The mighty Senior class of '51 has been full of spirit since first entering WHS. The boys and girls both have participated in many activities and have been good sports in everything.

The senior girls did their part by winning interclass hockey and basketball while the boys have taken part in all sports. Coming in first both in Ilex and Student Body Card sales made the Seniors mighty proud.

Finally came the much awaited Senior assembly, Senior skip day, commencement dance, and greatest of all—graduation.

These things are now in the past but nevertheless the memories of them will always remain in the hearts of the class of '51.

"TIMBERS"

*It's the class of '52
With colors of silver and blue
The red rose is our flower
Which makes the "Timbers" tower.*

This is the mighty class of '52. We got off to a great start as "Greenhorns" in 1948; made wonderful "Reinforcements" in 1949; now the "Timbers" have done an excellent job under the leadership of Mr. Gerald Mosher.

We had a very good class assembly. We did our part in decorating for the Tola Dance. We participated in all school events including sports, music, dramatics, and scholastic competition.

Our last three years were great, and we're now looking forward to a great senior year.

Having duly survived the trials of Freshman life, the class of '53 started their sophomore year with the real "know how". Under the guidance of Mr. Norton, class sponsor, and Mr. Jens Lund, counselor, they enthusiastically participated in all scholastic, social and athletic activities.

During the year they capably took charge of the Freshmen Reception, Gypsy Dance, Christmas Snow Ball and established their talent in the Sophomore assembly.

Green and white are the class colors of this "up and coming" group and the white carnation is their class flower.

The frosh got off to a good start at WHS with Mr. Lund, Mr. Mosher, as counselors, and Miss White, later replaced by Mr. Langton as frosh sponsor.

The class has decorated for dances, helped on committees and money raising projects.

Our class colors are royal blue and gray, and our flower is the white carnation.

The freshman class has gone all out for sports.

First on the class assembly agenda was that of the frosh. It was a big hit and revealed a lot of talent both musical and dramatical.

PAR LEZ-VOUS FRANCAIS OR

All 50 members of the French Club had a busy year and lots of fun.

At the meetings every second week the French games were played and refreshments served. They also enjoyed talks about France and especially Paris, given by Mrs. Payne and Mr. Merryman. Every second meeting was held in the cafeteria where French folk songs and American hits in French were sung.

Money was raised by the small membership fee and candy sales at noon time.

The Junior Red Cross was reorganized this year by Roberta Herman, who had attended a JRC training center during the summer.

Under the able leadership of the council the 150 members of the organization completed many projects successfully. They sewed khaki kits for the soldiers in Korea, filled envelopes with TB information for the public schools in Yolo County, gave Christmas gifts to patients in the local old folks homes and in the Yolo County General Hospital, sent 50 gift boxes to schools overseas, and sponsored comic book, Christmas tree ornament, cloth, and fund drive.

At the regular monthly meetings, the group enjoyed movies, guest speakers, and skits.

CSF 2ND SEMESTER OFFICERS

Sharon Musgrove, Richard Traynham, Gerry Rasmussen, John Din.

