Activities consisted of numerous playdays, four of which were held here. The entire group made a trip to San Francisco for a tour of the town and an operetta.

ROLL CALL BEFORE THE FUN BEGINS.

Lookin' Back

October

October brought the end of warm weather and an exciting beginning to our gridiron season. We saw our varsity triumph over the McClatchy Lions, the Sacramento Dragons, the Lodi Flames, and the Modesto Panthers, but the heartbreaking Turlock game brought our winning streak to an end.

November

"Our Hearts Were Young and Gay" provided many laughs for us on November 4 and 5. The football season officially closed when we met Grant on "Turkey Day". "Buck's Boys" climbed into their monkey suits and began practice for hoop season.

December

The Jay Sehorn Memorial Award was presented at the annual football banquet held on December 16. The students became social-minded when December 17 brought another annual event, the long-awaited Christmas Dance. Books were dropped and the students eagerly awaited Santa's visit during the two-week vacation.

January

Although "Old Man Weather" proved to be an enemy when Color Day rolled around on January 19, the students' spirit was not dampened by the drizzling rain. Our "Casaba Kings" brought another honor to WHS when they sent the McClatchy Lions home with their tails between their legs.

February

Cupid shot his arrow through the hearts of many couples on February 12 at the Girls' League Valentine Dance. The close of February brought icy weather and the end of our hoop season, with our B's sporting the coveted championship. George Washington came in handy on February 22 when the students celebrated his birthday by not attending classes.

March

Our future heavyweights showed their stuff at the second annual Boxing Show on March 4. The girls found their big chance when Twirp Season rolled around and was climaxed by the Tola Dance on March 5. March was brought to an end when the successful operetta was presented on March 31 and April 1.

April

The Band Show on April 6 featured "Bach To Boogie". The juniors did a swell job when they presented their formal prom on April 8. The upperclassmen planned their futures on April 20, Career Day. WHS's doors were opened to parents and friends when they viewed the students' 48-49 work on April 22. The May Pole was traditionally wound at the May Dance on April 29.

May

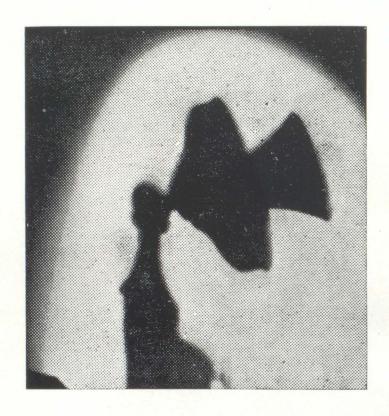

By the beards around the campus and the smell of hay coming from the gym we all knew that the FFA Barn Dance was near at hand on May 13. Seniors began their graduation activities by legally skipping school on May 20 and by attending Baccalaureate on May 29.

June

The mighty '49ers found their pot of gold in the month of June. They danced for the last time as students of Woodland High School at the Commencement Dance on June 4. Ham and eggs tasted extra good at the senior breakfast on June 10, for it meant the big day had finally arrived. To the strains of "Pomp and Circumstances" the graduates received their diplomas along with many fine memories on June 10, 1949.

THE END

... in time of need ... at any hour of the day or night...

A GOOD NAME --- Berry Rasmussen

It is wealth . . . that cannot be stolen.

It is fortune . . . that cannot be bought.

It is honor and character, impossible to imitate, impossible to cheapen.

It is integrity.

And it is pride.

A man feels it when he labors with his own hands, and offers his product for sale. His NAME is on that product. His good NAME is born and sustained with that product.

A company is no different from a man.

If it has a good name . . . it has wealth untold, honor and character unsullied, integrity unbroken.

It will not trade on its Competitors' name.

It has pride . . . in itself, in its products, in ITS good name.

Let no one tell you that there is ever an excuse for the loss of a good name.

Not cost, not hardship, not the lure of temporary profit.

Not even war

A good name is an obligation, an article of faith. The penalty for breaking that faith is quick and automatic. The reward for keeping it is long enduring.

For the people of Woodland will always know how to tell a good name.

A good name is a beacon. It stands above the treacherous darkness, the shifting waters, the uncertain shore.

It is a guide and a refuge.

A good name . . . is a blessing . . . to him who has it . . . and to him who must put his trust in it.

A good name is a man's... or a company's... conscience.