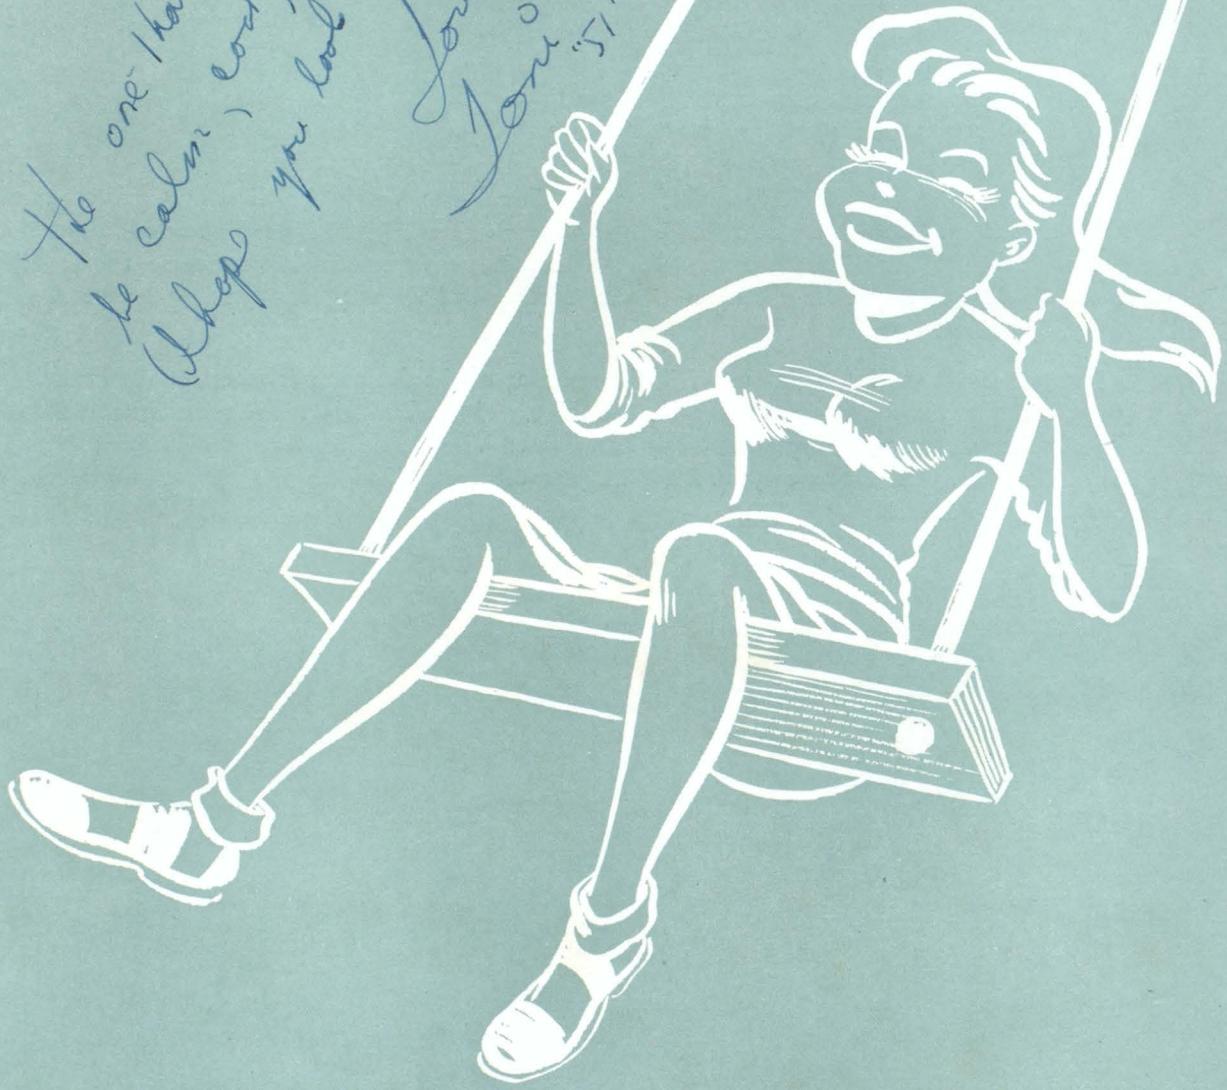

This year, as always, the CSF, advised by Mrs. Joan Payne, was in the midst of a constant turmoil of social functions. The first semester CSF officers were President, John Fitz; Vice President, Theresa Manzitto; Secretary, Karol Lee; Treasurer, Phyllis Fitz. There were thirty-two members in the Honor Society. In October they elected officers—November they had a candy sale—January a coke sale was sponsored by them.

Topped off by an Honor Day in April, the activities of the forty-two members of the second semester CSF included the election of officers in February, and the distribution of pins for the new members in March. The officers were: President, Gerry Rasmussen; Vice President, Sharon Musgrove; Secretary, Richard Traynham; and Treasurer, John Din. This year the society had ten life members—a record for Woodland High School.

Woodland's Bee football team seemed to be running in hard luck all season. Despite this fact, they played rugged ball and it was hard for the opposing teams to run up big scores on them.

OUR HOOPSTERS TAKE

This year's varsity basketball team was erratic from game to game but they managed to play their best games for the home crowd. Despite their inconsistency, they managed to come through the season with little better than a fifty percent win and loss average.

Hats off to the 1951 Bee Team champs. They played twenty-one games with only one setback. Their tricky and slick ball handling was a pleasure to watch and kept the crowds on the edge of their seats most of the time. Most of the boys on this team were lower classmen so we can look forward to a good team next year.

THE WOODLAND HIGH BAND

"Duntsch's Bunch" started off the year with a bang by playing for the football games and rallies. Several tricky formations were displayed at the basketball games, with the majorettes showing their stuff.

On the social side, they have sponsored the Stockin Stomp, several noon dances, and plan for a picnic in the future.

The band made an excellent showing at the State Music Festival in Berkeley, the Davis Picnic, Winters Youth Day, Memorial Day Parade, and at the Graduation Exercises.

The Girls' Athletic Association is a very active group. Throughout the year the members participate in various sports. Among which are hockey, basketball, softball, volleyball and swimming.

Some of the activities are the annual Girls' Sports Review, a trip to San Francisco, several play days in which girls from other schools also participate in many sports and the GAA Spreads, when the girls receive awards for athletic achievement.

The GAA also acts as parent-sponsor to the Girls' Swim Club.

There are approximately seventy-five girls who belong and are active in the Girls' Athletic Association. The advisor is Miss Janet Saunders.

GIRLS SWIM CLUB

Girls Swim Club, under the sponsorship of G.A.A., was formally organized this year. A swim show, with the members participating, was put on in May. This production was the 3rd annual one and topped all previous ones.

... has a place in
Your Life Today

Yes, Ben Franklin and his principles are of timely importance in 1951 . . . for by our practice of his thrift policies we can insure a bright future.

Franklin once said:

"A dollar saved is a dollar earned."

Again he said:

"Save while you may, no morning sun lasts the whole day."

And then again:

. . . "Save while you may" . . . and it's advice that's as sound and practical TODAY as it was two hundred years ago!

A GOOD NAME---

It is wealth . . . that cannot be stolen.

It is fortune . . . that cannot be bought.

It is honor and character, impossible to imitate, impossible to cheapen.

It is integrity.

And it is pride.

A man feels it when he labors with his own hands, and offers his product for sale. His NAME is on that product.

His good NAME is born and sustained with that product.

A company is no different from a man.

If it has a good name . . . it has wealth untold, honor and character unsullied, integrity unbroken.

It will not trade on its Competitors' name.

It has pride . . . in itself, in its products, in ITS good name.

Let no one tell you that there is ever an excuse for the loss of a good name.

Not cost, not hardship, not the lure of temporary profit.

Not even war.

A good name is an obligation, an article of faith. The penalty for breaking that faith is quick and automatic. The reward for keeping it is long enduring.

For the people of Woodland will always know how to tell a good name.

A good name is a beacon. It stands above the treacherous darkness, the shifting waters, the uncertain shore.

It is a guide and a refuge.

A good name . . . is a blessing . . . to him who has it . . . and to him who must put his trust in it.

A good name is a man's . . . or a company's . . . conscience.
